The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Sikkim and the statements received from the State Bank of Sikkim. Statement (No.8, 9, 10, 19, 20 and 22) and appendices (III, IV, VIII, IX, and XI) in this compilation have been prepared directly from the information received from the Government of Sikkim who are responsible to ensure the correctness of such information.

The treasuries, offices, and or departments functioning under the control of the Government of Sikkim are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Senior Deputy Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

(v)

The audit was conducted in accordance with the Auditing Standards generally

accepted in India. These Standards require that we plan and perform the audit to obtain

reasonable assurance that the accounts are free from material misstatement. An audit

includes examination, on a test basis, of evidence relevant to the amounts and disclosures in

the financial statements.

On the basis of the information and explanations that my officers required and have

obtained, and according to the best of my information as a result of test audit of the accounts

and on consideration of explanations given, I certify that, to the best of my knowledge and

belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and

fair view of the financial position, and the receipts and disbursements of the Government of

Sikkim for the year 2014-15.

Points of interest arising from study of these accounts as well as test audit conducted

during the year or earlier years are contained in my Reports on the Government of Sikkim

Guide to the Finance Accounts

A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Sikkim present the accounts of receipts and outgoing of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part -I: The Consolidated Fund: This fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorized under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part -II: The Contingency Fund: This fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Sikkim for 2014-15 is ₹ one crore.

- Part -III: The Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayable like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.' 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.
- 3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes/activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/object of expenditure.
- 4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto 31 March 2015.

0020 to 1606 Revenue Receipts

2011 to 3606 Revenue Expenditure

4000 Capital Receipts

4046 to 7810 Capital Expenditure (including Public Debt, Loans and Advances)

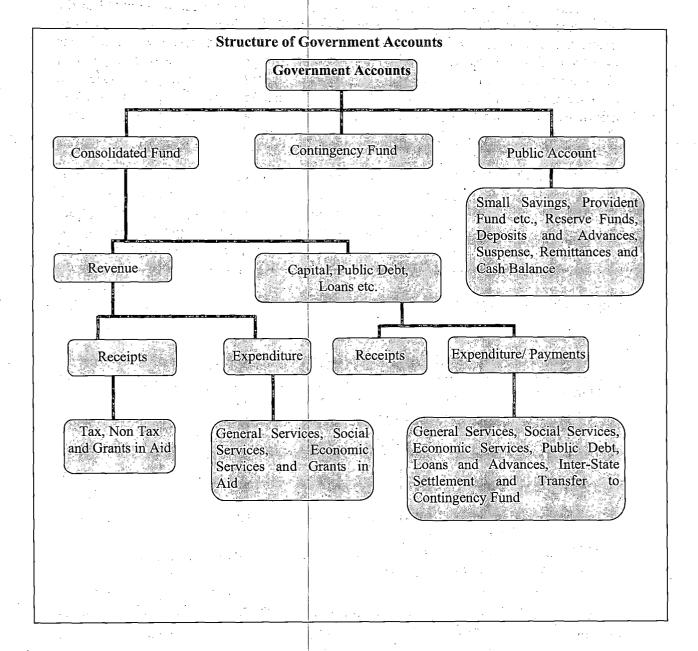

7999 Appropriation to the Contingence Fund

8000 Contingency Fund

8001 to 8999 Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A Pictorial representation of Structure of Government Accounts is given below:

D. Periodical adjustments and Book adjustments:

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt/loans/public account. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public

Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Sr. Dy. Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume -I) and footnotes to the relevant statements.

Example of periodical adjustments and book adjustments are given below:

- (1) Creation of funds/adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, etc.
- (2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.
- (3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Fund and Major Head 8011-Insurance and Pension Fund.
- (4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commission. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipt and Public Debt heads.

E. Rounding:

Difference of ₹ 0.01 lakh/crore, wherever occurring is due to rounding.

13 SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT

Explanatory Notes :-

- (1) The significance of the head "Government Account" is explained in note B below.
- (2) A summary of receipts, disbursements and balances under heads of account relating to debt, Contingency Fund and Public Account is given in Statement No. 21.

(B) Government Account

Under the system of book-keeping followed in Government Accounts, the amounts booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year, are closed to a single head called "Government Accounts". The balances under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small-Savings, Provident Fund, Reserve Funds, Deposits and Advances, Suspence and Miscellaneous (Other than Miscellaneous Government Accounts), Remmitancess and Contigency Fund etc., are added and the closing cash balance at the of the year is to be worked out and proved.

The other heading in the summary take into account of the balances under all accounts heads in the Government Books in regard to which the Government has a liability to repay the money received or have a claim to recover the amounts paid and also heads of accounts opened in the books for adjustment of remmitance transactions.

It must be understood that theses balances can not be regarded as a complete record of the financial position on the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by the Government.

NOTES TO ACCOUNTS

1. Summary of significant accounting policies:

(i) Entity and Accounting Period:

These accounts present the transactions of the Government of Sikkim for the period 1 April 2014 to 31 March 2015. The accounts of receipts and expenditure of the Government of Sikkim have been compiled based on the initial accounts rendered by 6 District Treasuries, 72 Public Works (including Irrigation) Divisions, 14 Forest Divisions, the Lottery Department, the Sikkim Nationalized Transport Department, and advices of the State Bank of Sikkim. Though, on average, during the year, there were delays ranging from 3 to 19 days in the receipt of accounts from accounts rendering units, no accounts were excluded at the end of the year.

(ii) Basis of Accounting:

With the exception of some book adjustments (Annexure –A of Notes to Accounts), the accounts represent the actual cash receipts and disbursements during the account period. Physical Assets and Financial Assets such as investments etc., are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortized. Losses in physical assets at the end of their life have not been expensed or recognized.

The pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts. The retirement benefits disbursed during the current year are reflected in the accounts in Statement 15.

(iii) Currency in which Accounts are kept:

The accounts of the Government of Sikkim are maintained in Indian Rupees.

(iv) Form of Accounts:

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may on the advice of the Comptroller and Auditor General, prescribe. The word "Form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital:

Revenue Expenditure is recurring in nature and is intended to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. Expenditure on Grants-in-Aid is recorded as Revenue Expenditure in the books of the grantor, and as Revenue Receipt in the books of the recipient.

2. Quality of Accounts

(i) Booking under Minor Head "800 - Other Receipts and Other Expenditure":

Minor Heads 800-Other Expenditure/ Other Receipts are intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. During the year the State Government classified under 800-Other Receipts/Expenditure, an amount of ₹ 1,61.10 crore under 36 Revenue Receipts Heads and ₹ 4,24.27 crore under 44 Expenditure Heads, constituting 3.61 *per cent* of total revenue receipts and 9.00 *per cent* of the total expenditure (Revenue and Capital) incurred under respective Major Heads. Instances where a substantial proportion (50 *per cent* or more) of the receipts and expenditure was classified under the Minor Head 800 − Other Receipts / Other Expenditure are given in Annexure − B and C respectively.

(ii) Outstanding Abstract Contingency (AC) Bills:

Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency (AC) bills by debiting service heads. They are required to present Detailed Contingency (DC) Bills containing vouchers in support of final expenditure within three months of the withdrawal of AC bills. Non-submission of DC bills renders the expenditure under AC bills opaque. Significant expenditure against AC bills in March indicates that the drawal was primarily to exhaust the budget provisions and reveals inadequate budgetary planning. Details of AC bills outstanding as on 31 March 2015 are given below:

(₹ in crore)

Vaan	Outstanding Abstract Contingent Bills			
Year	Number of bills	Amount		
Upto 2012-13	2,063	47. 24		
2013-14	296	5.21		
2014-15	519	20.06		
Total	2,878	72.51		

₹ 20.06 crore drawn against 519 AC bills in 2014-15. ₹ 11.45 crore was drawn through AC Bills in March 2015 and of this, ₹ 8.61 crore was drawn on the last day of the financial year.

(iii) Outstanding Utilization Certificates (UCs):

Rule 116 (1) of the Sikkim Financial Rules stipulates that every grant made for a specific object is subject to implied conditions: (i) that the grant shall be spent upon the object within a reasonable time of one year from the date of issue of the letter sanctioning grant and (ii) that any portion of the amount which is not ultimately required for expenditure upon that object shall be duly surrendered to Government. UCs outstanding beyond that specified periods indicates absence of assurance on utilisation of the grants for intended purposes and the expenditure shown in the accounts to that extent cannot be treated as final. The status of outstanding UCs as per the records of the Senior Deputy Accountant General (Accounts) is given below:

(₹ in crore)

Waan	BY STICE OF THE	
Year	Number of UCs awaited	Amount involved
Upto 2012-13	4,292	5,04.49
2013-14	359	2,65.21
2014-15	376	2,93.43
Total	5,027	10,63.13

(iv) Reconciliation of Receipts and Expenditure:

To exercise effective control of expenditure, to keep it within the budget grants and to ensure accuracy of their accounts, all Controlling Officers are required to reconcile the Receipts and Expenditure recorded in their books every month during the financial year with the figures accounted for by the Senior Deputy Accountant General (Accounts). Such reconciliation has been completed for all Revenue and Capital expenditure of ₹ 47,11.66 crore; receipts of ₹ 44,61.95 crore.

(v) Cash Balance:

There is a net difference of ₹ 45.72 crore (debit) between the Cash Balance as on 31 March 2015 as worked out by the Senior Deputy Accountant General (Accounts) and as reported by State Bank of Sikkim. The difference is mainly due to non-reconciliation of figures by the State Treasuries with the State Bank of Sikkim.

3. Other items

(i) Liabilities on Retirement Benefits:

The expenditure on "Pension and other retirement benefits" during the year to State Government employees recruited on or before 31 March 2006 was ₹ 3,12.29 crore (8.37 per cent of total revenue expenditure). State Government employees recruited with effect from 1 April 2006 are eligible for the New Pension Scheme, which is a Defined Contributory Pension Scheme. In terms of the Scheme, the employee contributes 10 per cent of Basic Pay and Dearness Allowance, which is matched by the State Government, and the entire amount, is transferred to the designated fund manager through the National Securities Depository Limited (NSDL)/ Trustee Bank. The actual amount payable by employees and the matching Government contribution has not been estimated. During the year, the Government of Sikkim deposited ₹ 41.59 crore under Major Head 8342-117 Defined Contribution Pension Scheme (employees' contribution of ₹ 20.80 crore, matching Government contribution of ₹ 20.79 crore) and a portion of such contributions of earlier years (₹ 3.03 crore). During the year, the Government transferred ₹ 44.62 crore to NSDL/ Trustee Bank, leaving a balance of ₹ 27.00 crore in the Fund as on 31 March 2015. Uncollected, unmatched and untransferred amounts, with accrued interest, represent outstanding liabilities under the scheme.

(ii) Guarantees:

The State Government extends guarantees on the loans taken by entities like State Government undertakings etc. Guarantees are contingent liabilities on the Consolidated Fund of the State in case of default by the borrower for whom the guarantee was extended. Details of Guarantees reported in Statement 9 are on the basis of information received from the Finance, Revenue & Expenditure Department, which is the authority for issuing such guarantees. The Sikkim Government Guarantees Act, 2000, stipulates that the total outstanding Government guarantee as on the 1st day of April of any year shall not exceed thrice the State's Tax receipts of the second preceding year and that the State Government shall charge guarantee commission of minimum one *per cent* which shall not be waived under any circumstances. The total guarantees (principal plus interest) outstanding as on 31 March 2015 was ₹ 1,12.14 crore, which was within the prescribed limit of thrice the total Tax Receipts of 2012-13 (₹ 4,35.48 crore). However, guarantee commission of ₹ 1.12 crore (at 1 *per cent* of outstanding guarantees of ₹ 1,12.14 crore as on 31 March 2015) was not received during the year.

(iii) Reserve Funds:

(a) Consolidated Sinking Fund:

State Government of Sikkim constituted a Consolidated Sinking Fund for redemption of the open market loans of the Government commencing from 2004-2005. As per guidelines, the Government is required to contribute to the Fund at the rate of 1 to 3 per cent of the outstanding open market loans as at the end of the previous year. The scope of this fund has been extended to cover all outstanding liabilities of the Government through a notification issued on 18 August 2007 on the basis of recommendations of the Twelfth Finance Commission. The State Government has not adopted the recommendations of Reserve Bank of India for minimum annual contribution of 0.5 per cent of outstanding liabilities. For the year 2014-15, the requirement for annual contribution was ₹ 15.34 crore (0.5 per cent of outstanding liabilities of ₹ 30,68.51 crore) in terms of the guidelines of the RBI and ₹ 15.31 crore (at 1 to 3 per cent of outstanding open market loans of ₹ 15,31.14 crore) in terms of the guidelines of the State Government. During the year Government transferred ₹ 12.00 crore to the fund against the minimum contribution of ₹ 15.31 crore, as per its own guidelines, resulting in short contribution ranging from ₹ 3.31 crore to ₹ 3.34 crore. As on 31 March 2015, the Fund had a balance of ₹ 2,69.87 crore (which included ₹ 27.52 crore accrued interest), which has been invested in fixed deposits in nationalized banks as per the directions of the Reserve Bank of India. Details of transaction in the fund are given in Statements 21 and 22.

(b) Guarantee Redemption Fund:

The State Government constituted a Guarantee Redemption Fund in the year 2005 for meeting the payment obligations arising out of the guarantees issued by the Government in respect of bonds issued and other borrowings by the State Undertakings or other bodies and which stand invoked. The Government is required to contribute an amount equal to at least one-fifth of the outstanding invoked guarantees plus an amount likely to be invoked as a result of the incremental guarantees issued during the year. However, it is open to the Government to increase contribution to the fund at its discretion. During the 2014-15, the State Government transferred ₹ 2 crore to the Guarantee Redemption Fund alongwith accrued interest of ₹ 4.43 crore. No guarantee was invoked during the year. The Fund had a corpus of ₹ 24.15 crore at the end of the year which was entirely invested.

(c) State Disaster Response Fund:

The State Government replaced the Calamity Relief Fund with the State Disaster Response Fund (SDRF) in 2010-11 as per the recommendations of the Thirteenth Finance Commission. In terms of the guidelines of the Fund, the Centre, and Special Category States like Sikkim, are required to contribute to the Fund in the proportion of 90:10. Further, if the State does not have adequate balance under SDRF, the Government of India provides additional assistance from the National Disaster Response Fund (NDRF). As at the beginning of 2014-15, the Fund had a corpus of ₹ 15.54 crore, out of which ₹ 13.96 crore was invested. During the year 2014-15, the State Government transferred ₹ 28.78 crore to the SDRF (Central share: ₹ 24.89 crore and State share of ₹ 2.76 crore together with ₹ 1.02 crore received as NDRF contribution and accrued interest of ₹ 0.11 crore). After meeting the expenditure of ₹ 26.25 crore during the year, the fund had a closing balance of ₹ 18.06 crore as on 31 March 2015. Details are available at Statement 21 of the Finance Accounts.

An amount of ₹ 1.55 crore was received as Grants-in-aid from the Central Road Fund, which has not been transferred to Public Account due to absence of budget provision.

(e) Adjustment of Interest against Reserve Fund (interest bearing) and Deposits (interest bearing):

Government is liable to pay/adjust interest in respect of interest bearing Reserve Funds and Deposits. During the year 2014-15, interest of ₹ 0.11crore on the Reserve Funds (interest bearing) was credited in the accounts. However, due to non-receipt of sanction orders from the concerned Administrative Departments of the Government, interest on Deposits (interest bearing) amounting to ₹ 2.61 crore could not be credited in the Accounts.
