PREFATORY REMARKS

Government commercial concerns, the accounts of which are subject to audit by the Comptroller and Auditor General of India, fall under the following categories:—

- (i) Government companies including subsidiaries of Government companies.
- (ii) Statutory Corporations.
- (iii) Departmentally managed commercial undertakings.

The observations of Audit on all the above categories of undertakings formed part of Central Government Audit Report (Civil) till 1962. Taking into consideration the number of Commercial Undertakings, the amount of money invested and the complex nature of these organisations, it was decided to present the audit comments relating to them with effect from 1963 in a separate volume known as Central Government Audit Report (Commercial).

Consequent upon the setting up of the Parliamentary Committee on Public Undertakings to deal with Government Companies and Corporations, the material relating to Departmentally managed commercial undertakings is discussed by the Public Accounts Committee along with the other material relating to other departments of Government. The report relating to Departmentally managed commercial undertakings forms part of Audit Report (Civil) and the Audit Report (Commercial) deals with the other two categories.

2. There are, however, certain companies and Corporations where Government has invested funds, but the accounts of

which are not subject to audit by the Comptroller and Auditor General of India on account of;

- (a) Government holding less than 51 per cent shares and the company, therefore, not falling within [the scope of Section 617 of Companies Act, 1956 (e.g. Sindhu Resettlement Corporation Limited etc.); and/or
 - (b) there being no provision in the relevant statute establishing the Corporation for audit by the Comptroller and Auditor General of India (Reserve Bank of India, Nationalised Banks, Life Insurance Corporation of India).

A list of such undertakings where Government investment is not less than 1 crore of rupee is given in Annexure 'A'.

In addition, the Comptroller and Auditor General of India is also not statutorily responsible for the audit of the accounts of statutory bodies (e.g. State Bank of India, Industrial Finance Corporation of India etc.) the majority interest in which vests with other statutory bodies (e.g. Reserve Bank of India, Industrial Development Bank of India).

Pursuant to the suggestion of the Public Accounts. Committee for subjecting companies, whereof more than fifty one per cent shares are held jointly by Government and Government companies to the financial discipline of the companies Act, as in the case of Government companies, and in view of the fact that there have been instances where more than fifty one per cent shares are held by public financial corporations either by themselves or along with Government or Government companies, it was considered necessary to empower the Central Government to appoint the auditors, on the advice of the Comptroller and Auditor General of India, for the purposes of audit of accounts of such companies in the same manner as

adopted for Government companies. Accordingly Section 619-B was added by the Companies (Amendment) Act, 1974, making the provisions of Section 619 of the Act applicable to a company in which not less than fiftyone per cent of the paid up share capital is held by one or more or a combination of any of (i) Central Government (ii) State Governments, (iii) Government companies, (iv) Corporations owned or controlled by Central Government and (v) Corporations owned or controlled by the State Governments as if it were a Government company. This amendment came into force from 1st February, 1975.

The ownership of 103 sick textile mills was taken over by the Government of India with effect from 1st April, 1974 through an Ordinance called 'The Sick Textile Undertakings (Nationalisation) Ordinance, 1974' issued in September 1974. The Ordinance was later on enacted by Parliament as 'The Sick Textile Undertakings (Nationalisation) Act, 1974.' In terms of Section 3(1) of the Act, these sick mills stood transferred to the National Textile Corporation Ltd. Out of 103 mills, possession of 5 mills could not be taken over by National Textile Corporation Ltd. on account of court orders. 91 of the remaining 98 textile mills were later on transferred by National Textile Corporation Ltd. to nine subsidiaries formed by it under the Companies Act, 1956 during October/November 1974 in terms of Section 6 of the Sick Textile Undertakings (Nationalisation) Act, while 7 mills remained with the Corporation. As the accounts of the National Textile Corporation as well as its subsidiaries for the year 1974-75 are still awaited (April 1976), the results of their working have not been taken into account for the purpose of this report.

3. In the case of Government companies, audit is conducted by professional auditors appointed on the advice of the Comptroller and Auditor General, but the latter is authorised under Section 619(3)(b) of the Companies Act, 1956 to conduct a

supplementary or test audit. He is also empowered to comment upon or supplement the report submitted by the professional auditors. The Companies Act further empowers the Comptroller and Auditor General to issue directives to the auditors in regard to the performance of their functions. In March 1962 such directives were issued by him to the auditors for looking into certain specific aspects of the working of Government companies. These were revised in December 1965 and February 1969.

- 4. In respect of Air India, Indian Airlines, Oil & Natural Gas Commission, Damodar Valley Corporation, International Airports Authority and Delhi Transport Corporation, which are statutory organisations, the Comptroller and Auditor General of India is the sole Auditor, while in respect of the Central Warehousing Corporation and the Food Corporation of India, he has the right to conduct audit independently of the audit conducted by the professional auditors appointed under the Act.
- 5. After considering the recommendations of the Administrative Reforms Commission, an Audit Board was set up with effect from 1st April, 1969, under the supervision and control of the Comptroller and Auditor General of India for undertaking comprehensive appraisal of the working of the Government companies and Corporations.

Depending upon the requirements for appraisal of performance of the undertakings selected, the Audit Board meets in groups. Each group consists of the Chairman, two whole-time members and two part-time members. The Chairman and two whole-time members are officers of the Indian Audit and Accounts Department and are appointed by the Comptroller and Auditor General of India. The two part-time members of each group are appointed by Government of India after consultation and with the concurrence of Comptroller and Auditor General.

- 6. As in the previous year, for facility of consideration the Report of the Comptroller and Auditor General of India—Union Government (Commercial), 1976 will be presented in several parts consisting of the following:—
 - (a) Introduction—Indicating a general review of the working results of Government companies and Corporations.
 - (b) Results of the comprehensive appraisal conducted by the Audit Board (Referred to in paragraph 5).
 - (c) Individual points of interest noticed in audit of the undertakings not taken up for appraisal by the Audit Board and a resume of the Reports of Company Auditors submitted by them under the directives issued by Comptroller and Auditor General.
- 7. In the beginning of Part I of the Report the "highlights of the working of the Union Government companies for 1974-75" have been indicated for convenience. They indicate an overall picture of different types of industries but should not be viewed in isolation. The details are given in the Report.

HIGHLIGHTS OF THE WORKING OF THE UNION GOVERNMENT COMPANIES DURING 1974-75

A.—Government Companies other than General Insurance Companies

The overall results in the aggregate of the working of 120 Union Government companies disclosed a net profit of Rs. 279.77 crores for the year 1974-75. The return on capital invested increased from 4.5 per cent in 1973-74 to 5.9 per cent in 1974-75 and the return on capital employed increased from 8.0 per cent in 1973-74 to 9.8 per cent in 1974-75. In considering the profit and the return on capital, the following facts are relevant.

The total value of production/business of 106 companies, data in respect of which were analysed was Rs. 8006.02 crores in 1974-75 registering a growth of 56.8 per cent over the value of production/business of 103 companies during 1973-74. The contribution to the exchequer in the form of Central Excise Duty by 39 Companies which were studied amounted to Rs. 850.80 crores representing 26.3 per cent of the total collection of Central Excise Duty of the country during 1974-75. Exports made by 57 companies amounted to about Rs. 828.26 crores. These Government companies, provided direct employment to 9,22,853 persons by the end of 1974-75 as against 8,69,121 persons at the end of 1973-74, registering a growth of 6.2 per cent in employment. The benefits in the shape of township facilities at concessional rates provided to the employees of 55 companies, amounted to Rs. 28.50 crores. companies turning out producton of the value of Rs. 5,663.93 crores imported raw materials, stores and spare parts to the extent of Rs. 929.42 crores.

The profit earned by 120 companies in 1974-75 was Rs. 279.77 crores registering an increase of 77.57 per cent over the profit of Rs. 157.55 crores of 116 companies in 1973-74. The manufacturing/producing companies bettered their performance in 1974-75 contributing a profit of about Rs. 162.78 crores against profit of about Rs. 75.37 crores earned by them in 1973-74.

Analysis of utilisation of capacity (commissioned) in selected industries for which information was available [revealed the following:—

- (i) in steel group utilisation of capacity commissioned improved from 63.0 per cent in 1973-74 to 68.2 per cent in 1974-75;
- (ii) in fertilizer group it dropped from 65.6 per cent in 1973-74 to 51.0 per cent in 1974-75; and
- (iii) in oil refining it fell from 93.4 per cent in 1973-74 to 82.7 per cent in 1974-75.

The details are indicated below:-

- Number of Government 99 and 44 subsidiaries. companies as on 31st March, 1975.
- 2. Number of companies 91 and 29 subsidiaries (vide (other than Insurance companies) which prepared accounts.
- 3. Paid up capital of the 120 Rs. 47 companies as on 31st of R March, 1975.
- 4. Long-term loan capital of the 120 companies as on 31st March, 1975.
- Rs. 4765.81 crores.—Increase of Rs. 435.48 crores over 31st March, 1974.
- Rs. 3297.08 crores. Increase of Rs. 698.01 crores over 31st March, 1974.

Indian Motion Pictures Export Corporation Limited, which was a subsidiary of State Trading Corporation of India Ltd., became an independent company with effect from 29th February 1974. Bharat Coking Coal Ltd. which was formed on 1-1-1972 as a Government Company to take over nationalised coking coal mines became a subsidiary of Steel Authority of India Ltd., with effect from 16-3-1973. Consequent upon the transfer of the shares held by the Steel Authority of India Ltd., to the President of India with effect from 15-2-1975, the Company ceased to be a subsidiary of Steel Authority of India Ltd., and became an independent company. ESSO Standard Refining Company of India Limited and Lube India Limited were amalgamated into a single company with effect from 15th July 1974 under the name of Hindustan Petroleum Corporation Ltd. Manganese Ore (India) Ltd. ceased to be a Government company in terms of Section 617 of the Companies Act, 1956 with effect from 2-11-1973 although it still continues to be a deemed Government Company under the provisions of Section 619-B of the Act.

^{*} Includes two Companies which are subsidiaries of AIR INDIA but under audit of Comptroller and Auditor General of India under the Air Corporations Act, 1953.

During the year 1974-75, 13 new subsidiary companies were formed. While SAIL International Ltd. and HMT (International) Ltd. were formed on 10-6-1974 and 13-12-1974 as subsidiaries of Steel Authority of India Ltd. and Hindustan Machine Tools Ltd. respectively, Bharat Refractories Ltd.a private sector company, was taken over by Government and made a subsidiary of Bokaro Steel Ltd. Indian Oil Blending Ltd., a joint venture of certain Government companies and others, became a subsidiary of Indian Oil Corporation with effect from 5-9-1974. In addition, 9 subsidiaries National Textile Corporation (Andhra Pradesh, Karnataka, Kerala and Mahe) Ltd., (2) National Textile Corporation (Gujarat) Ltd., (3) National Textile Corporation (Tamilnadu and Pondicherry) Ltd., (4) National Textile Corporation (Delhi, Punjab and Rajasthan) Ltd., (5) National Textile Corporation (Uttar Pradesh) Ltd., (6) National Textile Corporation (Madhya Pradesh) Ltd., (7) National Textile Corporation (South Maharashtra) Ltd., (8) National Textile Corporation (North Maharashtra) Ltd., (9) National Textile Corporation (West Bengal, Assam, Bihar and Orissa) Ltd. were formed by National Textile Corporation Ltd., during October/November 1975 and 91 out of 98 Sick Textile Mills actually taken over by Government were transferred to them. Indian Consortium for Power Projects Pvt. Ltd.,-a subsidiary of Bharat Heavy Electricals Ltd., was merged with the holding company with effect from 1-1-1975 while Indian Oil International Ltd .-- a subsidiary of Indian Oil Corporation Ltd., went into voluntary liquidation with effect from 30-8-1974.

The Accounts of Coal Mines Authority of India Ltd., Central Fisheries Corporation Ltd., Rehabilitation Industries Corporation Ltd., National Newsprint and Paper Mills Ltd., State Farms Corporation of India Ltd., Jute Corporation of India Ltd., Bridge and Roof Company Ltd., National Textile Corporation Ltd., and its 9 subsidiaries, National Insurance Company Ltd., United India Fire & General Insurance

Company Ltd. and Zenith Assurance Company Ltd. have not been included as they have not been received.

The results of working of the nationalised General Insurance companies, other than Industrial Credit Company Ltd., have been included in Section II of this Report.

2. Paid-up capital

The total paid-up capital of 120 companies of the Union Government (including subsidiaries) included in this Section of the Report was Rs. 4765.81 crores at the end of 1974-75 representing an increase of Rs. 435.48 crores over the total paid-up capital of Rs. 4330.33 crores of 116 companies at the end of the previous year.

The break up of the paid-up capital of these companies according to the investments made by the Union Government/. Union Government companies, State Governments and private parties as on 31st March 1975 is as follows:—

		Paid-up	capital	(Kup	ees in lakins)

TOTAL .	2,59,906.76	100.0	3,29,707.79	100.0	(+)69,801.03

4. Interest

Government had granted 'interest holiday' on loans amounting to Rs. 357.10 crores in the case of Hindustan Steel Limited upto 31st March 1962, the recovery so waived being Rs. 39.71 crores.

Government had granted moratorium for periods ranging from 1 to 12 years in the case of 34 companies for repayment of loans aggregating Rs. 333.00 crores provided to these companies during 1974-75.

5. Guarantee

Government guaranteed cash credit arrangements made by 28 companies with the State Bank of India upto the total maximum limit of Rs. 122.66 crores. Against this limit, the amount outstanding as on 31st March 1975 aggregated Rs. 101.52 crores. Loans raised by 20 companies were also guaranteed by Government, the amount outstanding as on 31st March 1975 being Rs. 177.32 crores. In addition, Government gave guarantees in respect of the following:—

- (a) Repayment of principal and interest in respect of letters of credit offered by the State Bank of India to exporters abroad to draw on it for funds in payment of specified goods to be shipped to India (8 companies).
- (b) Repayment of principal and interest and fulfilment of payment obligation in pursuance of agreements/letters of acceptance entered into with foreign consultants/contractors (18 companies).

The maximum amount thus guaranteed as on 31st March 1975 in case of these companies was Rs. 384.67 crores against which the actual amount outstanding as on that date was Rs. 242.75 crores.

6. Subsidy

Apart from the concessions mentioned in paragraphs 4 and 5 above, subsidies have also been granted to some companies for industrial housing schemes (as admissible to private sector companies), hospitals, sand stowing, etc. During 1974-75, 31 companies received such subsidies aggregating Rs. 28.45 crores. The cumulative total of subsidies paid by Government upto 31st March 1975 was Rs. 190.35 crores.

7. Profit and dividend

7.01 According to the annual accounts of 120 companies, there was a total net profit of Rs. 279.77 crores as against the total net profit of Rs. 157.55 crores of 116 companies during the previous year.

The increase in profit in 1974-75 was mainly due to better performance by manufacturing/producing companies which made a profit of Rs. 162.78 crores as against the aggregate profit of Rs. 75.37 crores in 1973-74. The concerns in Steel Group made a profit of about Rs. 39.10 crores as against a loss of Rs. 5.72 crores during the previous year. The concerns in the Machine Tools, Engineering and Allied Industries group, registered substantial increase in their profit. The concerns in the Fertilizer, Chemicals and Pharmaceuticals group and Petroleum group also increased their profit substantially during the year. The profits of concerns in Electronics group decreased during 1974-75 as compared to that in the previous year. However, there was increase in the loss incurred by the concerns in the Mineral group in 1974-75 as compared to previous year.

7.02 Seventy five companies showed a profit of Rs. 368.22 crores which represented 17.3 per cent of the paid up capital of Rs. 2128.10 crores invested in these companies. Thirty five companies declared dividends amounting to Rs. 18.65 crores representing 5.9 per cent of the paid up capital of

Rs. 317.27 crores of these companies. This works out to 0.4 per cent of the total paid up capital of Rs. 4765.81 crores of all the 120 companies. The companies which declared dividends, the amount of dividend declared, etc. are indicated below:—

(Rupees in lakhs)

8. Return on capital invested

As (a) the capital structure differs from company to company, (b) rates of interest charged on long-term loans given to the companies are not uniform and (c) certain special facilities have been given by Government to some companies, the profits indicated in the accounts of the companies do not reflect the real comparable return on the total investment. In annexure 'B' an attempt has, therefore, been made to study the results on a uniform basis except to the extent that allowance has not been made for subsidies received from Government on various accounts. For this purpose, the capital taken into account is not merely the equity capital, but the total paid-up capital, the long-term loans and the free reserves at the close of the year after making allowances for the investments made by the holding companies in their subsi-Similarly, the return has been taken not only as the profit disclosed in the accounts but also the interest paid on long-term loans. On this basis the return in 1974-75 on a total investment of Rs. 7097.16 crores made in 120 companies amounted to Rs. 421.45 crores being 5.9 per cent of the investment as against 4.5 per cent in 1973-74.

The return on capital invested according to the three groups of undertakings mentioned in paragraph 7 is indicated below:—

					(Rupees	in lakhs)

9. Return on capital employed

In Annexure 'B' an attempt has been made to calculate the return on capital employed in respect of running concerns and promotional and developmental undertakings. For this purpose, capital employed has been taken as net fixed assets (excluding capital work-in-progress) plus working capital. In calculating the return on capital employed interest charges on all kinds of borrowings, which are charged to Profit and Loss Account before arriving at the net profit, have been adjusted to the net profit/loss as disclosed in the Profit and Loss Account. On this basis, the return in 1974-75 on the total capital employed of Rs. 4699.70 crores in 96 running concerns and 9 promotional and developmental undertakings amounted to Rs. 462.52 crores representing 9.8 per cent of the capital employed as against 8 per cent in 1973-74. Category-wise details of return on capital employed for 1974-75 are indicated below:—

				(Rupses i	n lakhs)

(d) Profit

The rate of growth of profits before tax decreased in 1974-75 as compared to 1973-74 in the case of running concerns. The profit earned by promotional and developmental undertakings and the loss incurred by the companies in the stage of construction, however, came down during 1974-75 as compared to 1973-74 as indicated below:—

(e) Contributed value and Cost trends of companies engaged in manufacture/production of goods.

A. Contributed value

The accounts of 72 companies as against 62 companies in the previous year, engaged in manufacture/production of goods were reviewed to find out their contribution to the final products vis-a -vis expenditure incurred in earning the contribution. The analysis

revealed the following position broadly for the years 1973-74 and 1974-75:—

APPARENTS TO THE TENTON OF THE STATE OF THE		
	(Rupee	es in crores)

(iv) All the 3 groups .	1,30,103.37	76.4	1,91,612.26	79.4

(c) Cash and bank balances:— The cash and bank balances held by 120 companies as on 31st March, 1975 amounted to Rs. 289.00 crores.

The outstanding balance in the cash credit account which had been opened by 36 companies amounted to Rs. 340.34 crores as on 31st March, 1975.

12. Inventories

(i) Inventories of 84 running concerns, 8 promotional and developmental undertakings and 8 companies in the stage of construction as on 31st March, 1975 are indicated below. As on 31st March, 1975 the total inventory amounted to Rs. 2705.09 crores as against Rs. 1949.53 crores as on 31st March, 1974 and represented 35.6 per cent of the net sales in 1974-75 and 40.8 per cent in 1973-74. In compiling these figures,

the data relating to certain companies carrying on servicing and financing business and companies in the stage of construction have been excluded (20 companies).

(ii) Expenditure incurred on import of raw materials, stores and spares, etc. for production:—

Total amount of foreign exchange spent on import of raw materials, stores and spares, etc. by the companies engaged in production/operation for the year 1973-74 was Rs. 523.72 crores (71 companies in respect of which information was available) and for 1974-75 it was Rs. 929.42 crores (68 companies in respect of which information was available) and their respective value of production was Rs. 4138.23 crores and Rs. 5663.93 crores respectively.

13. (i) Customer composition and analysis of sales: -

Information regarding customer composition viz., sale to Government departments, Public Sector Undertakings, exports and other parties was available in respect of 84 companies with a total sale of Rs. 2494.67 crores in 1973-74 and 91* companies with a total sale of Rs. *4355.01 crores in 1974-75. The analysis indicates the following position:—

(Percentage of total sales)

						The state of the s	
						1973-74	1974-75
(i) Sales to Government	Depar	rtmen	ts.			18.1	20.6
(ii) Sales to public sector	Unde	rtakin	ıgs	35%		16.6	20.4
(iii) Exports	ō	•				20.2	18.3
(iv) Sales to other parties					•	45.1	40.7

^{*}Note:—This excludes figures pertaining to Indian Oil Corporation Ltd. as the break-up of sales between sales to Government Departments and to Public Sector Undertakings is not available. If the sales of Indian Oil Corporation Ltd. are included, the share of sales to Government Departments and Public Sector Undertakings put together will account for 53.4 per cent of the total sales (Rs. 6320.03 crores) as against 41 per cent of Rs. 4355.01 crores mentioned above.

(ii) Ratio af sales to capital employed:—The figures of sales and capital employed for 1973-74 (96 companies) and 1974-75 (98 companies) are indicated below:—

(Rupees in lakhs) 1974-75 1973-74 Capital Per-Capital 1 Sales Sales Percenemployed cenemployed tage of tage of sales to sales capital employed capital employed (i) Running 128.3 741684.93 461642.65 160.6 465496.12 362941.88 concerns 136.8 105.1 567204.35 414470.28 A. It will be seen that the percentage of Sundry Debtors to sales was lower in 1974-75 as compared with 1973-74.

14. (i) Although return on capital employed and capital invested are important parameters for measurement of efficiency of working of undertakings, these cannot be taken as the

sole criterion for measuring the efficiency and performance of the public sector undertakings. Various socio-economic objectives like creation of employment opportunities, contribution to the national exchequer by way of 'duty', provision of housing and urban development, exports and foreign exchange earnings, etc., should also be taken into account. Some of these aspects are considered below:—

- (a) Central Excise Duty:—The total amount of Central Excise Duty charged to the Profit and Loss Accounts of 39 companies (in respect of which information was available) during 1974-75 was Rs. 850.80 crores and the value of production of these companies was Rs. 6063.98 crores.
 - (b) Exports and Foreign exchange earnings:-
 - (1) The total exports made by 57 companies in 1974-75 amounted to Rs. 828.26 crores. The net profit earned by 38 companies (for which information was available) in their exports of Rs. 821.41 crores amounted to Rs. 18.79 crores.
 - (2) Total foreign exchange earned in rendering services (e.g. shipping, ship repairs, consultancy, etc.) in 1974-75 was Rs. 111.09 crores (7 companies) as against Rs. 69.56 crores in 1973-74 (7 companies).
- (c) Employment Statistics: —The total number of persons employed in 117 companies (in respect of which information was available) as on 31st March, 1975 was 9,22,853.
- (d) Total amount of salaries, wages and other benefits charged in the accounts in 1974-75 in respect of the above companies was Rs. 757.28 crores.

- (e) Incidence of salaries, wages and other benefits per employee on the basis of the data mentioned in (c) above works out to Rs. 8206 per annum.
- (f) Number of employees for every Rs. 1 crore of capital invested in respect of the above companies works out to 130. (This is to be viewed in the light of the fact that most of the public sector undertakings are capital intensive and highly mechanised).
- (ii) Social overheads: These have been analysed under two broad categories viz, township and other social overheads.
- (a) Township Maintenance: Information available in respect of 54 companies for 1973-74 and 55 companies in respect of 1974-75 has been analysed below:-

		(Rupees	in lakhs)
		1973-74	1974-75
(i) Maintenance and Administrative Expenses		2,347.73	3,011.91
(ii) Depreciation on Township		611.97	688.07
(iii) Interest on capital outlay		233.08	283.26
TOTAL .		3,192.78	3,983.24
(iv) Rent receipts and other Miscellaneous collections.	-		
		999.78	1,133.52
(v) Net expenditure on Township		2,193.00	2,849.72

The net profit earned by these companies 1100 476 578 Rs. 247.17 crores as against the net profit of Rs. 130.21 crores of 54 companies earned in 1973-74. Out of 6,64,003 camployees. in 63 companies (in respect of which in the mation was pivelable), housing was provided to 2,76,348 employees up

(b) Total cost of other social overheads like educational facilities, medical facilities, social and cultural activities, transport facilities, canteen subsidy, etc. amounted to Rs. 41.20 crores in 1974-75 (105 companies) as against Rs. 29.91 crores in 1973-74 (101 companies).

15. Capacity utilisation in selected industries

Utilisation of capacity (commissioned) in selected industries viz., steel, fertiliser and oil refining, for which information is available, is indicated below for this purpose, the rated capacity which should have been installed but has not actually been installed and commissioned on account of longer gestation period than indicated in the detailed project report has not been taken into account.

Figures for 1973-74 appearing in preceding paragraphs have been adjusted wherever necessary in keeping with rationalisation of classification of undertakings.

II. GENERAL INSURANCE COMPANIES

1. On 31st March, 1975, there were two Government companies and 6 subsidiaries doing general insurance business in India as detailed below:-

- Government companies (1) Export Credit and Guarantee Corporation Limited, Bombay.
- (2) General Insurance Corporation of India.

Subsidiaries

- (1) National Insurance Company Limited, Calcutta.
- (2) New India Assurance Company Limited, Bombay.
- (3) Oriental Fire & General Insurance Company Limited, Delhi.
- (4) United India Fire & General Insurance Company Limited, Madras.

Subsidiary Companies

- Subsidiaries of (1) Industrial Credit Company Limited, New Delhi.
 - (2) Zenith Assurance Company Limited, Bombay.
- 2. The results of working of Export Credit and Guarantee Corporation Limited, Bombay and Industrial Credit Company Limited, New Delhi, have been included under Section 1 of the

Report along with other Government companies for the following reasons:—

- (i) On 24th September 1957 Central Government notified that the Insurance Act would not apply to Export Credit and Guarantee Corporation Limited.
- (ii) According to the Memorandum of Association of Industrial Credit Company Limited, insurance business is not the main object of the Company. The nature of actual business transacted during 1974, as is evident from its annual accounts, was other than insurance.

The certified accounts of National Insurance Company Limited, Calcutta, United India Fire & General Insurance Company Limited, Madras and Zenith Assurance Company Limited, Bombay, for the year 1974 have not been received (April 1976) and have, therefore, not been taken into account for purpose of analysis. The supplementary audit under Section 619(4) of the Companies Act, 1956 in respect of Oriental Fire & General Insurance Company Limited, New Delhi is still in progress (April 1976).

3. During the year 1974 the General Insurance Corporation of India and two of its subsidiaries wrote a total net premium of Rs. 158.95 crores as against Rs. 151.71 crores during the previous year. The underwriting profits (i.e. profits from fire, marine and miscellaneous insurance business) of these companies amounted to Rs. 20.30 crores during 1974 as against Rs. 10.36 crores in the previous year. After taking credit for interest, dividend and rent and providing for other income and outgoes, profit of these companies before tax amounted to Rs. 35.87 crores as compared with Rs. 16.74 crores during 1973. The profit after tax amounted to

Rs. 14.18 crores during 1974 as against Rs. 7.33 crores in 1973. The details are given in the table below:

- 5. Some other aspects of the working of the General Insurance Corporation and two of its subsidiaries are mentioned below:—
 - (a) The net claims including portfolio premium adjustments for the year 1974 amounted to Rs. 67.07 crores as against Rs. 74.21 crores for the previous year.
 - (b) Premium derived from business effected in India and out of India amounted to Rs. 120.28 crores and Rs. 39.57 crores during 1974 as against Rs. 108.60 crores and Rs. 32.38 crores respectively during 1973.
 - (c) Claims paid to claimants out of India during 1974 amounted to Rs. 19.01 crores as against Rs. 41.56 crores paid to claimants in India, the corresponding figures for 1973 being Rs. 16.65 crores and Rs. 39.15 crores respectively.
 - (d) The estimated liability in respect of claims, whether due or intimated, at the end of 1974 was Rs. 100.56 crores as against Rs. 95.25 crores as at the end of 1973.
 - (e) The reserves for unexpired risks for the various classes of insurance business were Rs. 98.49 crores as on 31st December 1974, as against Rs. 102.72 crores as on 31st December 1973. There was, therefore, a net decline of Rs. 4.23 crores.
 - (f) New India Assurance Company Limited has the following three subsidiary Companies in foreign countries incorporated under the local laws of these countries:—
 - (i) The New India Assurance Company (Nigeria) Limited.
 - (ii) The New India Assurance Company (Ghana) Limited.

- (iii) The New India Assurance Company (Sierra Leone) Limited.
- (g) United India Fire and General Insurance Company Limited has the following two foreign subsidiaries:—
 - (i) The British India General Insurance Company (Nigeria) Limited
- (ii) The British India General Insurance Company (Ghana) Limited.

III. STATUTORY CORPORATIONS

1. Number of Corporations

There were seven Union Government Corporations (Air India, Indian Airlines, Central Warehousing Corporation, Oil & Natural Gas Commission, International Airports Authority of India, Food Corporation of India and Delhi Transport Corporation) on 31st March 1975 under the audit of Comptroller and Auditor General of India.

The accounts of the Delhi Transport Coropration for the years 1972-73, 1973-74 and 1974-75 have not been submitted for audit so far (April 1976).

After completing the supplementary audit of the accounts of Food Corporation of India for the year 1973-74, the comments of Comptroller and Auditor General were issued to the Food Corporation of India on 8th April, 1976. The supplementary audit of the accounts of the corporation for the year 1974-75 is in progress (April 1976).

2. Paid up capital

The total paid-up capital of the five corporations as on 31st March, 1975 (whose accounts for the year 1974-75 had been finalised) was Rs. 282.19 crores and represented an increase of Rs. 10 crores over the paid-up capital of Rs. 272.19 crores at the end of the previous year.

The break-up of the paid-up capital of these corporations, according to the investment made by the Union Government and others, as on 31st March, 1975 was as follows:—

			(Rupees	in lakhs)
	No.	Union Government	Others	Total
(i) Corporations fully owned by the Union Government .	3 4	26218.83	vd boo	26218.83
(ii) Corporations jointly owned by the Union Government and others	. 1	1561.50	438.44	1999.94
TOTAL	5	27780.33 98.4%	438.44 1.6%	28218.77 100%
Figures for the year 1973-74	5	26780.33 98.4%	438.44	27218.77 100%

3. Loans

The total long-term loans obtained by the five corporations stood at Rs. 182.08 crores at the end of 1974-75 and represented a decrease of Rs. 10.33 crores over the long-term loans of Rs. 192.41 crores as at the end of the previous year.

The break-up of long-term loans of these corporations, according to the source of finance viz. Union Government, foreign credits and others as on 31st March, 1975 was as follows:—

				(Ru	pees in	lakhs)
			Percen-	1974-75	Percen- tage	Increase(+) Decrease(-)
As in a state of		2	3	4	5	6
(i) Union Government		10265.48	53.3	9136.55	50.2	(-)1128.93
(ii) Foreign credits	Tir Site	8860.44	46.1	7956.39	43.7	(-)904.05
(iii) Others	10	115.33	0.6	1115.33	6.1	(+)1000.00
TOTAL		19241.25	100.0	18208.27	100.0	(-)1032.98

The Union Government has granted moratorium for periods ranging from 1 to 5 years for repayment of loans aggregating Rs. 6.42 crores provided during the year to two corporations (Air India and Cantral Warehousing Corporation).

4. Guarantee

Government has guaranteed loans to the extent of Rs. 74.77 crores raised by the following Corporations:—

Government has also guaranteed repayment of the paid-up capital of the Central Warehousing Corporation to the extent of Rs. 20 crores.

Guarantee has also been given for repayment of principal and interest and fulfilment of payment obligation in persuance of agreements/letters of acceptance entered into with foreign consultants/contractors in the case of one corporation. The maximum amount thus guaranteed as on 31st March, 1975 was Rs. 19.29 crores against which the actual amount outstanding on that date was Rs. 1.42 crores.

5. Subsidy

Indian Airlines receives subsidy for operation of certain routes every year. During the year 1974-75 it received Rs. 1.01 crores as subsidy for this purpose. The total subsidy received on this account upto 31st March 1975 was Rs. 12.36 crores.

Central Warehousing Corporation received upto 31st March, 1975 Rs. 0.10 crore as subsidy from National Co-operative Development and Warehousing Board to cover its working deficit upto 1962-63.

6. Profit

According to the annual accounts of these five corporations, the total net profit earned during 1974-75 was Rs. 46.84 crores as against the net profit of Rs. 27.63 crores in the previous year. The net profit for the year 1974-75 represented 16.6 per cent of the paid-up capital of Rs. 282.19 crores.

7. Return on capital invested.

For the reasons stated in paragraph 8 of Section 1, which also hold good in the case of corporations, an attempt has been made in Annexure 'C' to analyse the working results of the corporations on a uniform basis. On this basis, the return in 1974-75 on a total investment of Rs. 524.40 crores amounted to Rs. 62.31 crores, representing 11.9 per cent of the investment (rate of return in 1973-74 for these five corporations was 7.9 per cent).

8. Return on capital employed

The return in 1974-75 on capital of Rs. 394.18 crores employed in five corporations was Rs. 63.12 crores being 16 per cent of the capital employed (rate of return for these five corporations in 1973-74 was 10.8 per cent).

9. Working Results

The working results of the individual corporations are indicated below:—

(i) Air India

The working of the Corporation in 1974-75 resulted in a net loss of Rs. 8.85 crores against profit of Rs. 0.30 crore in 1973-74. The operating loss during the year 1974-75 was due to reduced operations on account of strike by the pilots from August to October 1974.

During the year the Corporation incurred an operating loss of Rs. 362 crores as against a profit of Rs. 4.50 crores in the previous year. While the operating revenue (Rs. 135.58 crores) during the year increased by 7.5 per cent over those of the previous year (Rs. 126.14 crores) the operating expenses (Rs. 139.20 crores) registered an increase of 14.4 per cent as compared with the last year (Rs. 121.64 crores), the increase in the former case was due mainly to cumulative increase in normal fares during the year while that in the latter case was mainly the result of continued rise in fuel prices world-wide.

As in the previous years, no provision was made for obsolescence of spares (Rs. 1.63 crores). According to the Management, provision for obsolescence was not made owing to heavy loss incurred by the Corporation in 1974-75.

The cumulative loss as on 31st March, 1975 amounted to Rs. 19.44 crores representing 52.90 per cent of the equity capital or 31.45 per cent of the total equity and loan capital.

(ii) Indian Airlines

The Corporation earned a net profit of Rs. 1.02 crores during 1974-75 as against a net loss of Rs. 1.07 crores in the previous year. The net profit has been arrived at after taking into account the net credit balance of Rs. 1.47 crores under "Adjustment relating to Previous years." But for this the working results of the Corporation would have shown a net loss of Rs. 0.45 crore during 1974-75.

The operating revenue as well as the operating expenses during 1974-75 were more than those of 1973-74. The operating profit during 1974-75 (Rs. 2.93 crores) was also more than that of 1973-74 (Rs. 2.24 crores). The increase in operating revenue was on account of (a) 25 per cent increase in passenger fares and freight rate effective from February 1974 (b) increase under

'incidental revenue' primarily on account of increase of Rs. 89.30 lakhs under 'foreign exchange gain' resulting from fluctuations in the rates of foreign currencies and (c) increase in the number of passengers carried.

The accumulated losses as on 31st March, 1975 amounted to Rs. 15.90 crores and represented 60.2 per cent of equity capital or 30.1 per cent of equity and loan capital.

(iii) Central Warehousing Corporation

The Corporation earned a net profit of Rs. 1.24 crores during 1974-75 as against a net profit of Rs. 1.23 crores during 1973-74.

In the case of this Corporation dividend has been guaranteed by Union Government at $3\frac{1}{2}$ per cent. Dividend up to 1967-68 was paid by the Corporation by obtaining subventions from the Central Government. The total amount of subventions obtained by the Corporation on this account amounted to Rs. 1.56 crores. It has, now, been decided by the Management that beginning from 1974-75, 50% of the net retained profits will be utilised for repayment of the subvention and accordingly a sum of Rs. 0.12 crore has been provided during the year for the repayment of subvention.

(iv) Oil and Natural Gas Commission

The Commission earned a net profit of Rs. 50.77 crores in 1974-75 as against a net profit of Rs. 24.51 crores in 1973-74. The improvement in the working result was mainly due to full impact of the price rise given in 1973-74 (which was applicable only for five months during the previous year) and increase in the volume of sale of oil and gas. As a result, the sale proceeds increased from Rs. 81.60 crores in 1973-74 to Rs. 143.53 crores during 1974-75.

In August, 1968 Government had decided that the Commission would pay a return of 5 per cent on Government capital from the

year in which the Commission had surplus *i.e.* when the Commission did not receive funds from Government either as capital or as loan. During 1973-74 it was for the first time that the Commission did not receive any funds from Government and made a net profit but the Government decided that no payment would be due from the Commission for that year as it had no surplus available for distribution. During 1974-75 though the net profit was adequate to pay a return of 5 per cent on the Government capital, no provision has been made by the Commission for the payment of the return on the ground that it had drawn a loan of Rs. 10 crores from the Oil Industry Development Board and, therefore, had no cash surplus.

(v) International Airports Authority of India

The Authority earned a net profit of Rs. 2.66 crores during 1974-75 as against the net profit of Rs. 2.93 crores in 1973-74. While the traffic revenue during 1974-75 increased by 11.5 per cent the traffic expenses were higher by 33.9 per cent as compared to 1973-74.

Government is yet to issue orders under Section 12(1)(c) of the International Airports Authority Act regarding capital of the Authority. Pending finalisation of the terms and conditions the provisional figure of capital of Rs. 18 crores under Section 12(1)(c) of the Act and further capital of Rs. 6.88 crores received upto 31st March, 1975 under Section 18 of the Act has been allocated by the Authority between equity and debt in the ratio of 1:1.

After making provision of Rs. 1.24 crores for taxes and Rs. 0.12 crore for development rebate, the balance of Rs. 1.30 crores of the profit for the year 1974-75 has been appropriated to the General Reserve. No amount was available for payment to the Central Government under Section 20(2) of the Act. The profit of Rs. 0.62 crore payable to Government under Section 20(2) of the Act for the year 1972-73 was appropriated by the Authority

to the General Reserve in contravention of the provisions of the Act. In terms of Section 20(1) of the Act, the sums set apart annually in respect of each or any of the specific and general reserves and the aggregate at any time of such sums is not to exceed such limits as may from time to time be fixed by the Central Government. No such limit has been prescribed so far (November 1975) pending which the net surplus is transferred to General Reserve every year and a sum of Rs. 3.97 crores has accumulated under this head as on 31st March. 1975.

(vi) Food Corporation of India

The accounts of the Corporation for the year 1973-74 as certified by the statutory auditors, show a net profit of Rs. 1.10 crores against the net profit of Rs. 0.71 crore for the year 1972-73. Test check of the accounts of the Corporation for 1973-74, in terms of Section 34(5) of the Food Corporation Act, 1964 disclosed *inter alia:*—

	(1	Rupe	es in Lakhs)
Non-provision, short provision or understatement of li	abiliti	ies	
(net)	•		95.14
Overstatement of sundry creditors, deposits, etc	1		1641.68
Understatement of expenditure (net)		•	90.52
Overstatement of sundry debtors, claims receivable	s, oth	her	
recoverables, etc	•		1653.83
Understatement of loans and advances	•		16.77

The comments of the Comptroller and Auditor General on the accounts of the Corporation for 1973-74 were forwarded on 8th April, 1976 to the Corporation for being placed by it before Central Government and Parliament in terms of Section 35(2) of the Food Corporation Act, 1964.

10. In addition to the seven corporations referred to in paragraph 1, the Damodar Valley Corporation is also under the audit of Comptroller and Auditor General. The Corporation

was constituted under the Damodar Valley Corporation Act, 1948, with the main object of flood control, irrigation, power generation and distribution. The capital of the Corporation is contributed by the Union Government and the Governments of West Bengal and Bihar under Section 30 of Damodar Valley Corporation Act. With effect from 1st April, 1966 the Corporation has switched over to commercial system of accounting. The table below indicates the capital contribution of the participating Governments as on 31st March, 1974 (Objectwise) and the divisible surplus/deficit of the three main objects for the last three years:—

(Rupees in crores)

(-)262.34 (-)667.90

Name of the Government	Flood control	Irrigation	Power	Total contri- bution upto 31st March 1974
1. Union Government .	7.00	-	49.09	56.09
2. West Bengal Government .	10.25	39.05	59.97	109.27
3. Bihar Government		0.19	49.17	49.36
TOTAL	17.25	39.24	158.23	214.72
Divisible surplus/deficit	ARRIVATIVE STATE	Santhione	Michaele Comp	prospersor of
		(Rupees i	n lakhs)	
	1	971-72	1972-73	1973-74
(i) Power	. (+)	14.94	-	(-)357.23
(ii) Irrigation	. (-)	163.91 (—)134.92	(-)184.25
(iii) Flood control	. (-)1	18.26 (—)127.42	(—)126.42

Note.—The results under 'Power' include the net surplus of Rs. 15 58 lakhs and Rs. 14.75 lakhs in 1971-72 and 1972-73 respectively on sale of power imported on barter basis from the adjoining power system whereas in the year 1973-74 there was a definite the extent of Rs. 9.77 lakhs on this account.

TOTAL

(-)267.23

Surplus/deficit under "Power" is distributed equally among the three participating Governments while deficit under "Flood control" is allocated to the Government of West Bengal only and that under "Irrigation" is shared by the Governments of West Bengal and Bihar in proportion of their respective shares in the total capital cost attributed to the object "Irrigation".

According to this formula, the share of the net deficit up to 31st March, 1974 of the two State Governments was as follows:—

(Rupees in lakhs)

				Government of of West Bengal	Government of Bihar
1. Irrigation .				1821.09	12.03
2. Flood control				1239.33	mand and
				3060.42	12.03

Note.—'The deficit under "Irrigation" for 1973-74 in respect of West Bengal Government and Bihar Government has been allocated in the proportion of capital provided by the participating Government instead of in the proportion of the respective shares of capital cost attributed as per D.V.C. Act, 1948 (Section 37). This has resulted in over allocation of deficit to West Bengal Government with corresponding under allocation to the Bihar Government by Rs. 20,016.

Out of the total net deficit of Rs. 3060.42 lakhs allocated to the Government of West Bengal, adjustments were carried out, till the end of 1973-74, to the extent of Rs. 2702.71 lakhs (Rs. 1924.33 lakhs representing interest on capital, Rs. 180.77 lakhs being share of the revenue surplus under "Power" and Rs. 597.61 lakhs being expenditure incurred by the Government of West Bengal for operation and maintenance of the Damodar S/3 C&AG/76—6

Valley Corporation Barrage and Irrigation Sytem on agency basis) thereby leaving a balance of Rs. 357.71 lakhs to be paid by Government of West Bengal.

Out of the net deficit of Rs. 12.03 lakhs allocated to the Government of Bihar, adjustments were carried out, till the end of 1973-74 to the extent of Rs. 9.26 lakhs being the share of revenue surplus under "Power" thereby leaving a balance of Rs. 2.77 lakhs to be paid by Government of Bihar.

In terms of Section 30 of the Damodary Valley Corporation Act, 1948, the three participating Governments are to provide the entire capital required by the Corporation for completion of any project undertaken by it. Capital contributed by the participating Governments to the end of 1973-74 fell short of the outlay by Rs. 63.67 crores as indicated below:—

(Rupees in crores)

11. Rate of growth

(a) Paid-up Capital and Reserves and Surplus

The rate of growth of paid-up capital and reserves and surplus of the corporations (whose accounts for the year 1974-75 had

been finalised) during 1974-75 as compared with that of 1973-74 is indicated below:—

			(Rupees i	n lakhs)
Paid-up Capita	l and Reserves	& Surplus	Rate of g	rowth
1972-73	1973-74	1974-75	1973-74	1974-75
39834.41	40630.42	37705.94	2%	PICKE A-

(b) Gross Assets

The rate of growth of total gross assets of these corporations increased in 1974-75 as compared with that of 1973-74 as indicated below:—

			(Rupees in la	khs)
To	otal Gross Asset	Rate of growth	.6.1	
1972-73	1973-74	1974-75	1973-74	1974-75
86176.66	91312.28	101138.33	6%	10.8%

(c) Value of production

The rate of growth of value of production/business increased in 1974-75 as compared with that of 1973-74 as indicated below:—

			(Rupees	in lakhs)
Value	of production/b	asiness	Rate of	f growth
1972-73	1973-74	1974-75	1973-74	1974-75
23541.57	28898.39	38118.60	22.8%	31.9%

(d) Profit

The rate of growth of profit before tax of these corporations decreased in 1974-75 as compared with that in 1973-74 as indicated below:—

Profi	t before tax	1	(Rupees in lakhs) Rate of growth				
1972-73	1973-74	1974-75	1973-74	1974-75			
1095.99	2763.09	4683.54	152.1%	69.5%			

12. Sources of funds

Funds received by these corporations during 1973-74 and 1974-75 from internal and external sources are indicated below:—

	Internal so	urces	(Rupees in lakhs) External sources			
	Amount	Percentage to total funds (internal & external)	Amount	Percentage to total funds (internal & external)		
1973-74	2582.67	49.1	2678.59	50.9		
1974-75	10231 85	95.5	478.81	4.5		

13. Analysis of Sales

(a) Information regarding customer composition viz. Government Departments, Public Sector Undertakings, others, etc., was available in respect of one corporation out of five. The analysis indicated the following:—

(P	ercen	tage of to 1973-74	otal sales) 1974-75
		1.9	1.2
		95.2	95.2
	HOLK!	2.9	3.6
	· · · · · · · · · · · · · · · · · · ·		1.9

(b) Sundry Debtors

The comparative position of sundry debtors and sales of these corporations for the last three years is given below:—

(Rupees in lakhs)

				Sundry Debtors	Sales	Percentage of Sundry Debtors to Sales	
1972-73				4742.98	23541.57	20.1	
1973-74				8422.02	28898.39	29.2	
1974-75				8026.95	38116.62	23.7	

- 14: (i) The remarks in paragraph 14(i) of Section 1 hold good in the case of the corporations also. Some of the aspects are considered below:—
 - (a) Foreign Exchange earnings.—Total foreign exchange earned by two of these corporations in 1974-75 was Rs. 28.03 crores as against Rs. 28.95 crores in 1973-74.
 - (b) Employment Statistics.—The total number of persons employed in the five corporatios as on 31st March, 1975 was 55,557.
 - (c) Total amount of salaries, wages and other benefits charged in the accounts in 1974-75 in respect of the above corporations was Rs. 75.69 crores.
 - (d) Incidence of salaries, wages and other benefits per employee on the basis of data mentioned in (c) above works out to Rs. 13,624 per annum.
 - (e) Number of employees for every Rs. 1 crore of capital invested in respect of the above corporations works out to 106.
- (ii) Social overheads.—These have been analysed under two broad categories viz. township and other social overheads.
- (a) Township maintenance.—Information in respect of four corporations for the year 1974-75 is analysed below:—

					(Ru	pees	in lakhs)
(i) Maintenance and administra	ative	exper	ises				45.22
(ii) Depreciation on townhsip						1.	16.71
(iii) Interest on capital outlay							25.52
			Тота	L			87.45
(iv) Rent receipts and other misc	ellan	eous	collect	tions			28.90
(v) Net expenditure on townshi	р.						58.55

The net profit earned by these corporations during 1974-75 was, Rs. 45.60 crores.

(b) Total cost of other social overheads like educational facilities, medical facilities, social and cultural activities, transport facilities, canteen subsidy, etc., amounted to Rs. 3.59 crores in respect of four corporations.

Employment Statistics - The total gumber of persons

technical rd to their te of depre-of use of plant and machinery.

It may be mentioned that the legal opinion referred to in the Note was received on 3rd October, 1975.

- 2. Heavy Machine Building Plant
- (i) Against an input (consumption) of 68,570 tonnes, credit for an output (sales and stock) of 71,463 tonnes has been taken in the accounts. The reasons for the excess credit of output/undercharge of input of 2893 tonnes have not been analysed and identified itemwise.
- (ii) Note IV. D. 6 of Schedule X—The Company has a turn key contract for the supply of 408 electrolytic cells to the Korba Project of BALCO. The weight breakup of an electrolytic cell comprising various parts is 67.570 tonnes. On this basis, the total weight for 408 cells works out to 27570 tonnes approx. Up to 31-3-75, the Company had completed supply and erection of 102 cells weighing 6892.140 tonnes valued at selling price of Rs. 5.36 crores (Approx.). As on that date, additional 15990 tonnes were stated to have been processed, out of which 14615 tonnes were treated as 'finished stock' and 1375 tonnes as 'work-in-progress'. The different components making up in weight of 67.570 tonnes per cell have substantial differences in weights and value. However, component-wise details of 14,615 tonnes of materials treated as finished stock were not available with the Company to work out its equivalent in terms of completed cells for purposes of valuation in accordance with the contract which stipulatets the price per cell. The company valued the materials treated as finished stock (Rs. 7,010 per tonnes (excluding estimated erection cost) which has been arrived at on the basis of the total value of the contract and the tonnage involved irrespective of the weightage the tonnage should get on the basis of nature and value of the items involved. On this basis, the sale price (including escalation) has been computed at Rs. 1116.01 lakhs as against the cost of Rs. 611.87 lakhs booked in the accounts.
- The total value of the contract (including escalation) and cost estimated by the Company to complete it are Rs. 22.22 erores (including escalation of Rs. 1.82 crores) and Rs. 15.74 erores respectively. The company has already incurred a cumulative cost of Rs. 10.44 erores and estimated a further expenditure of Rs. 5.29 erores to complete the work. Thus on the work stated to have been completed so far, the Company has already taken credit of a profit of Rs. 6.35 erores approx. as against a total anticipated profit of Rs. 6.48 erores leading to:
 - (a) taking credit for unrealised profit on erection work still to be done;
 - (b) taking credit for profit on 6063 tonnes of material still to be processed.
 - (c) taking credit for escalation still to be accepted by the clients; and
 - (d) non-provision of any amount likely to be incurred under the contact towards repairs, replacements and also the liquidated damages, if any.
- In the absence of the details of the components and other variables mentioned above, the profit taken credit of, in excess is not quantifiable.
- Many of the Notes referred to in the Report of the Company Auditors to the Shareholders have the effect of modifying the accounts.
- 7.3 1. Plant and Machinery-Rs. 9.30,71,950
 - This includes plant and Machinery of the original value of Rs. 82.26 lakhs (depreciated value Rs. 43.78 lakh) not used since erection/commissioning on dates prior to 31st March, 1965.
 - 2. Capital work in progress (Rs. 35,83,373), includes an amount of Rs. 12.27 lakhs being the value of spare components/equipment for machines and equipment already installed and in use.
 - 3.(a) Materials worth Rs. 2,02,000 issued during 1974-75 have not been accounted for as materials consumed. This has resulted in over-statement of closing inventory and understatement of raw materials consumed.
 - 3.(b) It is mentioned in item No. II of Schedule O notes forming part of the accounts that raw materials have been valued at cost. However, raw materials lying in the shopfloor and in sub-stope have been valued at issue rates which were higher than the cost. This has resulted in over valuation of closing inventory by Ra. 4,14,500.
 - 4. Finished Products-Rs. 9,70,37,113.
 - It is stated in item ittities of Schedule 'O' notes forming part as the Accounts that the closing stock of finished products and work-in-progress has been that the closing stock of finished products and work-in-progress has been sale orderwise valuation of closing stock can be compared with the

Mining & Allied Machinery Corpora-tion Limited. Ministry of Heavy 1-4-1965 6472.83 (+)44.95126.10 3,284.47 (+)240.97196.02 (+)171.05Industry

13,615 tonnes of materials treated as unished stock were not available with the Company to work out its equivalent in terms of completed cells for purposes of valuation in accordance with the company which stipulates the price per cell. The company valued the materials treated as funched stock a.R. 7,010 per tonnes (excluding estimated erection cost) which has been arrived at on the basis of the total value of the contract and the ronnage involved irrespective of the weightage the tornage should get on the basis of nature and value of the items involved. On this basis, the sale price (including escalation) has been computed at Rs. 1116.01 lakes as against the cost of Rs. 611.87 lakes booked in the accounts.

- The total value of the contract (including escalation) and cost estimated by the Company to complete it are Rs. 22.22 erores (including escalation of Rs. 1.82 crores) and Rs. 15.74 crores respectively. The company has already incurred a cumulative cost of Rs. 10.44 crores and estimated a further expenditure of Rs. 5.29 crores to complete the work. Thus on the work stated to have been completed so fur, the Company has already taken credit of a profit of Rs. 6.35 crores approx. as against a total anticipated profit of Rs. 6.48 crores leading to:
 - (a) taking credit for unrealised profit on erection work still to be done;
 - (b) taking credit for profit on 6063 tonnes of material still to be processed.
- (c) taking credit for escalation still to be accepted by the clients; and
- (d) non-provision of any amount likely to be incurred under the constact towards repairs, replacements and also the liquidated damages, if any.
- In the absence of the details of the components and other variables mentioned above, the profit taken credit of, in excess is not quantifiable.
- 3. Many of the Notes referred to in the Report of the Company Auditors to the Shareholders have the effect of modifying the accounts.
- 7.3 1. Plant and Machinery-Rs. 9,30,71,950
 - This includes plant and Machinery of the original value of Rs. 82.26 lakhs (depreciated value Rs. 43.78 lakh) not used since erection/commissioning on dates prior to 31st March, 1965.
 - Capital work in progress (Rs. 35,83,373), includes an amount of Rs. 12.27 lakhs being the value of spare components/equipment for machines and equipment already installed and in use.
 - 3.(a) Materials worth Rs. 2,02,000 issued during 1974-75 have not been accounted for as materials consumed. This has resulted in over-statement of closing inventory and understatement of raw materials consumed.
 - 3.(b) It is mentioned in item No. II of Schedule 'O' notes forming part of the accounts that raw materials have been valued at cost. However, raw materials lying in the shopfloor and in sub-stores have been valued at issue rates which were higher than the cost. This has resulted in over valuation of closing inventory by Rs. 4,14,500.
 - 4. Finished Products-Rs. 9,70,37,113.
 - It is stated in item 11(i)(c) of Schedule 'O' notes forming part of the Accounts that the closing stock of finished products and work-in-progress has been valued on the basis of sale order prices etc. and provision made for profir/contingencies. The notes further state that till costing is fully developed sale orderwise valuation of closing stock can be compared with the cost only on totality basis and that the cost records indicate that the valuation of closing stocks of W.I.P. and F.P. on the basis of sale orders as per past practice (without provision) works out lower than the valuation on cost basis. The value of finished product shown at Rs. 9,70,37,113 is however, higher by Rs. 27,13,990 than the total cost of production of the finished product according to the date compiled by the costing department.
 - 5. Note No. 11(3) and prior period adjustment (Rs. 60.97,150-Dr.)
 - Rs. 47,08,480 have been written off during the current year below the line as prior period adjustment on account of over valuation of the figure of sales in transit as on 31-3-1974. The write off under prior period adjustment during the current year had the effect of converting the profit of Rs. 25,26,515 for the year 1973-74 into a loss of Rs. 21,81,965 on this account alone. The credit taken during the current year on account of sales in transit as disclosed in the note was Rs. 551.86 lakhs on which no provision has been made in the accounts for the year 1974-75.
