PREFACE

1. The accounts of Government Companies set up under the provisions of the Companies Act (including Government Insurance Companies and Companies deemed to be Government Companies as per provisions of the Companies Act) are audited by the Comptroller and Auditor General of India (CAG) under the provisions of Section 619 of the Companies Act. The accounts certified by the Statutory Auditors (Chartered Accountants) appointed by the Central Government on the advice of the CAG under the Companies Act, 1956 are subjected to supplementary or test audit by officers of the CAG and CAG gives his comments or supplements the report of the Statutory Auditors. The Companies Act, 1956 empowers the CAG to issue directions to the Statutory Auditors on the manner in which the Company's accounts shall be audited.

2. The statutes governing some corporations and authorities require their accounts to be audited by the CAG and reports given by him. In respect of International Airports Authority of India, National Highways Authority of India, National Airports Authority, Inland Waterways Authority of India, Damodar Valley Corporation and Delhi Transport Corporation, the CAG is the sole auditor under the relevant statutes. In respect of Central Warehousing Corporation and Food Corporation of India, the CAG has the right to conduct audit independently of the audit conducted by the Chartered Accountants appointed under the statutes governing the two Corporations.

3. Reports in relation to the accounts of a Government Company or Corporation are submitted to the Government by the CAG under the provisions of Section 19-A of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 as amended in 1984.

4. Three annual Reports on the accounts of the Companies and Corporations are issued by the CAG to the Government.

'Report No.1 (Commercial) - Review of Accounts' gives an overall appreciation of the performance of the Companies and Corporations as revealed by their accounts and information obtained in audit.

'Report No.2 (Commercial) - Comments on Accounts' gives a resume of the important comments of the CAG on the accounts of the Companies and Corporations and the reports submitted by the Statutory Auditors (Chartered Accountants) on the audit of the Companies in pursuance of the directions issued by the CAG.

'Report No.3 (Commercial) - Audit Observations' contains the observations on individual topics of interest noticed in the course of audit of the Companies and Corporations and short reviews on aspects of their working.

5. Audit Boards are set up under the supervision and control of the CAG to undertake comprehensive appraisals of the performance of the Companies and Corporations subject to audit by CAG. Each Audit Board consists of the Chairman (Deputy Comptroller and Auditor General), two or three whole-time members of the rank of Principal Directors of Audit under CAG and two technical or other experts in the area of performance of the Company or Corporation, who are part-time members. The part-time members are appointed by the Government of India (in the respective Ministry or Department controlling the Company or Corporation) with the concurrence of the CAG. The reports of the CAG based on such performance appraisals by the Audit Board and other reviews are issued to the Government as separate reports in addition to the annual reports.

6. Provision exists in the Acts governing Reserve Bank of India, Export-Import Bank of India, Industrial Reconstruction Bank of India, National Bank for Agricultural and Rural Development, Industrial Development Bank of India and National Housing

Bank for the Central Government to appoint CAG, at any time, to examine and report upon their accounts. No such appointment was made during 1994-95.

7. The accounts of the public sector undertakings reviewed in this report cover the accounts for the years 1992-93, 1993-94 and 1994-95 (to the extent received). Where any year's accounts were not received before 30th September 1995, the figures of the previous year for which accounts had been audited have been used.

OVERVIEW

I. Introduction

As on 31.3.95, there were 256 Government Companies, 57 Deemed Government Companies, 8 Statutory Corporations and 5 Insurance Companies of the Central Government required to submit their accounts for audit by the Comptroller and Auditor General of India. Out of the 326 PSUs, 67 had not presented their accounts for audit (by 30-9-1995). The accounts of 19 PSUs have not been submitted for the last 3 years or more. The power vested in the Department of Company Affairs under the provisions of the Companies Act needs to be invoked to over take the arrears in the compilation of accounts of Govt. Companies and get the companies to present them for audit. Similar action needs to be taken in regard to Govt. Companies under the State Governments which also come under the purview of the Companies Act. Out of 972 Companies under the State Governments the accounts of 796 Companies are in arrears for compilation, including 463 companies in arrears for 3 years or more.

(Paragraph 1.1.(ii) & 1.2)

II. Government Investment

Govt. of India invested Rs.56,058 crores in equity capital and advanced loans amounting to Rs.29,138 crores in 256 PSUs upto 31.3.1995. The increase in equity to PSUs during the year was Rs.1,841 crores and decrease in loans was Rs.1,982 crores. The equity investment at the end of the preceding two years stood at Rs.54,217 crores and Rs.50,668 crores. In pursuance of the new economic policy the Government has disinvested its shares in some PSUs during the year.

(Paragraph 1.1.(iv) and (v))

III. Return On Investment

The total dividend paid by PSUs was Rs.1,517 crores in 1994-95. However, the dividend return on equity investment of Rs.56,058 crores, worked out to just above 2 per cent. Out of the 138 companies earning profits, only 73 companies declared/paid dividend. The dividend received was less than 1 percent in 13 out of 32 Ministries/Departments. The dividend return was more than 11.5% (rate of return on Govt. Securities) in only 5 Ministries/Departments. The overall dividend return on Net Worth received by Government was only 1.83%.

As a result of accumulated losses, Net Worth of PSUs of Fertilizer, Heavy Industry, Surface Transport, Textiles and Water Resources etc., was negative. The Net Worth was 10 times the paid up capital of the PSUs of the Ministry of Petroleum and Natural Gas. Net Worth of PSUs of Agriculture, Civil Aviation and Tourism, Commerce, Communication, Environment and Forests, Finance and Human Resources Development exceeded twice their paid up capital. The percentage of Net Worth to paid up capital of PSUs of all the Ministries/Departments has increased from 109 to 125 in the last two years.

Cash losses incurred by PSUs increased from Rs.3,005 crores in 1992-93 to Rs.4,553 crores in 1994-95. The accumulated losses increased by Rs.7,690 crores in the last two years. Further Government also granted waiver or deferment of interest and loan instalments receivable from PSUs amounting to Rs.1,087 crores in 1994-95.

(Paragraphs 1.3, 1.5 and 1.6)

IV. Accumulated Losses

Out of 269 Central PSUs, the equity investment by the Government in 96 PSUs had been eroded by the accumulated losses as on 31.3.1995. The net worth was negative of the order of Rs.19,063 crores as on 31.3.1995.

(Paragraphs 1.1 and 3.1)

V. Inventory & Sundry Debts

The percentage of inventory to annual consumption exceeded 33% in 105 PSUs and 50% in 70 PSUs. Finished goods in stock were more than 1 month's sales in 92 PSUs. The high level of sundry debtors as percentage of sale also indicates need for improvement in credit policy and vigorous efforts for debt realisation.

(Paragraph 4.1)

VI. Capacity Utilisation

Low Capacity Utilisation figures clearly indicate the need for Ministries/Departments to monitor capacity utilisation in terms of standard man hours.

(Paragraph 5.1)

VII. General Insurance

In the General Insurance Companies, the profit from risk underwriting business has improved only in 1993-94 (Rs.81.35 Crores). With the exception of fire and marine insurance which are making profits, motor vehicles and other insurance business led to heavy losses. Theft Insurance business has picked up marginally during 1994-95. Even in foreign operations, the General Insurance Companies have not earned profits from risk underwriting business.

(Paragraph 6)

CHAPTER 1

1.2 Accounts in Arrears

(i) Under the provisions of Section 166, 210, 230, 619 and 619-B of the Companies Act, 1956 read with Section 19 of Comptroller and Auditor General's (DPC) Act 1971, and the provisions in relevant Acts governing the Statutory Corporations, the accounts of the Companies for every financial year are to be submitted for audit within 6 months of the end of the relevant financial year. They are also to be laid before both Houses of Parliament within 9 months of the end of the financial year. The accounts of 67 Central Government Companies, Deemed Government Companies and Corporations for 1994-95 and some earlier years had not been made available for audit upto the end of September, 1995 (Table II). The Government Companies, Insurance Companies and Statutory Corporations have been grouped under the administrative Ministries or Departments of Government of India. The 19 Public Sector Undertakings marked with asterisks in Table II have not been reviewed in this report for want of their accounts.

(ii) The above referred provisions of the Companies Act apply equally to State Government Companies and Deemed Government Companies and the enforcement of the provisions for submission of accounts for audit is the responsibility of the Department of Company Affairs of the Government of India. The number of Companies under each State Government whose accounts are in arrears contrary to provisions of Companies Act and have not been presented for audit is given in Table III. Companywise details are given in Appendix VII.

(iii) The recommendations for appointment of Statutory Auditors for Government Companies, required to be made by the CAG to the Department of Company Affairs under Section 619 of the Companies Act, have been made for the earliest year for which accounts are still to be received for audit as well as one or two subsequent years where accounts are in arrears for more than one year. Appointments become infructuous where the accounts do not become available to the Statutory Auditors for months or years after they are appointed. The necessity for action under the Companies Act to get the accounts completed and presented for audit has been impressed upon the Department of Company Affairs who have the necessary powers for taking action under the Companies Act.

1.6 Returns on Investment

(i) The returns on investment by Ministries and Departments of Government, computed in terms of dividend declared as a percentage of the Net Worth are given in Table VII. The cash losses in loss making companies, exports as percentage of sales, the percentage of sales subject to price control and per capita expenditure on welfare benefits are also given. The Company and Corporation wise details including profits earned are given in Appendix I.

(ii) The dividend received as a percentage of the paid up capital was less than one percent in 13 out of 32 Ministries/Departments. The dividend return was more than 11.5 per cent (rate of return on Government Securities) in only 5 Ministries/Departments, (Chemicals and Petrochemicals, Commerce, Finance, Human Resources Development and Petroleum and Natural Gas). In the years under review bonus shares have been issued by only five Public Sector Undertakings. Considerable reserves and surplus have been built up in some PSUs and losses have been accumulated in some others. As a result of losses incurred over the years the combined Net Worth (paid up capital plus free reserves less accumulated losses and miscellaneous expenditure to the extent not written off/intangible assets, if any) of the PSUs of Ministries/Departments of Fertilizer, Heavy Industry, Surface Transport, Textiles and Water Resources etc., was negative. (See also para 3.1).

(iii) In PSUs of Ministry of Petroleum and Natural Gas, the Net Worth was over 10 times the Paid up Capital because of substantial reserves having been built up by the PSUs, but dividend return on Net Worth was only 1.49 per cent. Other than Petroleum and Natural Gas, Net Worth had exceeded twice the Paid up Capital only in PSUs of 7 Ministries/Departments viz. Civil Aviation and Tourism, Commerce, Communication, Environment and Forests, Finance, Human Resources Development and Space out of the total of 32 Ministries and Departments, the accounts of whose Public Sector Undertakings have been reviewed.

(iv) For the Ministries and Departments as a whole, the percentage of Net Worth to paid up Capital has increased from 108.69 to 125.18 in last two years. Cash losses went up from Rs.3,005 crores in 1992-93 to Rs.3,641 crores in 1993-94 and to Rs.4,553 crores in 1994-95 and accumulated losses went up by Rs.7,690 crores in the last two years.

(v) Exports as a percentage of sales were significant (above 20%) only in Ministry/ Department of Commerce and Space. Sales which were subject to price control were significant (over 20%) only in PSUs under Ministry/Department of Coal, Fertilizer, Petroleum and Natural Gas and Water Resources.

(vi) The per capita expenditure on social welfare benefits ranged from Rs.0.01 lakh to Rs.0.26 lakh during 1994-95 while the overall average per capita expenditure was Rs.0.09 lakh.

CHAPTER 2

INVESTMENT BY PSUs

2.1 The companies with Surplus Capital i.e. excess of Net Worth and Borrowed Funds over Capital Employed and Capital Work in Progress, mostly invested their Surplus in Banks etc. The available details of Surplus invested in Banks are given in Appendix II. Significant investment in Banks were noticed in PSUs of Ministry/Department of Civil Aviation and Finance. (See also Chart 5).

CHAPTER 3

ACCUMULATED LOSSES

3.1 Capital Erosion

The equity investment of Government in 96 companies under 20 Ministries and Departments (listed in Table VIII) has been eroded by the losses accumulated by the companies. The Net Worth of these 96 companies is zero or negative (See also Chart 6) When the Net Worth is negative loans given by the Government to the Companies become doubtful of recovery. When loan funds are used to finance losses after the paid up capital is fully eroded there is little likelihood of the loans being repaid to Government. To the extent of information available, in 49 cases an indication that the Central Government Company has been referred to the BIFR is given in Table VIII.

CHAPTER 4

INVENTORIES AND TURNOVER OF CAPITAL EMPLOYED

4.1 The value of finished goods in stock at the end of the year as a percentage of Sales during the year and the value of inventories other than finished goods (e.g Raw Materials, Stores and Spares) at the end of the year as a percentage of consumption during the year, are given in Table IX for each class of Public Sector Undertakings of the Government of India. The percentage of Net Sales to Capital Employed is also given alongside. The Ministry-wise details are given in Appendix III. A lower percentage of inventories (other than finished goods) to consumption is indicative of inventory being turned over more number of times for production. In most undertakings the percentage should not exceed 33% and where it exceeds 50%, the material management requires review. Capital Employed represents Net Block plus Working Capital. If the percentage of Net Sales to Capital Employed is high, it is indicative of the efficient use of the capital. Also given are the percentage of Sales to Government Departments/Public Sector Undertakings and Sundry Debtors as percentage of Sales. In 105 PSUs, the percentage of inventories to annual consumption exceeded 33% and in 70 PSUs it exceeded 50%. The level of inventories was high in Agro based industries, Power, Telecommunication services etc. The percentage of finished goods to Sales was higher than 8.33% (i.e. one month's sales) in 92 PSUs. The percentage of Sales to Capital Employed was less than 100% in 127 PSUs. The reasons for high percentage of inventories to consumption/sales and low percentage of Sales to Capital Employed need to be looked into.

The percentage of sales to Government Sector is still high in most PSUs, which is indicative of the need to improve competitive marketing in non Government and export sectors. The high level of Sundry Debtors as percentage of Sales also indicates the need for improvement in contractual arrangements in marketing. The debtors outstanding are significantly high in Contract & Construction Services and Heavy Industry .

CHAPTER 5

CAPACITY UTILISATION

5.1 The highest and lowest percentage utilisation of the installed or rated capacity in each class of companies under various Ministries and Departments (to the extent of information available) are given in Table X. The installed capacity is often uprated or downrated depending upon conditions of plant and machinery, manpower constraints, number of shifts worked, etc. leading to revision of rated capacity. The figures computed by the PSUs have not been presented in terms of a standard manhour unit of capacity or production. The highest and lowest rates of capacity utilisation are related to a range of products. The need for the Ministries and Departments to monitor capacity utilisation in terms of standard manhours of production feasible, as well as targeted and achieved, is clearly indicated.

CHAPTER 7

DEEMED GOVERNMENT COMPANIES

7.1 Identification And Accountability For Deemed Government Companies.

Section 619-B of the Companies Act, 1956 lays down the criteria for determining whether a company is a Deemed Government Company i.e., whether 51 % or more of its paid up share capital is held by Central / State Governments, Central /State Government Companies and Corporations owned or controlled by Government. The Department of Company Affairs is addressed periodically by the CAG to indicate additions to the known Deemed Government Companies. According to information available, as on 31st March 1995 there were 57 Deemed Central Government Companies. Mention has been made in Chapter 7.1 of the Report No.1 of 1993 of the C&AG of India - Union Government (Commercial) about identification and accountability for Deemed Government Companies.

7.2 Central and State Deemed Government Companies

The known 57 Deemed Central Government Companies are listed in Appendix V. To the extent of information available, the capital invested by the Central Government and by Companies and Corporations controlled by it in 43 Deemed Government Companies under the administrative control of the Government of India is given in Table XIII (See also Chart 9). Where details are not fully available, the balance share capital is shown as held by others. It is necessary for Department of Company Affairs to ascertain the extent of shares held by various Governments and Government Companies and Corporations owned and controlled by Governments in the various companies in order to ascertain which companies are legally Deemed Government Companies. The list of known 42 Deemed State Government Companies (as per information available to Audit) is given in Appendix VI.

7.3 The number of deemed Government Companies reviewed had gone up by one with the addition of 5 new Companies and deletion of 4 companies which had become Government Companies. As against the investment of Rs.6.28 crores in the above 43 deemed Government Companies by Government of India as on 31st March 1995, the equity investment held by State Government, Central Government Companies/Corporations, State Government Companies/Corporations, Financial Institutions/Banks and others were Rs.0.02 crores, Rs.77.32 crores, Rs.1.90 crores, Rs.946.04 crores and Rs.22.37 crores respectively. Government of India also guaranteed one company for repayment of cash credits from State Bank of India to the tune of 0.50 crores.

7.4 Out of the 43 deemed Government Companies reviewed in this report, 30 companies earned profit but only 13 declared dividend amounting to Rs.54.96 crores representing 5.21 percent of paidup capital. Thirteen companies including the two companies in which the Government has invested incurred loss during 1994-95.

7.5 For the deemed Government Companies as a whole, networth increased from Rs.390.28 crores in 1992-93 to Rs.1,105.43 crores in 1994-95. Cash losses and accumulated losses went up by Rs.164 crores and Rs.41 crores respectively during the last two years.
