* Please see 'B' at page (I) to understand how this figure is arrived at.

(1)

(a) There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding "Deposits with Reserve Bank" included in the Cash Balance. The discrepancy is under reconciliation. See also "Notes to Accounts" at page 21 in volume 1.

B. Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

Dr. (In lakh of ₹)	Details	Cr. (In lakh of ₹)
1,69,17,90.65	A-Amount at the debit of Government Accounts on 1st April 2010	1,16,08,16.45

	C-Receipt Heads (Capital Account)	
1,16,21,06.83	D-Expenditure Heads (Revenue Account)	
18,54,84.21	E- Expenditure Heads (Capital Account)	
5,15,00.00	H-Transfer to Contingency Fund	
	F- Suspense and Miscellaneous (Miscellaneous Government Accounts)	
	G-Amount at the debit of Government Account on 31st March, 2011	1,93,00,65.24
3,09,08,81.69	TOTAL	3,09,08,81.69

- (i) In a number of cases, there are unreconciled differences in the closing balance as reported in the statement of 'Receipts, Disbursements and Contingency Fund and Public Account' (St no 2 and 18) and that shown in separate Registers or other record maintained in the Account office /Department offices for the purpose. Steps are being taken to settle the discrepancies.
- (ii) the balances are communicated to the officers concerned every year for verification and acceptances thereof. In a large number of cases such acceptances have not been received.
- (iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in annexure 'A' to Appendix 8.
- (iv) Cases where details/ documents are awaited in connection with reconciliation of balances are detailed in annexure B to this appendix.
