Certificate of the Comptroller and Auditor General of India on Finance Accounts

This compilation containing the Finance Accounts of the Government of Bihar for the year ending 31 March 2018 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes. Volume I contains the consolidated position of the state of finances and Volume II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Bihar and the statements received from the Reserve Bank of India. Statements 8, 9, 10, 15 (Annexure-I), 17(b), 17(c), 19 and 20 and Appendices III, IV, IX, XI and XII in this compilation have been prepared directly from the information received from the Government of Bihar/Corporations/Companies/Societies who are responsible to ensure the correctness of such information.

The treasuries, offices and/or departments functioning under the control of the Government of Bihar are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of Accounts is discharged through the office of the Accountant General (A&E). The audit of these Accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Article 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position and the receipts and disbursements of the Government of Bihar for the year 2017-18.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial Compliance and Performance Audit Reports on the Government of Bihar being presented separately for the year ended 31 March 2018.

Emphasis of Matter

I want to draw attention to the following significant issues/concerns which are important from the point of view of accuracy, transparency and completeness of these accounts and maintaining legislative financial control over public finances:

1. Under different Major Heads, departments of the State Government had drawn ₹ 2,906.91 crore from Government accounts against 1,540 Abstract Contingent (AC) bills during the financial year 2017-18 but did not submit 1,508 Detailed Contingent (DC) bills of ₹ 2,903.61 crore before the close of the financial year. Therefore, there is no assurance that the amount of ₹ 2,903.61 crore has actually been incurred during the financial year for the purpose for which it was sanctioned/authorised by the legislature. This is a possible overstatement of expenditure in the year 2017-18.
In addition to this, 13,706 AC bills amounting to ₹ 3,259.07 crore drawn up to 2016-17 were also outstanding as on 31 March 2018. Thus, a total of 15,214 AC bills amounting to ₹ 6,162.68 crore were outstanding as on 31 March 2018. Advances drawn and not accounted for increased the possibility of wastage/misappropriation/malfeasance etc.
2. During the year 2017-18, 316 Utilisation Certificates amounting to ₹ 14,680.40 crore, which had become due, were not submitted by the bodies and authorities of the State against the grants-in-aid provided by 35 departments. Therefore, there is no assurance that the amount of ₹ 14,680.40 crore has actually been incurred during the financial year for the purpose for which it was sanctioned/authorised by the legislature.
In addition to this, 2,139 UCs amounting to ₹ 21,913.10 crore due for submission up to 2016-17 were also outstanding as on 31 March 2018. Thus, a total of 2,455 UCs amounting to ₹ 36,593.50 crore were due for submission as of 31 March 2018. High pendency of UCs is fraught with risk of misappropriation of fund and fraud.
3. Revenue and Land Reforms Department of the Government deposited ₹ 65.11 crore of scheme funds under Personal Deposit Account, (Major Head 2029) for the periods ranging from 2013-14 to 2017-18, to avoid lapse of grant during financial years, in violations of the principles of budgetary and financial control. Non transferring the unspent balance, lying in PD Accounts, to Consolidated Fund of State entails the risk of misuse of public funds, fraud and misappropriation.

4. Total contribution towards New Pension Scheme was ₹ 3,891.21 crore for the period 2005-06 to 2017-18 against which an amount of ₹ 3,762.93 crore was transferred to the designated authority (NSDL) leaving a balance of ₹ 128.28 crore to be transferred to NSDL for further investment as per the provisions of the scheme. Thus, the current liability stands deferred to future years. Further, the State Government has created interest liability on the amount not transferred to NSDL, has incorrectly used the funds that belongs to its employees, leading to possible uncertainty in the rate of return to the employees/avoidable financial liability to the Government, and thus failure of the scheme itself.
5. Government provided budgetary support (equity, loans, grants and subsidies) and accepted liability (guarantee) of ₹ 26,640.53 crore in 27 Public Sector Undertakings during the period for which their accounts were in arrear as on 31 March 2018. These PSUs have not finalised their accounts for the last one to 41 years in violation of provisions of the Companies Act/Acts of the respective statutory corporations. I am, therefore, unable to discharge my responsibilities with regard to the certification of accounts of these PSUs as required under the CAG's DPC Act, 1971, the Companies Act and Acts of respective statutory corporations.

The audit observations on above issues have been detailed in the State Finances Audit Report for the year ended 31 March 2018.

A. Broad overview of the structure of Government Accounts

1. The Finance Accounts of the State of Bihar present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

Part II: The Contingency Fund: This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Bihar for 2017-18 is ₹ 350 crore.

Part III: The Public Account: All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances' and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

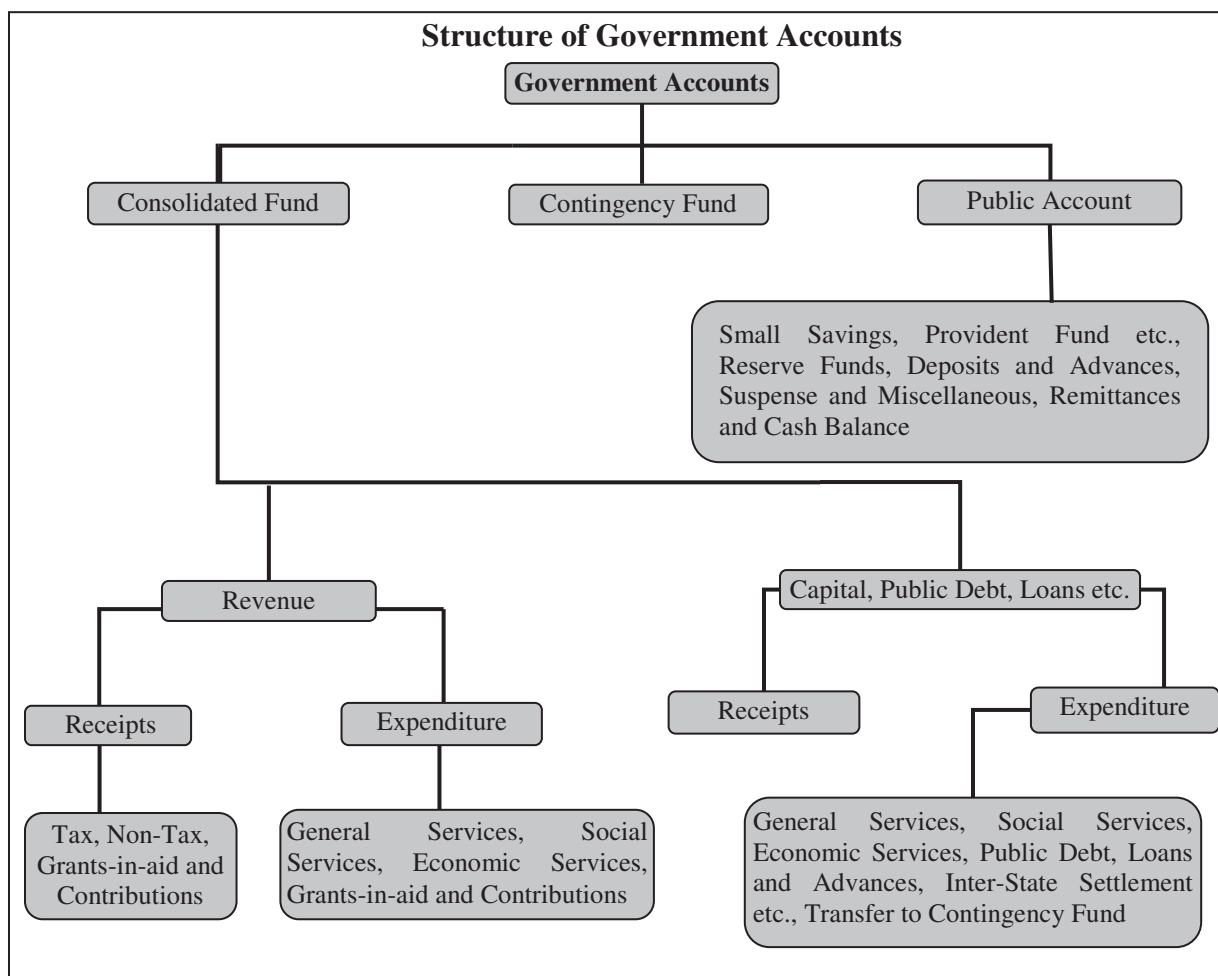

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (four characters), Detailed Heads (two), and Object Heads (two). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto 31 March 2018).

0005 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

D. Periodical adjustments and Book adjustments

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue/loans/public account receipts. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition, the Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Sinking Fund etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Fund and Major Head 8011-Insurance and Pension Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

E. Rounding

Difference of ₹ 0.01 crore/lakh in Finance Accounts Volume I and II, wherever occurring, is due to rounding.

Explanatory Notes

1. Cash and Cash Equivalents: Cash and cash equivalents consist of cash in treasuries and deposits with Reserve Bank of India and other Banks and Remittances in transit, as stated on previous page. The balance under the head 'Deposits with Reserve Bank' depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with Treasuries, Departments and Investments out of the cash balances/reserve funds etc. are added to the balance in 'Deposits with Reserve Bank'.

The balance under the head 'Deposits with Reserve Bank' is arrived at after taking into account the Inter-Government monetary settlements pertaining to transactions of the financial year 2017-18 advised to the RBI till 11 April 2018.

There was a difference of ₹ 45.26 crore (Credit) between the figures "Deposits with Reserve Bank" reflected in the accounts {₹ 46.90 crore (Debit)} and that intimated by the Reserve Bank of India {₹ 92.16 crore (Credit)}. The difference is under reconciliation.

2. Daily Cash Balance: Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 1.73 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking Ordinary and Special Ways and Means Advances/Overdrafts from time to time.

For arriving at the daily cash balance for the purpose of grant of Ways and Means Advances/Overdraft, the RBI evaluates the holdings of the 14 days Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 days Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Overdraft.

3. Limits for the Ways and Means Advances: The limit for Ordinary Ways and Means Advances to the State Government is ₹ 425.00 crore with effect from 1 April 2006. The Bank has also agreed to give Special Ways and Means Advances against the pledge of Government Securities. The limit of Special Ways and Means Advances is revised by the Bank from time to time.

The minimum cash balance was maintained without taking any advances throughout the financial year 2017-18.

4. The investment of ₹ 17,395.63 crore out of Cash Balance is in the securities of the Government of India (₹ 17,390.98 crore) and securities of other State Government (₹ 4.65 crore) as on 31 March 2018. Interest realised during the year on investment held in the Cash Balance Investment Accounts was ₹ 799.82 crore.

5. No investment was made by the State Government in its own Securities.

6. Details of investment out of Earmarked Funds are given in Statement 22 in Volume II.

STATEMENT 13: SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT

B. Government Accounts: Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary taken into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not taken into account all the physical assets of the State, such as lands, buildings, communication etc. and any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

Debit	Details	Credit
		(₹ in Crore)
98,248.33	A. Amount at the Debit of Government Account on 1 April 2017	
	B. Receipt Heads (Revenue Account)	1,17,446.74

2,29,779.01	TOTAL	2,29,779.01

(i) In a number of cases, there are unreconciled differences in the closing balance as reported in the statement of 'Receipts, Disbursements and Contingency Fund and Public Account' (Statements 14, 15, 17, 18 and 21 in Volume II) and that shown in separate registers or other records maintained in the Account Office/Departmental Offices for the purpose. Steps are being taken to settle the discrepancies.

(ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

(iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in Table- 1 of Appendix VII of Volume II.

(iv) Cases where details/documents are awaited in connection with reconciliation of balances are detailed in Table- 2 of Appendix VII of Volume II.

Notes to Accounts

1. Summary of significant accounting policies

(i) **Entity and Accounting Period:** The Finance Accounts 2017-18 present the consolidated position of transactions of the Government of Bihar for the period 1 April 2017 to 31 March 2018 and are based on the initial accounts rendered every month by 75 Treasuries, 602 Public Works Divisions including 207 Irrigation Divisions, 47 Forest Divisions of the State Government and Advices of the Reserve Bank of India. Delays in monthly rendition of accounts were negligible and no accounts were excluded at the end of the year.

(ii) **Basis of Accounting:** With the exception of some book adjustments (**Annexure-A**), the accounts represent the actual cash receipts and disbursements during the accounting period. Physical Assets and Financial Assets such as Government investments, etc. are depicted at historical cost. Physical assets are not depreciated or amortised.

Retirement benefits disbursed during the accounting period have been reflected in the accounts; however the future pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

(iii) **Currency in which Accounts are kept:** The accounts of the Government of Bihar are maintained in Indian Rupees (₹).

(iv) **Form of Accounts:** Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) **Classification between Capital and Revenue:** Capital Expenditure is broadly the expenditure incurred with the objective of creating/acquiring/increasing concrete

assets of a material and permanent character or reducing permanent liabilities. All other expenditure incurred for running of the entity including establishment and administrative expenditure and for maintenance of its assets is classified as Revenue Expenditure. In terms of the Indian Government Accounting Standards (IGAS) 2, notified by the Government of India, Grants-in-aid are to be classified as Revenue Expenditure in the books of the grantor and as a Revenue Receipts in the books of the recipient.

(vi) Accounting of recovery of overpayments and refunds: Recoveries of overpayments pertaining to previous years are distinctly shown under Minor Head “911-Deduct Recoveries of overpayments” below the relevant Major/Sub-Major Head for Revenue Expenditure and sub-heads “0099, 0199, 0499 and 0699” below the relevant Major/Sub-Major/Minor Head for Capital Expenditure, so as to arrive at gross expenditure for the purpose of Appropriation Accounts and net expenditure during the year, by treating them as reduction of expenditure, for the Finance Accounts.

Refunds of revenues irrespective of their year of collection are taken as reduction in current revenue and shown under Minor Head “900-Deduct refunds” below the Major Head concerned in respect of non-tax revenue and sub-head “0099-Deduct refunds” below the relevant Minor Head in the case of Tax Revenue so that net collection of tax can be ascertained.

(vii) Cash balance: The cash balance of the Government comprises the cash balance of all its three parts viz. Consolidated Fund, Contingency Fund and Public Account. Further information including the minimum cash balance to be maintained and investment of cash balances is given as Explanatory Notes under Annexure A to Statement 2.

2. Completeness of Accounts

(i) Direct transfer of Central Scheme Funds to Implementing Agencies in the State (Funds routed outside State Budget)

Government of India transferred substantial funds directly to State Implementing Agencies/Non-Government Organizations (NGOs) for implementation of various

schemes/programmes. As per the Public Financial Management System (PFMS) portal of the Controller General of Accounts (CGA), GOI released ₹ 7,953.16 crore during 2017-18 to the implementing agencies in Bihar. Details are at **Appendix-VI** of Finance Accounts (Volume II). In spite of Government of India's decision to release all assistance to CSSs/ACA directly to the State Government and not to implementing agencies, the direct transfers to implementing agencies has increased by 213.32 per cent in 2017-18 as compared to 2016-17.

(ii) Committed Liabilities

In the 12th Finance Commission recommendations report, while the change over to the accrual based system of accounting has been favoured, some action has been initiated by the Central Government to move towards accrual basis of accounting. However as the transition would occur in stages, for a change over to the accrual based system of accounting, some additional information in the form of statements are required to be appended to the present system of cash accounting to enable more informed decision making. This includes data on Committed Liabilities in the future among others like Implications of major policy decisions taken by the Government during the year or New schemes proposed in the budget for future cash flows, etc. **Appendix-XII** of Finance Accounts (Volume II) on Committed Liabilities have been incorporated with the details furnished by the State Government. As complete information has not been furnished by the State Government, the Appendix is, therefore, incomplete to that extent.

3. Quality of Accounts

(i) Advance Apportionment and Devolution of Un-apportioned Integrated Goods and Service Tax (IGST)

As per sanction orders issued by the Ministry of Finance, Government of India, an amount of ₹ 552.00 crore was received on account of advance apportionment of IGST, and an amount of ₹ 6,572.00 crore was stated to have been devolved to the Bihar Government, on the basis of the recommendations of the Fourteenth Finance Commission and the same has been booked on the basis on actual receipts accordingly.

(ii) Booking under Minor Head 800– ‘Other Receipts’ and ‘Other Expenditure’

Minor Heads 800-‘Other Receipts’ and ‘Other Expenditure’ are intended to be operated only when the appropriate Minor Head has not been provided in the accounts. Routine operation of Minor Head 800 is to be discouraged, since it renders the accounts opaque. During 2017-18, ₹ 107.09 crore under 19 Revenue and Capital Major Heads of accounts on the expenditure side, constituting 0.08 *per cent* of the total (Revenue + Capital) expenditure (₹ 1,31,530.68 crore) was classified under Minor Head ‘800-Other Expenditure’ below the respective Major Heads. Similarly, ₹ 1,607.18 crore under 46 Revenue Major Heads of accounts on the receipts side (excluding Grants-in-aid), constituting about 1.37 *per cent* of the total revenue receipts (₹ 1,17,446.74 crore) were classified under the Minor Head ‘800- Other Receipts’ below the respective Major Heads. Instances where a substantial proportion (more than 10 *per cent* of the total under the related Major Head) of Receipts and Expenditure were classified under Minor Head 800- Other Receipts and Minor Head 800-Other Expenditure respectively are given in **Annexure-B**.

(iii) Unadjusted Abstract Contingent (AC) Bills

In terms of the Bihar Treasury Code 2011, the Drawing and Disbursing Officers are authorised to draw sums of money through AC bills to meet unforeseen expenditure, by debiting service Major Heads against which, they are required to present Detailed Contingent (DC) bills along with vouchers in support of final expenditure, to the Accountant General within six months of the drawal of the AC bill. Delayed submission or prolonged non-submission of DC bills renders the expenditure under AC bills opaque. Details of outstanding AC bills awaiting adjustments as on 31 March 2018 are given below:

Table-1: Details of Outstanding AC Bills awaiting adjustments

(₹ in crore)

Year	Number of pending DC bills	Amount
Upto 2015-16	12,689	2,348.48

* 522 AC bills amounting to ₹ 884.31 crore out of 1,508 AC bills will be due after 31 March 2018.

11.	5054- Capital Outlay on Roads and Bridges	66	148.25	2.41

During 2017-18, 1,540 AC bills amounting to ₹ 2,906.91 crore were drawn, in which 491 AC bills amounting to ₹ 867.31 crore (29.84 per cent of the total amount drawn against AC bills in 2017-18) were drawn in March 2018 alone, and of this, 43 AC bills amounting to ₹ 73.01 crore was drawn on the last day of the financial year. Out of 1,540 AC bills, 260 AC bills amounting to ₹ 922.58 crore (31.74 per cent of the total amount drawn against AC bills in 2017-18) were drawn under various capital heads of accounts during the year 2017-18. Substantial expenditure against AC bills in March indicates that the drawal was primarily to exhaust the budget provisions and reveals insufficient budgetary control.

(iv) Temporary Advance/Imprest

As per Rule 177 of the Bihar Treasury Code 2011, no money should be withdrawn from the treasury unless it is required for immediate payment. If under special circumstances, money is drawn in advance, the unspent balance of the amount so drawn should be refunded to the treasury by short drawal in the next bill or with a challan at the earliest and in any case before the end of the financial year in which the

amount is drawn. As on 31 March 2018, ₹ 145.24 crore, which should have been refunded to the treasury in terms of these instructions, remained outstanding as unadjusted advance. Apart from this, an amount of ₹ 16.01 crore was also kept in Works Divisions as imprest. Details are given in **Annexure- C**.

(v) Utilisation Certificates for Grants-in-aid

According to Rule 342 of the Bihar Financial Rules as amended by the Finance Department vide Resolution No. M.04-15/2009-9736/F(2) dated 19 October 2011, the sanctioning authority shall obtain Utilisation Certificates (UCs) from the grantee and send it to the Accountant General within 18 months of the drawal of the grant. Details of Grants-in-aid given in the current financial year have been shown in **Appendix-III** of the Finance Accounts (Volume II).

The status of outstanding UCs as on 31 March 2018 is mentioned below:

Table-2: Details of outstanding UCs

<i>(₹ in crore)</i>		
Year(*)	Number of Utilisation Certificate awaited	Amount
Upto 2015-16	1,763	15,061.31
2016-17	376	6,851.79
2017-18	316	14,680.40
Total	2,455	36,593.50

(* The year mentioned above relates to "Due year" i.e. after 18 months of actual drawal)

Source: VLC database

As on 31 March 2018, 2,455 UCs amounting to ₹ 36,593.50 crore were due.

Major defaulting departments which have not been submitted UCs are:-

<i>(₹ in crore)</i>				
Sl. No.	Departments	No. of UCs	Amount	Percentage to Total
1.	Education Department	428	8,886.27	24.28
2.	Rural Development Department	75	5,422.20	14.82
3.	Urban Development and Housing Department	622	5,045.30	13.78
4.	Panchayati Raj Department	260	4,680.36	12.79

6.	SC and ST Welfare Department	104	1,924.47	5.25
7.	Agriculture Department	112	1,507.38	4.12
8.	Social Welfare Department	140	1,107.83	3.03

UCs outstanding beyond the specified period indicates absence of assurance on utilisation of the grants for intended purposes and within the stipulated time period.

(vi) Transfer of Funds to Personal Deposit (PD) Accounts

The State Government is authorised to open PD Accounts to transfer funds from the Consolidated Fund. These Account shall only be used in special cases where public interest requires speed of expenditure which is not possible through the normal treasury procedure or there are a large number of small beneficiaries dispersed in interiors such that direct disbursement through the treasury is not practicable. PD administrators are required to review all PD Accounts at the end of the financial year and transfer the amounts lying unspent after five consecutive financial years (including the financial year in which the money was withdrawn) back to the Consolidated Fund by reduction of expenditure to the concerned service head.

Of the 75 treasuries which have furnished information regarding PD Accounts, 56 treasuries maintain PD Accounts and the remaining 19 treasuries have intimated that there are no PD Accounts with them. An amount of ₹ 65.77 crore has been lying unspent for five consecutive financial years in 9 PD Accounts in 9 Treasuries (**Annexure-D**). No Treasury Officer has furnished information regarding amounts lying in PD Accounts unspent for five consecutive financial years refunded to the Consolidated Fund as reduction of expenditure under the concerned service head.

174 PD Accounts existed in Bihar as on 31 March 2018. In terms of Bihar Government Letter No 11262 dated 5.10.2010, Personal Deposit Accounts which have not been operated for a continuous period of three years are to be closed. Contrary to the above instructions of the Government, 94 PD Accounts having balance of ₹ 27.73 crore, which were in-operative over the last three years are not closed (**Annexure-E**). No departmental officers had verified or reconciled the balances with the accounts maintained by the Accountant General as required under Rule 353 of Bihar Treasury Code 2011.

Details of 174 Personal Deposit Accounts received from 56 Treasuries are as under:

Table-3: Details of PD Accounts

(₹ in crore)

Opening Balance		Addition during the year		Closed during the year		Closing Balance	
Number	Amount	Number	Amount	Number	Amount	Number	Amount
177	4,464.82 [#]	0	2,762.21	03	1,338.58	174	5,888.45

Transactions (Cr/Dr) during the year are shown under column 'Addition during the year' and 'Closed during the year'.

Difference of ₹ 6.05 crore with Statement 21 is under reconciliation.

(vii) Incomplete Reconciliation of Receipts and Expenditure

In terms of Rule 475 of Bihar Financial Rules, all Controlling Officers are required to reconcile their receipts and expenditure with the Accountant General. Such reconciliation has been completed during 2017-18 only for an amount of ₹ 12,537.11 crore [9.53 per cent of total Revenue and Capital expenditure of ₹ 1,31,530.68 crore] and for ₹ 1,03,618.71 crore [88.23 per cent of total Revenue receipts of ₹ 1,17,446.74 crore].

(viii) Differences in Cash Balance

There was a difference of ₹ 45.26 crore (Credit) between the Cash Balance as on 31 March 2018 as worked out by the Accountant General and by the Reserve Bank of India (RBI). Such difference is mainly due to incorrect reporting of transactions and non-reconciliation by the Agency Banks. The difference is under reconciliation.

(ix) Implementation of Centrally Sponsored Schemes (State share) and State Schemes

The State Government provides funds to State/District level Autonomous Bodies and Authorities, Societies, Non-Governmental Organisations, etc., for implementation of Centrally Sponsored Schemes (State share) and State Schemes. Since the funds are generally not being fully spent by the implementing agencies in the same financial year, these result in unspent balances remaining in the bank accounts of their implementing agencies at the end of the financial year. The aggregate amount of the unspent balances in the bank accounts of the implementing agencies which are kept

outside Government accounts is not readily ascertainable. The expenditure of the Government as reflected in the Accounts to that extent is therefore, not complete.

4. Other Items

(i) Liability under retirement benefits

The expenditure during the year on “Pension and Other Retirement Benefits” to State Government employees recruited on or before 31 August 2005 was ₹ 13,821.13 crore excluding the expenditure on Government Contribution to Defined Contributory Pension Scheme (13.47 *per cent* of total revenue expenditure). State Government employees recruited on or after 1 September 2005 are covered under the New Pension Scheme, which is a defined contributory pension scheme. Under the Scheme, the employee contributes 10 *per cent* of his pay and dearness allowances, which is matched by the State Government and the entire amount is transferred to the designated Fund Manager through the National Securities Depository Limited (NSDL)/Trustee Bank.

Both Employee and Employer contributions are credited to Head 8342-00-117-0001 which is required to be deposited to NSDL. During the year, ₹ 934.94 crore was credited to Head 8342-00-117-0001 and ₹ 0.06 crore under Head 8011-00-106-0002. The State Government deposited ₹ 937.34 crore to NSDL/Trustee Bank, which included ₹ 2.34 crore of previous years both from Head 8342-00-117-0001 and MH 8011-00-106-0002 which were not transferred to NSDL. The total amount not deposited to NSDL/Trustee Bank as on 31 March 2018 was ₹ 128.28 crore (₹ 41.32 crore under Head 8011-00-106 and ₹ 86.96 crore under Head 8342-00-117).

(ii) Apportionment of pension liabilities and other retirement benefits

In terms of the Eighth Schedule under Section 53 of the Bihar Reorganisation Act, 2000, pension liabilities of the employees of the successor States of Bihar and Jharkhand from 15 November 2000 (date of bifurcation of the States of Bihar and Jharkhand) to 31 March 2001 and every subsequent financial year, shall be apportioned between the successor States in the ratio of the number of employees.

As per decision taken in the meeting chaired by the Secretary, Home Affairs with the Chief Secretaries of Government of Bihar and Government of Jharkhand on 18 June 2018, pension liabilities between the successor States shall be apportioned on the basis of population ratio i.e. 645.30:218.44. Accordingly, as per the decision the receivable amount is recalculated on the basis of population ratio and total receivable amount decreased from ₹ 4,509.02 crore to ₹ 1,507.74 crore upto March 2017. Government of Bihar has been requested to confirm the recalculated amount on 03 September 2018. Confirmation is still awaited. Government of Bihar has already received an amount of ₹ 936.82 crore out of total receivable amount of ₹ 1,507.74 crore upto 31 March 2017. Government of Bihar has not raised any demand on Jharkhand for the pension liability for 2017-18 as the final figures of expenditure are still under finalization in both the States. Therefore the figures under the Major Head “0071” are understated to that extent.

(iii) Allocation of balances as a result of reorganisation of States

The Bihar Reorganisation Act 2000 provides for the manner in which balances appearing under Capital (MH 4059 to 5475), Loans and Advances (MH 6202 to 7615) and the balances under part-III Public Account (except Deposits with Reserve Bank) as on the date of bifurcation of the State i.e. 15 November 2000 were to be apportioned. Details of amounts to be bifurcated under the above heads have been given in **Appendix-XIII** of Finance Accounts Volume II. The proposal for bifurcation approved by Government of Bihar had been again sent to Government of Jharkhand on 20 March 2018. Concurrence of Government of Jharkhand is awaited.

(iv) Loans and Advances

The Accountant General consolidates the data on Loans and Advances on the basis of the accounts submitted. These figures require confirmation from the departments concerned.

Information provided in Statement 18 of the Finance Accounts (Volume II) 2017-18 as required under the Indian Government Accounting Standards (IGAS) 3 for Loans and Advances is provisional, since it has not been confirmed by the State Government. Detailed information of overdue principal and interest in respect of Loans and

Advances, accounts of which are maintained by the State Government is awaited, as is the confirmation from the State Government on the balances as on 31 March 2018. The confirmation of balances of individual loanees is also awaited from the State Government on loans for which detailed accounts are maintained by the Accountant General. This has been indicated in **Table-1 to Appendix-VII** of Finance Accounts (Volume II).

(v) Guarantees given by the Government

(a) Incomplete information: Guarantees extended by the State Government represent contingent liabilities on the Consolidated Fund of the State. Statement 20 of the Finance Accounts (Volume II) gives details of guarantees given by the State Government for repayment of loans etc., raised by Statutory Corporations, Government Companies, Local Bodies and Other Institutions during the year, and sums guaranteed outstanding at the end of the year. This is incomplete since the State Government has not furnished the required information and has therefore not fulfilled the disclosure requirements of the Indian Government Accounting Standards (IGAS) 1. The total guarantees outstanding as on 31 March 2018 amounted to ₹ 5,271.70 crore (principal ₹ 5,174.49 crore; interest ₹ 97.21 crore) as per the Statement of Guarantees (Statement 9).

(b) Non-creation of Guarantee Redemption Fund: As per the recommendations of the 12th Finance Commission, State Governments are required to constitute a Guarantee Redemption Fund to be utilised for meeting the payment of obligations arising out of the guarantees issued by the Government. The *Fund* will be operated outside the State Government account and administered by the Reserve Bank of India. Under the guidelines, the State Government is required to make minimum annual contribution of 0.5 *per cent* of outstanding guarantee at the beginning of year. The proceeds of the Fund are invested in Government of India securities and this does not form a part of the State Government cash balance.

The State Government has not created a Guarantee Redemption Fund as recommended by the 12th Finance Commission. The State was required to make a contribution of ₹ 24.33 crore (0.5 *per cent* of outstanding guarantee of ₹ 4,865.07 crore as

on 1 April 2017), but has not made any contribution due to non-constitution of the Fund.

(vi) Investments

Details of Government investments in various Public Sector Undertakings, Government Companies, Joint Stock Companies, Co-operative Institutions and Rural Banks, etc., are depicted in Statement 19 of the Finance Accounts (Volume II). Since these figures have not been reconciled by the concerned State Public Sector Undertakings and Financial Institutions, the information furnished in these accounts is provisional.

(vii) Reserve Funds and Deposits

(a) In-operative Reserve Funds: Reserve Funds valued at ₹ 26.32 crore have not been operated since 2001-02. Details are in **Annexure- F**.

(b) Non discharge of interest liabilities: The interest liabilities in respect of Reserve Funds bearing interest and Deposits bearing interest under sectors J and K respectively of the Public Account are annual liabilities that the State Government is required to discharge. No Budget provision has been made by the State Government under Major Head 2049, despite balances in such Reserve Funds and Deposits as on 1 April 2017 as detailed below:

Table-4: Details of balances under Reserve Funds and Deposits

<i>(₹ in crore)</i>				
Sector	Sub-sector	Rate of Interest	Balance at the beginning of 2017-18	Interest due
J-Reserve Funds	(a) Reserve Funds Bearing Interest (including SDRF)	8.25 per cent (Two per cent above the repo rate 6.25 per cent)	696.39	57.45
K-Deposits and Advances	(a) Deposits Bearing Interest (excluding CPS) MH 8342-120	6.25 per cent (WMA interest rate i.e. repo rate)	0.03	0.00
K-Deposits and Advances	Deposits Bearing Interest (CPS)	8.00 per cent (Interest rate payable on balances in General Provident Fund)	88.58	7.09
Total				64.54

(c) Consolidated Sinking Fund

The 12th Finance Commission had recommended that States should set up Sinking Funds for amortisation of all loans including loans from banks, liabilities on account of National Small Savings Fund, etc., and that these Funds should not be used for any other purpose, except for redemption of loans. The guidelines of the Reserve Bank of India (RBI), which is responsible for administering the Fund, stipulate a minimum annual contribution of 0.5 *per cent* of outstanding liabilities at the beginning of the year. The State Government set up a Consolidated Sinking Fund in 2008-09 which was only for amortisation of market loans and not all outstanding liabilities. However the Fund was to be utilised for redemption of the outstanding liabilities of the Government commencing from the year 2014-15. The State Government has appropriated ₹ 693.61 crore (0.5 *per cent* of the outstanding liabilities of ₹ 1,38,721.50 crore as on 1 April 2017) for the financial year 2017-18.

(d) State Disaster Response Fund (SDRF): As per the recommendations of the 13th Finance Commission, the State Government commenced operation of the “State Disaster Response Fund” in 2010-11. The scheme also stipulates that accretions to the Fund together with the income earned on investment of the Fund should, till contrary instructions are issued by the Government of India, be invested in Central Government dated securities, Auctioned Treasury Bills, Interest earning deposits and certificates of deposits with Scheduled Commercial Banks. In terms of the guidelines, the Central and State Governments are required to contribute to the Fund in the proportion of 75:25. The State Government credited ₹ 517.00 crore (₹ 387.75 crore Central share and ₹ 129.25 crore State share) to the SDRF in 2017-18. The Central Government has also released ₹ 204.32 crore in advance on an ‘on account basis’ in the year 2017-18 which has also been credited to SDRF in 2017-18. During the year, expenditure of ₹ 1,417.71 crore was incurred on natural calamities under Head 2245-05 leaving a balance of ₹ 6,000.00 in the fund as on 31 March 2018.

(e) Central Road Fund (CRF)

The accounting procedure relating to the CRF prescribes that the receipt of Grants-in-aid from the Government of India (booked by the State Government under Revenue Receipt Major Head 1601) is simultaneously transferred by way of Credit to the Public

Account (under Major Head '8449 Other Deposits-103 Subvention from Central Road Fund') through the Revenue Expenditure Major Head 3054. This is in keeping with the principle that Grants-in-aid are to be recorded in the Revenue section irrespective of purpose (Capital or Revenue) and will nullify any impact on Revenue Surplus at this stage. Expenditure incurred by the State Government on prescribed road works will first be accounted for under the relevant Revenue or Capital expenditure section (under Major Heads 3054 or 5054 as the case may be) and reimbursed out of the Fund as a deduct expenditure to the concerned Major Head of expenditure (Capital or Revenue, as the case may be).

The Government of Bihar received ₹ 25.20 crore during 2017-18 in Central Road Fund which was correctly booked to the Fund. During the year, ₹ 25.20 crore credited to Major Head 8449 Other Deposits-103 Subvention from Central Road Fund and ₹ 25.20 crore debited to Major Head 8449 Other Deposits-103 Subvention from Central Road Fund leaving a balance of ₹ 84.26 crore in the fund as on 31 March 2018.

(viii) Suspense and Remittance Balances

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under some of the major suspense and remittance heads (under Major Head 8658 and 8782) to the end of last three years is indicated in **Annexure- G**.

(ix) Advance from Contingency Fund

The State Legislature is authorised by law to establish a Contingency Fund in the nature of an imprest in terms of Article 267(2) of the Constitution. The corpus of the Bihar Contingency Fund is ₹ 350 crore. However, in terms of the Bihar Contingency Fund (Amendment) Act, 2015, the State Government increased the corpus from ₹ 350 crore to ₹ 6,403.42 crore on temporary basis for the period 1 April 2017 to 30 March 2018. In terms of prescribed procedure, advances from the Contingency Fund are recouped during the year by debiting the concerned Major Head. Government of Bihar deviated from the prescribed procedure and booked the expenditure directly to the concerned Service Major Heads, at the outset.

Consequently, since there is no budget available under these Major Heads at that stage, there is excess of expenditure over the budget against these heads, which gets regularised only at the time of recoupment. Further, since the booking is not routed through Major Head 8000 as required, the Accountant General (A&E) is unable to link the withdrawal and recoupment to the Contingency Fund. The State Government sanctioned ₹ 4,949.21 crore from Contingency Fund and recouped this amount through Supplementary Budget.

(x) Rush of Expenditure

During March 2018, various departments of the State Government incurred more than 50 *per cent* of their total expenditure during the year 2017-18. Details are given in **Annexure- H**.

(xi) Adjustment of excess payment against write-off of Central Loans

In terms of Government of India's decision on the recommendation of the 13th Finance Commission, Ministry of Finance (Department of Expenditure) vide Sanction Order No. 13/2011-12 dated 29 February 2012 wrote off Central Loans under Central Plan Schemes and Centrally Sponsored Schemes advanced to the State Government by the Ministries (other than Ministry of Finance) outstanding as on 31 March 2010 and limited to current balance outstanding in the ledger of the Ministries. Repayment of loan and interest, if any, made by the State after 31 March 2010 against these written-off loans was to be adjusted against the repayment of the loans due from States against current loans from Ministry of Finance (Department of Expenditure), Government of India. State Government had made excess repayment of ₹ 11.52 crore (principal ₹ 5.30 crore, interest ₹ 6.22 crore), of which ₹ 3.47 crore (principal ₹ 1.25 crore, interest ₹ 2.22 crore) was adjusted by the Ministry of Finance in June 2013. Out of the balance of ₹ 8.05 crore (principal ₹ 4.05 crore, interest ₹ 4.00 crore) pending adjustment by the Ministry of Finance, the Principal of ₹ 4.05 crore has led to adverse balance (net debit) and overstatement of Public Debt of the Government to that extent.

(xii) Ujwal DISCOM Assurance Yojana (UDAY)

Pursuant to the revival package for electricity distribution companies, the State Government took over the debt of the DISCOMs to the extent of ₹ 2,331.78 crore by

issuing bonds of ₹ 1,554.52 crore in 2015-16 and ₹ 777.26 crore in the year 2016-17 to the participating lender banks, through Reserve Bank of India. The amount had been transferred to Distribution Companies as Subsidy in the year 2016-17. The State Government has paid an interest of ₹ 191.36 crore in 2017-18 on the Bonds issued under UDAY Scheme.

(xiii) Disclosures under Bihar Fiscal Responsibility and Budget Management (BFRBM) Act, 2006

Targets fixed by the State Government in the Bihar Fiscal Responsibility and Budget Management Act, 2006, read with the Bihar Fiscal Responsibility and Budget Management (Amendment) Act 2016, the ceilings fixed by the 14th Finance Commission, and the achievements as per the accounts of 2017-18 are given below:

Table-5: Details of Target *vis-a-vis* Achievements in terms of BFRBM Act, 2006

Sl. No.	Targets	Achievements
1	Attain Revenue Surplus in 2007-08 and maintain surplus thereafter.	The State Government achieved Revenue Surplus for the last seven years. The Revenue surplus (without UDAY) for the year 2017-18 stood at ₹ 15,014.37 crore (3.08 <i>per cent</i> of GSDP). However, It would be ₹ 14,823.01 crore (3.04 <i>per cent</i> of GSDP) if expenditure under UDAY is considered.
2	Bring the Fiscal Deficit/Gross State Domestic Product (GSDP)* ratio to 3.00 <i>per cent</i> in 2011-12 and maintain this upto 2017-18.	The Fiscal Deficit (₹ 14,113.47 crore) was 2.89 <i>per cent</i> of GSDP during 2017-18 (without UDAY). However, It would be (₹ 14,304.83 crore) 2.93 <i>per cent</i> of GSDP during 2017-18 if expenditure under UDAY is considered.
3	Bring Debt as <i>per cent</i> of Gross State Domestic Product (GSDP) in the financial year 2017-18 to 23.60 <i>per cent</i> .	Debt and outstanding liability (₹ 1,54,444.99 crore) (without UDAY) was 31.67 <i>per cent</i> of Gross State Domestic Product (GSDP) estimate during 2017-18. However, It would be (₹ 1,56,776.77 crore) 32.15 <i>per cent</i> of GSDP if borrowings under UDAY is considered.
4	Raise total Tax Revenue Collection as <i>per cent</i> of Gross State Domestic Product (GSDP) in the financial year 2017-18 to 15.40 <i>per cent</i> .	The total Tax Revenue Collection (₹ 88,219.87 crore) was 18.09 <i>per cent</i> of Gross State Domestic Product (GSDP) estimate during 2017-18.

*Source: Planning and Development Department (Economics and Statistics Directorate), Bihar letter No रा०आ० (रा.घ.उ.)-04/2016/894/पटना dated 06-08-2018. GSDP figures for Bihar assumed ₹ 4,87,628 crore for the year 2017-18 adopted in NTA for FRBM target achievement calculation.

The State Government has however, not yet framed rules under the BFRBM Act.

(xiv) Impact of incorrect/inadequate accounting on Revenue Surplus and Fiscal Deficit

Impact on Revenue Surplus and Fiscal Deficit of the State Government consequent to the incorrect/inadequate accounting (details given in preceding paragraphs) is given below:-

Table-6: Impact on Revenue Surplus and Fiscal Deficit

(₹in crore)

		Over-statement	Under-statement	Over-statement	Under-statement
4 (vii) (b)	Non credit of interest on interest bearing Reserve Funds and Deposits	64.54			64.54
4 (v) (b)	Non contribution to Guarantee Redemption Fund	24.33			24.33
Total (net)		Overstatement 88.87		Understatement 88.87	

(xv) Accounting of Labour Cess

No rules have been framed by the Government of Bihar for accounting of Labour Cess. No sub head has been opened by the Government for booking the Labour Cess collected by various Departments executing projects involving labour. The Labour Cess collected by Government Departments have been directly booked under MH 8443 Civil Deposit-108-Public Works Deposits without routing through the Consolidated Fund of Bihar, as required. Further, since Minor Head- Public Works Deposits does not have any further sub heads below it, it has not been possible to segregate the amount paid to the Labour Welfare Board.
