## Certificate of the Comptroller and Auditor General of India

This compilation containing the Finance Accounts of the Government of Uttarakhand for the year ending 31<sup>st</sup> March, 2012 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These Accounts are presented in two volumes, Volume I contains the consolidated position of the state of finances and Volume II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 read with the provisions of the Uttar Pradesh Re-organization Act, 2000 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Uttarakhand and the statements received from the Reserve Bank of India. Statement No. 9, explanatory note No. 2 to Statement No. 11 and Appendix No. X and XII in this compilation have been prepared directly from the information received from the Government of Uttarakhand/Corporations/Companies/Societies who are responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Uttarakhand are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Principal Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Principal Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and

Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit.

These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Uttarakhand for the year 2011-12.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Uttarakhand being presented separately for the year ended 31<sup>st</sup> March, 2012.

## Guide to the Finance Accounts

### A. Broad overview of the Structure of Government Accounts

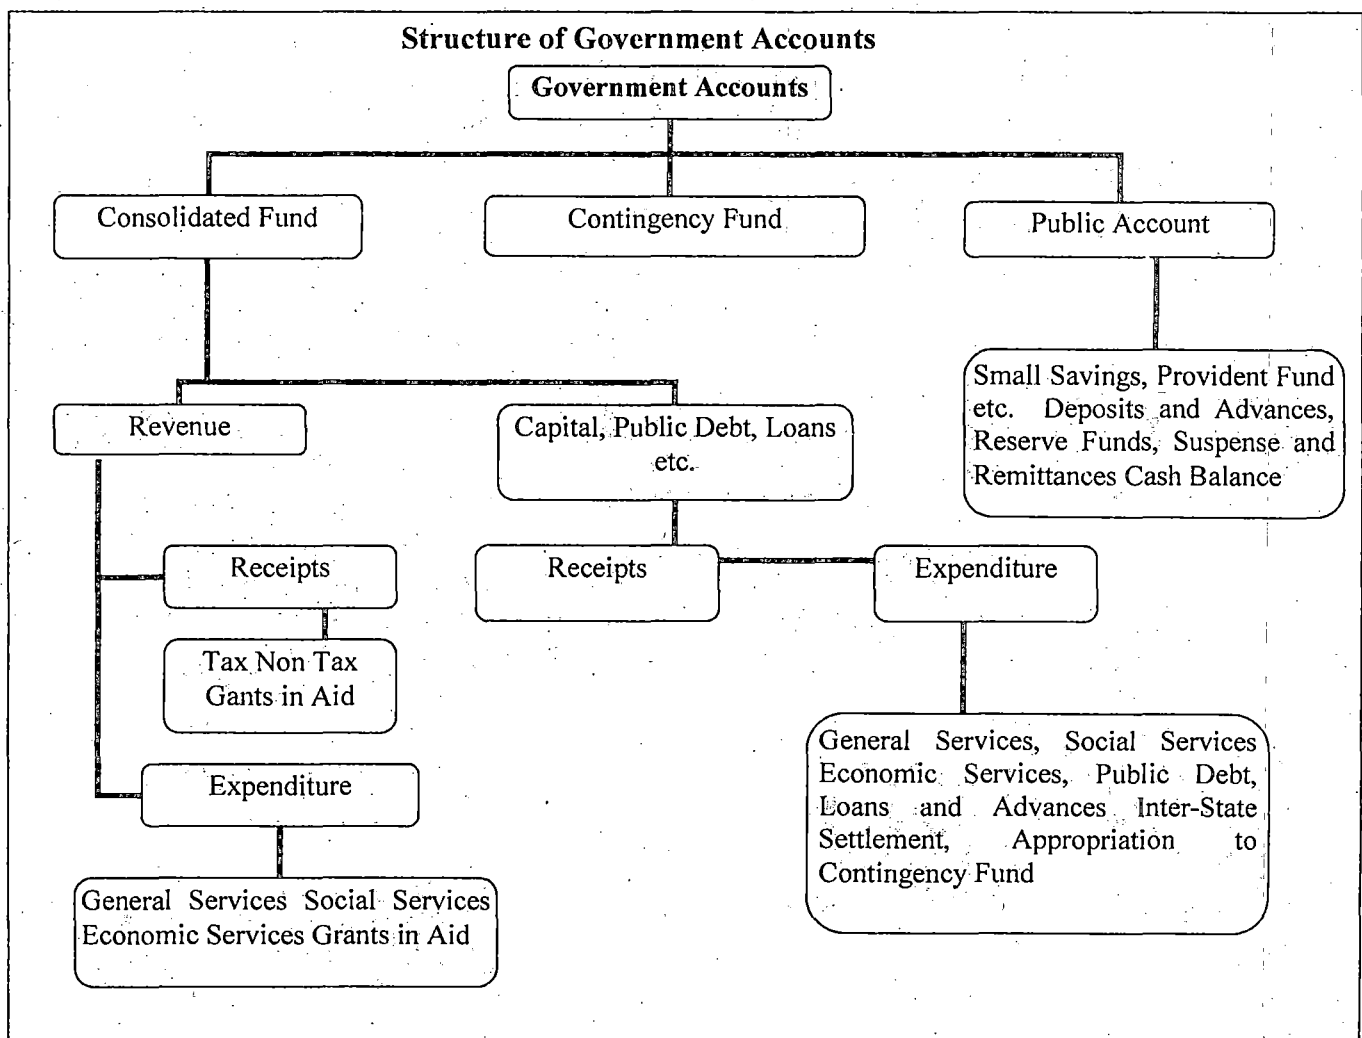

1. The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State

Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.

Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

## 2. DIVISIONS, SECTIONS, SECTORS etc.

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and 'Capital, Public Debt, Loans etc.' which are divided into sections 'Receipts' and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions on the expenditure side are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into subsectors/Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes) which are depicted in Volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads( objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

## B. WHAT DO THE STATEMENTS CONTAIN

**NOTES TO ACCOUNTS**

---

**1. Summary of significant accounting policies**

(i) **Entity and Accounting Period:** These accounts present the transactions of the Government of Uttarakhand for the period 1<sup>st</sup> April 2011 to 31<sup>st</sup> March 2012.

(ii) **Basis of Accounting:** With the exception of some book adjustments (note below) the accounts represent the actual cash receipts and disbursements during the account period. Assets are valued at historical cost and Government investment, etc, is shown at historical cost. Physical assets are not depreciated or amortized. The losses of physical assets at the end of its life is also not expensed or recognized.

The pension liability of the Government, i.e. the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts. However, the retirement benefits disbursed during the accounts period have been reflected in the accounts.

The expenditure on pension and other retirement benefits to State Government employees during the year was ₹ 11,35.00 crore (8.75 percent of total Revenue Expenditure). The apportionment of the pensionary dues between the State Governments of Uttar Pradesh and Uttarakhand is presently under consideration. The issue of interpretation of "Cut of Date" has been referred by the State Government of Uttarakhand to the Ministry of Law & Justice, Government of India.

(iii) **Currency in which Accounts are kept:** The accounts of Government are maintained in Indian ₹.

(iv) **Form of Accounts:** Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may on the advice of the Comptroller and Auditor General, prescribe. The word "Form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) **Classification between Revenue and Capital**

Revenue expenditure is recurring in nature and is supposed to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character. Expenditure on Grants-in-Aid is recorded as revenue expenditure in the books of the grantor. In the books of the recipient it is taken as revenue receipt.

## 2. Status of inclusion of statements /information recommended by the Twelfth Finance Commission in the Finance Accounts

The Twelfth Finance Commission (TFC) had recommended introduction of eight new statements in the Finance Accounts. The Statement "Implication of Major Policy Decisions taken by the Government during the year or New Schemes proposed in the budget for the future cash flows" has been included in this Finance Account. Only the Statement "Data on Committed Liabilities in the future" is yet to be included as it is being revisited.

## 3. Bookings under Minor Head 800- 'Other Receipts' and 'Other Expenditure'

₹ 34,38.94 crore under fifty (50) Major Heads of account (representing functions of the Government) was classified under the Minor Head 'Other Expenditure' in the revenue account constituting 26.50 percent of the total revenue expenditure recorded under the respective Major Heads. ₹ 12,66.23 crore under the thirty seven (37) Major Heads of account (representing functions of the Government) was classified under the Minor Head 'Other Receipts' in the accounts constituting 9.25 percent of the total receipts recorded under the respective Major Heads. In five Major Heads of accounts, substantial amount of expenditure was booked under "Other Expenditure". The number of such heads in case of receipts was fifteen. The major schemes are not depicted distinctly in the Finance Accounts, though the details of these expenditure are depicted in the sub-head (scheme) level or below in the Detailed Demands for Grants and corresponding head-wise Appropriation Accounts forming part of the State Government Accounts. For achieving greater transparency in financial reporting, the State Government has been advised for providing budget under specific heads/ schemes.

## 4. Unadjusted Abstract Contingency Bills (AC Bills)

The Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency Bill by debiting Service Heads, and they are required to present Detailed Contingency (DC) Bill (vouchers in support of final expenditure) in all these cases within a specified period. As per current records three hundred and forty five (345) DC Bills amounting to ₹ 53.97 crore have not been received in the office of the Principal Accountant General (A&E). Thus actual and exact expenditure under the concerned Major Heads of Accounts do not get reflected, due to this delayed submission of DC Bills and non adjustment of AC Bills during the year. The position of the outstanding bills for the year 2008-09 to 2011-12 is given below.

Year	Amount outstanding	Number of items
2008-09	₹ 3.00 crore	2
2009-10	₹ 1.34 crore	14

**5. Reconciliation of Receipts and Expenditure**

All the Controlling Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Accountant General. Such reconciliation has been completed in respect of 73 % of Controlling Officers for a value of ₹ 93,28.20 crore of expenditure against the total expenditure of the Government amounting to ₹ 1,52,92.12 crore (both revenue and capital). Out of the total revenue receipt of ₹ 1,36,91.24 crore, an amount of ₹ 1,20,16.96 crore, has been reconciled by 52% of the CCO's.

**6. Cash Balance**

Cash balance worked out by the Principal Accountant General (A&E) is ₹ 11.65 crore (Cr.). The cash balance reported by RBI as on 31<sup>st</sup> March is ₹ 19.44 crore (Dr.). Thus, there is a difference of ₹ 7.79 crore (Dr.) between the two figures. This is mainly because of difference in the figures provided by the State Treasuries and that given by the RBI. The difference is under reconciliation.

**7. Guarantees**

Guarantees reported in Statement No. 9 are on the basis of the information received from the State Government (Budget), which is the authority for issuing such guarantees. Indian Government Accounting Standard-1 prescribes three formats to be included in the Finance Accounts. According to this standard the guarantees given are to be depicted according to sector, class and sector-class. The budget of the State Government does not contain enough information in this regard. An amount of ₹ 25 crore is lying under Guarantee Redemption Fund. During the year 2011-12 neither any amount has been transferred to nor any amount reimbursed from the Fund.

**8. Loans and Investments**

In respect of Loans and Investments, for which detailed accounts are kept by the State Government departments, constant efforts are made to obtain complete information. Investments of the Government of Uttarakhand, given in the Statement no 14, represent the Capital Expenditure mostly under the minor head 190- Investments in Public Sector and other Undertakings. The State Government has not provided any information in this regard.

**9. Suspense Balances**

The Finance Accounts reflect the net balances under Suspense and Remittances Heads. The outstanding balance under these heads is worked out by aggregating the outstanding debit and credit balances separately under various heads. The position of gross figures under major suspense heads for the last three years is given below:

The debit and a credit balances above represent the progressive balances up to 31-03-2012 under the respective headings. A close look on the above balances reveals that the debit balances of PAO suspense have decreased in 2011-12 while the debit balance in Suspense Accounts (Civil) has increased considerably. Constant efforts are underway to clear the balances under the suspense heads. However, clearance of suspense and remittance items depends on details furnished by Government Departments /Works and Forest Divisions/Central Ministries/RBI/PAOs.

#### 10. Contingency Fund

The Corpus of the Contingency Fund has been decreased by the State Government from ₹ 6,00.00 crore to ₹ 2,00.00 crore. Out of this, an amount of ₹ 97.30 crore remained unrecouped at the end of the year.

#### 11. Reserve Funds

Twelfth Finance Commission has recommended that States should set up Sinking Funds for amortization of all Loans from Banks, liabilities on account of National Small Savings Fund etc. and should not be used for any other purpose, except for redemption of Loans and Guarantee Redemption Fund for discharge of the States obligation on guarantees.

**(i) Sinking Fund:**

In the year 2000-01, the State Government of Uttarakhand constituted, the "Consolidated Sinking Fund" for amortization of Open Market Loans of the Government commencing from Financial Year 2004-05. In the Year 2011-12, an amount of ₹ 25 crore has been appropriated from the Consolidated Fund of the State to the Sinking Fund. The total accumulations at the end of 2011-12 stood at ₹ 978 crore constituting about 11.65 percent of total outstanding Market Loans which stood at ₹ 83,94.32 crore. Out of the total accumulations in the Fund, an amount of ₹ 9,02.36 crore has been invested by the Reserve Bank of India.

**(ii) Guarantee redemption Fund:**

Guarantee Redemption Fund as recommended by the Finance Commission has been set up by the Government of Uttarakhand. The total accumulations under the Fund stood at ₹ 25 crore. No amount has been appropriated for the Fund during the year 2011-12.

**(iii) Other Funds:**

In addition to the above, there are six other funds out of which two funds are active. The total accumulated balance at the end of 2011-12 in these Funds was ₹ 1,28.46 crore, ( ₹ 1,10.09 crore in active Funds and ₹ 18.37 crore in dormant Funds).

12. The State Government provides funds to State/District level autonomous bodies and authorities, societies, non-governmental organizations, etc. for implementation of centrally sponsored schemes (State's share) and State Schemes. Since the funds are generally not being spent fully by the implementing agencies in the same financial year, there remain unspent balances in the bank accounts of these implementing agencies.

The aggregate amount of the unspent balances in the accounts of the implementing agencies kept outside Government accounts (in the bank accounts) is not known. The Government expenditure as reflected in the Accounts to that extent is, therefore, not final.

13. Uttarakhand Fiscal Responsibility and Budget Management Act, 2005 makes it the responsibility of the State Government to ensure fiscal stability and sustainability and to enhance the scope for improving social and physical infrastructure and human development by achieving sufficient revenue surpluses, reducing fiscal deficit and removing impediments to the effective conduct of fiscal policy and prudent debt management through limits on State Government borrowings, Government Guarantees, debt and deficits, greater transparency in fiscal operations of the State Government and use of medium term fiscal framework and for matters connected therewith or incidental thereto.

As per Section 3 (1) of the Act, Medium Term Fiscal Policy is to be laid before State Legislature along with Annual budget and the same has been complied with.

According to the Section 4 (2) of the Act, the State Government shall take appropriate measures to eliminate the Revenue Deficit and control the Fiscal Deficit at sustainable level and build adequate revenue surpluses.

Amended section 4 (3a) of the Act provides for reduction of Revenue Deficit to nil within a period of four financial years beginning from the first day of April 2011 and ending on the 31<sup>st</sup> day of March 2015. In the year 2011-12, there was a Revenue Surplus of ₹ 7,16.05 crore, and to that extent the provisions of modified FRBM Act have been complied with.

The amended section 4 (3c) provides that the State Government reduce Fiscal Deficit to less than three and a half *percent* of the estimated Gross State Domestic Product for the years 2011-12 & 2012-13 and three *percent* for the years 2013-14 & 2014-15. During the years 2011-12 the Fiscal Deficit at ₹ 17,57.07 crore was 2.89 *percent* of GSDP (₹ 60898 crore), which was below the 3.5 *percent* stipulation of the amended FRBM Act.

Section 4 (3e) envisages the State Government not to give guarantees for any amount exceeding the limits stipulated under any rule or law of the State Government existing at the time of the coming into force of the Act or any other rule or law to be made by the State Government subsequent to the coming into force of this Act. The State Government has not intimated whether any law has been passed in this regard.

#### **14. Objection Book (OB) Suspense**

The items of receipts and payments, that cannot be taken to the final head of account due to misclassification or being incomplete are temporarily posted under Objection Book Suspense under Minor Head 102 Suspense Civil of Major Head 8658- Suspense Accounts. These items are eventually cleared from the suspense and taken to the actual Head of Account. An amount (expenditure) of ₹ 59.08 crore has been cleared from O. B. Suspense pertaining to the previous years. Out of this amount, ₹ 57.40 crore has been cleared from Revenue Expenditure and ₹ 1.68 crore from Capital Expenditure. The clearance of O B Suspense is booked as expenditure in the accounts, which resulted in decrease of Revenue Surplus.

#### **15. Utilization Certificates (UCs) for Grants-in-aid.**

The State Government gives Grants-in-aid to various bodies for various purposes & schemes. The Government may stipulate that Utilization Certificates (UCs) of the released grants may be forwarded to Accountant General. Accountant General keeps a watch over such UCs. The Grants

in aid given by the Government is accounted for under the respective Major Heads of Account. However non-submission of UCs makes it difficult to ensure that the funds released have been utilized for the purpose it was meant for.

The position of awaited utilization certificates is given below:

Year	Number of UC's awaited	Amount involved (In crore of ₹)
Up to 2009-10	315	2,12.75
2010-11	74	1,52.70
2011-12	139	1,31.20

16 (i) The Appendix XI on Maintenance Expenditure, does not depict salary component, as it is not captured in accounts.

(ii) The item salaries in Statement 2 / Appendix II represents salaries of State sector only, the salaries of employees of PRI Institutions is not captured in accounts separately, however it forms a part of the grants released to PRI Institutions.

(iii) Details of explicit subsidy are given in Appendix III.

**(a) Cash and Cash Equivalent:**

Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in transit, as stated above. The balance under the head 'Deposits with Reserve Bank' {a(2) above } depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

**APPENDIX- I**  
**CASH FLOW STATEMENT**

**(b) Daily Cash Balance:**

Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 0.16 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance<sup>1</sup> for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 day Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 day Treasury Bills and makes good the shortfall. If there is no holding of 14 day Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

**(c) Ways and Means Advances:**

The limit for ordinary ways and means advances to the State Government was ₹ 1,45.00 crore with effect from 1<sup>st</sup> April 2009. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of Special Ways and Means Advances is revised by the Bank from time to time. During the year 2011-12, the limit of Special Ways and Means Advances varied from ₹ 1,49.55 crore to ₹ 1,50.93 crore.

<sup>1</sup> The cash balance ('Deposits with RBI') above is the closing cash balance of the year as on 31<sup>st</sup> March but worked out by 16 April and not simply the daily balance on 31<sup>st</sup> March.

(a) There was a difference between the figures reflected in the accounts and that intimated by the Reserve Bank of India regarding "Deposits with Reserve Bank" included in the Cash Balance. The discrepancy is under reconciliation. See also "Notes to Accounts" at page 21 in volume 1.

**B. Government Account:** Under the system of book-keeping followed in Government accounts, the amount booked under revenue, capital and other transactions of Government the balances of which are not carried forward from year to year in the accounts, are closed to a single head "Government Account". The balance under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt, Loans and Advances, Small Savings, Provident Funds, Reserve Funds Deposits and Advances, Suspense and Miscellaneous (Other than Miscellaneous Government Account), Remittances and Contingency Fund, etc. are added and the closing cash balance at the end of the year is to be worked out and proved.

The other headings in the summary take into account the balances under all accounts heads in Government books in regard to which Government has a liability to repay the money received or has a claim to recover the amounts paid and also heads of account opened in the books for adjustment of remittance transactions.

It must be understood that these balances can not be regarded as a complete record of the financial position of the Government as it does not take into account all the physical assets of the State, such as lands, buildings, communication, etc. nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

The net amount at the debit of Government Account at the end of the year has been arrived at as under:-

- (i) In a number of cases, there are unreconciled differences in the closing balance as reported in the statement of 'Receipts, Disbursements and Contingency Fund and Public Account' (St no 2 and 18) and that shown in separate Registers or other record maintained in the Account office /Department offices for the purpose. Steps are being taken to settle the discrepancies.
- (ii) the balances are communicated to the officers concerned every year for verification and acceptances thereof. In a large number of cases such acceptances have not been received.
- (iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in annexure 'A' to Appendix 8.
- (iv) Cases where details/ documents are awaited in connection with reconciliation of balances are detailed in annexure B to this appendix.
