The excesses over the voted grants which occurred under the following grants require regularisation :—

- 5— Community Development Projects, etc;
- 8— Stamps ;
- 10— Pensions ;
- 14— Excise ;
- 27— Public Works, Common establishment and other expenditure relating to the Works Department ;
- 40— Community Development Projects ;
- 43— Irrigation and Electricity Schemes ;
- 45— Government Trading Scheme ;
- 52— Capital expenditure relating to Education department ;
- 57— Capital expenditure relating to Animal Husbandry Department ; and
- 59— Capital expenditure relating to Health Department.

Expenditure was incurred under Grant Nos. 40, 52 and 59 mentioned above without any budget provision; the three grants were shown in the schedule of estimated expenditure in the Budget Estimate, 1966-67 but no provision was made.

The excesses over the Charged Appropriations under "1— Elections and Other expenditure relating to the Home Department" and "Loans from the Central Government (Repayment)" also require regularisation.

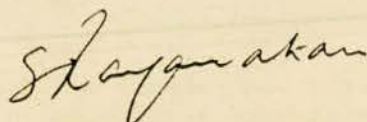

As the grants and appropriations are for gross amounts required for expenditure, the expenditure shown against them do not include recoveries adjusted in the accounts in reduction of expenditure. The net expenditure figures are shown in the Finance Accounts.

The reconciliation between the total expenditure according to the Appropriation Accounts for 1966-67 and that shown in the Finance Accounts for that year is indicated below:—

	Voted Rs.	Charged Rs.
Total expenditure according to the Appropriation Accounts	196,42,82,041	47,38,54,210
<i>Deduct</i> —Total of Recoveries ..	66,29,31,778	..
Net total expenditure as shown in Statement No. 10 of the Finance Accounts	130,13,50,263	47,38,54,210

The details of recoveries referred to above are given in the Appendix at page 133.

The Appropriation Accounts have been prepared and examined under my direction in accordance with the requirements of Article 149 of the Constitution of India read with paragraph 11(4) of the Government of India (Audit and Accounts) Order, 1936 as adapted under the India (Provisional Constitution) Order, 1947. On the basis of the information and explanations that my officers have obtained, I certify that these accounts are correct, subject to the observations in the Audit Report, 1968.

Notes and Comments—

(i) The expenditure in the charged appropriation exceeded the budget provision by Rs. 11,900 which requires to be regularised.

(ii) In the voted grant the provision remained unutilised to a substantial extent under the following group-heads:—

Group-head	Total Grant	Actual Expenditure	Excess+ Saving—

(1) A—Other Election Charges—			
O.	..	36.11	29.81
R.	..	—6.30	
			29.91
			+0.10

The net saving of Rs. 6.20 lakhs (17 per cent) in the provision was explained as mainly due to non-payment of compensation and hire charges for requisitioned vehicles used for election duty, telephone charges, etc. (Rs. 5.06 lakhs), non-preferment of travelling allowance claims by the polling personnel within the financial year (Rs. 1.18 lakhs).

(2) N.2—Civil Defence—

District Organisation—

O.	..	4.36	0.75	0.62	—0.13
R.	..	—3.61			

The total saving of Rs. 3.74 lakhs constituted 86 per cent of the provision and was explained as mainly due to non-finalisation of the details of the scheme sponsored by the Government of India (Rs. 2.97 lakhs) and less number of volunteers for training courses (Rs. 0.66 lakh).

A saving of Rs. 1.68 lakhs (34 per cent) in the provision occurred under this group-head during 1965-66 also.

Notes and Comments—

(i) In the following group-heads, the provision remained unutilised to a substantial extent:—

Group-head	Total Grant	Actual Expenditure	Excess+ Saving—
	(In lakhs of rupees)		
(1) B.2(1)—Orissa Police Workshop—			
O. .. 8.31	5.83	5.41	—0.42
R. .. —2.48			

The total saving of Rs. 2.90 lakhs which formed 35 per cent in the provision was explained as mainly due to sanction of less staff than anticipated and vacancies for want of suitable personnel (Rs. 1.41 lakhs) and economy in expenditure on contingencies (Rs. 1.10 lakhs).

(2) B.2(3)—Hirakud Security Force—

O. .. 3.57	2.35	0.99	—1.36
R. .. —1.22			

The total saving of Rs. 2.58 lakhs formed 72 per cent of the provision. A saving of Rs. 1.22 lakhs was explained as due to closing down of wireless transmission stations with effect from 1st November, 1966 for want of trained operators. The reasons for the balance saving of Rs. 1.36 lakhs have not been intimated by the controlling officer.

Group-head			Total Grant	Actual Expenditure	Excess+ Saving—
(In lakhs of rupees)					
(3) D. I—Village Police—Police Force—					
O.	..	30.00	6.92	4.93	—1.99
R.	..	—23.08			

Of the total saving of Rs. 25.07 lakhs which formed 84 per cent of the provision, a saving of Rs. 23.08 lakhs was explained as due to late receipt of Government sanction for entertainment of Gram Rakhis.

The reasons for the balance saving of Rs. 1.99 lakhs have not been intimated by the Controlling Officer.

A saving of Rs. 13.75 lakhs was reappropriated to other group-heads to meet additional expenditure thereunder.

(4) E.1—Special Police—Military Police—					
O.	..	1,58.52	1,42.53	1,42.43	—0.10
R.	..	—15.99			

The total saving of Rs. 16.09 lakhs was attributed mainly to keeping in abeyance a large number of posts sanctioned in connection with the reorganisation of the Orissa Military Police Battalion (Rs. 8.56 lakhs), vacancies due to non-availability of personnel (Rs. 2.08 lakhs), non-receipt of Government sanction for deputation of Orissa Military Police Personnel to Bihar and West Bengal and for payment of cost of Bihar Military Police Personnel obtained on deputation from Government of Bihar and less expenditure on Ration money and P. O. L. (Rs. 15.70 lakhs) partly offset by additional expenditure under allowances due to revision of the rates of dearness allowance (Rs. 9.89 lakhs).

A saving of Rs. 13.24 lakhs was reappropriated to other group-heads to meet the additional expenditure thereunder.

A saving of Rs. 4.52 lakhs and Rs. 20.03 lakhs occurred during 1964-65 and 1965-66 also.

(ii) In the following group-head, the department anticipated additional expenditure for expansion of police force and for revision of dearness allowance of police personnel and augmented the provision by reappropriation of Rs. 31.78 lakhs largely on 31st March, 1967. The expenditure, however, fell short of the total grant by Rs. 5.52 lakhs. The reappropriation of funds made as late as on 31st March, 1967, proved largely excessive. The reasons for the saving of Rs. 5.52 lakhs have not been intimated by the controlling officer.

Group-head	Total Grant	Actual Expenditure	Excess+ Saving—
	(In lakhs of rupees)		

(1) E.1—Statistics—
Headquarters Establishment—
(Plan-State Sector)

O.	.. 2.31	}
R.	.. —2.31				

The entire provision remained unutilised and was surrendered on 31st March, 1967 due to non-implementation of the scheme as a measure of economy.

(2) F.1— Statistics—Primary Reporting Agency for collection of Agricultural Statistics—
(Plan-Central Sector)

O.	.. 10.00	}
R.	.. —10.00				

This is a case of double provision of funds. In January, 1966 Government decided to meet the expenditure on the activities of the Agency from Grant No. 13 and necessary provision accordingly was made under that grant. Provision for this purpose was made under this group-head also and remained entirely unutilised. This is indicative of defective budgeting.

(ii) *Suspense Account*—The expenditure under the grant includes an amount of Rs. 2,57.51 lakhs relating to purchase of stores for the Rural Engineering Organisation booked under the group-head "B—Suspense". The transactions are similar in nature to those under Public Works which have been described in note (ix) below grant No. 24.

A summary of the transactions in the Suspense Account during the year 1966-67 is given below—

Opening balance on 1st April, 1966	Debits during the year	Credits during the year	Closing balance on 31st March, 1967
Rs.	Rs.	Rs.	Rs.
2,88,276	2,57,50,601	3,09,43,768	— 49,04,891

Certificate of acceptance of the closing balance is awaited from the controlling officer.

(MAJOR HEADS: 19—GENERAL ADMINISTRATION; 32—RURAL DEVELOPMENT; 37—COMMUNITY DEVELOPMENT PROJECTS, NATIONAL EXTENSION SERVICE AND LOCAL DEVELOPMENT WORKS; 64—FAMINE RELIEF AND 71—MISCELLANEOUS)

	Total Grant	Actual Expenditure	Excess+ Saving—
	Rs.	Rs.	Rs.
Original .. 6,92,51,000	7,21,65,400	7,28,40,880	+ 6,75,480
Supplementary .. 29,14,400			
Amount surrendered during the year (March, 1967)			9,97,800

Notes and Comments—

(i) The expenditure in the grant exceeded the budget provision by Rs. 6,75,480 which requires to be regularised.

(ii) (a) The supplementary grant of Rs. 29.14 lakhs, of which a sum of Rs. 7.34 lakhs was obtained in March, 1967 covered only 81 per cent of the excess expenditure over the original grant.

(b) While the supplementary grant proved insufficient the Department surrendered an amount of Rs. 9.98 lakhs on 31st March, 1967 as surplus to requirements.

(iii) The excess in the grant was the net result of excesses under a number of group-heads partly offset by saving under others. Group-heads in which the variations were substantial are indicated in notes (iv) and (v) below.

(iv) In the following group-heads, the expenditure exceeded the provision which remained uncovered. The reasons for the excess and the circumstances in which the additional requirements could not be anticipated and funds provided for have not been intimated by the Controlling Officer (except in respect of serial Nos. 1 to 3).

The reduction of provision was attributed to curtailment of expenditure under "Grants-in-aid (non-recurring)" as a measure of economy (Rs. 1.02 lakhs) and non-sanction of plans and estimates for repairs and electrification of block buildings due to delay in formulation of proposals at the Samiti level (Rs. 1.25 lakhs).

O. .. 15.00	0.12	..	—0.12

A saving of Rs. 14.88 lakhs was reappropriated to other group-heads to meet the additional requirements thereunder.

The entire provision of Rs. 22.23 lakhs made during each of the years 1964-65 and 1965-66 also remained unutilised for the same reason.

(2) In the group-heads indicated below, a saving of Rs. 4.19 lakhs was explained as due to delay in formation of new Grama Panchayats.

Of the total saving of Rs. 2.91 lakhs (22 per cent), a saving of Rs. 0.96 lakh was explained as due to non-purchase of a road roller as a measure of economy. The reasons for the balance saving of Rs. 1.95 lakhs have not been intimated by the controlling officer.

The saving was attributed to expenditure on travelling allowance claim^s by some of the Chairmen of Panchayat Samitis and non-official members being less than anticipated, resulting in lesser payment of grants-in-aid.

Savings of Rs. 2.08 lakhs (25 per cent) and Rs. 4.50 lakhs (44 per cent) also occurred under this group-head during 1964-65 and 1965-66 respectively.

* Represents token supplementary grant of Rs. 100

The total saving of Rs. 3.75 lakhs (50 per cent) in the total provision was mainly attributed to non-appointment of certain staff for want of suitable candidates (Rs. 0.43 lakh), post-budget decision to meet the expenditure on establishment of State Institute for improvement of elementary education in the non-plan side (Rs. 1.74 lakhs) and non-requirement of funds for purchase of scientific equipments (Rs. 2.00 lakhs) partly offset by excesses under certain heads.

(iv) In the group-heads indicated below, the additional funds obtained by reappropriation in March, 1967 for meeting additional requirements proved excessive/unnecessary in view of the eventual savings:—

(1) L—Government Special Schools—			
O. .. 41.29	47.39	44.33	—3.06
R. .. 6.10			

The additional provision of Rs. 6.10 lakhs was made by reappropriation on 31st March, 1967 to meet the additional requirement arising out of the revision in the rate of stipends. A sum of Rs. 3.06 lakhs, however, remained unutilised mainly due to less number of trainees as well as late admission in some Training Schools (Rs. 1.73 lakhs) and non-drawal/late drawal of pay, leave salary and increment of some teachers (Rs. 1.33 lakhs).

(2) U—Grants to non-Government Arts Colleges-(Plan-State Sector)-

The provision was augmented by Rs. 2.66 lakhs by reappropriation on 31st March, 1967 for payment of non-recurring grants to non-Government colleges for construction of buildings. Saving of Rs. 1.86 lakhs was, however, attributed to non-sanction of grant by Government (Rs. 1.56 lakhs) and non-payment of grants to some colleges owing to non-submission of utilisation certificates in respect of grants paid during previous years (Rs. 0.30 lakh).

The final saving of Rs. 3.76 lakhs was explained as due to non/late sanction of recurring grants to non-Government institutions (Rs. 2.50 lakhs) and non-eligibility of building grants to some aided schools owing to non-possession of sites (Rs. 1.26 lakhs).

* Represents token supplementary grant of Rs. 200.

(v) A total sum of Rs. 76.66 lakhs was reappropriated from several group-heads to meet additional expenditure under other group-heads. Important cases involving reduction/addition under each group-head are indicated below:—

Savings ranging from 19 per cent to 35 per cent occurred under this group-head during the last three preceding years also.

(iii) *Zamindari Abolition Fund*—The expenditure in the grant includes an amount of Rs. 50 lakhs transferred to this Fund. The Fund was created during 1952-53 with the object of watching the financial effect of acquisition of Zamindari estates under the Orissa Estates Abolition Act, 1951.

Notes and Comments—

(i) The charged appropriation of Rs. 1,23·16 lakhs includes an amount of Rs. 1,23·00 lakhs for transfer to the Orissa Famine Relief Fund. According to the provisions of the Orissa Famine Relief Regulation, 1937 as amended by the Orissa Famine Relief Fund (Amendment) Act, 1958, an amount of Rs. 50·00 lakhs should be placed to the credit of the Fund every year by charge on the Consolidated Fund of the State. The amount for transfer to the Fund was increased to Rs. 1,23·00 lakhs in 1966-67 on the recommendations of the Fourth Finance Commission. Necessary amendments to the Orissa Famine Relief Fund Act has also been passed and was assented to by the Governor on 5th April, 1967.

(ii) The saving in the grant occurred mainly in the provision made for famine relief works *vide* note (iii) below.

(iii) In the group-heads indicated below the provision remained unutilised wholly or to a substantial extent—

The net saving of Rs. 5.34 lakhs (27 per cent) in the original provision was explained mainly as due to less requirement of funds (Rs. 2.59 lakhs) and observance of economy in expenditure (Rs. 2.91 lakhs). The reasons for the less requirement have not been intimated.

The saving was reappropriated to other group-heads to meet additional expenditure thereunder.

(2) In the group-heads indicated below, provision to the extent of Rs. 34.35 lakhs remained unutilised; the non-utilisation was explained as due to making *ad hoc* lump provision to render relief to the people affected by drought and flood during the year 1966, the amount ultimately needed having resulted in a lower figure.

(iv) *Orissa Famine Relief Fund*—The expenditure under the charged appropriation includes Rs. 1,23.00 lakhs transferred to this Fund.

The Fund was constituted under the Orissa Famine Relief Fund Regulation, 1937 as amended by Orissa Famine Relief Fund (Amendment) Act, 1958. An amount of Rs. 50 lakhs was being transferred to the Fund each year from the revenues up to the year 1965-66. The Orissa Famine Relief Fund (Amendment) Act, 1967 which was assented to by the Governor on 5th April, 1967 envisages transfer of an amount of Rs. 1,23.00 lakhs each year to the Fund (please also see note (i) under this grant). The amount can be expended only upon (i) the relief of famine and of distress caused by serious drought, flood and other serious natural calamities in Orissa and (ii) the construction or repairs of embankments after serious flood, when the balance in the Fund exceeds Rs. 100 lakhs, the excess may be utilised in the execution of protective irrigation works and other works required for prevention of famine, for other capital expenditure subject to certain restrictions laid down in the Act, grant of loans to cultivators, commutation of pensions, grant of loans to institutions, undertakings to advance loans for building fire-proof houses in villages.

The following expenditure was initially accounted for during 1966-67 against provision made in the grants indicated against each:—

Grant No.	Amount of Expenditure Rs.
16—District Administration ..	1,11,35,600
24—Irrigation ..	6,99,642
Total ..	1,18,35,242

The amount of Rs. 1,18,35,242 was finally debited to the account of the Fund in the accounts for 1966-67. The balance at the credit of the Fund as on 31st March, 1967 was Rs. 417.

In addition an amount of Rs. 5 lakhs was transferred to Deposit head "Advances from Famine Relief Fund for financing the State Loan account from the Fund".

Amount surrendered during the year (March, 1967)			49,17,530

Notes and Comments—

(i) The saving of Rs. 61.02 lakhs in the grant formed 24 per cent of the total provision; out of the saving of Rs. 61.02 lakhs, a sum of Rs. 49.17 lakhs was surrendered but only between 21st and 31st March, 1967.

The savings in the voted grant in the preceding six years ranged from Rs. 42.29 lakhs to 1,08.36 lakhs (20 per cent to 54 per cent).

(ii) Out of the total saving of Rs. 61.02 lakhs, a saving of Rs. 45.91 lakhs was accounted for by non-utilisation of provision made for "Plan" schemes.

(iii) In the following group-heads, the provision was augmented by supplementary grant in March, 1967 to purchase the assets of a Government company in liquidation at auction. In view of the saving of Rs. 2.27 lakhs, the supplementary grant proved largely excessive and could have been substantially reduced.

The total saving of Rs. 2.27 lakhs was explained as mainly due to non-sanction of new posts by Government and vacancies in some posts for want of suitable personnel (Rs. 3.45 lakhs) partly offset by additional requirements under contingencies and allowances.

The net saving of Rs. 8.56 lakhs was explained as mainly due to (i) non-payment of cost of work connected with the construction of a dam for supply of drinking water executed by the Orissa Mining Corporation owing to non-receipt of details and progress of work from the Corporation (Rs. 7.00 lakhs) and (ii) diversion from this group-head to find funds for implementation of priority schemes (Rs. 1.00 lakh).

O.	..	15.75	9.21	9.21	..

The reduction of provision by Rs. 6.54 lakhs (42 per cent) was the net result of a saving of Rs. 7.54 lakhs under "Grants to technical Institutions" and an excess of Rs. 1.00 lakh under "Grants to Burla Engineering College". The saving was explained as due to less amount of grant given to Rourkela Engineering College owing to smaller recurring and developmental expenditure, while the excess was explained as due to paying grant to Sambalpur University for meeting their immediate requirement of funds.

(3) H— Technical Institutions— (Plan-State Sector)

R.	..	—16.56			

Of the total saving of Rs. 25.03 lakhs (64 per cent) in the original provision, a saving of Rs. 16.56 lakhs was explained as mainly due to late implementation of the schemes (Rs. 7.25 lakhs) less requirement under contingencies (Rs. 2.66 lakhs), vacancies in various posts (Rs. 1.66 lakhs), curtailment of expenditure as a measure of economy (Rs. 3.92 lakhs) and less payment of stipends owing to less number of students joining training institutions (Rs. 0.38 lakh). The reasons for the balance saving of Rs. 8.47 lakhs have not been intimated by the controlling officer.

A saving of Rs. 4.13 lakhs occurred under this group-head during 1965-66 also.

(4) J— Works—

O. .. 8.14	6.33	6.07	—0.26

The total saving of Rs. 2.07 lakhs (25 per cent) in the original provision was explained as mainly due to vacancies in some posts for want of suitable personnel (Rs. 1.21 lakhs) and non-sanction of subsidy to Central Co-operative Banks for want of Government of India approval (Rs. 0.35 lakh).

A saving of Rs. 2.60 lakhs (29 per cent) in the provision occurred during 1965-66 also.

(8) In the following group-heads, provision was made for providing machinery and equipment and working capital, buildings, etc., for the Industrial units. Government subsequently decided to provide for these under Capital and Loan heads and obtained supplementary grants under Grant Nos. 41 and 48. (ii) The saving in the grant was accounted for mainly under the following group-heads—

(1) In the following group-heads, provision to the extent of Rs. 26.82 lakhs remained unutilised and was explained as mainly due to (i) curtailment of expenditure as an economy measure (Rs. 7.38 lakhs); (ii) Post-budget reduction of plan expenditure (Rs. 11.45 lakhs); (iii) late/non-entertainment of some staff (Rs. 2.19 lakhs); (iv) post-budget decision not to open sevashrams (Rs. 2.91 lakhs) and (v) depletion in the strength of students in tribal schools (Rs. 2.43 lakhs).

39 per cent of the provision (Rs. 12·45 lakhs) remained unutilised. The non-utilisation was explained as mainly due to—

- (a) Post budget reduction of non-plan expenditure (Rs. 2·26 lakhs);
- (b) curtailment of expenditure as a measure of economy (Rs. 2·35 lakhs);
- (c) less release of land by Dandakaranya Authority (Rs. 6·18 lakhs); under the Scheme "Settlement of Adibasis in Dandakaranya";
- (d) transfer of some poultry units to Agriculture Community Development Department (Rs. 0·61 lakh); and
- (e) vacancies in certain posts (Rs. 0·81 lakh).

Savings ranging from 23 to 50 per cent (Rs. 8·27 lakhs to 19·47) lakhs in the provision occurred during the last three preceding years also.

The cost of rehabilitation of tribals in the lands reclaimed by the Dandakaranya Development Authority initially met out of the Consolidated Fund of the State is reimbursed by that Authority. An amount of Rs. 42·50 lakhs is recoverable from the Dandakaranya Development Authority for settling 1,836 families during the years 1960-61 to 1965-66. An amount of Rs. 5·54 lakhs only has so far been recovered during the years 1960-61 and 1961-62. Government have not so far (December, 1967) settled the claim with the Dandakaranya Development Authority for getting reimbursement of Rs. 36·96 lakhs relating to the years 1962-63 to 1966-67. Information regarding the total expenditure incurred by State Government and the total area of land reclaimed by Dandakaranya Development Authority and utilised by the State Government during 1966-67 is awaited from Government.

(v) *Pro rata Distribution of establishment and tools and plant charges of Irrigation Branch of the Public Works Department for the year 1966-67*—The gross expenditure on account of the establishment and tools and plant charges of the Irrigation Wing relating to the Sections, Subdivisions, Divisions, Circles and the Office of the Chief Engineer (Irrigation) are initially accounted for under "Demand No. 24—Major Head 44—Irrigation, Navigation, Embankment and Drainage Works (Non-Commercial)—B—Navigation, Embankment and Drainage Works—Establishment and Tools and Plant". From this, recoveries for work done on behalf of other Governments and Departments and private bodies at the rate of 11 per cent for establishment and 4 per cent for tools and plant charges are deducted. Further, an amount equivalent to 5 per cent of Establishment charges of the Investigation Divisions under "44—Irrigation, Navigation, Embankment and Drainage Works (Non-Commercial)" and an amount equivalent to 5 per cent of Establishment Charges of Investigation Subdivisions under "42—Multipurpose River Schemes" are transferred to "44—Irrigation, etc.-A(2)—Miscellaneous Expenditure, etc." and "42—Multipurpose River schemes" respectively. The gross expenditure on account of establishment and Tools and Plant charges of Hirakud Dam Project is initially accounted for under "Demand No. 24—Major head, 42—Multipurpose River Schemes—A—Working Expenses—Hirakud Dam Project—Stage I—Dam and Appurtenant Works, etc." and the same is distributed in proportion to the works outlay recorded under different units of Stages I and II of Hirakud Dam Project under the Major Head "42—Multipurpose River Schemes" and "98—Capital Outlay on Multipurpose River Schemes" at the end of the year. The following table shows the *pro rata* distribution for the year 1966-67 of the establishment and tools and plant charges under the different units of Stages I and II of Hirakud Dam Project.

(viii) The percentage of establishment charges to works outlay in case of Hirakud Dam Project for the three years ending with the 1966-67 are compared below:—

Year	Works outlay	Establishment charges	Percentage
	(In lakhs of rupees)		
1964-65	64.33	18.97	29.49
1965-66	77.18	19.97	25.87
1966-67	66.26	19.81	29.90

The percentage of establishment charges of Hirakud Dam Project is high as compared with percentage of establishment charges in other wings of State Public Works Department, viz., Roads and Buildings Wing (5.03 per cent), Irrigation Wing (6.41 per cent).

(ix) *Suspense transactions of the Public Works Department*—The expenditure under the grant includes an amount of Rs. 1,44.06 lakhs under "Suspense".

The minor head "Suspense" is not a final head of account. It is meant to accommodate certain interim transactions in respect of which further payments or adjustments of value are necessary before the transactions can be considered complete and finally accounted for; such transactions embrace both debits and credits. The demand for grants excludes the credits (Gross) and is for the Gross debits.

During the year under report the operations under this minor head occurred under four of the five prescribed sub-heads, viz., (a) purchases, (b) stock, (c) Miscellaneous public works Advances and (d) Workshop suspense. The main transactions under each of the four sub-heads mentioned above are explained below:—

(a) *Purchases*—When materials are received from a supplier, another Division or Department for specific work or stock, the value of the materials is credited to "Purchases" so that "*per contra*", the cost may be included at once in the account for the work or stock. When payment is made, the head "Purchases" is debited. The head "Purchases" thus shows a credit (negative) balance representing the value of stores received but not paid for.

(b) *Stock*—This head is debited with the value of materials received for stock purpose. It is credited with the value of materials issued to works or transferred to another Division or sold. A debit balance represents the value of materials in stock.

(c) *Miscellaneous Public Works Advances*—The debits represent (1) the value of the stores sold on credit (2) the expenditure incurred on deposit works in excess of deposits received (3) the loss of cash or stores and (4) the sum recoverable from Government servants, etc. The debit balance under the head represents recoverable amount.

O.	..	6.39	2.38	2.35	—0.03
R.	..	—4.01			

The total saving of Rs. 4.04 lakhs (63 per cent) in the provision was stated to be mainly due to (i) not deputing candidates for training on account of non-receipt of Government sanction in time (Rs. 1.68 lakhs), (ii) restriction of Government sanction for expenditure on contingencies and works due to economy (Rs. 1.21 lakhs) and (iii) non-availability of site for certain works (Rs. 1.00 lakh).

The net saving of Rs. 7.93 lakhs formed 27 per cent of the original provision. The reduction of Rs. 11.17 lakhs in the provision was attributed to curtailment of expenditure as an economy measure (Rs. 8.57 lakhs) and less expenditure on certain works owing to delay in taking up the works (Rs. 1.94 lakhs). The final excess was explained as due to erroneous surrender of funds on the basis of surrender statement submitted by one of the drawing and disbursing officers.

Notes and Comments—

(i) The saving in the grant was accounted for mainly under 'Plan' Schemes in the following group-heads.

(1) In the following group-heads, the total saving of Rs. 5.42 lakhs was explained as mainly due to reduction in plan expenditure (Rs. 2.82 lakhs) and non-sanction of some posts by Government (Rs. 2.57 lakhs).

(2) In the group-heads detailed below, out of the total provision of Rs. 15.76 lakhs, made under grants-in-aid, a provision of Rs. 10.40 lakhs (two-third) remained unutilised. Non-utilisation of the provision to the extent of Rs. 6.50 lakhs was explained as mainly due to (i) non-payment of subsidy for staff to Central Co-operative Banks and Orissa Provincial Land Mortgage Bank as the schemes were not approved by Government (Rs. 3.58 lakhs), (ii) less subsidy granted to Co-operative institutions during the year (Rs. 1.21 lakhs) and non-payment of subsidy due to non-organisation of societies or less eligibility of societies (Rs. 1.71 lakhs). The reasons for a saving of Rs. 3.90 lakhs under group-heads "I.9" (Rs. 3.01 lakhs) and "M" (Rs. 0.90 lakh) have not been intimated by controlling officer.

The Fund is credited by (i) contributions from the Consolidated Fund of the State against the provision made in the grant (Grant No. 33), (ii) Grants from the Central Government and (iii) receipts from the other sources.

The expenditure from the Fund is routed through this grant and initially accounted for under "34—Co-operation" and then transferred to the Fund before close of the accounts for the year. During the year 1966-67 no expenditure was incurred out of the Fund. The balance at the credit of the Fund on 31st March, 1967 was Rs. 9.72 lakhs.

The expenditure in the grant includes an amount of Rs. 6.58 lakhs which was met from the deposit account of different schemes during the year 1966-67. The balance at the credit of the deposit account as at the 31st March, 1967 was Rs. 11.90 lakhs.

Major cases of savings have been explained in note (iii) below —

(iii) Saving in the grant was accounted for mainly under the group-heads detailed below—

(A) In the following group-heads, out of the total provision of Rs. 5,28.61 lakhs, provision to the extent of Rs. 2,52.06 lakhs (48 per cent) remained unutilised. A saving of Rs. 2,05.19 lakhs which was largely surrendered was stated to be mainly due to—

- (a) Post-budget reduced sanction and curtailment of expenditure (Rs. 95.18 lakhs) due to economy;
- (b) late or non-appointment of staff (Rs. 30.16 lakhs);
- (c) less requirement of funds under contingencies (Rs. 16.95 lakhs);
- (d) non or late sanction of certain schemes and late implementation of some schemes (Rs. 44.08 lakhs); and
- (e) less demand by cultivators under demonstration of varieties of seeds and subsidy (Rs. 12.44 lakhs).

The reasons for the final saving of Rs. 46.87 lakhs have not been communicated by the controlling officer.

The scheme "High yielding varieties Programme" is a new service. The Department anticipated an expenditure of Rs. 53·30 lakhs and obtained a token supplementary grant in October, 1966 for implementation of the scheme during the financial year. A sum of Rs. 50·77 lakhs was provided by reappropriation on 27th January, 1967 but an amount of Rs. 19·44 lakhs was surrendered on 31st March, 1967, mainly due to curtailment of expenditure as an economy measure. The expenditure, however, fell short of the reduced provision by Rs. 21·37 lakhs; the reasons for the saving have not been intimated by the controlling officer.

* Represents a token supplementary grant of Rs. 100.

(v) A total sum of Rs. 75.69 lakhs was reappropriated from several group-heads to meet additional expenditure under other group-heads. Important cases involving reduction/addition under each group-head are indicated below:—

During the year no grant was received and consequently no expenditure was reimbursed. The expenditure incurred by Government up to 1966-67 which is reimbursable amounted to Rs. 7.90 lakhs.

(i) The department anticipated additional expenditure in the Appropriation and obtained supplementary appropriation in October, 1966 (Rs. 2·34 lakhs) and March, 1967 (Rs. 1,07·35 lakhs). The expenditure, however, fell short of the total appropriation by Rs. 44·27 lakhs. The supplementary appropriation obtained in March, 1967 could have been substantially reduced.

(ii) More than 90 per cent of the saving under the appropriation remained unsurrendered at the end of the year.

(iii) In the following group-heads, a total amount of Rs. 38.58 lakhs in the original provision made for payment of interest/discount on open market loans remained unutilised; the reasons for the non-utilisation of funds have not been intimated by the controlling officer.

Notes and Comments—

(i) An expenditure of Rs. 1,92,338 was incurred under the grant without any budget provision; the excess requires to be regularised.

The excess in the grant occurred consecutively for the 5th year in succession as indicated below:

Year	Total grant	Excess
	(In lakhs of rupees)	
1962-63 ..	0.07	2.80
1963-64 ..	1.05	2.05
1964-65 ..	0.01	0.74
1965-66 ..	0.01	0.56
1966-67	1.92

(ii) The expenditure was incurred mainly under the following group-heads:—

Group-head	Actual Expenditure	Excess+
	(In lakhs of rupees)	
A—Community Development Projects—		
(1) A.1—Advances for Central Stores in Community Development Projects—	0.75	+0.75
(2) A.2—Central Stores—Suspense—Debit ..	1.16	+1.16

The former head records withdrawal from treasury for crediting to suspense (Personal Deposits) credits while the latter records expenditure connected with the central stores (*vide* note (iii) below).

No provision was made under these group-heads during 1966-67 as orders had been issued as early as August, 1961 to close down the Personal Ledger Accounts and to refund the advance sanctioned at the time of opening the accounts. Budget provision is required to be made for accommodating the debits on account of withdrawal of amount for refunding the advance. No provision was also made for this purpose in the two preceding years.

The department have explained that two Block Development Officers drew Rs. 0.75 lakh during November and December, 1966 under group-head 'A.1' and six Block Development Officers drew Rs. 1.16 lakhs during February and March, 1967 under group-head 'A.2' in order to square up their Accounts to close down the P. L. Accounts in their name in the treasury. The Department further stated that "No provision could be made as it was not known when the defaulting Block Development Officers would close down their Personal Ledger Accounts".

(iii) *Central Stores—Suspense*—The expenditure under the grant includes an amount of Rs. 1,15,895 under the head "Suspense". The transactions on purchase and utilisation of stores required for various purposes in the Blocks are to be accounted for under the Personal Ledger Accounts. The debits represent withdrawals from the treasury for meeting stores transactions and the credits represent the recoupments made on transfer of cost of stores to the accounts of the works concerned.

Though orders were issued as early as in August, 1961 to close down the Personal Ledger Accounts, still some Block Development Officers have not squared up and closed the Accounts.

A summary of the transactions in the Personal Ledger Accounts in the names of various Block Development Officers for Central Stores suspense (Community Development Projects) for the year 1966-67 is given below:—

Opening balance on 1st April, 1966	Credits during the year	Debits during the year	Closing balance on 31st March, 1967
Rs.	Rs.	Rs.	Rs.
21,39,372	2,02,855	1,15,895	22,26,332

Notes and Comments—

(i) The department anticipated additional expenditure in the grant and obtained supplementary grant of Rs. 8,25.82 lakhs on 25th October, 1966 (Rs. 5,69.52 lakhs) and 26th March, 1966 (Rs. 2,56.30 lakhs). A large part of the supplementary grant obtained on 26th March, 1967 remained unutilised which could have been reduced to token amounts, where necessary.

(ii) Out of the saving of Rs. 2,50·13 lakhs (16 per cent) in the total provision, an amount of Rs. 1,76·71 lakhs only was surrendered as excess of requirements in the last part of March, 1967.

Savings ranging from 16 to 50 per cent (Rs. 65·79 lakhs to Rs. 4,11·01 lakhs) of the provision occurred under the grant in the preceding six years also.

Amount surrendered during the year			nil

Notes and Comments—

The expenditure under this grant represents the amount transferred from the Consolidated Fund of the State to augment the corpus of the Contingency Fund. The details are as follows:—

The corpus of the Orissa Contingency Fund (established under the Orissa Contingency Fund Act, 1950 as amended from time to time) at the commencement of the year 1966-67 was Rs. 2 crores. This was considered insufficient to meet the emergent demands caused by drought and flood and an Ordinance was issued on the 3rd May, 1966 under Article 213 of the Constitution raising the corpus of the Fund to Rs. 9 crores; a sum of Rs. 7 crores was transferred from the Consolidated Fund to the Contingency Fund. Necessary funds to cover this transfer was obtained through the Supplementary Demand presented in October, 1966.

Advances amounting to Rs. 7.92 crores were sanctioned between May and October, 1966 and were reimbursed to the Fund after making necessary provision in the Supplementary Demand presented in October, 1966. The Ordinance was laid on the Table of the Legislature on reassembly of the Session on the 5th October, 1966 but was not replaced by an Act of the Legislature; it therefore ceased to be operative on the expiry of six weeks and the corpus of the Contingency Fund consequently stood reduced to Rs. 2 crores. The amount of Rs. 7 crores was retransferred from the Contingency Fund to the Consolidated Fund.

On 28th February, 1967 another Ordinance was promulgated which repealed the Orissa Contingency Fund Act, 1950 and established a Contingency Fund for the State of Orissa from that date consisting of Rs. 6 crores transferred from the Consolidated Fund of the State. In the Supplementary Demands presented to the Legislature in March, 1967, Government explained that the corpus of the Fund (Rs. 2 crores) was insufficient to meet the emergent demands for payment of loan assistance to the Orissa State Commercial Transport Corporation, Orissa Mining Corporation and Industrial Development Corporation for which central assistance had been sanctioned. Government, therefore, obtained an amount of Rs. 4 crores through the Supplementary Demand to augment the corpus of the Fund.

Advances totalling Rs. 2.39 crores were sanctioned between 28th February and 31st March, 1967 which were reimbursed through the Supplementary Demand presented in March, 1967.

Notes and Comments—

(i) The saving of Rs. 10.09 lakhs in the grant formed 20 per cent of the original provision.

The saving was accounted for mainly under the following group-head.

O. .. 50.00	} 39.50	39.83	+0.33
R. .. —10.50			

The saving (Rs. 10.17 lakhs) was explained as mainly due to non-finalisation of the compensation cases due to non-receipt of requisite detailed reports from concerned officers.

A saving of Rs. 11.99 lakhs (22 per cent) in the provision occurred in this group-head during 1965-66 also.

(ii) *Personal Ledger Accounts*—The transactions relating to purchase and utilisation of stores required for development works executed by the District Collectors are accounted for under this Personal Ledger Account. The debits represent withdrawal from the treasury for meeting transactions and the credits represent the recoupments made on transfer of cost of stores to the accounts of the works concerned. During the year 1966-67, there was no expenditure under "Suspense (Personal Deposits)" as it was decided to close down the Personal Ledger Account. But there was a credit of Rs. 6,518 representing the recoveries affected by 3 Collectors.

A summary of the transactions in Personal Ledger Accounts in the name of the District Collectors in connection with central stores (Development Works) for the year 1966-67 is given below:—

Notes and Comments—

(i) This grant accommodates expenditure on the capital outlay on works relating to Tube-well Irrigation, Lift Irrigation, Hirakud Stage-I and Stage II, Delta Irrigation and Balimela Schemes, Major and Medium Irrigation Projects, Flood Control Works and Talcher Thermal Scheme.

(ii) The expenditure in the grant exceeded the total provision by Rs. 1,19,35,014 which requires to be regularised.

(iii) The department anticipated additional requirements and obtained supplementary grants on 25th October, 1966 (Rs. 35.50 lakhs) and 26th March, 1967 (Rs. 3,51.52 lakhs). The expenditure, however, exceeded the original plus supplementary provision by Rs. 1,19.35 lakhs. While the supplementary grant obtained proved insufficient, an amount of Rs. 68.73 lakhs was surrendered on 30th and 31st March, 1967 as surplus to requirements.

(iv) The excess of Rs. 1,19.35 lakhs in the grant was the net result of variations between the provision and the expenditure in respect of the schemes indicated below:—

	Provision (In lakhs of rupees)	Actual Expenditure	Excess+ Saving—
Tube-well Irrigation (Plan) ..	10.50	4.77	—5.73

(iv) *Suspense*—The expenditure under the grant includes an amount of Rs. 31·18 lakhs accounted for under the head “Suspense”. The nature and scope of transactions recorded under the head “Suspense” has been described in item (ix) of the notes below “Grant No. 24—Irrigation”.

A summary of the transactions accounted for under this head together with the opening and closing balances for the year 1966-67 is given below:—

Amount surrendered during the year (March, 1967)		..	3,00,00,000

Notes and Comments—

The saving of Rs. 4,00·00 lakhs in the Appropriation is accounted for under the following group-heads—

Group-head	Total Appropriation	Actual Expenditure	Excess+ Saving—
	(In lakhs of rupees)		
O—Public Debt—Debt raised in India—Floating Debt—			
Other Floating loans—			
(1) A.1—Ways and Means Advances—			
O. .. 50·00	} 9,47·00	8,47·00	—1,00·00
S. .. 8,97 00			

This group-head records the expenditure on repayment of Ways and Means Advances obtained from the Reserve Bank of India.

Supplementary appropriations amounting to Rs. 3,00·00 lakhs and Rs. 5,97·00 lakhs were made in October, 1966 and March, 1967 augmenting the provision to Rs. 9,47·00 lakhs anticipating that repayments of advances to that extent (including Rs. 1,60·00 lakhs outstanding from the previous year) would be made during 1966-67. Ways and Means Advances to the extent of Rs. 9,07·00 lakhs were obtained during 1966-67 and with the balance from the previous year, the amount due for repayment during the year amounted to Rs. 10,67·00 lakhs. The department, however, repaid only Rs. 8,47·00 lakhs which resulted in a saving of Rs. 1,00·00 lakhs. The reasons for which the saving was not surrendered have not been intimated by the controlling officer.

(2) A.2—Cash Credit Advance from the State Bank of India—			
O. .. 3,00·00	}
R. .. —3,00·00			

Provision was made under this group-head for repayment of cash credit advances amounting to Rs. 2,00·00 lakhs obtained from the State Bank of India during 1964-65 and 1965-66 for financing the monopoly grain procurement scheme and Rs. 1,00·00 lakhs proposed to be obtained during 1966-67 which did not materialise. The entire provision of Rs. 3,00·00 lakhs remained unutilised due to non-repayment of the advance. This was explained as due to increased requirement of funds for purchase of foodgrains under the scheme. The saving was surrendered only on 28th March, 1967.

<i>Amount surrendered during the year (March, 1967)</i>		..	40,800

Notes and Comments—

(i) The expenditure exceeded the appropriation by Rs. 59,13,271 which requires to be regularised.

(ii) In view of the excess of Rs. 59·13 lakhs over the appropriation, the supplementary provision of Rs. 5,45·38 lakhs obtained on 26th March, 1967 proved inadequate.

(iii) The excess over the appropriation can be traced mainly to omission to provide funds by Supplementary Appropriation to cover the additional expenditure, under the group-heads indicated below; the excess was explained as due to provision having been made on *ad hoc* basis in the original budget and readjustment of actual requirement on calculation at the end of the year.

(iv) To meet the additional expenditure under some of the group-heads mentioned in note (iii) above, funds were withdrawn from the following group-heads by reappropriation on the 20th March, 1967. The reappropriations were not justified by the savings available for the purpose.

Government stated that the provision had been made on *ad hoc* basis in the original budget and readjustment by reappropriation had to be made on actual calculation at the end of the year. The final excesses in the group-heads indicate that the calculations were on the wrong side.

The amount is charged on the revenue account vide note (i) (2) under "Appropriation for Reduction or Avoidance of Debt" at page. 89.

An amount of Rs. 3.62 lakhs remained unutilised mainly in the provision made for repayment of loans to the National Co-operative Development Corporation. The saving was explained as due to incorrect assessment of the requirement of funds at the budget stage.
