INTRODUCTORY

This compilation containing the Appropriation Accounts of Government of Jammu and Kashmir for the year 2008-09 presents the accounts of sums expended in the year ended 31st March, 2009 compared with the sums specified in the schedules appended to the Appropriation Acts passed under Sections 81 and 82 of the Constitution of Jammu and Kashmir.

In these Accounts -

'O' stands for original grant or appropriation

'S' stands for supplementary grant or appropriation

'R' stands for re-appropriations, withdrawals or surrenders sanctioned by the competent authority.

Charged Appropriations and expenditure are shown in italics.

2.

In a significant departure from the budgetary practice envisaged in Jammu & Kashmir Budget Manual, the State Government placed lumpsum Budgetary Grants with the controlling officers against some specific schemes having various primary units and the Drawing and Disbursing Officers continued to incur expenditure on various schemes, not contemplated in the approved Demand for Grants.

Besides, Plan provision has invariably been indicated in lumpsum form below each Major Head of Account. Although, a Plan Budget document has been issued separately, this publication proved inadequate to distribute the lumpsum provision among proper schemes for preparation of Appropriation Accounts. Further, the supplementary grants in most of the cases have been obtained in lumpsum against the respective Major Heads without giving schematic breakup there under.

Due to these deviations from the basic Government Accounting Principles, Audit has been deprived of:

 (a) making comparisons of excess/ savings sub head-wise to the extent of Rs.60,55.23 crore which constitutes 30 percent of total provision of Rs.2,03,20.74 crore.

- (b) comment as to whether the expenditure incurred on the schemes was legally available and not utilized on any "New Instrument of Service/ New Service" not provided for in the approved Demand for Grants.
- (c) comment as to whether there was the need for obtaining additional funds for a particular scheme or and whether the supplementary grants obtained were fully utilized on the schemes for which these funds were obtained.

Suitable comments have been made in the respective grants in this publication.

Certificate of the Comptroller and Auditor General of India.

This compilation containing the Appropriation Accounts of the Government of Jammu and Kashmir State for the year ending 31-03-2009 presents the accounts of the sums expended in the year compared with the sums specified in the schedules appended to the Appropriation Acts passed under Articles 204 and 205 of the Constitution of India. The Finance Accounts of the Government for the year showing the receipts and disbursements of the Government for the year together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and the liabilities and assets as worked out from the balances recorded in the accounts are presented in a separate compilation.

The Appropriation Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Jammu and Kashmir and statements received from the J&K Bank / Reserve Bank of India.

The treasuries, offices, and or departments functioning under the control of the Government of Jammu and Kashmir are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for compilation, keeping of the accounts, preparation and submission of Annual Accounts to the State Legislature. My responsibility for the compilation, preparation and finalization of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Appropriation Accounts read with observations in this compilation give a true and fair view of the accounts of the sums expended in the year ended 31-03-2009 compared with the sums specified in the schedules appended to the Appropriation Acts passed by the State Legislature under Articles 204 and 205 of the Constitution of India.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Jammu and Kashmir being presented separately for the year ended 31-03-2009

- 12. Suspense Transaction:- The expenditure out of the provision under the Grant includes Rs. 54.04 lakh booked under "Suspense" which is not a final head of account. It accommodates inter-alia transactions pending their adjustment to the final heads of account. The balance under "Suspense" Sub-Heads are carried forward from year to year. The four Sub-Heads are (a) Purchases (b) Stock (c) Miscellaneous Works Advances and (d) Workshop Suspense. The nature of transactions under each is explained below:-
 - (a) Purchases: When materials are received for a specific work or holding in stock without being paid for or adjusted during the month, their value is credited to the Sub Head "Purchases" per contra debit to the particular work Head of Account or Stock Sub Head as the case may be. When payment is made or the value is adjusted by transfer of stores etc., this Head is debited with the amount thereby clearing the previous credit. This head will, therefore, always show a negative or credit balance representing the value of stores received but not paid for or adjusted.
 - (b) Stock: This Sub-Head is debited with the value of material received for stock purposes and not for any particular work but for the general use of the Division. It is credited with the value of materials issued to work or transferred to another division or otherwise disposed off. The balance represents value of material in stock.
 - (c) Miscellaneous Works Advances:- Under this Sub-Head are booked debits for the value of stores sold on credit, expenditure incurred on deposit work in excess of deposits received, loss of cash or stores still to be written off, and sums recoverable from Government servants etc. The debit balance under the Head thus represents amount recoverable or debit adjustable to final Head.
 - (d) Workshop Suspense: The charges for jobs executed or other operations in Workshop of the Public Works Department are booked to this Sub-Head pending recovery or adjustment of the charges.

Nil were transferred to the Depreciation Reserve Fund during the year 2008-09 against Nil provision under the Grant. However, clarification regarding provision of depreciation in respect of Power Projects transferred to Power Development Corporation are awaited from the State Government to whom matter has already been referred to. No expenditure was incurred out of the fund during the year on renewals and replacements of Plant and Machinery.

The balance at the credit of the Fund as on 31st March 2009 thus remained same as on 31-03-2008. Though the Depreciation Reserve Fund Rules framed by the Government in 1974 are applicable from April 1969, yet the Depreciation has not been calculated under the said Rules as the cost of various assets is yet to be determined by the Government. The latest position of the Fund is given in the Statement No. 16 of Finance Account 2008-2009.

GRANT NO. 8 - (Contd.)

- 4. Lumpsum provision of Rs. 14,74.20 lakh was placed with the Controlling Officers under Major Head 2039-State Excise and the Drawing and Disbursing Officers incurred the expenditure on the Schemes not contemplated in the approved Demand for Grants as a result Audit could not make comparison of excess/ saving sub-headwise.
- 5. Lumsum provision of Rs. 8,76,33.46 lakh (Original Rs.8,75,58.46 lakh voted and Rs.75.00 lakh *Charged*) and Rs. 40,36.55 lakh supplementary_voted was placed under Minor Head 115-Leave Encashment Benefits for all the Minor Heads like 101- Superannuation and Retirement Benefits, 102-Commuted value of pension, 104-Gratuities, 105-Family Pension, 111-Pension to Legislators subordinate to Major Head 2071- Pension and Other Retirement Benefits and thereby the State Government has overridden the authority of the Controller General of Accounts which is the sole authority for opening of Heads from Major Heads to Minor Heads. Placement of lumpsum Budgetary Grant has therefore deprived the Audit to make comparison of excess/saving sub-headwise/ Minor Headwise under Major Head 2071-Pension and Other Retirement Benefits against which the Drawing and Disbursing Officers had incurred the expenditure.
- 6. The entire provision remained un-utilized throughout the year in respect of following Head; reasons thereof have not been communicated.

Further allocation amongst various Controlling Officers was not received in the Audit Department for apportioning the same to the relevant Heads/Grants and resulted in the over-stated statement of expenditure vis-à-vis Budgetary Provision to the extent of Dearness Allowances paid to the State Government Employees under various Grants.
- 8. In the *Charged* Revenue Section, Original Appropriation of *Rs. 16,00,30.00* lakh proved excessive in view of the saving of *Rs. 23,07.11* lakh. No portion of it was anticipated and surrendered.

- 13. The Detailed Accounts of the State Insurance Fund and State General Provident Fund are maintained by the State Government. Interest on Insurance Fund and State provident Fund to the tune of Rs. NIL and Rs. 2,98,38.33 lakh respectively, has been adjusted in the Accounts by the State Government during 2008-09 on adhoc basis. The actual figures are awaited in Audit, as the State Government has not reportedly closed their accounts.
- 14. An amount of Rs. 100.00 lakh was transferred to minor head-117 Guarantee Redemption Fund subordinate to Major Head 8235-General Redemption Fund from Major Head 2048- Appropriation for Reduction or Avoidance of Debt, when the State Government has not prescribed or charged any Guarantee fee from PSUs in J&K during 2008-2009. Actually provision should have been kept under Major Head-2075-Miscellaneous General Services instead of Major Head 2048-Appropriation for Reduction or Avoidance of Debt which is actually earmarked for transfer of funds to the Major Head 8222-Sinking Funds, 102-Other Appropriations. This reflects defective budgeting.

- 18. Against the provision of Rs.20,00.00 lakh an expenditure of Rs.50.00 lakh only (Non Plan) was incurred under Major Head 6235- loans for Social Security & Welfare resulting in saving of Rs.19,50.00 lakh; reasons for which were not communicated to the Audit.

- 10. The State Government has placed the lumpsum budgetary provision of Rs. 15,20.18 Lakh at the disposal of various Controlling Officers under Major Head 4403- Capital Outlay on Animal Husbandry, but the Subordinate Officers incurred the expenditure on different Schemes having no provision in the approved detailed Demand for Grants thereby violating basic Government Accounting Principles as enshrined in the Jammu and Kashmir State Budget Manual.
