The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with the provisions of the Uttar Pradesh Re-organization Act, 2000 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Uttarakhand and the statements received from the Reserve Bank of India. Statement No. 9 and 20, explanatory note No. 2 to Statement No.14 and Appendix No. IV, V, VIII, IX, XI and XII in this compilation have been prepared directly from the information received from the Government of Uttarakhand/ Corporations /Companies/ Societies who are responsible to ensure the correctness of such information. Appendix VI has been prepared from the details collected from the Central Plan Scheme Monitoring System Portal of the Controller General of Accounts.

The treasuries, offices, and/or departments functioning under the control of the Government of Uttarakhand are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and

Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Uttarakhand for the year 2014-15.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Uttarakhand being presented separately for the year ended 31 March 2015.

Guide to the Finance Accounts

A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Uttarakhand present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part I: Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services',

‘Social Services’, ‘Economic Services’, ‘Public Debt’, ‘Loans and Advances’, ‘Inter-State Settlement’ and ‘Transfer to Contingency Fund’.

Part II: Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Uttarakhand for 2014-15 is ₹ 7,50.00 crore.

Part III: Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., ‘Small Savings, Provident Funds etc.’, ‘Reserve Funds’, ‘Deposit and Advances’, ‘Suspense and Miscellaneous’, ‘Remittances’, and ‘Cash Balance’. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two digits), and Object Heads (two digits). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2015)

0020 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to Revenue receipts/ Loans/ Public Account. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume 1) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Sinking Fund, etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Fund and Major Head 8011 Insurance and Pension Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

Explanatory Notes

(a) Cash and Cash Equivalents:

Cash and Cash Equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in transit, as stated above. The balance under the head 'Deposits with Reserve Bank of India' {a(2) above} depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

(b) Daily Cash Balance:

Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 0.16 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/Overdrafts from time to time.

For arriving at the daily cash balance² for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Over Draft.

¹ The balance under the head 'Deposits with RBI' is arrived at after taking into account the Inter-Governmental monetary settlements pertaining to transactions of financial year 2014-15 advised to the RBI till 16 April 2015.

There was also a difference of ₹ 13.04 crore (Cr) between the figures of 'Deposits with RBI' reflected in the Accounts ₹21.23 crore (Cr) and that communicated by the RBI ₹8.19 crore (Dr). The difference is under reconciliation.

² The Cash Balance 'Deposits with RBI' is the closing Cash Balance of the year as on 31 March but worked out by 16 April and not simply the daily cash balance on 31 March.

(a) As regards Reserve Bank Deposits which is a component of the cash balance of the Government there was a difference between the figures reflected in the accounts and that intimated by the Reserve bank of India. Footnote ¹ under Annexure to Statement 2 at page 6 may please be referred to for details.

B. Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under Revenue, Capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved. The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

(ii) Basis of Accounting:

With the exception of some book adjustments (**Annexure-A**) the accounts represent the actual cash receipts and disbursements during the account period. Physical Assets and Financial Assets, investments etc. are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortized. Losses of physical assets at the end of their life are also not expensed or recognized.

The pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts. However, the retirement benefits disbursed during the account period have been reflected in the accounts (Statement 15).

(iii) Currency in which Accounts are kept:

The accounts of the Government of Uttarakhand are maintained in Indian Rupees.

(iv) Form of Accounts:

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept, but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital:

Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. As per Indian Government Accounting Standard (IGAS) 2, expenditure on Grants-in-Aid is recorded as revenue expenditure in the books of the grantor and as revenue receipt in the books of the recipient regardless of end utilization.

The powers of the Comptroller and Auditor General under Article 150 of the Constitution to render advice on the form of accounts cannot be exercised by the State Government. The Government of Uttarakhand, however, continued to operate a separate Object Head for allotment of grants for creation of Capital assets under six Major Heads in the Capital section without the advice of the Accountant General (A&E), to whom this power has been delegated by the Comptroller and Auditor General. This also contravened the Indian Government Accounting Standards (IGAS) 2, notified by the Government of India, wherein it has been stated that, expenditure on Grants-in-Aid for the purpose of creating assets shall not, except in cases specifically authorized by the President on the

advice of the Comptroller and Auditor General, be debited to a Capital head of account in the financial statements of the Government. This is particularly so due to the fact that the capital assets are recorded in the books of the entity receiving the Grants-in-Aid and not the Government.

During 2014-15, the Government of Uttarakhand booked Grants-in-Aid of ₹ 399.21 crore given for creation of capital assets under Capital heads. One of the requirements of IGAS-2 is depiction of Grants-in-Aid in kind, regarding which, no information has been given by the State Government.

Under the Government Accounting Rules, expenditure on 'Major Works' is to be booked to the Capital section and expenditure on 'Minor Works' is to be booked to the Revenue section. However, the State Government provided and booked Minor construction works amounting to ₹ 1.70 crore under various Capital Heads. Also, ₹ 660.63 crore towards Major construction works was provided and booked under the Revenue section.

2. Quality of Accounts:

(i) Bookings under Minor Head 800 'Other Expenditure' and 'Other Receipts': Minor Head 800-'Other Expenditure'/'Other Receipts' is intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. During 2014-15, the State Government booked ₹ 2,428.79 crore relating to thirty nine (39) Major Heads, under Minor Head 800-Other Expenditure, constituting 11.48 *per cent* of the total revenue expenditure (₹ 21,163.71 crore). Similarly, the State Government booked ₹ 1,269.81 crore relating to thirty three (33) Major Heads, constituting 6.27 *per cent* of the total revenue receipts (₹ 20,246.55 crore) under Minor Head-800 Other Receipts. Instances, where a substantial portion (50 *per cent* or more and exceeding ₹ ten crore), of the receipts and expenditure were classified under Minor Head 800, are listed in **Annexure-B (i) and B (ii)**.

(ii) Reconciliation of Receipts and Expenditure

In terms of Para 109 of the Uttarakhand Budget Manual 2012, all the Controlling Officers are required to reconcile the Receipts and Expenditure of the Government with the figures of the Accountant General (A&E). During the year 2014-15, such reconciliation has been completed fully by 34 CCOs out of 62 CCOs (54.84 *per cent*) for an amount of ₹ 17,072.42 crore (65.40 *per cent* of total expenditure of ₹ 26,102.72 crore) and by 10 CCOs out of 48 CCOs (20.83 *per cent*) for an amount of ₹ 14,518.49 crore (71.71 *per cent* of total receipts of ₹ 20,246.55 crore).

(iii) Abstract Contingency (AC) Bills:

Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency (AC) bills by debiting Service Heads. They are required to present Detailed Contingency (DC) bills (vouchers in support of final expenditure) in all these cases within thirty days from the date of drawal of the AC bills. As on 31 March 2015, 95 DC bills amounting to ₹ 9.22 crore were not received in the office of the Accountant General (A&E). Prolonged non-submission of supporting DC bills renders the expenditure under AC bills opaque. The details of the outstanding AC bills to the end of 31 March 2015 is given below:

(₹ in crore)

Year	Outstanding Abstract Contingent Bills	
	Number of bills	Amount
Upto 2012-13	42	6.33
2013-14	18	0.52
2014-15	35	2.37
Total	95	9.22

(iv) Utilization Certificates (UCs) for Grants-in-Aid: Under the General Financial and Accounts Rules, Utilization Certificates (UCs), in respect of grants provided for specific purpose should be obtained by departmental officers from the grantees, which, after verification, should be forwarded to the Accountant General (A&E) within 12 months from the date for their sanction unless specified otherwise. The State Government gives Grants-in-Aid to various bodies for various purposes and schemes. UCs outstanding beyond the specified periods indicate absence of assurance on utilization of the grants for the intended purpose. Further, to the extent of non-receipt of UCs, the expenditure shown in the accounts cannot be treated as final and cannot be confirmed that the amount has been expended for the purpose it was sanctioned. Details of utilisation certificates outstanding as on 31 March 2015 are given below:

Year	Number of UCs awaited	Amount involved (₹ in crore)
Upto 2012-13	183	106.38
2013-14	79	134.56
2014-15#	194	259.32
Total	456	500.26

Except where the sanction order specifies otherwise, UC's in respect of Grants-in-aid drawn during 2014-15 become due only in 2015-16

(v) Cash Balance:

As on 31 March 2015 there is a net difference of ₹ 13.04 crore (Cr) between the Cash balance as worked out by the Accountant General (A&E) and as reported by the Reserve Bank of India (RBI) which is under reconciliation.

3. Other items

(i) Liabilities on Retirement Benefits

The expenditure on pension and other retirement benefits during the year to State Government employees, recruited on or before 30 September 2005 was ₹ 2,451.91 crore (11.59 per cent of the total Revenue Expenditure of ₹ 21,163.71 crore). State Government employees recruited on or after 1 October 2005 are covered under the New Pension Scheme, which is a defined contribution scheme. In terms of the Scheme, the employee contributes 10 per cent of his basic pay and dearness allowance, which is matched by the State Government and the entire amount, is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank. The actual amount payable by employees and the matching Government contribution has not been estimated. However, as per the information furnished by the State Government, during the year, both employees contribution (₹ 151.38 crore) and matching government contribution (₹ 151.38 crore) amounting to ₹ 302.76 crore has been booked under MH-0071-117-Defined Contribution Pension Scheme for Government employees. Out of this, ₹ 302.61 crore has been transferred to NSDL leaving a balance ₹ 0.15 crore remaining to be transferred.

Further, the State Government has parked the legacy balances* of ₹ 120.98 crore in the Public Account under Major Head 8342-117 –Defined Contribution Pension Scheme. During the year, interest of ₹ 25.99 crore on these accumulated balances has been credited to the Fund and an amount of ₹ 1.64 crore has been transferred to NSDL leaving a balance of ₹ 145.33 core in the Fund. Uncollected, unmatched and untransferred amounts, with accrued interest, represent outstanding liabilities under the Scheme.

*Legacy balances are the amounts relating to the period between date of announcement of the scheme (1 October 2005) and the date the scheme was notified by the State Government (31 March 2008).

(ii) Apportionment of pensionary liabilities between Uttar Pradesh and Uttarakhand:

The apportionment of the pensionary dues between the State Governments of Uttar Pradesh and Uttarakhand from 2000-2011, in terms of the Uttar Pradesh Re-organisation Act, 2000, has been completed. During 2014-15, the State of Uttarakhand received ₹ 486.39 crore from the Government of Uttar Pradesh as payment of its pensionary dues for the year 2010-11. The apportionment of pensionary dues beyond 2011-12 has been referred to the Government of India.

(iii) Guarantees:

Guarantees reported in Statements 9 and 20 are based on the information received from the State Government, which is the authority for issuing such guarantees to various State Government entities like Public Sector Undertakings etc. The State Government informed that as on 31 March, 2015 guarantees amounting to ₹ 1,831.87 crore were outstanding. As the State Government has provided limited information on outstanding guarantees, the information contained in the Statement is incomplete. Information regarding maximum amount of guarantees, added/ invoked/ discharged/ not discharged during the year, guarantee commission receivable/received etc., has not been made available.

(iv) Loans and Advances:

State Government departments maintain detailed accounts of Loans and Advances given to various beneficiaries including government servants. Statements 7 and 18 of the Finance Accounts on Loans and Advances given by the Government have been prepared as per the requirements of IGAS 3, to the extent furnished by the State Government. State Government departments have not furnished details of outstanding principal and loans that are sanctioned in perpetuity. Consequently, the requirements of IGAS 3 have not been fully met in these accounts. Government is required to reconcile the Loans and Advances figures as shown in the Finance Accounts with those available in the books of various PSUs and other bodies which has not been done.

(v) Investments:

The State Government has not made available/ confirmed the information on investments made by them. Consequently, the information contained in the Finance Accounts is primarily based on limited information on Government investments which are captured from vouchers by the Accountant General (A&E). The investment figures as shown in the Finance Accounts have not been reconciled with records of the entities where the investments were made.

(vi) Personal Deposit Accounts

Government is authorised to open Personal Deposit Accounts in order to deposit money by transferring funds from the Consolidated Fund for discharging liabilities of the Government. The Administrators are required to close such accounts on the last working day of the financial year and transfer the unspent balances back to the Consolidated Fund. During the year 2014-15, 34 PD Accounts were opened/ renewed by the State Government. The status of PD accounts during 2014-15, as per the records of Accountant General (A&E), is as under:

Details of operative PD Accounts

Particulars	No. of PD Accounts	Amount (₹ in crore)
As on 31 March 2014	28	199.85
Renewed during the year	28	199.85
Opened during the year	6	65.31
As on 31 March 2015	34	265.16

(vii) Reserve Funds and Deposits:

(a) State Government operated 8 Reserve Funds as on 31 March 2015 out of which 2 Reserve Funds are interest bearing (₹ 279.36 crore) and 6 non-interest bearing funds (₹ 1,159.37 crore). Out of these 8 funds, 3 funds are inoperative (balance ₹ 12.10 crore) and 5 funds are operative (balance ₹ 1,426.63 crore). As on 1 April 2014, opening balance against these funds were ₹ 1,224.16 crore. During the year, the State Government made book transfers amounting to ₹ 306.59 crore from the Consolidated Fund to various Reserve Funds and expenditure met from these funds was ₹ 92.02 crore, leaving a balance of ₹ 1,438.73 crore as on 31 March 2015. During the year there was no investment. ₹ 1,078.62 crore has been invested to the end of the year, leaving a balance of ₹ 360.11 crore. Details of Book adjustments carried out by the Accountant General (A&E) on the contributions of State Government to various Reserve/Deposit Funds and their utilization are indicated in **Annexure-A**. Detailed information on Reserve Funds and the investment from the earmarked funds is available in Statements 21 & 22 respectively.

(b) Adjustment of Interest against Reserve Funds and Deposits Bearing Interest:

The interest liability of ₹ 15.28 crore in respect of Reserve Funds Bearing Interest and Deposits Bearing Interest, under sectors J and K respectively of the Public Accounts are annual liabilities that the State Government is required to discharge. No Budget provision for the interest payable has been made by the State Government despite the existence of balances in such Reserve Funds and Deposits, as on 01 April, 2014, as detailed below:

(₹ in crore)

Sector	Sub-sector	Rate of interest	Balance at the beginning of 2014-15	Interest Payable
J-Reserve Funds	(a) Reserve Funds bearing interest (including SDRF)	7.5 per cent (average of W&M interest rate)	67.43	5.05
K-Deposits and Advances	(a) Deposits bearing interest (excluding CPS) Mh 8342-117	7.5 per cent (average of W&M interest rate)	136.46	10.23
Total Interest				15.28

(c) Consolidated Sinking Fund:

In terms of the recommendations of the Twelfth Finance Commission, the Government of Uttarakhand constituted a revised scheme for constitution and administration of the Consolidated Sinking Fund in 2006 for redeeming its outstanding liabilities (internal debt and public account liabilities). As per the scheme and in terms of the guidelines of the Reserve Bank of India, States are required to contribute a minimum of 0.5 per cent of their outstanding liabilities (Internal Debt+ Public Account liabilities) as at the end of the previous year. The Fund is administered by the Reserve Bank of India (RBI) subject to such directions/instructions as the Government may issue from time to time. In the year 2014-15, against the minimum required contribution of ₹ 143.83 crore (0.5 percent of outstanding liabilities of ₹ 28,766.50 crore) no amount has been appropriated from the Consolidated Fund of the State to the Sinking Fund, in contravention of the provisions of the Sinking Fund Scheme. The State Government has also not intimated whether contributions to the Fund have been reviewed in accordance to the provisions of the Fund on acquiring substantial amounts in the Fund. Total accumulations in the Fund was ₹ 1,128.00 crore at the end of 2014-15 which is 3.37 per cent of outstanding liabilities of ₹ 33,480.28 crore. Of this an amount of ₹ 1,053.62 crore has been invested by the Reserve Bank of India.

(d) Guarantee Redemption Fund:

The Government of Uttarakhand set up a Guarantee Redemption Fund in 2006-07 as recommended by the Twelfth Finance Commission. In terms of the guidelines, the State Government is required to contribute an amount equivalent to at least 1/5th of the outstanding invoked guarantees plus amount of guarantees likely to be invoked as a result of the incremental guarantees issued during the year. The State Government has neither given any information on invoked guarantees during 2014-15 nor made any contribution to the Fund. Further, in terms of the guidelines of the Reserve Bank of India which administers the Fund, the corpus of the Fund is to be gradually increased to the desirable level of 5 per cent of the outstanding guarantees Against the desirable level of ₹ 91.59 crore (5 per cent of outstanding guarantees of ₹ 1,831.87 crore), the Guarantee Redemption Fund had a balance of ₹ 44.77 crore as on 31 March, 2015. (Including interest of ₹ 19.77 crore as intimated by RBI) The entire balance under the fund has been invested.

(e) State Disaster Response Fund (SDRF):

Government of India replaced the existing Calamity Relief Fund in 2010-11 with the State Disaster Response Fund (SDRF). In terms of the guidelines of the Fund, the Centre and Special category States like Uttarakhand are required to contribute to the Fund in the proportion of 90:10. As per the guidelines, these contributions are to be transferred to the Public Account under Major Head 8121 by operating the Expenditure Major Head 2245. Expenditure incurred during the year on disaster response is adjusted by debiting the Public Account with contra deduct debit to the Expenditure Major Head 2245. Balances outstanding in the Fund, at the end of the year are invested. Government of India provides additional assistance from the National Disaster Response Fund (NDRF) - when the balances available under SDRF are insufficient to meet the expenditure on account of natural calamities. The entire funds provided under the NDRF are incurred directly against the expenditure on natural calamities.

As on 1 April 2014, the Fund had a balance of ₹ 67.41 crore. During 2014-15, the Central Government released an amount of ₹ 68.30 crore (against the allocated amount of ₹ 128.72 crore) towards SDRF and ₹ 216.81 crore from NDRF. The State Government transferred the entire Central Government release to the Public Account together with its own share ₹ 14.30 crore. Though Government of India has not released the total allocation towards SDRF, the State Government of Uttarakhand has released its total share of allocated amount. From out of the available balance in the Fund, expenditure of ₹ 87.47 crore initially incurred under the MH 2245- Relief on account of Natural Calamities was set off, leaving a balance of ₹ 279.35 crore in the Fund as of 31 March 2015.

(viii) Contingency Fund

In terms of the provisions of Article 267 (2) of the Constitution of India, the Contingency Fund of the State has been constituted under the Uttarakhand Contingency Fund Act 2001 for the purpose of meeting unforeseen expenditure pending authorization of such expenditure by the Legislature. The corpus of the Contingency Fund of the State Government as on 31.03.2015 stood at ₹ 750.00 crore. As on 31 March 2015 an amount of ₹ 291.81 crore (₹ 120.00 crore on Capital and ₹ 171.81 crore on Revenue Heads of Account) remained unrecouped.

(ix) Non accounting of Central Road Fund (CRF):

Government of India released ₹ 25.51 crore from Central Road Fund to State Government in 2014-15. In terms of guidelines, the Central grant is to be booked as Revenue receipts under Major Head 1601- Grants-in-Aid, and an equivalent amount transferred to the Public Account under Major Head 8449- Other Deposits-103- Subventions from Central Road Fund, by debiting the Revenue

expenditure Major Head 3054- Roads and Bridges in the same year of receipt. This is in keeping with the principle that Grants in Aid are to be recorded in the Revenue section irrespective of purpose (Capital or Revenue), and also ensures that the Revenue Surplus of the State Government is not unduly inflated because of the grant. Further, expenditure on prescribed road works is first to be accounted for under the relevant Revenue or Capital Expenditure section (under Major Heads 3054 or 5054 as the case may be), and is to be reimbursed out of the Fund as a deduct expenditure to the concerned Revenue or Capital Major Head (3054 or 5054 as the case may be). However, due to non availability of budget provision under Major Head-3054-80-797-transfer to Deposit Accounts; no amount was transferred to the Public Account. Since the amount has not been routed through Public Account, there is no assurance on the utilization of the grant of ₹ 25.51 crore.

(x) Rush of Expenditure

Principles of prudent financial management prescribe that expenditure at the fag end of the financial year should be avoided. During March 2015, however, the State Government incurred expenditure of ₹ 1,761.76 crore (constituting 35.67 *per cent* of the Capital Expenditure of ₹ 4,939.01 crore) and ₹ 3,646.06 crore (constituting 17.23 *per cent* of Revenue Expenditure of ₹ 21,163.71 crore). Of this, ₹ 504.87 crore and ₹ 595.74 crore constituting 2.39 *per cent* and 12.06 *per cent* of Revenue and Capital expenditure respectively were spent on the last day of March 2015. In addition, an amount of ₹ 221.02 crore constituting 0.85 *per cent* of the total expenditure under Revenue and Capital Account was transferred to the Public Account in March 2015. Details of major heads of account where a substantial portion (50 *per cent* or more to the total expenditure under relevant Major Heads), incurred in March, 2015 are given in **Annexure–D**. Significant expenditure/transfers in March, especially on the last day of March, indicates that the expenditure was primarily for the purpose of exhausting the budget provisions and reveals inadequate budgetary control.

(xi) Restructuring of Centrally Sponsored Schemes (CSS)/ Additional Central Assistance (ACA):

Government of India mapped all Central Plan Schemes (CPS) and Centrally Sponsored Schemes (CSS) to 66 Flagship schemes, in the 12th Five Year Plan (2012-17). From 1 April 2014, Government of India released central assistance directly to the State Government instead of to the implementing agencies; these releases are now classified as ‘Central Assistance to the State Plan’ instead of as assistance for CSS/CPS and Block Grants. Government of Uttarakhand, however, has continued with the budget depiction of earlier years and not in terms of the restructured pattern under the 66 CSS/ACA/Flagship Schemes.

For the entire amount of ₹ 6,103.41 crore depicted in the Public Financial Management System (PFMS) portal of the Controller General of Accounts (CGA) as Central assistance to the State plan of the Government of Uttarakhand in 2014-15, clearance memos from RBI, CAS Nagpur and the supporting sanction orders from the respective Ministries were received and appropriately booked in the accounts of the State Government under Major Head 1601 Grants-in aid from Central Government. During the year the State Government incurred an expenditure of ₹ 3,887.38 crore on CSS/CPS including its own share. The State Government continues to depict the Plan expenditure in terms of the existing classification pattern. It has not been possible to track the details of expenditure on the 66 CSS/ACA/ Flagship schemes which was incurred from amounts released by the GOI.

(xii) Direct transfer of Central Scheme Funds to implementing Agencies in the State (Funds routed outside State Budget):

Till 31 March 2014, Government of India transferred substantial funds directly to the State Implementing Agencies/ Non- Government Organizations (NGOs) for implementation of various schemes/ programmes. As per the PFMS portal of the CGA, Government of India released ₹ 75.19 crore to the implementing agencies in 2014-15. Details are given in Appendix-VI. Government of India decision to release all assistance of CSS/CPS directly to the State Government and not to the implementing agencies has reduced the direct transfers to implementing agencies by 89.20 *per cent*, as compared to 2013-14.

(xiii) Suspense and Remittance Balances

The Finance Accounts reflect the net balances under Suspense and Remittances Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately. The position of gross figures under some of the major Suspense and Remittance Heads (under Major Heads 8658, 8782, 8793) for the last three years is given in **Annexure-C**.

(xiv) Uttarakhand Fiscal Responsibility and Budget Management Act, 2005:

The Government of Uttarakhand has enacted the Fiscal Responsibility and Budget Management (FRBM) Act, 2005. Achievements during the year 2014-15 against targets laid down in the Act and rules framed there under, were as follows:-
