I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit.

#### **Guide to the Finance Accounts**

#### A. Broad overview of the Structure of Government Accounts

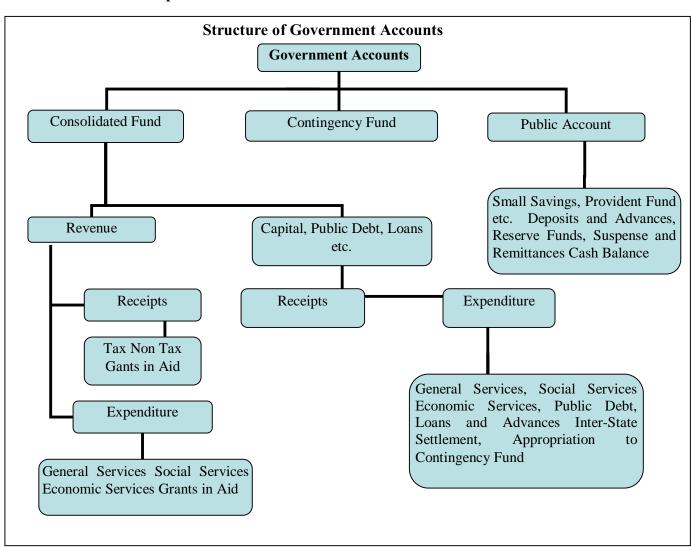

1. The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State

Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.

Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

#### A.1.1 Pictorial representation of Structure of Government accounts

#### 2. DIVISIONS, SECTIONS, SECTORS etc

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and 'Capital, Public Debt, Loans etc.' which are divided into sections 'Receipts' and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions on the expenditure side are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into subsectors/Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes) which are depicted in Volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads( objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

The expenditure on pension and other retirement benefits to State Government employees during the year was  $\ref{11,41.72}$  crore (9.82 *percent* of total revenue expenditure).

- (iii) Currency in which Accounts are kept: The accounts of Government are maintained in Indian ₹.
- (iv) Form of Accounts: Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may on the advice of the Comptroller and Auditor General, prescribe. The word "Form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

#### (v) Classification between Revenue and Capital

Revenue expenditure is recurring in nature and is supposed to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character. Expenditure on Grants-in-Aid is recorded as revenue expenditure in the books of the grantor. In the books of the recipient it is taken as revenue receipt.

#### 2. Status on inclusion of statements /information recommended by the Twelfth Finance Commission in the Finance Accounts

The Twelfth Finance Commission (TFC) had recommended introduction of eight new statements in the Finance Accounts. Out of these eight statements, two statements are yet to be incorporated in the Finance Accounts. The formats of two of these statements at (i) and (ii) below are being revisited. Also, the requisite information pertaining to these statements has not been provided by the State Government so far. The statements are:

- (i) Data on committed liabilities in the future
- (ii) Implication of major policy decisions taken by the Government during the year or new schemes proposed in the budget for the future cash flows.

#### 3. Bookings under Minor Head 800- 'Other Receipts' and 'Other Expenditure'

₹ 10,47.86 crore under forty (40) Major Heads of account (representing functions of the Government) was classified under the Minor Head 'Other Expenditure' in the revenue account constituting 9.02% of the total revenue expenditure recorded under the respective Major Heads. ₹ 12,04.25 crore under the forty four (44) Major Heads of account (representing functions of the Government) was classified under the Minor Head 'Other Receipts' in the accounts constituting 10.37% of the total receipts recorded under the respective Major Heads. In eight Major Heads of accounts, substantial amount of expenditure was booked under "Other Expenditure". The number of such heads in case of receipts was thirteen. The major schemes are not depicted distinctly in the Finance Accounts, though the details of these expenditure are depicted in the subhead (scheme) level or below in the Detailed Demands for Grants and corresponding head-wise Appropriation Accounts forming part of the State Government Accounts. For achieving greater transparency in financial reporting, the State Government has been advised for providing budget under specific heads/ schemes.

#### 4. Existence of unadjusted Abstract Contingency Bills (AC Bills)

The Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency Bill by debiting Service Heads, and they are required to present Detailed Contingency (DC) Bill (vouchers in support of final expenditure) in all these cases within a specified period. As per current records three hundred ninety one (391) DC Bills amounting to ₹ 77.15 crore have not been received in the office of the Accountant General (A&E). The position of the outstanding bills for the years 2008-09 to 2010-11 is given below.

| Year    | Amount outstanding | Number of items |
|---------|--------------------|-----------------|
| 2008-09 | ₹ 3.00 crore       | 2               |
| 2009-10 | ₹ 1.41 crore       | 22              |
| 2010-11 | ₹ 72.74 crore      | 367             |

#### 5. Reconciliation of Receipts and Expenditure

All the Controlling Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Accountant General. Such reconciliation has been completed in respect of 82 % of Controlling Officers for a value of  $\stackrel{?}{\underset{?}{?}}$  97,16.03 crore of expenditure against the total expenditure of the Government amounting to  $\stackrel{?}{\underset{?}{?}}$  1,34,75.91 crore (both revenue and capital). Out of the total revenue receipt of  $\stackrel{?}{\underset{?}{?}}$  1,16,08.16 crore, an amount of  $\stackrel{?}{\underset{?}{?}}$  97,71.45 crore, constituting 82 % of total receipts has been reconciled.

#### 6. Cash Balance

Cash balance worked out by the Accountant General is ₹ 3,34.25 crore (Cr.). The cash balance reported by RBI as on  $31^{st}$  March is ₹ 44.49 crore (Dr.). Thus, there is a difference of ₹ 2,89.76 crore between the two figures. This is mainly because of difference in the figures provided by the State Treasuries and that given by the RBI. The difference is under reconciliation.

#### 7. Guarantees

Guarantees reported in Statement No. 9 are on the basis of the information received from the State Government (Budget), which is the authority for issuing such guarantees. Indian Government Accounting Standard-1 prescribes three formats to be included in the Finance Accounts. According to this standard the guarantees given are to be depicted according to sector, class and sector-class. The budget of the State Government does not contain enough information in this regard. An amount of ₹ 25 crore is lying under Guarantee Redemption Fund. During the year 2010-11 neither any amount has been transferred to nor any amount reimbursed from the Fund.

#### 8. Loans and Investments

In respect of Loans and Investments, for which detailed accounts are kept by the State Government departments, constant efforts are made to obtain complete information. Investments given in the Statement no 14 pertaining to the Uttarakhand represent the Capital Expenditure under the minor head 190- Investments in Public Sector and other Undertakings. The State Government has not provided any information in this regard.

#### 9. Suspense Balances

The Finance Accounts reflect the net balances under Suspense and Remittances Heads. The outstanding balance under these heads is worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under major suspense heads for the last three years is given below:

The debit and a credit balances above represent the progressive balances up to 31-03-2011 under the respective headings unlike the Finance Accounts of 2008-09 and 2009-10, where only the debit and credit balances of that particular year were depicted. A close look on the above balances reveals that the debit balances of PAO suspense have increased during the last three years. However due to persistent efforts, the balances under 102- suspense balances has considerably come down. Constant efforts are underway to clear the balances under the suspense heads. However, clearance of suspense and remittance items depends on details furnished by Government Departments /Works and Forest Divisions/Central Ministries/RBI/PAOs.

#### 10. Contingency Fund

An amount of  $\ref{thmodel}$  5,15.00 crore was appropriated from the Consolidated Fund of the State to the Contingency Fund raising its corpus to  $\ref{thmodel}$  6,00.00 crore. Out of this, an amount of  $\ref{thmodel}$  554.35 crore remained unrecouped at the end of the year.

#### 11. Other Fund

The State Government provides funds to State/District level autonomous bodies and authorities, societies, non-governmental organizations, etc. for implementation of centrally sponsored schemes (State's share) and state schemes. Since the funds are generally not being spent fully by the implementing agencies in the same financial year, there remain unspent balances in the bank accounts of these implementing agencies.

The aggregate amount of the unspent balances in the accounts of the implementing agencies kept outside Government accounts (in the bank accounts) is not readily ascertainable. The Government expenditure as reflected in the Accounts to that extent is, therefore, not final.

#### 12. Objection Book (OB) Suspense

The items of receipts and payments, that cannot be taken to the final head of account due to misclassification or being incomplete are temporarily posted under Objection Book Suspense under Minor Head 102 Suspense Civil of Major Head 8658- Suspense Accounts. These items are eventually cleared from the suspense and taken to the actual Head of Account. An amount (expenditure) of ₹ 118.61 crore has been cleared from O. B. Suspense pertaining to the period 2000-2007. No amount was outstanding in OB suspense for 2008-09 and 2009-10. Out of this amount, ₹ 114.90 crore has been cleared from revenue expenditure and ₹ 3.71 crore from capital expenditure. The clearance of O B Suspense of ₹ 114.90 crore is booked as expenditure in the accounts, which resulted in revenue deficit of ₹ 12.91 crore in the Consolidated Fund.

#### 13. Awaited Utilisation Certificates

The position of awaited utilization certificates is given below:

#### **Explanatory Notes**

#### (a) Cash and Cash Equivalents:

Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in transit, as stated above. The balance under the head 'Deposits with Reserve Bank' {a(2) above } depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

#### APPENDIX- I CASH FLOW STATEMENT

#### (b) Daily Cash Balance:

Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of  $\stackrel{?}{\underset{?}{$\sim$}} 0.16$  crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance<sup>1</sup> for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Over Draft.

#### (c) Ways and Means Advances:

The limit for ordinary ways and means advances to the State Government was ₹ 1,45.00 crore with effect from 1<sup>st</sup> April 2009 The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of Special Ways and Means Advances is revised by the Bank from time to time. During the year 2010-11, the limit of Special Ways and Means Advances varied from ₹ 1,14.46 crore to ₹ 1,50.97 crore.

<sup>&</sup>lt;sup>1</sup> The cash balance ('Deposits with RBI') above is the closing cash balance of the year as on 31<sup>st</sup> March but worked out by 16 April and not simply the daily balance on 31<sup>st</sup> March.
