(viii) Suspense Transactions: (a) Out of the expenditure under the grant, Rs. 4.31 lakh (net) was booked under the head "Suspense" which is not a final head of account Transactions booked under this head, not adjusted under final heads of account, are carried forward from year to year. The transactions include both debits and credits. The minor head "Suspense" has four subdivisions viz, (i) Stock (ii) Purchases (iii) Miscellaneous Work Advances and (iv) Workshop Suspense.

The nature of transactions under each of these sub-divisions is explained below:

(i) **Stock:** This head is charged with value of materials received for stock purposes (not for any particular works). Value of the materials issued for use on works or otherwise disposed of is reduced from such a charge. The balance represents the value of materials held in stock.

(ii) **Purchase:** When materials are received for specific works or for holding in stock without being paid for or adjusted during a month, their value is credited to the sub head "Purchases" by contra debit to the particular "Works" head of account or "Stock" sub head as the case may be. When payment is made or the value is adjusted by transfer of stores to other, the head "Purchases" is debited with the amounts thus relieving it of initial credit. This head will, therefore, show a negative balance representing the value of materials received but not paid for or adjusted. With effect from 1974-75, this sub head was abolished and the transactions of this nature are to be recorded under the head "8658 Suspense Accounts, 129 Material Purchase settlement suspense Account". But the Departments, viz., Building Construction Department and Roads Construction Department are still following the pre 1974-75 classification.

(iii) **Miscellaneous Works Advances:** Under this sub head are booked debits for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants etc. A debit balance under the sub head thus represents recoverable amounts.

(iv) **Workshop Suspense:** The charges for jobs executed or other operations in Public works Departmental Workshop are debited to this sub head pending their recovery or adjustment.

Grant no. 3 conclud.

(b) The details of the transactions under each of these sub-divisions during 2004-2005 together with the opening and closing balances are given below:

(ix) Review of Establishment and Machinery and equipment charges of Building and Housing Construction Department – From the gross charges on establishment and machinery and equipment charges of Public Works Department, percentage recoveries for work done for other Governments, local bodies, etc., are deducted and the balance is distributed among the appropriate heads of account in proportion to the works outlay recorded thereunder. Under the system of gross budgeting, the Demands for Grants placed in the legislature are for gross amounts required for expenditure. Consequently, the amount of recoveries which are adjusted in accounts in reduction of expenditure, are ignored and are shown as recovery below the line in the Budget. According to the budgeting and accounting procedure prescribed in the scheme also, the extent of relief expenditure to be financed from the Fund is to be shown as 'recovery below the line' in the Demands for Grants of the State Government. Contrary to this, grants were obtained for net amount of expenditure arrived at after deducting the extent of relief expenditure (Rs. 81,40.00 lakh) proposed to be met from Calamity Relief Fund from the gross amount.

The Government of Bihar sanctioned to finance relief expenditure to the extent of Rs. 1,13,82.46 lakh (Rs. 76,42.00 lakh relating to 2000-01 and 2001-02 and again Rs. 37,40.46 lakh relating to 2002-03) during 2002-03 and Rs. 1,29,80.22 lakh (Rs. 20,34.70 lakh relating to 2002-03, Rs. 40,55.08 lakh relating to 2003-04 and Rs. 68,90.44 lakh relating to 2004-05) during the current year (vide Government of Bihar, Disaster Management Department letter no. 2804 dated 23.12.2004) aggregating to the tune of Rs. 2,43,62.68 lakh. However, the adjustment in accounts for 2002-03 was made for Rs. 1,31,78.50 lakh and as such the rest amount of Rs. 1,11,84.18 lakh (Rs. 2,43,62.68 lakh *minus* Rs. 1,31,78.50 lakh) was adjusted during the year against the sanction of the State Government for Rs. 1,29,80.22 lakh. The expenditure transferred to the Calamity Relief Fund has been shown within the grant from Calamity Relief Fund (i.e. net expenditure has been shown in the Appropriation Accounts) following budget.

O	81,40.00		

The original provision for transfer of annual contribution for the year 2004-05 to the Calamity Relief Fund was made for Rs. 81,40 lakh. Excess of Rs. 1,07,19 lakh occurred as the grants from National Calamity Contingency Fund (Rs. 29,67 lakh) released by the Government of India on 14th March 2001 for which sanction was accorded by the State Government on 2nd August 2002 and budget provision had been made in 2002-03 and again first instalment of annual contribution of Rs. 38,76 lakh for 2003-04 (Rs. 29,07 lakh- Centre's share released on 18.09.2003 and Rs. 9,69 lakh-State's share both sanctioned on 31.03.2004) and second instalment to the same extent for the same year (Centre's share released on 21.05.2004 and State's share both sanctioned on 21.08.2004) were transfer credited to the Calamity Relief Fund during the year 2004-05, though budget provision for Rs. 77,52 lakh was made during 2003-04. The accounting adjustment of the above amounts (Rs. 29,67 lakh plus Rs. 38,76 lakh plus 38,76 lakh) have been carried out in the accounts of 2004-05.

(vi) Calamity Relief Fund (Regular)

On the recommendation of the XIth Finance Commission, a scheme was formulated by Government of India for providing natural calamity relief assistance to the State Governments, which came in force from the financial year 2000-2001 and would be operative till the end of the financial year 2004-2005. According to the scheme, Calamity Relief Fund (C.R.F.) was to be created by each State for financing Natural Calamity Relief assistance.

Government of India would contribute 75 per cent to the Fund as grants-in-aid where 25 per cent should be contributed by the State. The scheme also stipulated that accretions to the fund together with the income earned on the investment of the fund should be invested through Reserve Bank of India in accordance with the following pattern:

- (a) Central Government dated securities;
- (b) Auctioned Treasury Bills;
- (c) Interest earning deposits and certificates of deposits with Scheduled Commercial Banks; and
- (d) Interest earning deposits with Co-operative Banks.

Grant no. 39 contd.

The amount of annual contribution to the C.R.F. of Bihar for each of the financial years from 2000-01 to 2004-05 would be as follows:-

	2000-01	2001-02	2002-03	2003-04	2004-05	Total
	(Rupees in lakh)					
Centre's Share (75%)	5022	5273	5537	5814	6105	27751
State's Share (25%)	1674	1758	1845	1938	2035	9250
Total	6696	7031	7382	7752	8140	37001

The Centre's Share of annual contribution to the C.R.F. for the year 2000-01 was released on 14th March 2001. However, no amount could be transfer credited to the fund for want of budget provision. This was done towards the end of the year 2001-02.

The annual contribution for the year 2001-02 (Rs. 70,31 lakh) and 2002-03 (Rs. 73,82 lakh) was transfer credited to the Fund on 2nd August 2002 (Rs. 35,15.50 lakh for 2001-02) and 22nd January 2003 (Rs. 1,08,97.50 lakh including Rs. 35,15.50 lakh for 2001-02). Thus, upto 2002-03 a total amount of Rs. 2,11,09 lakh (Centre's Share:Rs. 1,58,32 lakh, State's Share 52,77 lakh) has been credited to the Fund. During the year 2003-04, Government of India released the first instalment of its annual contribution amounting to Rs. 29,07 lakh. During the year 2004-05, Government of India released the second instalment of its annual contribution amounting to Rs. 29,07 lakh for 2003-04 and Rs. 61,05 lakh for 2004-05. A total amount of Rs. 1,58,92 lakh (including State's Share) was transferred to the Calamity Relief Fund during 2004-05. Thus, upto 2004-05 a total amount of Rs. 3,70,01 lakh (Centre's Share Rs. 2,77,51 lakh; State's Share Rs. 92,50 lakh) was credited to the fund.

As required under the scheme, a State level Committee has been constituted by the State Government to administer the Fund. The Committee assesses the requirements of assistance from the fund for financing relief expenditure. The provision for expenditure on relief is to be made in the Budget of the State Government. The extent of relief expenditure to be financed from the Fund as decided by the Committee is transfer debited to the Fund. Upto 2004-05 relief expenditure amounting to Rs. 2,43,62.68 lakh has been met out of the said fund.

No amount was invested in specified Securities as stipulated in the scheme and the amount remained merged with the cash balance.

National Calamity Contingency Fund: On the recommendation of the Eleventh Finance Commission, Government of India has constituted a National Calamity Contingency Fund (NCCF) to deal with the calamities of rare severity. Natural calamities of cyclone, drought, earthquake, fire, flood and hailstorm, considered to be of severe nature requiring expenditure by the State Government in excess of the balances available in its own Calamity Relief Fund qualify for relief assistance under the scheme. The assistance received from NCCF is treated as Grants-in-aid from Central Government and is required to be transferred to the CRF of the State.

Grant no. 39 conclud.

Sanction order from the State Government was issued on 02.08.2002 for adjustment of Central grant for Rs. 29,67 lakh from NCCF released on 14.03.2001. Necessary accounting adjustment for transfer crediting the amount to CRF sanctioned by the State Government in August 2002 has been carried out in the accounts for 2004-05. During 2004-05, grants for Rs. 55,00 lakh, Rs. 1,81,77 lakh and Rs. 1,62,15 lakh were released on 22nd July 2004, 27th September 2004 and 9th November 2004 respectively from the National Calamity Contingency Fund. However, no amount could be transfer credited to the Calamity Relief Fund for want of budget provision, though sanctioned by the State Government on 31st March 2005.

(ix) **Suspense Transactions :** (a) Out of the expenditure under the grant Rs. 12.72 lakh(net) was booked under the head "Suspense" which is not a final head of account. Transactions booked under this head, not adjusted under final heads of account, are carried forward from year to year The transactions include both debits and credits. The minor head "Suspense" has four subdivision viz.(i) Stock (ii) Purchase (iii) Miscellaneous Works Advances and (iv) Workshop Suspense.

Grant no.41 contd.

The nature of transactions under each of these sub-divisions is explained below:

(i) **Stock:** This head is charged with value of materials received for stock purposes (not for any particular works). Value of the materials issued for use on works or otherwise disposed of is reduced from such a charge. The balance represents the value of materials held in stock.

(ii) **Purchase :** When materials are received for specific works or for holding in stock without being paid for or adjusted during a month, their value is credited to the sub head "Purchases" by contra debit to the particular "Works" head of account or "Stock" sub head as the case may be. When payment is made or the value is adjusted by transfer of stores to other, the head "Purchase" is debited with the amounts thus relieving it of initial credit. This head will, therefore, show a negative balance representing the value of materials received but not paid for or adjusted. With effect from 1974-75, this sub head was abolished and the transactions of this nature are to be recorded under the head "8658 Suspense Accounts, 129 Material Purchase settlement suspense Account". But the Departments, viz, Building Construction Department and Roads Construction Department are still following the pre 1974-75 classification.

(iii) **Miscellaneous Works Advance:** Under this sub head are booked debits for the value of stores sold on credit, expenditure incurred on deposit works in excess of deposits received, losses of cash or stores not written off and sums recoverable from Government Servants etc. A debit balance under the sub head thus represents recoverable amounts.

(iv) **Workshop Suspense:** The charges for jobs executed or other operations in Public Works Departmental Workshop are debited to this sub head pending their recovery or adjustment.

(b) The details of the transactions under each of these sub-divisions during 2004-2005 together with the opening and closing balances are given below:
