## **Certificate of the Comptroller and Auditor General of India**

This compilation containing the Finance Accounts of the Government of Assam for the year ending 31 March 2021 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume-I contains the consolidated position of the state of finances and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Assam and the statements received from the Reserve Bank of India. Statements (No. 9, 20 and part of 19), part of explanatory notes to Statement (No.14), part of maturity profile to annexure to Statement (No. 17) and Appendix (IX) in this compilation have been prepared directly from the information received from the Government of Assam/Corporations/Companies/Societies who are responsible to ensure the correctness of such information. Appendix VI has been prepared from the details collected from the Public Financial Management System portal of the Controller General of Accounts.

The treasuries, offices, and/or departments functioning under the control of the Government of Assam are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal

Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Assam for the year 2020-21.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Assam being presented separately for the year ended 31 March 2021.

**Emphasis of Matter:**

I want to draw attention to the following significant issues/concerns which are important from the point of view of accuracy, transparency and completeness of these accounts:

1. Fifty-five Government departments did not submit 11,717 Utilisation Certificates (UCs) involving an amount of ₹ 39,629.49 crore, which were due to be

submitted during the year 2020-21. On account of non-submission of UCs, I am unable to gain assurance that the amounts have been spent for the purpose for which these have been sanctioned/authorised by the Legislature.

2. In the Audit Certificate on the accounts of the State for the year ending March 2020, I had emphasised the fact that Pension payments are not being reported to the treasuries concerned resulting in non-accounting of such payments. The system of not reporting the pension related transactions continued even during the current year as pension payments to the tune of ₹ 1,209.08 crore made by the agency bank branches were not accounted for in the Finance Accounts. Further, pension payments of ₹ 2,613.32 crore made in the three years prior to 2020-21 were also not accounted for in the State Accounts for the same reason. Non-accounting of the Pension payments had resulted in understatement of Revenue and Fiscal Deficit of the State during the period.

3. In the Audit Certificate on the accounts of the State for the year ending March 2020, I had emphasised the fact that the State Government had not discharged its statutory liability by short transferring ₹ 622.10 crore relating to the National Pension System (NPS) to the National Security Depository Limited (NSDL). The State Government continue to eschew its statutory liability, and an amount of ₹ 839.44 crore still remained to be transferred to NSDL as of 31 March 2021.

## Guide to the Finance Accounts

---

---

### A. Broad overview of the structure of Government accounts

1. The Finance Accounts of the State of Assam present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

**Part I: Consolidated Fund:** This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (*e.g.*, salaries of Constitutional authorities, loan repayments *etc.*), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans & Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, *viz.*, 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', *etc.* The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' *etc.* The Capital Expenditure section is sub-divided into seven sectors, *viz.*, 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

**Part II: Contingency Fund:** This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Assam for 2019-2020 is ₹ 200.00 crore.

**Part III: Public Account:** All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, *viz.*, 'Small Savings, Provident Funds *etc.*', 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, *viz.*, Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two characters), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor

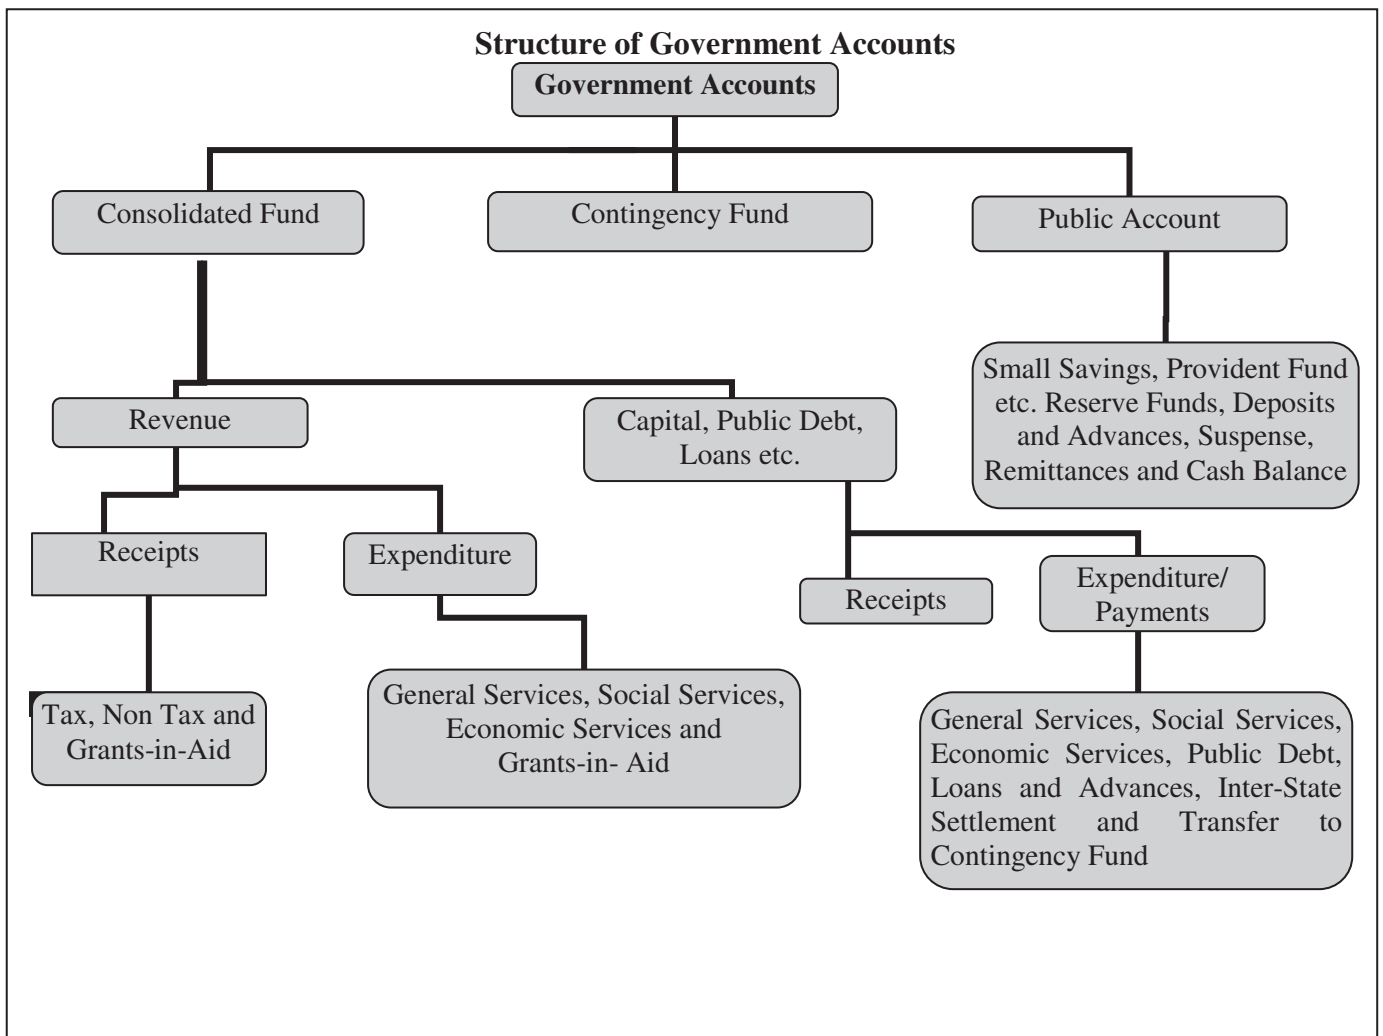

Heads represent programmes/ activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto March 2015)

0005 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans & Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, *i.e.*, after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

### D. Periodical adjustments and Book adjustments :

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (*e.g.* treasuries, divisions *etc.*) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given *etc.*) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt/loans/public account. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume 1) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/ adjustment of contribution to Funds in Public Account by debit to Consolidated Fund *e.g.*, State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, *etc.*

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049 - Interest and crediting Major Head 8009 - State Provident Fund and 8011 - Insurance and Pension Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075 - Misc. General Services by contra entry in the Major Head 6004 - Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

**EXPLANATORY NOTES**

(a) **Cash and Cash Equivalents:** Cash and cash equivalents consists of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit. The balance under the head 'Deposits with Reserve Bank' depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds *etc.* are added to the balance in deposit with Reserve Bank of India.

(b) **Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹1.08 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings<sup>2</sup> of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Over Draft.

(c) The limit for ordinary ways and means advances to the State Government was ₹ 1504.00 crore with effect from 1 April 2021. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances revised by the Bank from time to time.

The Government maintained the minimum cash balance with the RBI during 2020-2021 and no Ways and Means Advances or Overdraft was taken during the year.

2. The Cash Balance ('Deposit with RBI') above is the Closing Cash Balance of the year as on 31 March but worked out by 16 April and not simply the daily balance on 31 March.

### 13 - SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT

---

---

(a) There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding "Deposits with Reserve Bank" included in the Cash Balance. The discrepancy is under reconciliation. See also Explanatory Notes (d) of Annexure to statement No.2 at page 08.

B. Government Account: Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head called "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

*It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.*

### 13 - SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT

Steps are being taken to settle the discrepancies.

(ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a large number of cases such acceptances have not been received.

(iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in Annexure 'A' Appendix-VII.

(iv) Cases where details/documents are awaited in connection with reconciliation of balances are detailed in Annexure 'B' of Appendix-VII.

**Notes to Accounts**

---

---

**1. Summary of Significant Accounting Policies:**

(i) **Entity and Accounting Period:** These accounts present transactions of the Government of Assam for the period 01 April 2020 to 31 March 2021. The accounts of receipts and expenditure of the Government of Assam have been compiled, based on the initial accounts rendered by 33 District Treasuries, 50 Sub-Treasuries, Assam House (New Delhi), Cyber Treasury (Dispur), 146 Forest Divisions, 33 Public Works (Building) Divisions, 69 Irrigation Divisions, and 44 Public Health Engineering, 36 Water Resources Divisions, 83 Public Works (Road) Divisions, 50 Pay and Accounts offices and Advices of the Reserve Bank of India. No account was excluded at the end of the year.

(ii) **Basis of Accounting:** With the exception of some Book Adjustments and Periodical Adjustments, (**Annexure A - 1 & A - 2**), the accounts represent the actual cash receipts and disbursements during the period. Physical Assets and Financial Assets like investments, *etc.*, are shown at historical cost, *i.e.*, the value at the year of acquisition/purchase. Physical Assets are not depreciated or amortised. Losses of physical assets at the end of their life are also not expensed or recognised.

Retirement benefits disbursed during the accounts period have been reflected in the accounts, but the future pension liability of the Government, *i.e.*, the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts.

(iii) **Currency in which Accounts are kept:** The accounts of Government of Assam are maintained in Indian Rupees (₹).

(iv) **Form of Accounts:** Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General, prescribe. The word "form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) **Classification of Revenue and Capital Expenditure:** Revenue expenditure is recurring in nature and is intended to be met from revenue receipts. Capital expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities.

## 2. Consolidated Fund:

(i) **Goods and Services Tax:** Goods and Services Tax (GST) was introduced with effect from 1 July 2017. During the year 2020-21, the State GST collection was ₹ 8,549.02 crore compared to ₹ 8,755.30 crore in 2019-20, registering a decrease of ₹ 206.28 crore (2.36 *per cent*). This includes Advance Apportionment of IGST amounting to ₹ 567.91 crore. The State received, compensation of ₹ 1,369.60 crore on account of loss of revenue arising out of implementation of GST during 2020-21. Government of Assam also received ₹ 994.00 crore of Back to Back Loans from Central Government during 2020-21 in lieu of GST Compensation Shortfall.

(ii) **Misclassification between Revenue and Capital Expenditure:** During the year 2020-21, Government of Assam incorrectly booked expenditure of ₹ 5,723.28 crore (₹ 5,640.47 crore of GIA *plus* ₹ 80.75 crore of Minor works *plus* ₹ 2.06 crore of Maintenance) under Capital Section instead of Revenue Section and ₹ 386.56 crore of Major works under Revenue Section instead of Capital Section as has been determined from the purpose of expenditure. The impact of misclassification on the Revenue Surplus and Fiscal Deficit of the State is given under para-7.

(iii) **Reconciliation of Receipts and Expenditure between CCOs and Accountant General (A&E):** All Controlling Officers are required to reconcile receipts and expenditure of the Government with the figures accounted for by the Accountant General (A&E) Assam. The State Government provided budget provisions under these heads and incurred expenditure of ₹ 2.35 crore under the Revenue Section and ₹ 0.32 crore under the Capital Section in these heads during 2020-21.

**(vi) Transfer of funds to Personal Deposit (PD) Accounts:** PD account enable designated Drawing Officers to incur expenditure for specific purposes pertaining to a scheme; by debiting the service heads in the Consolidated Fund of the State and crediting the Personal Deposits under the Major Head 8443-Civil Deposits and the Minor Head 106-Personal Deposits. The position of gross figures under major suspense heads for the last three years is given in **Annexure-H**.

Non-clearance of outstanding balances under these heads affects the accuracy of receipt/expenditure figures and balances under different heads of Accounts (which are carried forward from year to year) of the State Government.

**(v) Central Road Fund (CRF):**

Government of India provides annual grants under the CRF to the State Government to incur expenditure on specific road projects. In terms of the extant accounting procedure, the grants are to be initially booked as Revenue Receipts under Major Head “1601-08-108-Grants from Central Road Fund”. Thereafter the amount so received is to be transferred by the State Government to the Public Account under Major Head “8449-Other Deposits-103 Subvention from Central Road Fund”, through Revenue Expenditure Major Head “3054 Roads and Bridges”. This process ensures that receipt of the grants do not result in overstatement of Revenue Surplus or understatement of Revenue Deficit in the accounts. The expenditure on prescribed road works under CRF will first be accounted for under the relevant Capital or Revenue Expenditure section (Major Heads 5054 or 3054) and reimbursed out of the Public Account under Major Head 8449 as a deduct expenditure to the concerned Major Head (5054 or 3054 as the case may be).

During the year 2020-21, the State Government received grants of ₹ 220.81 crore towards CRF. While the receipt of fund was accounted for correctly in Revenue Receipt Major Head - 1601-08-108 - Grants from Central Road Fund, the accounting procedure for recording expenditure under CRF as detailed above was not followed. No budget provision was made under the Major Head - ‘3054-80-797 - transfer to Deposit Accounts’ for transfer of funds to the Major Head - ‘8449-

Other Deposits-103 subvention from Central Road Fund' in Public Account, and accordingly, nor was subsequent expenditure from CRF recorded in appropriate budget heads. However, ₹ 177.03 crore was booked under CRF during the year under the head of account 3054-03-337-1857 – Construction Expenditure Met from Central Road Fund in Grant-64 of Appropriation Accounts. Non-transfer of ₹ 43.78 crore has resulted in overstatement of Revenue Surplus.

**(vi) Building and other Construction Workers Welfare Cess:**

The Government of India enacted the Building and Other Construction Workers Welfare Cess Act, 1996 (Cess Act) to levy and collect cess for providing benefits to the workers. The Act, inter alia, mandated constitution of a Building and Other Construction Workers' Welfare Board and framing of rules by every State Government to exercise the powers conferred under the Act. Accordingly, the Government of Assam had framed Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Rules 2007 under the Act and constituted Assam Building & Other Construction Workers Welfare Board on 12-02-2008. The Board is responsible for the operation and maintenance of the amount credited by Government as Labour Cess Deposits.

During the period 2008-09 to 2020-21, Government of Assam realised ₹ 1,553.08 crore as Labour Welfare Cess and transferred ₹ 1,535.04 crore to the Assam Building and Other Construction Workers Welfare Board leaving a liability of ₹18.04 crore under the scheme. The differentials in Cash Balance for 2020-21 with last five years (from 2015-16 to 2019-2000) are as follows:
