Certificate of the Comptroller and Auditor General of India

This compilation containing the Finance Accounts of the Government of Tripura for the year 2005-2006 presents the accounts of the receipts and outgoings of the Government for the year, together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and the liabilities and assets as worked out from the balances recorded in the accounts. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations, presented separately, supplement this compilation.

These accounts have been prepared and examined under my direction in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. According to the best of my information, as a result of audit of these accounts, the accounts now presented read with the observations in this compilation, are correct statements of receipts and outgoings of the Government of Tripura for the year 2005-2006. Points of interest arising out of the study of these accounts as well as test audit conducted during the year or earlier years are contained in my Report(s) being presented separately for the year 2005-2006, Government of Tripura.

(Vijayendra N. Kaul)

Comptroller and Auditor General of India

**New Delhi,
The**

INTRODUCTORY

1. The accounts of Government are kept in three parts:-

Part I - Consolidated Fund

Part II - Contingency Fund

Part III - Public Account

In Part I, namely Consolidated Fund, there are two main divisions, viz.,-

(1) **Revenue** - consisting of sections for 'Receipt Heads (Revenue Account)', Expenditure Heads (Revenue Account)'.
(2) **Capital, Public Debt, Loans, etc.** consisting of sections for 'Receipt Heads (Capital Account)', 'Expenditure Heads (Capital Account)', and 'Public Debt, Loans and Advances, etc.'

The Revenue Division deals with the proceeds of taxation and other receipts classed as Revenue and the expenditure met therefrom, the net result of which represents the revenue surplus or deficit for the year.

In Capital Division, the section 'Receipt Head (Capital Account)' deals with receipts of capital nature which cannot be applied as a set-off to capital expenditure.

The section 'Expenditure Heads (Capital Account)' deals with expenditure met usually from borrowed funds with the object either of increasing concrete assets of a material and permanent character or of reducing recurring liabilities. It also includes receipts of a capital nature intended to be applied as a set-off against expenditure.

The section 'Public Debt, Loans and Advances, etc.', comprises loans raised and their repayments by Government such as 'Internal Debt' and 'Loans and Advances' made (and their recoveries) by Government. The section also includes certain special types of heads for transaction relating to 'Transfers from the Consolidated Fund to the Contingency Fund' and 'Inter-State Settlement'.

In part II, namely Contingency Fund, of the accounts, the transactions connected with the Contingency Fund set up by Government under Article 267(2) of the Constitution of India are recorded.

In part III, namely Public Account, of the accounts, the transactions relating to 'Debt' (other than those included in Part I), 'Deposits', 'Advances', 'Remittances', and 'Suspense' are recorded. The transactions under 'Debt', 'Deposits', and 'Advances' in this part are those in respect of which Government incurs a liability to repay the moneys received or has a claim to recover the amounts paid, together with the repayments of the former ('Debt' and 'Deposit') and the recoveries of the latter ('Advances'). The transactions relating to 'Remittances' and 'Suspense' in this part embrace all heads which are merely adjusting heads under which appear such transactions as remittances of cash between treasuries and currency chests, transfers between different accounting circles, etc. The initial debits or credits to these heads will be cleared eventually by corresponding receipts or payments either within the same circle of account or in another account circle.

2. Sectors and Heads of Accounts

Within each of the sections in Part I mentioned above the transactions are grouped into sectors, such as 'Tax-Revenue', 'Non-Tax Revenue' and 'Grants-in-Aid and Contributions' for the receipt heads (Revenue Account), and 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-Aid and Contributions' for expenditure heads. Specific functions or services (Such as Education, Sports, Art and Culture, Health and Family Welfare, Water Supply, Sanitation, Housing and Urban Development, etc. in respect of Social Services) are grouped in the sectors for expenditure heads. In part III (Public Account) also the transactions are grouped into sectors, such as 'Small Savings', 'Provident Funds,' etc.. The sectors are sub-divided into Sub-Sectors before their divisions into major heads of account.

The Major heads are divided into Minor heads in some cases and Minor Heads with a number of subordinate heads generally known as sub-heads. The sub-heads are further divided into detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. Sometimes major heads are also divided into sub-major heads, before their further division into minor heads. Apart from the sectoral and sub-sectoral classifications, the major heads, sub-major heads, sub-heads, detailed heads and object-heads together constitute a six-tier arrangement of the classification structure of the Government Account. The Major, Minor and Sub-Heads prescribed for the classification of expenditure in the general accounts are not necessarily identical with the Grants, sub-heads and other units of allotments which are adopted by the Governments for the Demands for Grants presented to the Parliament or Legislatures but in general a certain degree of correlation is maintained between the Demand for Grants and the Finance Accounts.

The major heads of accounts, falling within the sectors for expenditure heads, generally correspond to functions of Government, while the Minor Heads, subordinate to them identify the programmes undertaken to achieve the objectives of the function represented by the major heads. The sub-head represents the schemes, the detailed head the sub schemes and object to the object level of classification.

3. Coding Pattern

Major Heads

From 1st April 1987 a four digit code has been allotted to the major heads, the first digit indicating whether the major head is a Receipt head or Revenue Expenditure head or Capital Expenditure head or a Loan head.

The first digit of Code for Revenue Receipt head is either '0' or '1'. Adding 2 to the first digit code of Revenue Receipt head will give the number allotted to corresponding Revenue Expenditure head; adding another 2, the Capital Expenditure head; and another 2, the Loan head of account. For example, for Crop Husbandry code 0401 represents the Receipts head, 2401, the revenue expenditure head, 4401, Capital Outlay head and 6401, Loan head.

Such a pattern is, however, not relevant for those departments which are not operating Capital/Loan heads of accounts e.g. Department of Supply. In a few cases, where receipt and expenditure are not heavy, certain functions have been combined under a single major head, the functions themselves forming sub-major heads under that major head.

Sub-Major Heads: A two digit has been allotted, the code starting from 01 under each Major Head. Where no sub-major head exists it is allotted a Code '00'. The nomenclature 'General' has been allotted Code '80' so that even after further sub-major heads are introduced the Code for 'General' will continue to remain the last one.

Minor Heads: These have been allotted a three digit code, the codes starting from '001' under each Sub-Major Head/ Major Head (where there is no sub-major head). Codes from '001' to '100' and few codes '750' to '900' have been reserved for certain standard minor heads. The coding pattern for minor heads has been designed in such a way that in respect of certain minor heads having a common nomenclature under many major/sub-major heads, the same three digit code is adopted as far as possible.

Under this scheme of codification, the receipt major heads (Revenue Account) are assigned the block numbers from 0020 to 1606, expenditure major heads (Revenue Account) from 2011 to 3606, expenditure major heads (Capital Account) from 4046 to 5475 'major heads', under 'Public Debt' from 6001 to 6004 and those under 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund' from 6075 to 7999. The code number 4000 has been assigned for Capital receipt major head. The only major head 'Contingency Fund' in part II 'Contingency Fund' has been assigned the code number 8000. The major heads in the Public Account are assigned the code numbers from 8001 to 8999.

4. The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year April to March as distinguished from the amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and presenting the true state of affairs of Government commercial undertakings run on commercial principles. The detailed accounts of this class of undertakings are, therefore, maintained outside the regular accounts in proper commercial form and are subject to test-check by the Indian Audit and Accounts Department.

5. The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the demands presented to the Legislature and the Appropriation Accounts are for gross expenditure and exclude all credits and recoveries, which are otherwise taken as reduction of expenditure.

6. As indicated in paragraph 1 of the "Introductory" to the Finance Accounts 1974-75, changes were introduced from April 1974 in the structure and classification of Government transaction. The progressive figures carried forward under different heads of account up to 31st March 1974 were to be shown against new heads of account effective from 1st April 1974. In many cases the progressive figure at the end of 1973-74 under an existing minor head was to be distributed under new minor heads within a new major head or, in some cases, even more than one major head. In several cases, the scheme-wise identification and consequently functional reclassification of the expenditure already booked were not possible. As such, allocation of the progressive figures to new heads of account could not be made with reference to records maintained in the Accounts Offices and necessary information had to be collected from the departmental offices. As progressive figures of capital expenditure at the end of a year had been carried forward over many years past, collection of information necessary for distribution of such figures among the new heads of account effective from 1st April 1974 was further rendered difficult on account of many factors like reorganisation of departmental offices, reorganisation of Audit and Accounts offices and even reorganisation of States and integration of the former princely States. Attempt was made to distribute such figures on the basis of details/information obtained from the records available with the Indian Audit and Accounts Department or from Government departments. The progressive figures up to 31st March 1974 which could not be distributed were shown under a separate minor head 'Pre-1974-75 Outlay not allocated' in the Finance Accounts for the year 1974-75 to 1994-95. No further distribution has been made during 2004-2005 and 2005-2006.

EXPLANATORY NOTES

Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of Rs.10,00,000 with the Bank on all days. The Bank makes Ways and Means Advances when the cash balance falls short of the minimum balances.

The Ways and Means Advances (WMA/Overdraft (OD) Scheme, 2003, of the State Government has been in effect from March, 2003, based on the recommendation of the Advisory Committee on WMA to State Governments (Ramachandran Committee). Accordingly, the normal WMA limits have been computed as per the formula suggested by the Ramachandran Committee. The minimum normal WMA is Rs. 50 crores for any state. Accordingly, the normal WMA limit to the State Government has been revised from Rs. 70 crore to Rs. 80 crore with effect from 1st April 2005 by CRBI letter No.CAS/Govt-I/19068/10.01.10/2004-05 dated 04.04.2005.

Conséquent upon the revaluation of Government of India Securities held by the State Government the operative limit of Special Ways and Means Advances to the State Government has been revised from Rs.0.0 crore to Rs.93.77 crore with effect from June 17, 2005 by CRBI letter No.CAS.Govt.I/23873/10.01.09/2004-05 dt. 17.06.2005.

The extent to which the Government maintained the minimum balance with the Bank during 2005-2006 is given below:

(i) Number of days on which the minimum balance was maintained without obtaining any advance :	365
(ii) Number of days on which the minimum balance was maintained by obtaining Ways and Means Advances (No special Ways and Means Advance obtained):	NIL
(iii) Number of days on which there was shortfall in the minimum balance after taking the above advance but there was no minus balance:	NIL
(iv) Number of days on which over drafts were taken:	NIL

The rate of interest applicable to Ways and Means Advances, shortfall and overdraft of Tripura Government, if any, will be applied as follows from 01.04.2001 :

	Upto 22 nd October 2001	From 23 rd October 2001
1. WAYS AND MEANS ADVANCES:	7%	6.5%
2. SHORTFALL :	7%	6.5%
3. OVERDRAFT:	9%	8.5%
4.(a) Discount rate for 14 days Treasury Bills	4%	5.5%
(b) Rediscounting of 14 days Treasury Bills	4.5%	6.00%

During the year 2005-2006, no Ways and Means Advance was obtained by the Government.

To make up the deficiency in the cash balance, the holdings of the Government of India Treasury Bills were rediscounted on 174 days during the year.

EXPLANATORY NOTES

(1) The significance of the head "Government Account" is explained in note 3 below. The other headings in the summary taken into account the balances under all account heads in the Government books where Government has a claim to recover the amount paid and also heads of account opened in the books for adjustment of remittance transactions. It must be understood that these balances are not a complete record of the financial position of the Government of Tripura as these do not take into account all the physical assets of the State, such as lands, buildings, communications, etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

(*) Please see foot note at page 126

STATEMENT NO. 8 - Concl'd.

(2) A summary of receipts, disbursements and balances under heads of account relating to Debt, Contingency Fund and Public Account is given in Statement No. 16.

In a number of cases (Statement No.16) there are unreconciled differences in closing balances as shown in that statement and those shown in the separate registers or other records maintained in the Accounts Office/Departmental Offices for the purpose. Steps are being taken to settle the differences as soon as possible.

The balances are communicated to the offices concerned every year for acceptance thereof. In a large number of cases such acceptances have not been received. In the following cases the acceptance of balances have been delayed. In many cases the delay extends over several years. The position of non-receipt of acceptance is also brought to the notice of the Government.

Heads of Account	Number of acceptances awaited	Year from which acceptances are awaited	Amount outstanding in respect of those items as on 31st March 2006 (In thousands of rupees)
6216-Loans for Housing	264	1980-2006	8,82,19

7610-Loans to Government Servants , etc.	5231	1980-2006	26,60,39

3. Government Account: Under the system of book-keeping followed in the Government Accounts, the amounts booked under revenue, capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts, are closed to single head called "Government Account". The balance under this head represents the cumulative result of all such transactions so that after adding thereto the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, etc., Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, the closing cash balance at the end of the year may be worked out and proved. The Government Account for 2005-2006 given below will show how the net amount at the end of the year has been arrived at :
