PART I.

AUDIT REPORT, 1958.

(Throughout this Report the amounts shown represent thousands of rupies unless the contrary is specifically indicated.)

CHAPTER I.—INTRODUCTORY.

The original budget (Rs. 108·19 crores) and supplementary estimates (Rs. 15·37 crores) for 1956-57 together provided for a total expenditure of Rs. 123·56 crores out of the Consolidated Fund of the State as against Rs. 111·66 crores in the preceding year. The increase of Rs. 11·9 crores was the net offect of increase under certain heads and decrease under others.

The following are the important items of increases:-

- (i) Education (Rs. 1-26 crores).—Increase is mainly due to the provision for payment of arrear grant to the Calcutta University to compensate the loss sustained by it for entrusting the Board of Secondary Education, West Bengal to hold the Matriculation Examination in 1952 and for implementation of the development schemes.
- (ii) Agriculture (Rs. 1.58 crores). Mainly due to increased provision under development schemes.
- (iii) Famine Relief (Rs. 2.81 crores).—The increase is due to large scale relief operations in areas affected by flood and other natural calamities.
- (iv) Miscellancous—Other Miscellaneous Expenditure.—(Rs. 5.97 crores).—The increase is mainly due to augmenting the Contingency Fund of the State in terms of the Contingency Fund of West Bengal (Amendment Act, 1957).
- 2. Original Grants and Appropriations.—Fortythree demands for grants aggregating Rs. 101,39,25,001 were placed before the Legislature which voted them without any reduction. This amount as well as a further sum of Rs. 6,79,58,000 required to meet expenditure charged on the Consolidated Fund of the State of West Bengal was included in the Schedule of the West Bengal Appropriation Act, 1956 (West Bengal Act VIII of 1956) which was assented to by the Governor on the 29th March, 1956.

The grants and appropriations specified in the Schedule appended to the original Appropriation Act are summarised below:—

	C'harged.	Voted.	Total. Rs.	
	Rs.	Rs.		
Expenditure on Revenue Account	1,72,21,000	61,18,73,000	65,90,94,000	
Capital Expenditure outside the Revenue Account.	25,000	29,10,53,001	29,10,78,001	
Dishursement under Public Debt and Loans and Advances.	2,07,12,000	11,09,99,000	13,17,11,000	
Total .	6,79,58,000	101,39,25,001	108,18,83,001	

The number and arrangement of the Demands were the same as in the previous year.

3. Supplementary Grants and Appropriations during the year.—During the year under report one Supplementary Appropriation Act—West Bengal Appropriation Act, 1957 (West Bengal Act V of 1957)— was enacted under Article 205 of the Constitution of India to meet additional expenditure aggregating Rs. 15,37,47,237 which is about 14.2 per cent. of the original demands. The schedule to the Act assented to by the Governor on the 29th March, 1957 comprised 25 supplementary grants and 11 supplementary appropriations amounting to Rs. 15,31,06,800 and Rs. 6,40,437 respectively.

The amounts authorised in the Supplementary Appropriation Act are summarised below: —

	Charged.	Voted.	Total. Rs.	
	Rs.	Rs.		
Expenditure on Revenue Account	1,49,000	13,39,45,800	13,43,94,800	
Capital Expenditure outside the Revenue Account.	1,91,437	10,67,000	12,58,437	
Disbarsoment under Public Debt and Loans and Advances.	••	1,80,94,000	1,80,94,000	
Total .	6,40,437	15,31,06,800	15,37,47,237	

CHAPTER II.-GENERAL REVIEW OF THE RESULTS OF AUDIT.

4. General Results of Appropriation Audit.—The following statement compares the total grants and appropriations for the year under report with the total disbursements:—

Particulars.	Charged.	Voted.	Total	
1	2	3	4	
	Ra.	Rs.	Rs.	
 Original schedule to the Appropriation Act— (a) Voted by the Legislature (b) Appropriations to meet expenditure charged on the Consolidated Fund of the State. 	6.7 9 ,58,000	101,39,25,001	101,39,25,001 6,79,58,000	
 Supplementary schedule to the Appropriation Act— (a) Voted by the Legislature (b) Appropriations to meet expenditure charged on the Consolidated Fund of the State. 	 6,40,437	15, 31 ,06,800	15,31,06,800 6, 40,4 37	
3. Net aggregate grant or appropriation	6,85,98,437	116,70,31,801	123,56,30,238	
4. Aggregate disbursements	5, 57,31,0 58	97,91,34,536	103,48,65,594	
5. Less (-) or more (+) than granted	1,28,67,379	-18,78,97,265	20,07,64,644	
6. Percentage of 5 to 3	18.75	16-1	16.2	

5. Savings on voted grants.— Savings occurred in 40 out of 43 voted grants.

A list of the more important cases is given below:—

Number and Name of Grant.	Original Grant .	Supple- mentary Grant.	Final Grant.	Expen- diture.	Savings.	Percentage of savings.
1	2	3	4	5	6	7
2. Land Rovenue	4,89,88		4,89,88	3,52,34	1,37,54	28.07
10. Irrigation	4,65,63	22,88	4,88,51	4,30,30	58,21	11.9
21. Public Health	2,13,28	•	2,13,28	1,45,19	68,09	31.0
22. Charges on account of Agriculture.	3,62,53	1,61,39	5,23,92	4,55,4	7 68,45	13
23. Agriculture - Fisheries	34,84		34,84	16,56	18,28	52.4
24. Charges on account of Veterinary.	37,66	•	37,66	28,56	9,10	24-1
25. Charges on account of Co-operative Credit.	34,96		39,96	22,35	16,61	42.6
26. Industries—Industries	86,74		96,74	52,64	34,10	39.3
27. Industries — Cottage Industries.	81,92	8,09	90,91	60,3	30,50	33.6
32. Miscellaneous Depart ments—Excluding Fire Services.	92,19	6,82	99,01	76,2	5 22,70	22.98
33. Civil Works	3,92,79		3,92,79	3,47,73	3 45,06	11.4
41. Miscellaneous—Expen- diture on Displaced Persons.	9,45,92	·	9,45,92	7,19,3	6 2,26, 56	23
42. Community Development Projects.	2,57,67	·	2,57,67	1,95,58	62,09	24·0 9
43. Extra-ordinary Charges	4,16,04	23,51	4,39,55	2,92,8	5 1,46,70	32.7
45. Multipur so River Schemes.	11,66,71	••	11,66,71	9,32,6	2 2,34,0 9	20
46. Civil Works	5,93,23		5,93,23	4,60,3	0 1,32,84	22.39
51. Loans and Advances by State Government.	3,93,48	1,80,94	5,74,42	4,42,2	1 1,32,18	3 23
~						

The main causes which contributed to the savings are mentioned below :-

- 2. Land Revenue.—Less expenditure on commission payable on the collection of rents in view of smaller rent collections due to flood, non-receipt of payments by the intermediaries within the year and smaller number of cases maturing for payment of compensation under the Estate Acquisition Scheme.
- 10. Irrigation.—Mainly smaller expenditure on the construction of a dam across the river Mayurakshi at Messanjorc.
- 21. Public Health. Slower progress of work under National Urban Water Supply Scheme due to non-availability of materials and non-implementation and delay in implementation of various development schemes.
- 22. Charges on account of Agriculture. Mainly slower progress of work on Greater Calcutta Milk Supply Scheme and other development schemes.
- 23. Agriculture—Fisheries.— Slower progress of work under development schemes and non-execution of the scheme for expansion of sea-fishing under the Second Five-Year Plan.
- 24. Charges on account of Veterinary. Slower progress of work under development schemes.
- 25. Charges on account of Co-operative Credit. Slower progress of work under development schemes.
- 26. Industries—Industries.—Mainty due to delay in the implementation of the scheme for development of Engineering Industries at Howrah.
- 27. Industries -- Cottage Industries. -- Mainly due to non-implementation of certain development schemes, such, as Development of Handmade Paper Industry, setting up of a Washery for China Clay, Industrial Training and Production Centre at Kalyani.
- 32. Miscellaneous Departments Excluding Fire Services.—Mainly due to slower progress of certain development schemes and owing to expenditure on Employment Exchanges being met from Grant No. 40--Miscellaneous-Other Miscellaneous Expenditure instead of from this grant due to change in classification.
 - 33. Civil Works. Explanations not received.
- 41. Miscellaneous-Expenditure on Displaced Persons. —Mainty due to smaller payments of loans and advances to displaced persons under various schemes for their relief and rehabilitation.
- 42. Community Development Projects.—Smaller loans and advances for National Extension Service Programme and also slower progress of work therefor.

- 43. Extraordinary Charges.—Explanations not received.
- 45. Multipurpose River Schemes.—Final requirement by the Damodar Valley Corporation being less than anticipated.
- 46. Civil Works.—Mainly due to slower progress of works and non-execution of various development schemes.
 - 51. Loans and Advances by State Government.—Explanations not received.
- 6. Savings on charged appropriations. —Savings occurred in 19 out of 22 charged appropriations. The more important of these are detailed below:—

	Number and Name of Appropriation.	Original Appro- priation.	Supple- mentary Appro- priation.	Final Appropriation.	Expen- diture.	Savings.	Percentage of
	• 1	2	3	4	5	6	7
9.	Interest on Works for which Capital Ac- counts are kept.	20,30		20,30	16,77	3,53	17:37
10.	Irrigation	61,39	•	61,39	53,80	7,59	12.3
36.	Superannuation Allowances and Pensions.	2,78		2,78	1,86	92	33.13
41.	Miscellaneous — Expenditure on Displaced Porsons.	<i>15,60</i>		15,60	7,05	8,6 <i>ō</i>	5 4 ·79
42.	Community Development Projects.	15,59		13,59	12,85	2,74	17:5
46.	Civil Works	••	1,31	1,31	1	1,30	98.3
49.	Public Debt	1,83,21	··	1,83,21	1,00,31	82,90	45.2

The following are the principal reasons for savings under each of the above appropriations:—

- 9. Interest on Works for which Capital Accounts are kept.—Mainly due to smaller expenditure in 1955-56 under '68.—Construction of Irrigation, Navigation, Embankment and Drainage Works'.
- 10. Irrigation.—Mainly due to smaller expenditure on interest on expenditure booked under Mayurakshi Reservoir Project during 1955-56.
 - 36. Superannuation Allowances and Pensions.—Explanations not received.
- 41. Miscellaneous-Expenditure on Displaced Persons.—Due to smaller repayments of outstanding loans to the Union Government owing to smaller recoveries from the displaced persons.

- 42. Community Development Projects.—Due to smaller expenditure on interest on loan received from the Union Government during 1955-56 on the basis of the progress of expenditure in that year and smaller repayment of loans to the Union Government.
- 46. Civil Works.—Non-utilisation of the provision for payment of compensation awarded by the Arbitrator in connection with the acquisition of land for the establishment of the Police Wireless Headquarters.
 - 49. Public Debt.—Explanations not received.
- 7. Excesses over voted grants.—The voted grant was exceeded in the following three cases which require regularisation under Article 205 of the Constitution:

	_						
Number and Name of Grant.		Original Grant.	Supple- mentary Grant.	Final Grant.	Expen- diture.	Ехсеввев.	Percentage of ovcosers
1	<u>د</u>	2	3	4	5	6	7
	4	Rs.	Rs.	Rs.	Rs.	Ra.	-
4. Stamps .	•	4.27,000	32,00 0	8,69,000	8,96,674	37,674	4 38
18. General Administration General Administration		3,18,34,000	••	3,18,34,000	3,29,27,597	10,93,597	3 4
18. Scientific Departments		71,000	٩,,٥٥٥	30,000	40,340	340	-42

The main causes which led to the excesses are explained below :-

- 4. Stamps.—Mainly due to adjustment of unanticipated debit at the end of the year on account of cost of stamps supplied from the Central Stamp Store.
- 13. General Administration General Administration. Mainly due to non-provision of adequate funds for meeting the charges on account of preparation and printing of electoral rolls.
 - 18. Scientific Departments. -The excess is small.
- 8. Excesses over charged appropriations. Charged appropriation was exceeded by a small amount in the following case which requires regularisation: --

Number and Name of Appropriation.	Original Appro- priation.	Supplemen- tary Appro- priation.	Final Appro- priston.	Expenditure.	Excess.	Percentage of excess	
1	2	3	4	5	6	7	
	R4.	Rs.	Re	Rs.	Rs. \	-	
40. Miscellaneous— Other Miscellaneous Expenditure.	1,000	4,000	5,000	5,363	3 63	7-28	

9. Excesses over voted grants and charged appropriations as compared with previous years.—The table below compares the number and amount of excesses over voted grants and charged appropriations during the year under review with those of the previous years:—

nt	Amour	ıber	Nun				Year.	
Charged	Voted	Charged	Voted					TOUT.
5	4	3	2					1
Rs.	Rs.						~~~	
34,99,404	71,777	3	3	•	•			1952-53
9,07,00,174	3,38,51,572	6	5					1953-54
1,17,742	4,49,39,543	4	6				•	1954-55
19,8 8,29 3	25,56,405	5	5	•		•		1955-56
36 3	11,31,611	1	3	•	٠		•	1956-57

The above table shows that there was definite improvement as compared with the preceding year.

10. Savings or excesses on voted grants and charged appropriations (separately and combined) as compared with previous years:—

The statement below compares the savings or excesses on grunts and appropriations in the year under report with those in the four preceding years:—

Year.		•						Final Appropriations and Grants.	Savings (—) Excesses (+)	Percentage of Savings or excesses.	
1								2	3	4	
		-									
Charged $-$											
1952-53		•				•		3,14,06	+21,90	7	
1953-54			•	•		•		18,44,85	+8,9 0, 22	48.2	
1954-55		•		•	•	•		14,40,41	-3,76,67	26.1	
1955-56	•	•	•	•	•	•	•	10,23,64	⊢2 6	.02	
1956-57	•	•	•	•	•	•	•	6,85,98	1,28,67	18.75	

Year.								Final Appropriations and Grants.

1956-57								123,56,30	-20,07,64	16.2

In the Charged section there was increase in the amount as well as in the percentage as compared with the preceding year.

In the Voted section there is slight improvement in the position as compared with the preceding year.

The amount of savings during the year under the voted and the charged sections taken together was the highest in the quinquennium. The percentage of savings was, however, less than that of the previous year.

CONTROL OVER EXPENDITURE.

11. The object of control over expenditure is to ensure that the money expended has been applied to the purpose or purposes for which the grants and appropriations specified in the Schedule to an Appropriation Act are intended to provide and that the amount of expenditure against each grant or appropriation does not exceed the amount included in that Schedule. Each grant or appropriation is divided into several units and placed at the disposal of one or more controlling officers whose duty is to secure as close an approximation as possible between the actual expenditure and the final grant or appropriation as the case may be. The effectiveness of the control exercised by the Controlling Officers depends, to a large extent, upon the accuracy of the departmental accounts and the degree of check exercised over the expenditure incurred by the departments.

Important instances of defective control over expenditure noticed during the year are mentioned below:—

GENERAL COMMENTS ON THE ACCURACY OF BUDGETING AND CONTROL OVER EXPENDITURE.

12. (a) Voted.—The original budget estimate for 1956-57 provided for a total sum of Rs. 101,39.25 lakhs against which the actuals amounted to Rs. 97,91.35 lakhs causing a saving of Rs. 3,47.9 lakhs, i.e., 3.43 per cent. of the original grant as compared with 13.29 per cent. in the preceding year. A supplementary grant of Rs. 15,31.07 lakhs increased the saving to Rs. 18,78.97 lakhs which was 16.1 per cent. of the final grant as compared with the corresponding percentage of 18.5 per cent. in the previous year.

The final saving was the result of savings aggregating Rs. 18,90-29 lakbs under 40 grants and excesses of Rs. 11-32 lakbs under three grants.

The grants which contributed to the major portion of the savings and excesses are specified below:

Savings - Grants Nos. 2, 10, 21, 22, 33, 41, 42, 43, 45, 46 and 51.

Excesses-Grants Nos. 4 and 13.

A sum of Rs. 12,82.92 lakhs was surrendered to the Finance Department by the various controlling authorities. This had the effect of reducing the saving to Rs. 5,96.05 lakhs which was 5.71 per cent. of the final modified grant.

•(b) Charged.—Against the original appropriation of Rs. 6,79.58 lakhs the actuals amounted to Rs. 5,57.31 lakhs causing a saving of Rs. 1,22.27 lakhs or 17.99 per cent. of the original appropriation as compared with 101.68 per cent. in the preceding year. A supplementary appropriation of Rs. 6.4 lakhs increased the saving to Rs. 1,28.67 lakhs which was 18.75 per cent. of the final appropriation.

The final saving was the result of savings aggregating Rs. 1,28.68 lakhs under 19 heads and excess of Rs. 004 lakhs under one head. The surrender of Rs. 1,23.45 lakhs reduced the savings to Rs. 5.22 lakhs which was 92 per cent. of the final modified appropriation.

The following appropriations contributed to the major portion of the savings:—

Savings-Appropriations. Nos. 9, 10, 41 and 49.

(c) Both Voted and Charged.—Out of 47 grants and appropriations, 22 showed a variation of above 10 per cent., 7 between 5 and 10 per cent., 12 between 1 to 5 and 4 below 1 per cent. In two cases there was no variation. The reasons for the more important variations have been explained in paragraphs 5, 6, 7, 8 and 9 ante.

Cases of defective control over expenditure have been mentioned in the Review of Appropriation Accounts and in paragraph 11 ante. They show that in quite a large number of cases the control exercised was not up to the mark.

13. Verification of Accounts figures with the Departmental Accounts.— Accounts are compiled in the Accountant General's Office on the basis of vouchers paid at its counters and at treasuries. The Departmental Accounts are kept by drawing officers on the basis of office copies of bills and the Controlling Offipers are required, under orders of Government, to consolidate the accounts of their subordinate offices. To ensure the correct booking of expenditure in the accounts of the Accountant General and to enable the drawing and Controlling Officers to exercise effective control over expenditure vis-a-vis grants and appropriations, it is essential that the two sets of figures, viz., Accounts Office figures and Departmental figures, should be compared and differences reconciled every month. For this purpose each Controlling Officer is required to depute an assistant every month to the Accountant General's Office. But during the year under review the reconciliation was not done in a large number of cases in spite of repeated reminders issued to the Controlling Officers. In the following cases the accounts were neither reconciled nor the figures finally accepted by the Controlling Officers as correct even by the end of March, 1958.

Serial No.	Number of Controlling Officers.	Number of months for which reconciliation works is not done.
1	i	4 months.
11	1	8 months.
ш	1	10 months.
IV	3	12 months each.
v	1	1 month.
VI	1	6 months.

14. Delay in submission of materials for the Appropriation Accounts.—Full explanations for variations between the final grant and actual expenditure were not furnished by the Controlling Officers in time in spite of repeated reminders. All such cases have been mentioned in the reviews below the respective Appropriation Accounts of the grants concerned.

CHAPTER III.-FINANCIAL IRREGULARITIES, LOSSES, ETC.

15. This Chapter deals with the important financial irregularities noticed in the course of audit of the accounts for the year 1956-57. It includes a few irregularities pertaining to earlier years which came to notice late or which could not be included in earlier reports. It also includes matters relating to a later year. Irregularities in respect of which adequate remedial measures including suitable disciplinary action, where necessary, have been taken by Government, have been excluded from this Chapter.

Other cases of losses and writes-off are mentioned in the notes under the respective grants or appropriations, a summary of which is given in para. 33.

LAND AND LAND REVENUE DEPARTMENT.

16. Defalcation and temporary misappropriation.—The special audit of the accounts of an office conducted between April, 1957 and July, 1957 disclosed the following irregularities:—

In as many as 731 cases acknowledgment receipts of the payees in respect of a total sum of Rs. 40,293-2-0 remitted to them during the period from January, 1951 to May, 1955 on account of rents, etc., deposited by the tenants in their favour by money orders were not available. The Authorities took up the matter with the Postal Authorities in 1956-57 when they were informed that 208 money orders amounting to Rs. 17.416-5-0 were duly returned to the remitter. As regards the remaining 523 cases, it was stated that an enquiry of the parties concerned was being made, as the Postal Authorities could not furnish any information as to whether the money orders had actually been delivered to the parties concerned or returned to the remitter, owing to their records having been destroyed after the prescribed period of preservation. The amount (viz. Rs. 17,416/5) relating to 208 money orders, which were returned to the remitter, had not been accounted for in the cash book and other records of the office, and thus proved to be a loss to Government. Cases were also noticed where the amount relating to returned money orders had been accounted for long after the dates of receipts. It so happened in some cases that the amount so received was kept out of account for more than a year.

The matter is stated to be under police investigation, the result of which is awaited (August, 1957).

HOME (POLICE) DEPARTMENT.

17. Misappropriation of Government money and Stores.—After a surprise check of the Cash Book and Store Accounts of a departmental ration store (now defunct) in October, 1952 a detailed departmental investigation of the accounts was conducted during the period from 12th February, 1953 to 28th

April, 1953. This disclosed a misappropriation of stock and cash aggregating Rs. 1,03,366 over a period of more' than two years (September 1950 to February 1953) as detailed below:—

	Rs.
(i) Shortage of food-stuff, viz., Rice, Atta, Flour, Ghee, etc. including value of containers.	87,766
(ii) Sale-proceeds defalcated	10,050
(iii) Value of food-stuff alleged to have been sold on credit to unauthorised persons.	5,550
Total .	1,03,366

The details of the loss were, however, furnished to Audit only in August 1957.

Misappropriation to this extent and over so long a period could not have continued had proper supervision been exercised.

Criminal cases were instituted against three Government servants on this account. One of them was convicted and sentenced to rigorous imprisonment for two months and to pay a fine of Rs. 250 and in default, to undergo rigorous imprisonment for one month more. Of the remaining two, one was acquitted of the charge and the other discharged for want of sufficient evidence. Departmental proceedings were drawn up against one of them resulting in reduction of his pay for one year from Rs. 102 to Rs. 98 per month. No departmental proceedings could be drawn up against the other in the absence of any evidence against him.

It was stated in July, 1957 that the question of assessment of responsibility of the supervisory officers was under the consideration of Government.

HOME (PUBLICITY) DEPARTMENT.

18. Extra expenditure incurred on the production of a film due to the delay in payment of advances agreed upon and non-availability of account records regarding the collections from the distributors.—(a) In April, 1954 the State Government decided to purchase the production right of a partly done feature film, at the producers' cost of Rs. 35,800 and to complete the film. The task of completion of the film was entrusted to its erstwhile Producer—Director who, under an agreement entered into with him in May 1954, was to complete the remainder on a lump remuneration basis—the time limit for completion being August, 1954 and the cost estimated at Rs. 45,000. The estimated cost was subsequently raised to Rs. 61,200 and the time limit extended upto September, 1954. The arrangement was that advances would be given to the Director from time to time towards meeting the cost of the production.

The film was completed in January, 1955 at a cost of Rs. 1,04,964 as against the estimate of Rs. 61,200. The excess expenditure of Rs. 43,764 over the estimate was ascribed to the belated receipt (November, 1954) of an advance of Rs. 12,000 asked in September, 1954 for meeting the cost of the remaining 15 days' shootings required for its completion. As a result of this delay, the technicians and the artists mostly remained idle during this intervening period and the work had to be undertaken and completed in winter which provided lesser working hours than those in the earlier months. Thus 12 additional out-door shooting days, over and above the 15 days, became necessary for the completion of the film. Apart from the direct cost involved in the additional 12 days' shooting, payment had to be made to the technicians, artists etc. and on other incidentals during this extended period as also for the period from September to November during which they remained mostly idle.

(b) No records showing the distribution of the film, the details of shows, the amount due to Government and the amounts actually realised, could be made available to aduit.

HOME (TRANSPORT) DEPARTMENT.

19. Loss in the disposal of an Aircraft.—It was mentioned in paragraph 23(iv) at page 19 of the Audit Report, 1952 that the aircraft "Dove" which was purchased in January, 1948 at a cost of Rs. 2,52,717 became unserviceable in March, 1948 due to damages sustained in course of a flight, while in the custody of the firm entrusted with its supervision and operation. After some repairs it was put into flying condition and it had actually performed 42 flights upto 31st December, 1951. Since then it had been lying idle and was ultimately disposed of in September, 1955 for Rs. 30,000. Apart from the cost of its purchase, Government had to incur and expenditure to the extent of Rs. 3,35,411 for the maintenance and supersvision of the plane.

Although it was decided by the State Cabinet on the 3rd April, 1952 to dispose of the aircraft, it was considered necessary by the department to carry out an overhaul of the aircraft before it was put to sale with a view to disposing it of in a perfect flying condition and at the most advantageous price. The two engines of the aircraft were accordingly, sent for overhauling in April, 1952, but the work order was issued in September, 1952. It has been stated that this delay in issuing the work orders was due to the delay in settling the cost of overhaul through correspondence.

The engines, after overhaul, were received back in July, 1953 but the installation of the engines was taken up as late as in December, 1953 (i.e. 5 months after the date of receipt) when it was found that two of the accessories were not received although payment for the same had been made in November, 1953. The repairing firm, however, supplied them in June, 1954 (i.e. 6 months after the detection). Thus, only the overhauling of the machine took more than 2 years (from the date of despatch to the date of receipt back of the accessories).

Even when the engines of the aircraft were overhauled after such a long time and at a cost of Rs. 35,493 the parts could not be fitted in and for the matter of that the aircraft was not brought into flying condition as originally contemplated. It had been stated by Government that as the chance of disposing it of at a reasonable price was quite uncertain till the date of its final disposal, it was thought unwise to incur extra recurring charges for maintenance by complete installation of the engines. The result was that, when it was put to sale it could not attract the bidders. The highest offer that was made by the firm entrusted with its supervision and operation, was for Rs. 15,000 only and this amount was subsequently raised to Rs. 30,000 by negotiation. Thus the total expenditure of Rs. 85,493 (Rs. 35,493 for overhauling of the engines and Rs. 50,000 for supervision charges) for the period from April, 1952 to September, 1955 which was incurred by Government for the purpose of bringing the aircraft into the flying condition in order to improve its selling value proved to be infructuous.

20. Avoidable expenditure.—Imported spare parts for "A.E.C." Vehicles were purchased through a local firm, instead of from the manufacturer direct, at a total cost of Rs. 5,54,125 during 1955-56 and 1956-57. No tenders were even invited for the purchase. As per agreement, the firm charged 15 per cent. extra on the "landed cost of the articles upto 23rd August, 1956 and 12½ per cent. thereafter and a total sum of Rs. 64,000 (approximately) was thus paid to the firm during the above mentioned period. The department, however, began to purchase the articles direct from the manufacturers abroad from February, 1957.

The Directorate could have saved Rs. 64,000 by importing the spare parts direct from the manufacturer right from the beginning.

- 21. Acquisition of sto es in excess of requirements.—In course of scrutiny of the closing stock of some items of stores as on 31st December, 1956 the following irregularities were noticed:—
- (a) Spare parts for "Leyland" Vehicles worth Rs. 28,000, Rs. 24,000 and Rs. 36,000 were lying unused in store for more than 3 years, 2 years and one year respectively.
- (b) In July, 1950, a "Massy Hammer" was purchased at a cost of Rs. 24,973 and the same remained unpacked in the store upto September, 1956, when it was resold to the supplier for a sum of Rs. 23,855. The total loss to Government in this transaction amounted to about Rs. 7,000 (Rs. 1,118 on account of difference between the cost and selling price and about Rs. 5,882 on account of interest on Capital).
- (c) In May-June, 1954, mild Steel Channel was purchased at a total cost of Rs. 63,000 for the purpose of constructing sheds. Upto December, 1957 articles worth Rs. 3,000 could be utilised in the work and articles worth Rs. 14,000 were disposed of by transfer to some other department and the balance was lying unused in store.

22. Extraexpenditure due to non-acceptance of lowest tenders.—In March, 1955, open tenders for the retreading of tyres for 1955-56 were invited by the department. The rates quoted by the firm, which was doing the work in 1954-55, were accepted although they were not the lowest, on the ground that the Department did not like to make 'experiment' with new firms as the work would soon be taken over departmentally by installing a retreading plant.

In April, 1956, however, tenders for the work for 1956-57 were again invited and this time also the rates quoted by the same firm were accepted although they were not the lowest, on the same ground. The retreading plants of the Department actually started operation in February, 1957—the capacity of the plants being only 25 per cent. of the actual requirements of the Department. The reason given by authorities for rejecting the lowest tenders in both the years was not, therefore, convincing and resulted in an extra-expenditure of Rs. 60,300 upto February, 1957.

Government in December, 1957 stated that the 'work was given to the firm which had the highest reputation in this field in India at a slightly higher cost than run the risk of fatal accidents by using retreaded tyres done by a less competent firm'.

AGRICULTURE DEPARTMENT.

23. Misappropriation.—A clerk of an agricultural office realised a total sum of Rs. 7,729-6-0 on different dates during the period from 3rd January, 1952 to 17th April, 1955 from 9 persons on account of instalments due for pumping plants sold to them on credit. The entire amount in question was not accounted for in the Cash Book nor deposited into the Treasury. In 4 cases, the amount was realised by the said clerk by granting "Katcha" receipts to the parties concerned, while in the remaining 5 cases, he acknowledged the receipt of the amount on the back of the loan bonds, which were in the custody of the head of the office, but were suspected to be taken out by some unfair means by the clerk during his absence and returned the same to the parties concerned.

No action could be taken against the clerk concerned as he died on the 1st August, 1955 before the detection of the misappropriation. The clerk entrusted with the realisation of the dues was not required to furnish any security deposit.

It was stated in April, 1957 that the Head of the office concerned did not exercise any check whatsoever on the realisation of Government dues during this long period of 3 years and that lack of supervision on the part of superior officers was responsible for this misappropriation.

Final orders of Government are still (August, 1957) awaited.

24. Injudicious purchase of trucks etc. to avoid lapse of budget grant.—(a) Sanction for the purchase of Jeep cars with breakdown service units fitted with crane for a total cost of Rs. 50,000 was accorded by Government in January, 1950. Against this sanction the Department, however, invited tenders for three sets of truck mounted with breakdown service units fitted with crane

and full equipments along with some tractors, implements and excavator on the 19th January, 1950 (published in the papers on the 22nd January, 1950) and 23rd January, 1950) and the last date for receiving the tenders was fixed as 1st February, 1950. Further, a restrictive clause was also stipulated in the tender notice that none need quote who would not be in a position to supply the tractors and implements and the excavator.

Due to this restrictive clause and also due to the short notice no tenders for the breakdown service units were received. The department thereupon purchased the following sets of trucks, etc. in March, 1950 on negotiation. The supplying firms, it transpired, had purchased the items from the Disposals Stock of the Government of India.

											Rs.
(i) 2 tractor vans				•	•		•	•	•	•	16,000
(ii) 1 motor truck, f	litted	with	crane	and l	trail	o r, 26	ft. l	ong		•	15,000
(iii) 1 crawler fittee	l with	eran	e		•		•	•	•	•	16,000
(iv) 1 motor truck	•	•	•	•	•	•		•	•	•	3,000
								Тота	L		50,000

In November, 1956 Government issued orders regularising the above purchase. It was also observed by them that the purchase had to be made in a hurry in order to avoid lapse of budget grant. But it was noticed that one of the trucks with its equipments at item (ii) did not render any service at all since their purchase but remained idle in the Store. These were declared surplus in November, 1954 and sold in auction in July, 1957 along with other articles in a lot at a sum of Rs. 17,101 against the book value of Rs. 1,60,035.

(b) In another case tender for the purchase of two mobile workshop vans and necessary workshop equipments was invited on 3rd January, 1951, the last date of submission being the 10th January, 1951. A restrictive clause that a tenderer was to quote both for the vans and equipments and not for any part of the requirements, was also stipulated in the tender notice.

Only two tenders were received within 10th January, 1951 and the purchase of 2 vans and 2 sets of workshop equipmnts was immediately finalised by accepting the lowest of the two tenders at a cost of Rs. 71,700 of which Rs. 25,000 represented the cost of 2 vans. A third tender which quoted Rs. 20,000 for 2 vans could not be accepted as it was received on 15th January, 1951.

That there was no real hurry in the purchase will be borne out by the fact that the date of supply initially fixed on 31st January, 1951 could be extended to 10th March, 1951 without any apparent disadvantage and that the vans had to be kept idle for eight months since the date of their supply for want of sanction for entertainment of running staff.

In condoning the irregularity "as a fait accompli" Government observed in January, 1957 "that there was no urgency in purchasing the vans, etc. in a hurry allowing tenderers barely a week's time resulting in an avoidable expenditure of Rs. 5,000".

FISHERIES DEPARTMENT.

25. Recurring loss in deep sea fishing.—The scheme of deep sea fishing was started in 1949-50 with the help of 2 Danish Trawlers. 3 Japanese Trawlers in addition were brought into commission in 1955-56. The scheme has been running at a loss. 'The statement below sets forth the figures available relating to the earnings and the expenses on the working of the scheme during 3 years ending with 1955-56:—

	Year -	of Ac	count -	•			Revenue realised. 2	Working expenses	Surplus (+) Deficit (—). 4
							Rs.	Rs.	Rs.
1953-54				•		•	1,38,903	3,92,000	()2,53,097
1954-55							82,199	3,13,000	()2,30,801
1955-56			•		•		2,05,562	8,28,812	()6,23,250

The figures given above do not disclose the real deficit as they do not take account of interest on capital, depreciation and overheads. The pro forma accounts on commercial basis have not yet been prepared by the administration, though the absence of such accounts had been mentioned in earlier Audit Réports.

WORKS AND BUILDINGS DEPARTMENT.

- 26. Irregular maintenance of Stores Accounts.—The following irregularities were noticed in the stores accounts of a Divisional Office:—
- (i) The quantity accounts are in arrears from 1950-51 while the value accounts have not been prepared at all.
- (ii) The stores were not subjected to physical verification during the period from August, 1947 to the end of 1951-52.
- (iii) The physical verification conducted in 1952-53 with reference to the statement of balances disclosed a shortage of materials worth about Rs. 2 lakhs. Subsequent verification conducted in April, 1955 raised this shortage to Rs. 2.5 lakhs.
- (iv) Surplus stock of the value of Rs. 13,300 has been lying in stock since April, 1955.

The above state of affairs was brought to the notice of Government through successive inspection reports.

In August, 1957 Government issued orders directing the opening of a new Stock Register from 1st April, 1957, based on the quantities actually in hand at the close of 31st March, 1957, to be valued for the time being at the current market rates. It was stated in November, 1957 that steps had been taken

for the gradual clearance of the arrear accounts as expeditiously as possible and that it would not be possible to fix the responsibility of the officers concerned for the actual shortages, if any, until the clearance of arrear accounts. It was further stated that the question of disposal of surplus stock would be taken after pulling up the arrear work.

REFUGEE, RELIEF AND REHABILITATION DEPARTMENT.

- 27. Irregularities in connection with the payment of an advance to a concern.—Sums aggregating Rs. 8,40,000 were advanced during the period from September, 1949 to March, 1950 to a company, registered under the Indian Companies Act, for the purpose of rehabilitation of 318 displaced families. The following irregularities were noticed in connection with the payment of the above amount.
 - (i) No mortgage deeds or loan bonds for the above amount were executed.
- (ii) No terms and conditions prescribing any detailed scheme of utilisation were imposed in the Government Orders at the time of payment of the amount to the Company.
- (iii) There was no record to show that the accounts of the Company had been audited by its own registered auditor. It could not, therefore, be ascertained for what purposes, etc., the amount had been utilised.
- (iv) In February, 1952 the Company intimated that its working had almost come to a standstill, as 238 out of 318 families deserted the place. In April, 1953 Government directed the Company to wind up its business voluntarily and make over the assets to Government. But it did not comply with the above order and started disposing of the assets.

The above irregularities wer pointed out by Audit in October, 1953 and again in June, 1954. It was stated by Government in September, 1957 that an account suit had since been filed against the Company and that the extent of loss in this deal could not be correctly estimated before the conclusion of the suit.

28. Extra expenditure on hire of cars.—In May, 1954 in course of local inspection of the accounts of a Transit Camp it was noticed that hire charges at the rate of Rs. 650 per month for each of the two ambulance cars were being paid to a private organisation from March, 1950 and April, 1950 onwards. Obviously for such long term requirements purchase would have been more economical than hiring. On the matter being pointed out by audit, it was stated by Government in December, 1956 that out of the two cars, one car had been returned to its owner in April, 1956 after purchasing one in March, 1956 at a sum of Rs. 15,506. Thus for a car worth Rs. 15,506 Government had to spend previously a sum of Rs. 47,000 approximately in the shape of hire charges.

The question of purchasing a car to replace the second hired car is stated to be under the consideration of Government; in the meantime, the payment of hire charges continues.

29. Non-maintenance of accounts records.—An expenditure of Rs. 1,91,73,192 was incurred between April, 1948 and July, 1955 on the purchase of building materials for their distribution among the refugees on recovery of cost.

West Bengal Secretariat Library

But no account records were maintained so far (August, 1957) to show—

- (i) the cost of materials issued to different district officers through whom such distribution was made:
- (ii) the amounts realised by them and credited to Government; and
- (iii) the balance due ;

although the necessity of maintaining such an account was brought to notice through successive Inspection Reports, issued in April, 1953, October, 1954, February, 1955 and November, 1955.

It was stated in May, 1957 that the postings in the ledgers had fallen into arrears as there was shortage of staff and that steps had since been taken to complete the work as quickly as possible with additional staff.

30. Nugatory expenditure on Fire-fighting.—A fire-fighting station was opened at a Refugee Camp in March, 1951, wih a staff complement of 7 firence (subsequently reduced to 6), 2 leaders and 2 drivers. The fire-station was provided with three damaged trailor pumps obtained from another Refugee Camp but of these only one could be made serviceable after repeated repairs. Even this repaired trailor pump could not be put to use since no vehicle was provided to carry it to the place of fire as and when the need arose and no arrangement existed for supplying water to the static tanks for the purpose of extinguishing fire.

In March, 1952, the Administrator of the Camp reported to Government that neither the above equipment nor the staff would be useful in any emergency and suggested that the staff might be discharged and re-employed afterwards when full equipment became available. Actually when a fire broke out in the camp on the 30th January, 1953, the pumps were of little avail and it was put out by other means.

In June, 1954, Government stated that the existing fire-fighting staff would be able to cope with emergent situation if better arrangements for storage of water were made and that steps were being taken for effective use of the fire-fighting organisation in case of emergency.

After further enquiries by audit Government have, in January, 1957, reported as follows:—

"Stop gap arrangements were made for the utilisation of the existing fire fighting staff and organisation of the camp till the defects in the system were removed and arrangements were made for necessary equipments. The defects in the system have since been removed and the fire fighting arrangement is now in working condition with staff and equipments since the month of October, 1956".

Thus the expenditure on pay of the staff at Rs. 810 p.m. from March, 1951 upto September, 1956 amounting Rs. 54,270 was infractious.

DEVELOPMENT DEPARTMENT.

31. Residential buildings constructed for sale to the public lying unsold and vacant and rent in respect of those let out to Government servants and the public in arrears.—In a township laid out in the neighbourhood of Calcutta the State Government have constructed 526 residential houses of different types at a toal cost of Rs. 55,32,000. The houses were intended for sale to the public

and the construction work was completed in October, 1955. Upto the end of July, 1957, however, only 13 houses were sold, 6 rented out to private parties, 121 occupied by some of the Government Offices and their staff since shifted there, while the remaining 386 houses were wholly un-occupied and un-utilised for any purpose whatever.

The calculation of the cost of some types of houses has not been finalised so far. The standard rent chargeable in respect of them has also, therefore, remained un-fixed all this while. However, recovery of rent from Government servants for occupation of such residences, as of others in that township, has been ordered to be made @ 10 per cent. of their emoluments, while ad-hoc rents are being fixed and recovered from the private parties. But even such recoveries are, in a number of cases, considerably in arrears—in some cases since November, 1955, itself. The total amount of rent thus outstanding upto October, 1957 was Ra. 1,37,000. The matter was brought to the notice of the departmental authorities in the Inspection Report issued in November, 1956. No reply was received upto the end of September, 1957.

32. Unnecessary blocking up of capital.—A Trench-Excavator was purchased by a Public Works Division in March, 1951 at a cost of Rs. 67,742 for speedy execution of earthwork in alignment of sewers and waterlines in connection with a town development scheme. Subsequently, in March, 1952 spare parts for it at an additional cost of Rs. 14,487 (including freight and insurance charges) were also purchased. The excavator had not so far (June, 1958) been utilised for the purpose for which it was purchased. During this long period over seven years it was hired out to some Contractors occasionally for which a total sum of Rs. 8,957 had been recovered from them as hire charges.

It was stated in June, 1958 that when the machine was purchased the whole scheme was under the control of the Public Health Engineering Department, which could have arranged work for the machine but owing to subsequent divison of control of works between two departments this could not be done, as the movements and operation of the machine had to be restricted due to simultaneous excavation of all the works and roads, sewers and water lines. It was further stated that there are two more blocks to be developed in the township and that the machine might be utilised there.

SUMMARY OF OTHER CASES OF LOSS, IRREGULARITY, ETC.

33. Other cases of loss, irregularity, etc. have been mentioned in the Reviews of the respective grants. The following table gives the reference:—

CHAPTER IV.—OTHER TOPICS OF INTEREST.

34. Important change in classification of expenditure from Revenue to Camtal.—Hitherto expenditure incurred with the object of either increasing assets of a material and permanent character or of reducing recurring liabilities was being classified as Capital expenditure. But from this year a new procedure in line with the one adopted by the Centre has been adopted by the State Government in defining Capital expenditure and in framing the budget estimate. Under the new procedure expenditure on temporary or kutcha construction works normally having a life of 15 years or more and the grants to local bodies with the object of creating assets not belonging to the authorities incurring the expenditure but adding to the Capital wealth of the country is to be debited to Capital provided that the works are so vital that they cannot be avoided. postponed or distributed over a series of years and the amount involved is too great to be met from the current revenues and that adequate arrangements are made to writeoff such capital expenditure to revenue over a number of Again, original works on buildings and roads each costing Rs. 20,000 or above has been classified under the Capital head, 81-Capital Account of Civit Works outside the Revenue Account which were previously booked under the Revenue head 50-Civil Works.

No monetary limit for the capitalisation of the temporary works and grants-in-aid expenditure nor the time limit for the write-back to revenue has yet (October, 1957) been fixed by Government. Full particulars of the expenditure, so capitalised, if any, during 1956-57 together with the arrangement for write-back to revenue have not yet (October, 1957) been received from Government.

- 35. Community Development Projects, National Extension Service and Local Development Works. As in the previous year, a number of development schemes which aim at the upliftment of the rural life with active participation of local people, were in operation during the year under review also. Some of the schemes were operated within the Second Five Year Plan while others remained outside the plan. The position under each category of schemes is shown below:—
- (i) Community Development Projects.—The year started with the work relating to fourteen Community Development Project Blocks of which eleven were ab-initio Community Development Blocks and three converted Community Development Blocks. Eight more National Extension Service Blocks were converted into Community Development Project Blocks during the year. Another Block was also taken over from Purulia during the year. The Programme in the ab-initio Community Development Blocks was completed during the year except for certain specific items of works for the completion of which further extension of time was stated to have been allowed by the Government of India. The system of finance and accounting was the same as in the previous year.

The table below compares the provision and expenditure during the year under report with those in the preceding years:—

-	Y	ear.			Original Grant.	Final Grant.	Actual Expenditure.	More"+ Less
10-0-0					Rs.	Rs.	Rs.	Rs.
1952-53	•	•	•	•	1,55,69,000	5,96,758	4,54,273	-1,42,485
1953-54	•	•	•	•	2,17,17,000	39,76,300	33,74,168	-6.02,132
1954-55	•	•		•	2,58,01,000	93,43,000	83,58,831	-9,84,169
1955-56	•	•		•	1,66,16,000	1,23,02,800	1,04,24,568	-18,78,232
1956-57	<u>.</u>	<u>.</u>			1,07,14,000	1,52,50,800	1,30,16,779	-22,34,021

(ii) National Extension Service.—Twenty nine Blocks had been carried over from the previous year of which eight were converted to Community Development Project Blocks during the year. Thirty six new Blocks (including two for Purulia) were also taken up. In addition, there were twelve post-intensive National Extension Service—Expired Blocks. Thus there were seventy one Blocks in operation when the year closed. The system of finance and accounting was the same as in the previous year.

The following table shows the provision and actual expenditure compared with those in the preceding years:—

	Y	eer. 1			Original Grant. 2	Final Grant. 3	Actual Expenditure. 4	More + Less —. 5
			• •	-	Rs.	Rs.	Rs.	
1954-55 1955-56		•			65,18,000	4,05,200	3,33,328	-71,872
1956-57	:	:		:	1,04,37,000 1,19,96,000	27,04,100 41,64,000	17,91,290 44,89,880	9,12,310 -+3,25,880

(iii) Local Development Works.—Schemes of Rural Water Supply, Village Roads, etc., constituted the Local Development Works. There was no State-aided Scheme in operation during the year. Government of India financed the entire expenditure on the execution of the schemes proper while the supervision charges were financed by the State Government. Contributions from the local people received, if any, remained outside the Government account.

The following table shows the yearwise provision and expenditure upto the end of 1956-57:—

Year. 1		Original Grant. 2	Final Grant. 3	Actual Expenditure. 4	More + Less —. 5
	lly aided	Rs.	Rs. 15,11,500	Rs. 11,37,273	Rs. 3,74,227
1953-54 work State	aided	••	3,27,000	1,77,596	1,49,404
Centra	lly aided	54,80,000	84,10,303	68,47,556	-15,62,747
1954-55 work	aided	••	5,86,681	5,04,955	-81,726
	lly aided	••	66,87,400	53,88,082	-2,99,318
work 1956-57 Centra work	lly aided	37,25,000	29,70,000	26,00,348	-3,69,652

36. Scheme of abolition of the Zamindari System.—In the second year of the above mentioned Scheme, the gross receipts from Ex-Zamindari Estates was about Rs. 313 lakhs and the total expenditure was about Rs. 288 lakhs as against Rs. 216 lakhs and Rs. 178 lakhs for the preceding year. The main items of receipts and expenditure during these two years are indicated below:—

	1955-56	1956-57
	1st year.	2nd year.
	Rs.	Rs.
(i) Receipts—		
Land Revenue received from Ex-Zamindari Estates .	2,16,15,000	3,12,69,312
(ii) Expenditure—		
(a) Cost of management of Ex-Zamindari Estates and collection of Revenue.	29,70,656	67,68,758
(b) Staff employed for calculation of ad-interim componsation.	9,73,110	25,93,192
(c) Payment of ad-interim compensation to intermediaries including Annuities to Debottar Estates, etc.	3,27,479	42,77,381
(d) Expenditure on major settlement operations in connection with Estates Acquisition Scheme.	1,35,71,891	1,51,14,515
(e) Expenditure under Administration of Chapter III of West Bengal Land Reforms Act, 1955 relating to Bargadars.	••	23,983
•	1,78,43,136	2,87,77,829

Due to the non-completion of the survey and settlement operation of all the districts and in the transferred territories of Purulia and Kishengunj, the final payment of compensation to the intermediaries had not yet been started and the entire compensation payable cannot be estimated at this stage. As in the previous year, compensations by way of ad-interim payment to the intermediaries have been continued to be made in this year. The West Bengal Land Reforms Act, 1955, which has been enacted with the object of fixing revenue rates, redistribution and consolidation of lands, etc., has not been fully implemented during the year.

- 37. Multipurpose River Projects. (a) Damodar Valley Project.—The Government of West Bengal are participating in the Damodar Valley Corporation along with the Governments of India and Bihar. The accounts of the Corporation with the Audit Report thereon are laid before the State Legislature separately under Section 45(5) of the Damodar Valley Corporation Act, 1948 (Act XIV of 1948).
- (b) Mayurakshi Reservoir Project.—The Audit Comments on the accounts of the Mayurakshi Reservoir Project have been given in para. 5 of the Review under Grant No. 10, pages 88-89.

38. Expenditure on Refugee Relief and Rehabilitation.—Exepnditure incurred during 1956-57 on the (1) Relief and Rehabilitation of displaced persons, (ii) Dispersal of displaced college students from Calcutta, (iii) Administration of Rehabilitation of displaced persons in unauthorised occupation of land and (iv) Administration of Fulia Township amounted to Rs. 11,70,84,620 including the expenditure on officers and staff. Of this amount, a total sum of Rs. 7,99,87,458 was reimbursed by the Government of India. The expenditure incurred on Relief and Rehabilitation proper amounted to Rs. 6,71,69,278 and Rs. 3,55,73,414 respectively. In addition, a total sum of Rs. 3,51,02,082 was advanced to the displaced persons on account of various kinds of loans during the year. Rs. 31,35,81,602 was the sum total of balances of loans as on 31st March, 1957. The amount and the number of cases in which recoveries were due upto 31st March, 1957 and also the yearwise break up of the outstandings could not be indicated as the same were not furnished by the State Govrnment.

The expenditure incurred on account of pay and allowances of officers and establishment at Head Quarters as well as in the districts and camps and also on account of staff connected with the administration of different schemes amountd to Rs. 1,20,87,301 as shown below:—

										Rs.
Staff at Head Quart	ers (C	alcut	ta)	•					•	18,91,459
Staff in Districts		•	•		•	•	•	•		27,05,377
Staff in camps .			•		•			•		50,12,555
Staff on account of	differ	onts	hemes	•	•	•	•	•	•	24,77,910
							Тот	AL	•	1,20,87,301

Expenditure on staff works out at 8.8 per cent. of the amount spent on relief and rehabilitation proper including the amount advanced as loans. Corresponding percentages in the previous four years were as follows:—

Year.							Percentage.
1952-53 .							9-1
1953-54 .						•	7.2
1954-55 .					•		8.5
1955.58		_					7.3

39. Secret Service Expenditure.— The accounts of expenditure treated under the orders of Government as on Secret Service are not subjected to scrutiny by the audit. The Administrative Officers furnish periodical certificates of disbursement in this regard to the Audit Office in the prescribed form. The expenditure incurred on this account during the year amounted to Rs. 3,35,448 and was booked under Grant No. 3—State Excise Duties (Rs. 23,120), Grant No. 16—Police (Rs. 2,98,578) and Grant No. 43—Extra-ordinary charges (Rs. 13,750). Out of this total amount, requisite certificates of disbursement were received in respect of Rs. 3,21,696. Certificates for the balance (Police—Rs. 2 and Extra-ordinary charges Rs. 13,750) have not so far (October, 1957) been received in audit.

- 40. Outstanding Audit Objection.—45,418 items of objections relating to the accounts for the period upto March, 1957 were outstanding in the books of the Audit Office on the 31st July, 1957. Their money value amounts to Rs. 3,890-50 lakes. Some of these items date back to periods as far book as 1947-48 (Postpartition) and include the following types of irregularities:—
 - (a) Want of estimates.
 - (b) Excess over estimates.
 - (c) Want of detailed bills in final adjustment of advance payments.
 - (d) Want of disbursement certificates, payees' receipts, etc.
 - (c) Want of stock certificates.

The following are the departments or Major heads which have comparatively heavy outstandings:—

Sorial No.	Dep	artn	ient.				No. of stems.	Value in lakhs of Rupces.	
1		5	2					3	4
1.	Goneral Administration		•			•		3,301	165.71
2.	Famine		•	•	•			2,428	289-38
3.	Food							652	412 87
4.	Home Transport .				•			5,159	133.26
5.	Agriculture							983	77-20
6.	Development Department							2,028	718-20
7.	Department of Health							656	226.39
8.	Works and Buildings .						•	8,297	764-16
0.	Irrigation and Waterways							1,602	474.13
10.	Development (Roads)						•	477	130 46
11.	Education				•			3,566	65.93
12.	Refugee, Relief and Rehal	bilit	ation]	Depai	rtment	•		9,915	248-85

Special measure may be taken by Government to clear up the outstanding objections by furnishing the Audit Office with necessary sanctions. explanations, countersigned bills, payee's receipts and other documents.

41. Local Audit and Inspection.—During the year under review, the initial accounts of 791 offices and institutions, stated below, were test-audited:—

(a) Public Works Department (including Construction	nt Offic Board	es Divi	sions	and	Irriga	tion	Divisi	ons)	66
(I) Museumieu				•	•	•	•	•	12
(c) Other Civil Offices .		•	•	•	•	•	•	•	713

The more important types of common irregularities, some of which are still persisting inspite of the steps reported to have been taken by the Departments of Government, are briefly indicated below:—

(a) Public Works Department-

- (i) Abnormal delay in the settlement of remittance and suspense transactions.
- (ii) Delay in according sanctions to estimates and also in regularising excesses over estimates.
- (iii) Arrears in stock accounts.
- (iv) Materials at site accounts not written up completely or not closed properly, e.g., successive receipts and issues of materials of considerable value collected at the site of works have remained unrecorded and unused balances have not been worked out in some cases.
- (v) Register of Major Works not written up completely, or not closed properly, e.g., the column for Appropriations for the year was not filled in, or the estimated quantities and costs were not mentioned under each sub-head, or the entries made were not attested by the Divisional Officer in token of his review.
- (vi) Contractors' ledgers not maintained properly, e.g.—
 - (a) Outstanding balances of the previous year have not been brought forward in many cases;
 - (b) Ledger accounts were not balanced monthly in many cases.

(b) Treasuries—

- (i) Rules for safe custody of non-treasury pad-locks and keys were not observed in some cases.
- (ii) Register of Government Promissory Notes was not properly maintained in some cases.
- (iii) Register of Gazetted Officers' salary was not maintained properly in accordance with rules.
- (iv) In some cases there had been delay ranging from three to ten days in incorporation of sub-treasury daily sheets in the accounts of the district treasury.
- (v) Register of retrenchment orders was not maintained in some cases, and the retrenchment orders issued by the Accountant General were not acted upon in a number of cases.
- (vi) Rules regarding maintenance of the register of pension payment orders and verification of pensioner's signature on the vouchers with the specimen signature were not observed in some cases.
- (vii) Rules regarding attestation of entries in the Receipt Register and Repayment Register of revenue deposits and quarterly review of these registers were not observed in some cases.

(c) Other Civil Offices-

1. Land and Land Revenue-

- (i) In some offices entries in the Cash Book were not attested in token of check with counterfoils of receipts, bill registers, etc. There were overwritings and unattested corrections in the Cash Book.
- (ii) Rents due from the occupiers of requisitioned premises were found to be in arrears in many cases both in Calcutta and in the districts. In Calcutta alone the arrears of rent due on 31st March, 1956 from Government servants and private persons stood at Rs. 43,814 and Rs. 78,725 respectively.

2. Education—

- (i) As mentioned in previous report, this year also sums were drawn in several cases, from the treasuries though not required for immediate disbursement, apparently to avoid lapse of budget grant.
- (ii) Grants were paid to some schools, although the prescribed conditions were not fulfilled.

3. Health -

(i) In several hospitals and health centres stores were not periodically verified, as required under the rules.

4. Agriculture—

- (i) Amounts advanced to departmental officers for meeting contingent expenditure remained unadjusted for a long time. In one district alone, the amount of such unadjusted advances on the 31st October, 1956 stood at Rs. 30,244, out of which Rs. 9,996 related to the year 1955-56. Again, a sum of Rs. 19,050 was lying unadjusted against one Departmental Officer only.
- (ii) Heavy outstanding dues on account of sale of pumping plants, hire charges of tractors, big grower's loan, fertiliser loan, cost of seeds and manures etc., issued by the Demonstration centres continued to remain unrealised for a long time. In one district alone, the outstanding dues as on the 31st March, 1957 amounted to Rs. 11,73,312.
- (iii) In some districts, damaged articles and such surplus stores as were no expected to come to any further use (e.g., Persian wheels, etc.) were lying in stores without necessary action for their disposal to the best advantage of Government.
- (iv) Handling or godown shortages, in excess of permissible limits, were noticed in some of the district stores, the value of shortages being neither recovered nor written off in some cases.

5. Fisheries—

- (i) In some cases, there was no record to show whether the loans were utilised for the purpose for which they had been sanctioned.
- (ii) No appreciable progress had been made in the recoveries of outstanding loans. In one district alone, a sum of Rs. 25,780 was outstanding against the loanees on the 31st March, 1958.
- (iii) Stock Balance of Stores, etc., was not physically verified.

6. Famine Relief-

- (i) In many offices entries in the Cash Book were not attested by the Officer-in-Charge in token of check with counterfoils of receipts, etc. In some cases the Cash Books were not closed daily.
- (ii) Muster rolls in support of distribution of relief (both in cash and kind) were wanting in many cases.

7. Development—

- Security deposit was not taken in many cases from persons handling cash and stores.
- (ii) There were huge outstandings in the recoveries of various kinds of loans in the C. D. P. and N. E. S. blocks. In one case only, the outstanding dues amounted to Rs. 37,172 on the 30th November, 1957.
- (iii) In several cases, there were no records to show that the loans were utilised for the purpose for which they were granted.
- (iv) Neither any stock account of the stores nor any inventory register for articles of dead stock was maintained in many of the C. D. P. and N. E. S. blocks.

8. Refugee, Relief and Rehabilitation—

- (i) Departmental officers were found to retain cash in excess of the normal requirement.
- (ii) In many cases, payment of loan was made either without any loan bonds or against incomplete or defective loan bonds.
- (iii) Amounts, exceeding the limit prescribed by Government were advanced at one time to some non-gazetted officers for disbursement of loan.
- (iv) In many cases, no attempt was made to ascertain whether the loans were utilised for the purpose for which they were given.
- (v) No appreciable progress had been made in the recoveries of outstanding loans over what was mentioned in the last report. To cite one instance, out of a total sum of Rs. 1,01,14,738 due for recovery on the 31st July, 1955 in one sub-division only a sum of Rs. 80,865 had been recovered upto 31st August, 1956.

9. Industries—

- Employment of labourers in excess of requirements for cultivation of land.
- (ii) Irregular payment of cash allowance to Sardars.
- (iii) Security Deposits were not taken from the Sardars, Cashier, Manager and Store-keepers.

42. Disposal of Inspection Reports.—All important irregularities and defects in accounts noticed during local audit and inspection are included in Inspection Reports and sent to Departmental Officers for necessary action. The points mentioned therein should receive their special attention and are to be settled expeditiously so that the irregularity may not persist or recur. That this was not done to the required extent is indicated by the fact that as many as 3,013 Inspection Reports with 16,843 items some of which date back to periods as far back as 1948-49 still remain outstanding upto the end of July, 1957. The names of the departments with comparatively heavy outstandings are shown in the table below:—

Seria No.	I			Depa	rtmer	ıt				:	No. of Inspection Reports	No. of Items
1							3	4				
1.	Rofugee, Re	lief	and F	Rchab	 ılıtati	on De	par tr	ucnt		•	1,042	6,737
2.	Education			•	•		•				298	1,463
3.	Food .								•		205	1,177
4.	Agriculture		•	•							176	1,087
Б.	Medical						140	724				

- 43. Audit of Grants-in-aid.—The Examiner, Local Audit Department, who conducted the audit of grants-in-aid paid to Ditrict School Boards, District Boards and Municipalities, has certified that the grants which have been paid to the end of 1955-56 and audited by him were found to have been utilised properly in accordance with the prescribed conditions subject to the following exceptions:—
 - (1) In the cases of 134 grants relating to the District School Boards aggregating Rs. 1,63,99,443, unspent balances to the extent of Rs. 73,54,278 remained outstanding at the end of the year. The above figures, however, exclude cases where the unspent balances fell below 10 per cent. of the total amount of each individual grant.
 - (ii) A sum of Rs. 19,959 was paid to one District Board as augmentation grant during the year on condition that the District Board would make substantial contributions to the Union Boards out of the grant. But it was noticed that no amount had been paid to the Union Boards during the year.
 - 44. Delays in the submission of Returns and Accounts to the Audit Office-
- (i) Annual Establishment Returns.—Under the rules a detailed statement of the non-gazetted establishment (known as Annual Establishment Return) as on the 1st April of each year should be prepared by the Heads of Offices and transmitted to the Accountant General not later than the 15th May of that year. As these Returns are essential for proper audit of the pay bills of non-gazetted establishments, for the check of their increments and for verifica-

tion of service for pension, delays in their submission seriously affect the work of the audit office. It is, therefore, essential that the returns should be submitted to the audit office punctually on the due dates.

Although delays in the submission of this return on the due date have been mentioned in the successive reports, improvement has not been achieved to the desired extent.

- (ii) Accounts by Treasuries and Divisional Offices.—Out of 16 treasuries and 89 Public Works and Irrigation Divisional Offices under the different departments of Government which furnished monthly accounts to the Audit Office during the year, 9 Treasuries and 4 Divisional Offices made delays over five days in the despatch of their accounts. The delay exceeded even 15 days in some cases. Delay in submission of the returns adversely affect the progress of work in the Accounts and Audit Office.
- 45. Wanting Proforma Accounts and Store Accounts.—The importance of furnishing the Proforma Accounts and Stores Accounts for incorporation in the Appropriation Accounts of the year has been stressed in the previous reports. The details given below would show the position as on the 15th April, 1958. Special measures to bring the undermentioned accounts up-to-date may be taken by Government.
 - 1. State Transport Services, Calcutta
- The accounts for 1955-56 were received in January, 1958 but due to non-receipt of replies to Audit Query Statements issued for rectification of errors and omissions detected in course of scrutiny the accounts could not be certified by the end of April, 1958. The accounts for 1956-57 have not been received.
 - 2. Barrackpore Baraset Electric Supply
- The accounts for 1954-55 and onwards have not been received as yet.
- 3. North Calcutta Rural Electrification Scheme and Diesel Electric Pool.
- The accounts for 1953-54 and onwards have not been received.
- 4. Cooch Behar Electric Supply .

Do.

- 5. Scheme for the production of Shark Liver Oil, etc.
- The accounts for 1950-51 to 1962-53 were received; but as they were not in proper form, these have been returned for resubmission after due completion. The accounts for 1953-54 onwards have not yet been received.
- 6. State Transport Service, Cooch Behar.
- Accounts for 1952-53 were received but as they were not in proper form these have been returned for resubmission after due completion. Accounts for 1953-54 onwards have not been received.
- 7. Scheme for sea-fishing with the help of Danish and Japanese cutter.
- As reported in the previous year, no accounts have been submitted to audit since the inception of the scheme in 1949-50.
- 8. Scheme for supply of Toncd milk.
- The revised accounts for the period upto 1954-55 have not yet been received. The accounts for 1955-56 and 1956-57 since submitted were not also in proper form. The revised accounts are still awaited.
- 9. Scheme for manufacture of butter and ghee.
- The accounts for 1950-51 and onwards have not yet been submitted by the Department in proper
- 10. Livestock Research-cum-Breeding Station at Haringhata.
- form.

 As reported in the provious year no proforma accounts have been received.
- 11. Brooklyn Ice Plant and Cold Storage.
- 12. Silk Reelers' Cooperative Organisation.
- 13. Scheme for Industrial Centres

Do.

14.	Kanchrapara Scheme.	Area	Development

As reported in the previous year the *Proforma* accounts have not yet been received as the question of the form of accounts and the office which should maintain them are under the consideration of Government.

- 15. Proforma Accounts for State Trading on Rice and Paddy.
 - The accounts for 1955-56 and 1956-57 are in arrears and have not yet been submitted to audit.
- Manufactory Department of the Presidency and Central Jails in West Bengal.
- The accounts for 1955 submitted by the Department have been returned to them for rectification of certain mistakes. The accounts for 1956 since received are under scrutiny and awaiting certification pending finalisation of the accounts for 1955.
- 17. Proforma Accounts of "huts" under State management.
- Inspite of repeated reminders, the accounts have not been submitted to audit as yet.
- 18. Land Mortgage Banks .
- The accounts for the year ending June, 1957 have not yet been received.

Store Accounts.

- Consolidated Store Accounts of the Intensive Food Production Schemes under the Directorate of Agriculture.
- The Accounts for 1955-56 and 1956-57 which were received in December, 1957, have been returned to the Department for resubmission after amending the defects.
- Consolidated Store Accounts of the Principal State Hospitals in West Bengal.
- The accounts for 1956-57 have not yet been received.
- 21. Store Accounts of Home Publicity Department.
- The accounts for the year 1956-57 have not been received.
- 22. Store Accounts of the Jail Depot .
- The accounts for 1956 have recently been received and are under scrutiny.
- 46. Debt position of Government.—The debt position of the Government of West Bengal at the end of the year under review is referred to in detail in paragraph 12 on pages 24-26 of the Audit Report on the Finance Accounts for 1956-57. It will be seen therefrom that the net liability of the State Government at the end of the year amounted to Rs. 1,46,59-58 lakhs as shown below as against Rs. 1,19,87-23 lakhs in the preceding year.

		In lakhs of Rupecs										
1. Permanent Debt	1. Permanent Debt											
2. Floating Debt											• •	
3. Loans from the Central Government											1,62,95.64	
4. Unfunded Debt		•					•				6,83.14	
Deduct—							Total	Liab	ilit y	•	1,91,84-20	
5. Loans and Adva	nces	by th	e Sta	te Go	vernn	nent					45,24-62	
							Net	Liabi	ility	•	1,46,59.58	

Item 1.—Permanent Debt.—This represents the open market loans raised by the State Government to finance projects involving capital expenditure. Of this amount, a loan (4 per cent. West Bengal Loans, 1968) for Rs. 7,11.47 lakhs was raised from the open market during the year under review.

For the redemption of all these loans a sum equal to 1½ per cent. of the total nominal amount of the loans is set apart to form a Depreciation Fund for purchasing the securities of the loans for cancellation. In addition to the Depreciation Fund, an annual contribution is made to the Sinking Fund for amortisation of the loans at such rates as the Government may deem necessary from time to time. During the year under review a sum of Rs. 22·40 lakhs was adjusted to the Depreciation Fund and a sum of Rs. 84·72 lakhs to the Sinking Fund. A sum of Rs. 8·55 was also received as interest on the investments made previously.

Interest on these loans is paid out of the current revenues and the amount paid during the year was Rs. 67-33 lakhs.

Item 2.—Floating Debt.—There was no transaction during the year under review.

Item 3.—Loans from the Central Government.—The details of the loans taken from the Central Government appear in paragraph 11 (Part B) of the Finance Accounts for 1956-57. Government did not consider any amortisation arrangement necessary for the repayment of these loans.

The total repayment of principal actually made during the year was Rs. 1,12.87 lakhs. Certain instalments due on loans for Rehabilitation of Displaced Persons, for Grow More Food Schemes relating to Chemical Fertilisers and for Handloom and Khadi industries were, however, not paid during the year.

The interest charges on these loans paid by the State Government during the year out of the current revenues amounted to Rs. 4,73.04 lakhs.

Item 4.—Unfunded Debt.—This is the sum total of the balances outstanding under the various Provident Funds. A sum of Rs. 24:37 lakhs was paid as interest on the balances.

Item 5.—Loans and Advances by the State Government.—The details of the loans and advances granted by the State Government to local bodies, cultivators and private individuals, etc., are given in statement No. 5 (Part B) of the Finance Accounts for 1956-57. The interest received by Government in respect of such loans and advances amounted to Rs. 21·16 lakhs.

The total net charge on the revenues of the State during the year on account of service of debt is Rs. 6,52.07 lakhs as shown below:—

						(In La	khs of Rupees)
Contribution to Sinking Fund .			•				1,07.12
Interest on Permanent Dobt			•				67.33
Management of Debt, etc						•	1.37
Interest on Floating Debt							• •
Interest on loans taken from the Centra] Gov	ernn	ent			•	4,73.04
Interest on State Provident Fund Balar	ecs		•	•		•	24 37
				Тот	ΑĽ		6,73.23
Deduct_Interest realised by Govern	ment	on	State •	Los ·	ns.	and •	21.16
			Net ('HAR(æ		6,52.07

This works out to 11.3 per cent. of the revenues of the State for the period.

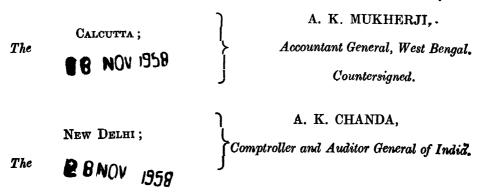

- 47. Division of the Assets and Liabilities of Undivided Bengal between East and West Bengal.—During the year under report no further progress was made towards the implementation of the Awards made by the Arbitral Tribunal which had been set up in accordance with the Arbitral Tribunal Order, 1947, dated the 12th August, 1947.
- 48. Investment.—(a) The State Government invested a total amount of Rs. 1,70,000 for purchasing shares of a Joint Stock Company known as "The Bengal Salt Company" during the years 1950-53. Since then no further investment thereon has been made so far.
- During the year 1956-57, the State Government participated in the Share Capital of some Co-operative Societies for rendering financial assistance for their expansion and invested Rs. 2,60,000 with Messrs. Mecawo Co-operative Industrial Society Limited, Madhyamgram, 24-Parganas, Rs. 2,16,178 with a number of Agricultural Marketing Co-operative Societies situated on the various parts of the State and Rs. 12,500 with the West Bengal Central Fishermen's Co operative Limited. The details of the above investments have been shown in Appendix I at pages 443-445.
- (b) West Bengal Financial Corporation.—The accounts of the Corporation for the year 1956-57 have been audited as required under the proviso to section 37(6) of the State Financial Corporation Act, 1951 (LXIII of 1951). The Profit and Loss Account, Profit and Loss Appropriation Account and the Balance Sheet have been set forth in Appendix II (Pages 446-450).

The gross earnings of the Corporation for the year came to Rs. 4,19,502 as against Rs. 3,45,173 in the preceding year out of which a sum of Rs. 2,68,681 represented the interest earned at rates ranging from 2-7/16 per cent. to 4 per cent. per annum on short-term deposits, Treasury Bills and Government securities, etc. The balance of Rs. 1,50,822 was the interest at 6 per cent. per annum, earned on loan-investment. Of this, Rs. 37,922 roundly, represented the interest on fresh loans disbursed in the year under audit; and the rest on loan-investments of the previous year.

The net profit for the year after deduction of a sum of Rs. 1,30,000 on account of provision for taxation, came to Rs. 1,63,965. From this, the sums of Rs. 14,000 and Rs. 19,000 respectively were transferred to the "General" and "Investment" Reserve, leaving a balance of Rs. 1,30,965 available for distribution as dividend. As this sum proved insufficient to meet the guaranteed dividend of Rs. 3,50,000 at 3½ per cent. per annum, the State Government made good the deficiency of Rs. 2,19,035 as against Rs. 2,53,552 in the preceding year under Section 6 of the Act. As already stated in paragraph 48(b) on page 49 of the Government of West Bengal, Appropriation Accounts, 1955-56 and the Audit Report, 1957, there still remains the urgency of intensifying loan-investments and other remedial measures, so as to eliminate this element of recurring liability to the State.

In reply to the above comments the Government stated in December, 1957 as follows:—

"The State Government are keenly alive to the fact that the Corporation is lagging considerably behind the target of self-sufficiency and that the present large annual subvention may not be withdrawn, unless the Corporation's volume of loan transactions, the velocity of turn-over as well as the rate of investment, are raised to the requisite level. The Corporation has already approached this Government for permission to augment its resources by raising a Debenture loan of Rs. I crote and the matter is being finalised in consultation with the Central Government. Once this additional capital is secured and fruitfully invested, the profit-earning capacity of the Corporation will increase substantially, thereby reducing the need of the present heavy rate of subvention. The State Government have also felt that the recurring annual administrative charges (Rs. 1-5 lakhs) are too heavy, regard being had to the volume of current business and the velocity of investment and recovery. They propose to issue a suitable directive to the Corporation to make an all-out effort to reduce their administrative and overhead expenses substantially."

PART II.

Appropriation Accounts of sums expended during the year ending on the 31st March, 1957 compared with several sums specified in the schedules of the West Bengal Appropriation Acts (West Bengal Acts VIII of 1956 and V of 1957) passed by the Legislature under Articles 204 (1) and 205 (1) of the Constitution of India.

NOTE 1.—(a) Charged items in the Accounts are shown in italics.

- (b) In the Accounts-
 - 'O' stands for the original grant or appropriation.
 - 'S' stands for the supplementary grant or appropriation.
 - 'R' stands for residual modifications in the grant or appropriation as may have been sanctioned by a competent authority (i.e., reappropriations, withdrawals or surrenders).
- (c) The figures shown in the second column of the accounts against all sub-heads are the figures as they stand after all modifications including withdrawals or surrenders. But the figures shown in the same column against 'Totals' represent merely the totals of the original and supplementary grants, unaffected by withdrawals or surrenders. In order to neutralise the effect of reductions made in the charged or voted provision under different sub-heads on account of withdrawals or surrenders a sub-head "Surrenders or withdrawals within grant or appropriation" is opened, where necessary. To distinguish this sub-head from ordinary sub-heads, no letter is prefixed to it.
 - Note 2.—(a) Expenditure in England is provided for in the respective subject demands.
- (b) The detailed Appropriation Accounts of expenditure incurred in England have been furnished by the Chief Accounting Officer to the High Commissioner for India. They have been included in the individual Appropriation Accounts of the Grants concerned.
- (c) Expenditure incurred in England was converted into Indian Currency at the flat rate of exchange, viz., Rs. 13-5-4 to the pound at which rate also the estimates were framed. The figures shown against "Loss or Gain by exchange" represent the difference between the average market rate of exchange and the flat rate. "The loss or gain by exchange" in respect of transaction of Commercial Department and Capital Major Heads are taken in the minor head" Loss or gain by exchange" under the relevant major heads concerned while such loss or gain in respect of transactions of all revenue and service heads are adjusted in lump under the minor head "Loss or gain by exchange" subordinate to the major head 57/XLVI—Miscellaneous.
- Note 3.—No explanation is given for variations between the original grant and the final appropriation under individual sub-heads. The note under a sub-head mainly explains divergencies between the final figures in cloumn 2 and the actual expenditure in column 3, the difference between which appears in column 4. No amounts or percentages are prescribed for explaining those divergencies. Explanations of variations in respect of those cases only which are likely to be required by the Public Accounts Committee are included.

REVIEW.

In the charged section, a supplementary appropriation of Rs. 1,000 was obtained to meet certain Court decrees. A sum of Rs. 600 was surrendered reducing the saving to Re. 1 in the final modified appropriation. In the voted section, the original grant of Rs. 5,25,000 was augmented to Rs. 5,44,000 by the supplementary grant of Rs. 19,000. The saving of Rs. 10,347 was 'educed to Rs. 1,647 by the surrender of Rs. 8,700.

2. The total net receipts and expenditure of the department for the last five years are given below. The expenditure excludes charges on account of pensions and the cost of services rendered by other service departments, e.g., the Public Works Department and Stationery and Printing.

REVIEW.

There was a supplementary appropriation of Rs. 500 in the charged section against which no expenditure was incurred. The saving was reduced to Rs. 442 by a surrender of Rs. 58. In the voted section the original grant was Rs. 4,89,88,000 against which the expenditure amounted to Rs. 3,52,33,833 resulting in a saving of Rs. 1,37,54,167, which was reduced to Rs. 10,52,636 by the surrender of Rs. 1,27,01,531.

- 2. The explanations of variations in respect of the sub-heads A.-5, A.-6, B.-1, B.-2, B.-4 (Voted), and B.-5 could not be incorporated as the same were not furnished by the controlling officers.
- 3. The total net receipts and expenditure of the department for the last five years are given below. The expenditure excludes charges on account of pensions and the cost of services rendered by other service departments, e.g., the Public Works Department and Stationery and Printing. The expenditure also excludes the major portion of the charges of collection of land revenue which is debited to "25.—General Administration".

REVIEW—concld.

Voor	Year.										nds of Rupees.
1 ear.										Receipts.	Expenditure.
1952-53			•							2,04,60	39,92
1953-54			•							2,17,30	47,59
1954-55										1,20,02	1,39,86
1955-56										3,89,85	2,41,30
1956-57										4,44,23	3,52,34

- 4. Delay in the recoupment of permanent advance and refund of the amount held in excess.—The local audit of a certain office conducted in April, 1957 revealed the following irregularities in connection with the permanent advance held by it:—
- (i) As the permanent advance of Rs. 1,000 was found to be much in excess of requirement Government in May, 1955 reduced this amount to Rs. 100 and ordered the department to refund the balance of Rs. 900. The authorities, however, refunded only a sum of Rs. 400 on 30th March, 1957. The balance of Rs. 500 still (April, 1958) remains to be refunded.
- (ii) Advances granted as far back as 1915-46, to the Government pleaders and others remained unadjusted and unrecouped to the extent of Rs. 419-2-0 even after the lapse of 11 years. In spite of the previous advances remaining unadjusted and unrecouped, further advances were granted to the same persons.

REVIEW.

The original grant of Rs. 40,39,000 was augmented to Rs. 40,97,000 by a supplementary grant of Rs. 58,000 against which the expenditure was Rs. 40,33,377 resulting in a saving of Rs. 63,623. The surrender of Rs. 27,000 reduced the saving to Rs. 36,623.

2. The total net receipts and expenditure of the department for the last five years are given below. The expenditure excludes charges on account of pensions and the cost of services rendered by other departments, e.g., the Public Works Department and Stationery and Printing:—

										In Thousar	ids of Rupees.

- (i) In November, 1949 it was reported that money used to be received by a clerk from the licensees on account of fees and other Government dues was misappropriated by him for several years from 1944-45.
- (ii) In February, 1951 it was reported that 154 excise cases were disposed of by a Sub-Inspector of a Circle stating that the accused were convicted by the Court but the relevant records of the Courts concerned showed that the cases were not sent upto Court at all. It was further reported that if the Sub-Inspector had dealt with the cases in accordance with the practice and procedure of the Department, Government would have derived a revenue of Rs. 1,481.
- 930 It was stated in March, 1957
 that the clerk concerned was
 convicted by the Court and
 dismissed from Government
 service. The loss was written
 off in March, 1957.
- 1,481 It was stated in December, 1953
 that the Sub-Inspector concerned was acquitted by the
 Court. It was further stated
 in October, 1954 that necessary instructions had been
 issued to all officers to prevent
 recurrence of such losses.
 The loss was finally written
 off by Government in May'
 1967.

REVIEW-concld.

(b) The departmental inspection of the accounts of a foreign liquor licensee conducted in May, 1952 disclosed that in a number of cases the licensee did not enter in his accounts the stock received from different foreign liquor licensees and thereby defrauded Government to the extent of Rs. 23,385. Thereupon the licensee was criminally prosecuted and sentenced to pay a fine of Rs. 450. It was stated in July, 1955 that a sum of Rs. 1,950 had been realised by the sale of the stock seized from his shop. As regards the balance it was stated in September, 1957 that attempts were still being made for realisation of the dues through certificate proceedings.

Just after the detection of loss, the Directorate issued an executive instruction with a view to preventing recurrence of similar losses.

4. Remission of Revenue.—Remission of revenue aggregating Rs. 6,143 was sanctioned by the competent authorities during the year on the following grounds:—

(i) Non-realization of Community days from Alexander and Loring	Rs.
 (i) Non-realisation of Government dues from the assesses not having sufficient assets inspite of legal steps taken against them (four cases) 	5,351
(ii) Abandonment of demand in respect of an Excise shop near the Pakistan border following introduction of the passport system leading to loss of customers for the shop (one case)	792
Total .	6,143

The above figure excludes individual remission below Rs. 500.

5. Stock Account of Excise Opium for 1956-57-

					Mds. Srs. Ch			•

4. Losses, writes-off, etc.—

(a) Two cases of misappropriation of Government money amounting to Rs. 734 and Rs. 359 by a Government servant in charge of cash came to light in a departmental office in July, 1952. The accused (since dismissed from service) was tried in a Court and found guilty of criminal breach of trust in respect of Rs. 624 and Rs. 359 only and was convicted for each charge with a sentence of 3 years' R. I. running concurrently, and a fine of Rs. 1,000 (subsequently set aside by the Hon'ble High Court on appeal) and of Rs. 500 respectively and in default R. I. for six months more.

Information regarding the recovery or write-off of the loss involved is still (September, 1957) awaited.

(b) In January, 1951 it came to the knowledge of a departmental officer that the remittance of Rs. 3,267 purported to have been made by a Co-operative Multipurpose Society into a treasury on 24th June, 1948 in payment of the value of the articles supplied by the Department to the said Society during the period from 27th May, 1948 to 13th June, 1948, was not a genuine one.

In August, 1951 the investigating Police Officer declared the case to be a non-cognizable one. A civil suit was instituted against the Co-operative Society concerned in January, 1954 (gone into liquidation) and an ex-parte decree for the entire amount with cost of Rs. 414—plus interest @ 10 per cent. per annum thereon was awarded by the Court in August, 1954 in favour of the State Government. It is not known whether any recovery has been made up till now (August, 1957) from the Liquidator of the Co-operative Society. The report of departmental investigation has also not been made available to Audit.

Financial Review of Siliguri Band Saw Mills, for the year 1956-57.

In presenting herewith the profit and loss accounts and Balance Sheet of the Government Saw Mills at Siliguri for the year 1956-57, I have to report that the profit of the year under review amounted to Rs. 87,356 as against a profit of Rs. 66,968 in 1954-55 and a profit of Rs. 75,456 in 1955-56.

The working of the year under report was satisfactory on the whole. The Saw Mills was closed for 39 days (for annual overhauling and stock taking, etc.) apart from Sundays and Mill holidays.

Timbers were sold to the Railways in considerable quantities in the form of sleepers and to various other departments of this State. Timbers were also sold to casual purchasers at scheduled rates and the balance at public auctions which were conducted thrice a month starting from the 1st April, 1956.

The Mill worked in single shift during the year and outturn of the sawn timber was 1,54,622 c.ft. as against 1,68,915 c.ft. in 1955-56 and 1,64,718 c.ft. in 1954-55.

Total volume of the timber sold during the year was 1,68,323 c.ft. as against 1,92,446 c.ft. in 1955-56.

B. C. Mukherjee, Manager, Siliguri Band Saw Mills.

There was a saving of Rs. 7,59,032 in the Charged Appropriation. The surrender of Rs. 5,97,074 reduced the saving to Rs. 1,61,958.

In the Voted section the original grant of Rs. 4,65,63,000 was augmented to Rs. 4,88,51,000 by a supplementary grant of Rs. 22,88,000 against which the expenditure for the year was Rs. 4,30,30,133, resulting in a saving of Rs. 58,20,867.

- 2. The charges on account of Establishment under the Administrator, Mayurakshi Reservoir Project were initially booked in the accounts for the year 1956-57 under the sub-head K. 4. After the close of the year, the charges were distributed equally to sub-heads K.-1(a)-3 and K.2(3) under orders of the Government.
- 3. The reasons for the final variations under sub-heads A. 8, B. 2(1), I'.2(2), C. 4, C. 6(1), C. 6(2), C-7, C. 8(2), C. 9, C. 11, D. 1, D. 3, D. 4, D. 5(1) D. 5(3), D. 6, D. 7, D. 8(1), D.8(2)(I), D. 8(3), D. 9, D. 12(1), D. 14, F. 5(2), G. 1, I, J(1), K. 1(a)1, K. 1(a)2, K. 1(a)3, K. 1(a)4, K. 1(a)-5, K. 1(b)1, K. 1(b)3, K. 1(b)4, K. 1(c), K. 2(1), K. 2(3), K. 2(4), K. 3, K. 4, I.-2, L-4 and L-5 have not yet been received from the controlling officers.
- 4. Establishment, tools and plant charges and charges in England of the Irrigation and Waterways Department.—The charges for general establishment including the establishment charges of the River Research Institute, ordinary tools and plant and charges in England were initially booked in the accounts for 1956-57 under the Major Head "18.—Other Revenue Expendiure financed from Ordinary Revenues". After the close of the year, share of expenditure on account of establishment of the Chief Engineer for supervision of the Mayurakshi Reservoir Project was debited Head "80-A.—Capital Outlay Major on Multipurpose Schemes " and the balances (excluding the establishment charges of the River Research Institute not being distributable on pro rata basis) distributed to the different irrigation projects under the Major Heads "XVII. -Irrigation, etc.-Working Expenses", "18.-Other Revenue Expenditure, etc.", "68.—Construction of Irrigation, etc., Works" in proportion to the Outlay on works under those heads. This allocation is technically called pro rata distribution. No provision for these charges is, however, made in the budget separately under the different major heads as the expenditure varies in proportion to the works Outlay under the system of pro rata distribution and consequently no effective control is possible. On the recommendations of the Public Accounts Committee it was, therefore, decided by Government that the provision for these charges should not be distributed throughout the budget but exhibited separately as sub-heads. The provision for charges in the budget was accordingly made as follows:---

Char	rges.				Major Head and Sub-head.				
General Establishment	•	•	•	•	18.—Other Revenue head D5(2).	Expenditure,	etc.—Sub-		
Tools and plant .	•	•	•	•	18.—Other Revenue head D-6.	Expenditure,	etc.—Sub-		
Charges in England	•	•	•	•	18.—Other Revenue head D11.	Expenditure,	etc.—Sub-		

REVIEW -contd.

The expenditure shown in the appropriation accounts under the above sub-heads was, however, actually distributed in the accounts under the different heads as shown in the statement below:—

^{5.} Mayurakshi Reservoir Project.—The Mayurakshi Reservoir Project is a multipurpose River Scheme financed from loans sanctioned by the Government of India. It comprises mainly (1) a dam across the river Mayurakshi at Massanjore, (2) a reservoir in the Santal Pargana, in Bihar, (3) Barrage across the rivers Mayurakshi at Tılpara Ghat, Kopai at Kultore, Dwarka at Deucha and Brahmani at Baidara, (4) Canals and distributories in the district of Birbhum, Murshidabad and Burdwan, (5) a plant for the generation of hydro-electric power at the Dam site at Massanjore.

The construction works have not yet been fully completed in respect of Barrage and Canals. As regards the Dam although major construction has been completed some appurtenant works still remain to be done. The major portion of the installation of the plant for the generation of hydro-electric power was completed during 1955-56. The power house was put into operation from 1956-57.

The acreage under canal irrigation in the Mayurakshi Project area was further extended during the year 1956-57. New lands measuring 1,038 acres were voluntarily brought under canal irrigation during 1956-57 as against 66,573 acres during 1955-56, 49,485 acres during 1954-55, and 6,560 acres during 1953-54. In addition 1,00,869 acres of land were compulsorily brought under Canal Irrigation during 1956-57 as against 1,43,361 acres during 1955-56 and 3,223 acres during 1954-55 by applying to them the Bengal Development Act which makes it obligatory for the cultivators to pay for the Canal water made available to them; resort to this measure was considered necessary by the State Government to secure adequate utilisation of available supplies of Canal water and a proper monetary return therefor.

Review-contd.

The expenditure incurred on the project during the year 1956-57 amounted to Rs. 74,70,642 and the upto date expenditure from the commencement of the project during the period from 1945-46 to the end of 1956-57 is Rs. 12,77,68,635 thereby exceeding the original estimate by Rs. 2,98,72,783. The revised estimates of the project were sanctioned in 1953 and contemplate a total expenditure of Rs. 16,11,24,316.

The project as a whole is expected to fetch from the seventh year after its completion a net revenue return of 4·14 per cent. exclusive of interest charges on capital outlay and is classified as a productive project. The revenue account of the project was opened in 1951-52, during the period 1951-52 to 1956-57, the revenue receipts amounted to Rs. 5,38,850 as against the revenue expenditure of Rs. 36,85,328 and interest charges of Rs. 2,44,68,189.

In the revised budget estimates for the year 1956-57, Rs. 35,60,000 were provided for as revenue on account of the project against which the actual realisations were Rs. 1,86,880. At the beginning of the year 1956-57 Rs. 5,65,879 were outstanding as water rates and at the end of the year the figure of outstanding water rates was Rs. 3,80,952. Further no assessment and recoveries of water rates appear to have been made in respect of land irrigated during 1954-55 and 1955-56 under the Bengal Development Act 1935. Special attention is necessary to ensure prompt assessment and collection of revenue each year.

6. The gross establishment charges of the Department of Irrigation and Waterways dufing the year 1956-57, excluding those incurred on special establishment entertained for River Research, the Mayurakshi Reservoir Project and the Kansabati Reservoir Project as well as for collection of revenue, amounted to Rs. 37.92 lakhs, i.e., 16.28 per cent. of the total works outlay of Rs. 232.98 lakhs.

An aggregate sum of Rs. 0.66 lakhs was recovered during the year on account of establishment charges for work done on behalf of private bodies etc. The net establishment charges amounted to Rs. 37.26 lakhs and were 15.99 per cent. of the works outlay.

7. Loss of cement due to long storage.—About 329 tons of cement were acquired and stocked in an Irrigation Sub-Division during 1950. Instead of consuming in the first instance the earlier stock of 1950, the Sub-Division used large quantities of cement from the later consignments obtained by it during the years 1951-52 to 1953-54 with the result that 54.65 tons of cement of the earlier stock of 1950 were found badly damaged and were declared unserviceable in November, 1953. The damaged stock worth about Rs. 3,826 was sold by public auction in April, 1954 for Rs. 460 and the resultant loss amounted to Rs. 3,366 approximately.

In April, 1955 it was stated that the bags containing the cement were stacked in a very small godown almost to the roof level thus rendering difficult any subsequent inspections of the stock to ensure that it did not deteriorate with the passage of time.

REVIEW—concld.

In 1956, the Department stated that "it is not reasonable to expect that stocks of cement will be stacked and restacked just to prevent damage. The damage necessarily or even materially is not due to stacking. The heavy fruitless expenditure and the loss of volume during the process would weigh out the little loss of 49 (should be 55) tons and would not have been commensurate with the anticipated theoretical gain".

Write off orders of Government are awaited (March, 1958).

8. Losses, Writes off, etc.—The following cases of loss reported to audit :—

Particulars.	Amount.	Remarks.
	Rs.	
(a) 21 drums of calcium carbide booked from Bombay in June, 1947 were lost in transit by railway.	562	Write off order was issued in November, 1956 upon the refusal of the railway authorities to entertain the claim which arose on a consignment booked more than eight years ago.
(b) In November, 1956 a Barkandaz of a Divisional Office after the encashment of a bill for Rs. 340, absconded.	340	The culprit could not be arrested. The write-off order is awaited still (August, 1957).

Annexure-A.

Suspense.

The minor head "Suspense" accommodates interim transactions in respect of which further operations (generally of payment or adjustment of value) are necessary before the transactions can be considered complete and finally accounted for. The operations in 1956 57 under this minor head were under three detailed heads; (i) Purchases, (ii) Stock and (iii) Miscellaneous P. W. Advances. The transactions under each of these detailed heads are explained below:—

- (i) Purchases.—When materials are received from a supplier, from another division or department for a specific work or for stock, their value is credited to "Purchases" so that, per contra, the cost may be included at once in the accounts of the work of stock. When payment is made, the head "Purchases" is debited. The head "Purchases", therefore, shows a negative (credit) balance which represents the value of stores, received but not paid for.
- (ii) Stock.—This head is charged with all expenditure connected with the acquisition of stock materials and with all manufacture operations. It is credited with the value of materials issued to works, or sold or otherwise disposed of and the balance of the accounts represents the book value of the materials in stock plus the unadjusted charges, etc., connected with manufacture.

ANNEXURE A .- contd.

Suspense-contd.

- (iii) Miscellaneous P. W. Advances.—These are of four kinds:—
 - (a) Sales on credit.
 - (b) Expenditure incurred on deposit works in excess of deposits received.
 - (c) Losses, retrenchments, errors, etc.
 - (d) Other items.

Total

31,048

36,74,860

32,34,617

4,40,243

4,71,291

Broadly speaking, the head is debited with all sums which are, eventually to be recovered. The balance under this head represents recoverable amounts.

The transactions under each unit of suspense during the year 1956-57 are exhibited below:—

7. Cooch Behar (Construction) Irrigation	1.	1,05,568	30,880		74,688
Total .	2,86,382	8,29,885	5,82,423	••	5.83,844

Stock accounts are received from the Executive Officers of the Irrigation and Waterways Department with certificates of vertification of balances. They are consolidated in the Accounts Office in the above form. The yearly registers of stock are examined at the time of local inspection. The increase in closing balances in the Divisions at 5 and 6 is due to less issue of materials.

Certificates of balances have not been received from any of the Divisions. 12 AGWB/58.

ANNEXURE C-concld.

REVIEW.

Expenditure on Works, Maintenance and Repairs appears under sub-heads A-8, A-9, B-1, B-2(1), B-2(2), C-1, C-4, C-6(1), C-6(2), C-7, C-8(1), D-1, D-3, D-4, D-8(1), D-8(2), D-8(2)I, D-8(3), D-9, D-12(1), F-1, G-1, I and J(i) of this grant. The figures of grant and expenditure for the year were as follows:—

								In thousunds of rupecs.
Original Grant						•		2,11,06
Final Grant	•				•			2,44,99
Expenditure			•					2.48,47

The expenditure was in excess of the original and final grant by 37.41 and 3.49 respectively. The excess over the final grant contributed by subhead D-4 partly set off by the savings occurring mainly under sub-heads B-2(1), D-9 and items 48, 49, 50 and 52 of the Annexure.

- 2. The number of major works in progress (included in the Annexure) during the year was 65. Out of these, expenditure on 4 works exceeded the canctioned estimate (vide items 9, 16, 37 and 47 of the Annexure) and expenditure on 11 works was incurred. Without sanctioned estimate (vide items 24, 28, 29, 31, 44, 52, 3 works under item 30 and 2 works under item 36 of the Annexure). Expenditure on 11 works was incurred for which there was no provision during the year (vide items 10, 11, 16, 17, 18, 19, 31, 35, 36, and 2 works under item 13 of the Annexure)
- 3. The reasons for the final variations under items 2, 7, 9, 11, 15, 16, 17, 19, 21, 25, 28, 30, 31, 33-41, 44, 46, 47, 48 and 50-52 were not received from the controlling officers.

Grant No. 11.—Interest on Ordinary Debt.

REVIEW.

In the charged section the original appropriation of Rs. 1,96,60,000 was augmented to Rs. 1,97,57,000 by supplementary appropriation of Rs. 97,000 against which the actual expenditure was Rs. 1,79,38,283 resulting in a saving of Rs. 18,18,717. The surrender of Rs. 18,11,800 reduced the saving to Rs. 6,917.

The voted grant of Rs. 1,000 remained unutilised.

2. The explanations of variations in respect of Sub-heads A.-4, B.-4 and D.-1-(1) in Col. 4 could not be included as the same were not furnished by the controlling authority.

REVIEW.

The original appropriation of Rs. 9,93,000 in the charged section was augmented to Rs. 10,65,600 by the supplementary appropriation of Rs. 72,600 against which the expenditure amounted to Rs. 10,46,618 resulting in a saving of Rs. 18,982. In the voted section the expenditure exceeded the original grant of Rs. 3,18,34,000 by Rs. 10,93,597. The bulk of the excess was mainly contributed by the minor head 'C' and the sub-head F.-(1)-6. The surrender of Rs. 4,60,905 increased the excess further to Rs. 15,54,502.

- 2. The reasons for variations in respect of the sub-heads, C.-(2)-(a), C.-(2)-(b), C.-(2)-(d), F.-(1)-8, F.-(2)-4, F.-(2)-5, F.-(3), G.-(1), H.-(2)-A-(1), H.-(2)-A-(4), H.-(2)-C and H.-(2)-C-(1) could not be incorporated as the same were not furnished by the controlling officers.
- 3 Losses, writes-off, etc.—One publicity van including cinema paraphernalia of an Audio-Visual Unit was destroyed by an accidental outbreak of fire on 21st September, 1954. The loss of Rs. 14,450 on this account was written-off by Government in December, 1956.
- 4. Misappropriation of Government money.—Misappropriation of Government money amounting to Rs. 24,770 by the Treasurer of a departmental office was detected in February, 1953. The misappropriation was committed during the period from July, 1951 to February, 1953. Two criminal cases were instituted against the accused. He was sentenced in one case to undergo R. 1. for two years and to pay fine of Rs. 3,500 or in default to suffer

REVIEW-concld.

R. I. for one year more. In another case he was sentenced to R. I. for 5 years and to a fine of Rs. 15,000 or in default R. I. for two years more. The convict preferred appeals in both the cases before the High Court. The High Court confirmed the orders passed by the original courts in respect of the fines. No fine could, however, be realised from the accused. Orders for the forfeiture of the Security Deposit of Rs. 3,000 furnished by him and also for the recovery of Rs. 6,000 from his two personal sureties were stated to have been issued in June, 1957.

It appears that non-observance of the following rules has facilitated the misappropriation:—

- (i) The chest was not provided with double locks of different patterns.
- (ii) Cash was not verified by the Officer-in-Charge by actual count.

As the Officer-in-Charge has since retired from Government service his pension has been reduced by Rs. 5 per month.

5. Infructious expenditure.—An appointing authority dismissed a permanent Government servant with effect from 1st August, 1950 without giving him a reasonable opportunity of showing cause against the action proposed to be taken in regard to him as required under Art. 311(2) of the Constitution. Thereupon the Government servant filed a suit in the High Court against the State claiming Rs. 16.250-2-0 for damages. On the advice of the Advocate General who was of the opinion that the case was likely to be decreed as the usual procedure for dismissing a Government servant had not been followed, the case was a micably settled for Rs. 12,000 and the payment therefor was made in August. 1956.

It was stated by Government in November, 1957 that the second "show cause" notice prior to passing the orders dismissing the Government servant was not served because the punishing authority felt that no useful purpose would be served by giving him a fresh opportunity in view of his earlier avowal in reply to first 'show cause' notice that he would abstain from taking part in the proceedings. It was further stated that neither the punishing authority nor the appelate authority could be held responsible for having caused loss to Government of the amount for which the suit was compromised as they did what they considered best in the exercise of their individual judgment.

6. Audit Comments on the Store Accounts of the Publicity Branch of the Home Department for 1954-55.

184 Radio sets and 189 Dry batteries valued Rs. 33,844 were found to have not been entered in the Stock Register during 1954-55 and consequently their value was not included in the Store Accounts.

REVIEW.

Out of the saving of Rs. 21,965 in the charged appropriation a sum of Rs. 20,461 was surrendered reducing the saving to Rs. 1,504. In the voted section the original grant of Rs. 83,21,000 was augmented to Rs. 88,29,000 by a supplementary grant of Rs. 5,08,000 against which the expenditure amounted to Rs. 84,47,292 resulting in a saving of Rs. 3,81,708. The surrender of Rs. 1,47,083 reduced the saving to Rs. 2,34,625.

- 2. Reasons for variations in Col. 4 in respect of the sub-heads D.-5, H.-5 and N could not be incorporated as the same were not furnished by the controlling authorities.
- 3. Remission of Revenue.—Sums of Rs. 64 and Rs. 15,436 representing respectively the amounts of Government decrees and decrees for Court fees in pauper suits were found irrecoverable and written off during the calendar year 1956 by the competent authorities.

REVIEW.

The saving of Rs. 4,27,601 was reduced to Rs. 874 by the surrender of Rs. 4,26,727.

2. Losses, writes-off, etc.—A stock of 102 mds. 35 srs. of rice obtained by the Jails Department through the Food and Supplies Department in February, 1955 at a cost of Rs. 1,581-11-3 was found unfit for human consumption at the time of taking delivery. Out of 102 mds. 35 srs., 19 mds. 11 srs. were found short on 9th June, 1956 and this shortage was stated to be due to dryage and destruction by weevils, and the balance of 83 mds. 24 srs. of rice was sold for Rs. 757-10-0 in June, 1956. The resultant loss of Rs. 824-1-3 was written off by Government in August, 1956.

It transpires that the bad quality was accepted only on provisional basis pending decision by higher authorities and that the supplying department did not agree to take it back later on.

The original grant of Rs. 7,15,32,000 was augmented to Rs. 7,16,81,000 by supplementary grant of Rs. 1,49,000 against which expenditure was Rs. 7,13,36,065 resulting in a saving of Rs. 3,44,935. The surrender of Rs. 1,99,600 reduced the saving to Rs. 1,45,335.

- 2. Explanations in respect of sub-heads B.-5 and E.-5 could not be included as the same were not received from the controlling authorities.
- 3. Losses, writes off, etc.—A sum of Rs. 11,571 representing the undisbursed pay, etc. of the staff and one revolver were stolen from a police armoury in April, 1953.

Departmental proceedings were drawn up against the four suspected constables as also against the two sentries who were on duty in the armoury at the time of the theft. The pay of the two sentries was subsequently reduced.

It was reported in August, 1957 that one of the four constables was dismissed from service, the increment of another was withheld for one year and the rest were found not guilty.

Government orders regarding the write-off of the loss are still (September, 1957) awaited.

4. Sub-head C.-5(3).—A loss of Rs. 1,540 has been written off during the year. The details of the loss were mentioned at Page 27 and Page 129 of the Appropriation Accounts for 1955-56.

^{*} The High Commissioner's final grant is Rs. 1,49,160. The difference is due to certain re-appropriations not being noted by him.

^{**} Against this, the High Commissioner's figure is Rs. 1.22.-040. The discrepancy is under reconciliation with the High Commissioner's Office.

The original grant of Rs. 9,16,27,000 was augmented to Rs. 10,24,85,000 by a supplementary grant of Rs. 1,08,58,000 against which the expenditure for the year amounted to Rs. 10,07,87,820 resulting in a saving of Rs. 16,97,180.

2. Fund for Promotion of Education amongst Educationally Backward Classes.—The Fund was created by the Government of West Bengal in 1947-48 for the purpose of providing special educational facilities to members of scheduled castes as well as other educationally backward classes including Muslins. The receipt side represents the amounts of contribution paid by Government and debited to sub-head Q. The expenditure is booked under sub-head R and at the end of the year an amount to the extent of Rs. 11,50,000 (which was available under the Fund during the year 1956-57) is debited to the Fund by reduction of expenditure, under sub-head S. Closing balance of the Fund on 31st March, 1957 thus comes to nil. The transactions of the Fund during 1956-57 are shown below:—

3. Deposit Account of the Grant made by the Indian Central Jute Committee.— This deposit account is intended for recording transactions relating to the grant made by the Committee for the conduct of experimental work on the Census of Jute Crops in the State. The expenditure on the scheme is booked under this Grant. At the end of the year an amount equivalent to the share of expenditure to be met from the grants made by the Council is debited to this deposit account by corresponding credit to the revenue head, viz., "XXVI.—Education". An account of the transactions during the year 1956-57 is given below:—

Certified as correct.

CALCUTTA:
The 3rd September, 1957.

R. K. A. Subrahmanya,
Pay and Accounts Officer (Education),
West Bengal.

AUDIT COMMENTS.

The Appropriation Accounts duly signed by the Secretary to the Government of West Bengal, Education Department had not so far (August 1958) been received in audit. On the 20th November, 1957, the Secretary returned the accounts with the remarks that figures under certain sub-heads need further scrutiny as no departmental verification in respect of the same was made during the year. But the result of the scrutiny was not communicated to audit even as late as 30th August, 1958.

2. Although considerable variations occurred under sub-heads ('-2, D-5, F(ii)2, F(iii)5, G(i)(b), G(iv), I(b), J(ii), L(i)1, L(i)2, O(i)(a)4, O(i)(a)5, O(i)(b)2, O(i)(b)3, P(i), T(e)(i), T(h), T(h)(i), T(i), T(j)1, T(j)2, T(j)5, T(j)8, T(k), U and W(i)7 in comparison with the final grants fixed thereunder, no explanations for the variations have been furnished by the Controlling Officer.

3. The heavy savings under sub-heads B-1(3) and J(i) indicate that the supplementary grants obtained under these sub-heads were excessive.

4. Sub-heads J(ii), M(i)(a), P(i) and W(i)4.—The final savings under these sub-heads show that the increase in the original provisions made by re-appropriation was injudicious.

5. The final excesses under sub-heads R and T(j)1 show that the reductions made in the original provisions were injudicious or in excess of requirement.

6. Expenditure incurred under sub-head T(i) without any provision of funds indicate defective budgeting and control.

7. Splitting up of purchase orders in order to avoid the necessity of obtaining sanction of higher authorities.—In a certain Engineering Institution, about 8½ tons of C. P. Teak logs were purchased at a total cost of Rs. 6,764-3-6 inclusive of Sales Tax by splitting up of the purchase order in eight different batches with a view to keeping each purchase within the financial power of the Principal (the financial power being Rs. 1,000 for each item) and thereby avoiding the necessity of obtaining Government sanction.

8. Losses, Writes off, etc.—The following cases of loss were reported to audit:—

Serial No.	Particulars.	Amount.	Remarks.
		Rs.	
(i)	Theft of some Government properties from a State Orphanage in May-June, 1952.	1,211	It was stated in October, 1954 that the staff concerned had been severely warned to be more alert and careful in future. Orders of write-off are still awaited (August, 1957).
(ii)	Consequent on the detection of a case of misappropriation of Government money by a clerk of a District Inspector of Schools in June, 1951, a thorough scrutiny of the accounts by the departmental authorities disclosed that the clerk concerned used to receive undelivered money orders from the Post Offices without any authority and did not enter them in the Cash Book.	1,608	It was stated in November, 1956 that the clerk concerned had been acquitted by the Court and that steps to regularise the loss would be taken after the completion of depart mental enquiry. Further report is still awaited (August, 1957).

AUDIT COMMENTS-concld.

9. Excessive expenditure on repairs to a leased building.—A building belonging to an official, was taken over by Government with effect from, 7th January, 1948 at a monthly rental of Rs. 128 (inclusive of Municipal Tax) for starting a Hostel for the students of a College. From 1st April, 1951 the said tenancy was converted into a leasehold right for ten years and the rent was increased to Rs. 155 per month (including Municipal Tax). One of the terms and conditions of the lease was that the cost of all repairs to the building would be borne by the lessee although such charges were previously borne by the owner.

As per this agreement, Government had to spend a sum of Rs. 19,059 during the period from April, 1951 to July, 1953 towards repairs, such as cement plastering, mending of cracks in the roof, replacement of broken doors and windows, repairs to electric installations and compound walls, white washing, etc..

It was stated in November, 1955 that due to acute shortage of accommodation caused by a large concentration of refugees in that locality Government had to accept the condition (viz. undertaking of all repairs to the bailding at Government cost) laid down by the owner as they had no other choice then owing to influx of refugee students.

It is not clear why the existing tenancy had been converted into a leasehold right on terms and conditions disadvantageous to Government. The authorities could have easily requisitioned the house under the West Bengal Premises Requisition and Control Act and got such repair work done by the owner at his cost under section 4 of the Act.

10. Audit comments on the Store Accounts of the Bengal Engineering College, Sibpur, for the year 1956-57.

Purchases in excess of requirement .-

- (i) Although the opening balances of tools and timber were sufficient to meet the requirement of the year as also a major part of the following year, heavy purchases were made during the year thereby causing unnecessary blocking up of capital.
- (ii) The balance under 'Miscellaneous Stores' is very heavy and indicates that purchases were made far in excess of requirement of the year.

In the charged section the expenditure was Rs. 35,345 against the original appropriation of Rs. 60,000 resulting in a saving of Rs. 24,655. The surrender of Rs. 9,418 reduced the saving to Rs. 15,237.

In the voted section the expenditure was Rs. 3,99,34,212 against the original grant of Rs. 4,36,14,000 resulting in a saving of Rs. 36,79,788 which was reduced to Rs. 17,53,205 due to the surrender of Rs. 19,26,583. The bulk of the saving was contributed by sub-heads K.-(a)-4, K.-(b)-4 and K.-(b)-6.

- 2. The explanations of variations in respect of sub-heads A-5, B-9, E-5, H.-4, H.-5, H.-6, I.-4, I.-5, J, K. (a)-4 (voted), K.-(a)-5, K.-(a)-6, K.-(b)-1, K.-(b)-2, K.-(b)-3, K.-(b)-4 (voted), K.-(c)-1, and K.-(c)-2 could not be included as the same were not furnished by the controlling officer.
- 3. Losses, writes-off, etc.—The following cases of loss were reported to audit:—

Serial No.	Particulars.	Amount.	Remarks.
		Rs.	
(1)	Theft of a Microscope from the Chinical Laboratory of a Hospital within office hours on 18th August, 1953.	740	It was stated in November, 1954 that a sum of Rs. 370 would be recovered from 3 Government servants who were held responsible for the loss. Intimation regarding actual recovery and write-off of the balance amount is still awaited (August, 1957).
(11)	Loss of Rs. 762 on account of pay and allowances of the staff of a Health Centre from the custody of a compounder of that Centre in October, 1951.	762	The matter was reported to audit in July, 1953. It was stated in July, 1955 that the said compounder was acquitted by the Court giving him the benefit of doubt.
			No reply regarding results of departmental proceedings and issue of write-off order, had so far (August, 1957) been received in Audit.
(iii)	It was reported in July, 1954 that a clerk of a hospital used to realise X'Ray charges from the Radiologist on different dates during 1952-53 and 1953-54 but did not credit the same to the Treasury.	4,370 8 0	It was stated in August, 1954 that a case had already been instituted against the Clerk in the Court of Law and that the matter was under police investigation. The departmental investigation disclosed laxity of control of the supervising officers, which facilitated the loss. Report on urther developments of the case is still awaited (August, 1957).

REVIEW—contd.

4. The minor head L.—Suspense accommodates the interim transactions for the purchase of medical stores by the Administrative Officer, Central Medical Stores and the supply thereof to different institutions. The adjustments made under the head during the year 1956-57 is as follows:—

L.—Suspense Stock—	_									Rs.
Opening balance				•						16,04,605
Gross Charge .		•	•					•		81,46,328
Deduct-Issues to	other	Gove	rnmo	nts, D	epart	ments	, Inst	ıtutıo	ns,etc.	80,39,287
						(Closing	g bala	nce	17,11,646

- 5. Audit Comments on the Consolidated Store Accounts of the Principal State Hospitals for 1955-56.—
- (a) As in the previous years, in one hospital, value accounts were not maintained in respect of a large number of articles of considerable quantities received from the defunct Lake Mcdical College and as such these items of Stores were not included in the Store Accounts.
- (b) In another hospital, the value accounts of the Stores were recorded in the Stock Ledgers. The value of stores purchased was arrived at by totalling the amounts of purchase vouchers. Similarly the figures for issues were arrived at by deducting the value of the closing balances from those of the opening balances plus receipts although it was decided by the Director of Health Services as early as in July, 1952 that actual value account for both receipts and issues should be maintained in the Stock Ledgers.
- 6. Audit Comments on the value Accounts of the Central Medical Stores, Health Services, West Bengal, 1956-57—
- (a) Stores worth Rs. 1,98,626 were found short during the year as against Rs. 759 in the preceding year. The cause of this huge shortage requires early investigation.
- (b) The physical verification of stores disclosed that large quantities of stores became unserviceable. The value thereof is under compilation. This should be finalised at an early date and steps taken for their early disposal.
- (c) Physical verification has been made of 90 per cent. of the items of stock. Steps need be taken to ensure a cent per cent. verification of the stock to reduce the chances of errors in the ledgers.
- 7. Audit Comments on the Stores Accounts of the Kanchrapara T.B. Hospital for the year 1956-57—
- (a) Out of Stores worth Rs. 46,000 declared surplus in 1953 (vide paragraph 6(i) of the Review), Stores worth Rs. 2,586 only had been disposed of during 1956-57. The balance should be disposed of at an early date in order to avoid further deterioration.
- (b) As reported in previous year (vide paragraph 6(ii) of the Review) the values of 72 items of American Stores are still unknown to the authorities.

REVIEW—concld.

- (c) Stores worth Rs. 21,397 (approximately) had been declared unserviceable during the year 1956-57 and sanction to the write-off of the value of stores is still pending.
- (d) Physical verification of the stores was not conducted by departmental officers during the year 1956-57 and the closing balances, therefore, represent the value of unverified stock.

Consolidated Store Accounts of the Principal State Hospitals (except Kanchrapara T. B. Hospital) in West Bengal for the year 1955-56.

REVIEW.

There was a saving of Rs. 68,09,431 in the grant. The surrender of Rs. 49,34,741 reduced the saving to Rs. 18,74,690.

- 2. The reasons for the variations in column 4 under sub-heads A.-(f)-2, A.-(f)-5, A.-(g)-3, B-1, B-2, B-3, B-6, B-8, C, F.-Gross, I.-(a)-1, I.-(a)-2, I.-(a)-3, I.-(a)-4, I.-(a)-6 and I.-(b)-4, could not be incorporated as the same have not yet been received from the controlling officers concerned.
- 3. Losses, writes-off, etc.—It was reported in January, 1955, that a driver attached to a Malaria Control Unit replaced a serviceable tyre and a tube of a Government Vehicle by unserviceable ones, which resulted in a loss to Government of Rs. 368 approximately. The driver was subsequently removed from service as a result of departmental action.

The loss was written off by Government in December, 1957.

ANNEXURE.

Details of transactions under the head "39.—Public Health—Suspense" for the year 1956-57 are given below:—

Unit of Suspense.	Opening Balance.	T)ebits.	Credits.	Net Actuals.	Closing Balance.
1	2	3	4	5	6
	Rs.	Rs.	Rs.	Rs.	Rs.
Work Purchases	-49,30,974	64,26,120	78,04,278	-13,78,158	63,09,132
Miscellaneous Public Works Advances.	29,10,224	10,69,255	11,02,081	32,826	28,77,398
Total .	-20,20,750	74,95,375	89,06,359	-14,10,984	-34,31,734

The credit balance of Rs. 63,09,132 in column 6 against 'Purchases' represents the value of materials purchased, but not paid for during the year. The debit balance against "Miscellaneous Public Works Advances" represents (1) expenditure on rural water supply schemes incurred in excess of the contributions made by local funds and awaiting adjustment in the following year and (2) advance payments against purchase of certain controlled materials.

REVIEW.

The original grant of Rs. 3,62,53,000 was augmented to Rs. 5,23.92,000 by a supplementary grant of Rs. 1,61,39,000 against which the expenditure amounted to Rs. 4,55,46,638 resulting in a saving of Rs. 68,45,362 in the grant. The surrender of Rs. 75,30,454 converted the saving into an excess of Rs. 6,85,092. Sub-heads L.-(b) and M.-(b)-5 mainly contributed to the saving in the grant.

- 2. Explanations of variations under the sub-heads D(2)(ii), E(b)-1, E(b)-2, E(c)-2, E(c)-3, E(c)-4, E(c)-6, I-1, J, L(a)(ii)-4, L(a)(ii)-5, L(b), L(b)(i)-4, L(c), M(a)-4, M(b)-2, M(b)-3, M(b)-4, M(b)-5 and N could not be furnished as the same were wanting from the controlling authorities.
- 3. Provision for the share of expenditure to be borne by the Indian Council of Agricultural Research and other Committees in respect of the agricultural research schemes was made under sub-head E(b)-2—Deduct Recoveries. Identical provision in this regard was also shown under sub-head E(c)-6 in order to exhibit the expenditure exclusively financed by the Council and other Committees. But it is noticed that at the time of fixation of the net grants under the two sub-heads, two different amounts, viz. Rs. 75,370 and Rs. 1,05,067 were deducted from the original provision of Rs. 3,66,700 under both the sub-heads thereby resulting in a difference of Rs. 29,697 in the final grants. As the two sub-heads are correlated, identical amounts should have been provided for both of them. The different amounts under the two sub-heads, therefore, indicate defective control.
- 4. Losses, writes-off, etc.— (i) 1,617 bags of Canadian Oats worth Rs. 25,871 were stolen from a Government Godown in June, 1949. Eight persons were arrested by the Police in this connection and a criminal case was instituted against them in May, 1950. It was stated in May, 1952 that no Government servant was held responsible for the loss. The case is still (August, 1957) pending in the Court.
- (ii) While taking delivery of possession of the huts and buildings in August, 1949 equired by a Land Acquisition Collector, the authorities for whom the huts and buildings were acquired found some fixtures and articles missing, although payment for the same had already been made to the owners by the Land Acquisition Collector. The loss sustained by Government on this account was Rs. 12,052. No suit was filed to recover the value of the missing articles.

The loss was not considered to have been caused due to the negligence or carelessness on the part of any Government servant and as such, no departmental investigation was made.

The loss was written off by Government in October, 1957.

5. Misappropriation of Government money and stores.—A Government servant while in charge of a Sub-divisional Seed Store was arrested on 29th May, 1950 in connection with the alleged defalcation by him of Government money from a district Seed Store where he had worked prior to 7th. December, 1948. At the time of his arrest, misappropriation of different commodities worth Rs. 4,457 by the same Government servant from the Sub-divisional Seed Store also came to light.

REVIEW-contd.

Four criminal cases in respect of the defalcation of Government money and one criminal case relating to the misappropriation of Government Stores were instituted against the officer. The accused was, however, convicted in one case only in connection with the defalcation of Government money and acquitted in the remaining four cases. He was subsequently, dismissed from Government service.

Full particulars of the defalcation case as well as the amount defalcated in the District Seed Store are awaited in audit. Orders regarding write-off of the losses involved are also awaited (October, 1957). It was reported that no security in cash or otherwise was taken from the Government servant concerned.

6. Deposit Account of the Grant made by the Indian Council of Agricultural Research.—The grants received from the Council towards the cost of research schemes undertaken at their instance are credited to this deposit account. The expenditure incurred on the schemes is booked under Group head E(c) of this Grant, Sub-head A.-11 of Grant No. 23. -Agriculture —Fisheries and Group-heads A and F of Grant No. 26.—Industries—Industries.

At the end of the year, amounts equivalent to the share of expenditure to be met from the grants made by the Council are debited to this deposit account by corresponding credits to the revenue heads "XXIX.—Agriculture" and "XXXII.—Industries and Supplies".

An account of the transaction during the year 1956-57 are given below :-

									Rs.
Opening balance	•								2,07,901
Recupts .									2,55,711
Charges		•	•	•			•	•	1.68,078

7. Deposit Account of the Grant from Indian Central Sugarcane Committee.—This deposit account is intended for recording transactions relating to the grants made by the Committee for development of Sugarcane cultivation in West Bengal. The procedure of accounting of these grants is similar to that adopted for the grants received from the Indian Council of Agricultural Research, vide paragraph 6 ante. The expenditure on the scheme is booked under Sub-head E(c)-6 of this grant.

An account of the transactions during the year 1956 57 is given below -

REVIEW

There was a saving of Rs. 16,60,642 in the grant which was reduced to Rs. 35,822 by the surrender of Rs. 16,24,820.

- 2. Explanations of variations in Col. 4 in respect of the sub-heads C.(3) and D could not be incorporated as the same were not furnished by the controlling authority.
- 3. Land Mortgage Banks.—For providing long-term credit to the agriculturists, nine Land Mortgage Banks were started in nine districts of the State. The Bank at Jalpaiguri was suspended from the year 1954-55 and was ultimately discontinued during the year as being an uneconomic unit. Thus in all eight Land Mortgage Banks actually functioned during the period under review.

REVIEW—concld.

The State Government have accepted liability (a) to defray the entire cost of management of the Banks for the first account year and (b) to pay them a subsidy equal to the excess of their management cost over their gross profits for each subsequent account year till they become self-supporting. Besides, all the Banks are allowed to draw advances from Government to meet their management charges pending adjustment at the close of the account year.

The annexed statement prepared from the audited accounts of the Banks, as furnished by Government, indicated the general financial position of the banks for the year ending June, 1956 and the extent of financial assistance received from Government.

Item 5 of the statement would show that out of the eight banks functioning during the year, only two banks at Birbhum and Burdwan worked at a profit and the others at a loss. It would also appear that the management cost of the banks which showed loss was disproportionately high in comparison with the gross profit. In the case of the bank functioning at Malda such cost was nearly 620 per cent. of the gross profit. The Government were requested in 1955 to consider the question of fixing a suitable scale of management charge in proportion to work and gross profit. It was stated by Government that there was no scope for fixing such a scale.

In the cases of the banks at Bankura and Murshidabad, subsidy has been claimed for Rs. 724 and Rs. 20 respectively in addition to the figures shown in item 6 of the statement. As some assets have been purchased out of these amounts, these items cannot be treated as management cost. Necessary adjustment should, therefore, be made in the next account.

Statement showing the financial position of the Land Mortgage Banks for the year ending 30th June, 1956.

REVIEW.

The expenditure of Rs. 52,63,772 against the grant of Rs. 86,74,000 resulted in a saving of Rs. 34,10,228. The surrender of Rs. 11,44,029 reduced the saving to Rs. 22,66,199.

2. Explanations of variations in Col. 4 in respect of sub-heads A.4, A. 5, A.6, A.8, A.9, A. 10(i), A.10(ii), A. 10(iii), A.11(i), A.11(ii), A. 11(iii), F. (a)-1, F.(a)-4, F.(b)-1 to F.(b)-5 and G. (4) could not be included as they were not furnish ed by the controlling officers.

Review—contd.

3. Deposit Account of grant made by the Central Silk Board.—This deposit head is intended for recording grants received from the Central Silk Board, India, in connection with the scheme for the establishment of a (silk) Cocoon Market. The expenditure on the scheme is booked under the head "A" of the grant and an equivalent amount is debited to the above deposit account by corresponding credit to the revenue head "XXXII.—Industries and Supplies". An account of the transaction during the year is given below:—

 				_							 	
								•				Rs.
Opening	Balan	ce			•	•					•	2,03,335
Receipts						•	•		•	•		-95,807
Charges						•			•	•		1,07,528
Closing I	Balanço	ę.	•					•	•	•	•	Nil.

- 4. Audit Comments on the Pro forma Accounts of the Barrackpore Electric Supply for the year 1953-54.—
- (i) Profit of working.—The profit on working during the year amounted to Rs. 2,69,056 as against Rs. 2,52,829 during the previous year. The receipt from the sale of energy during the corresponding years amounted to Rs. 5,03,776 and Rs. 4,10,994 respectively.
- (ii) Interest on Capital.—In calculating the interest on Capital Outlay the following amounts were not added to the Government Capital:—

											Rs.
1. Profits accrue	d upt	o 31st :	Marc	h, 19	53			•	•		5,26,798
2. Liabilities for	Powe	r Engi	163	•	•	•	•				10,000
3. Audit Fee	•	•		•	•	•	•	•	•	•	7,000

As a result the Net Revenue Account has been undercharged to the extent of Rs. 21,752.

- (iii) Contribution for Leave Salary and Pension.—Leave salary and Pension contribution in respect of Government servants working in the concern have not been charged in the accounts for 1953-54.
- (iv) Audit Fee.—A sum of Rs. 2,000 was provided for in the accounts but the amount on the basis of the actual number of days would come to Rs. 3,400. It has been stated the amount charged less will be adjusted in the next accounts.
- (v) Fixed Assets.—No Block Register was maintained for the Fixed Assets and the value of the fixed assets has been shown at the figures as per General Ledger.

REVIEW-concld.

- (vi) Physical Verification of Fixed Assets.—In the absence of Block Registers it could not be ascertained whether the Fixed Assets were physically verified during the year 1953-54. Thus, it was not possible to ensure whether each individual assets was actually in existence on the date of the Balance Sheet.
- (vii) Depreciation of Motor Vehicle not charged to Revenue Account.—No depreciation has been charged on motor vehicles worth Rs. 15,840 acquired during the year. Depreciation should have been charged to the Revenue Account from the date of its acquisition.
- (viii) Government Capital.—The amounts shown in the Government Account under the following heads have not been reconciled with the figures booked by Accountant General, West Bengal:—

								Rs.
53.—Capital Outlay— Withdrawal during the year	•					•	•	5,01,344
XLI-A.—Receipts from Electri Remittance during the years		Schem	.es—	•			•	5,57,577

The corresponding figures in the books of the Accountant General, West Bengal, are Rs. 8,81,759-3 and Rs. 5,79,663 respectively.

AUDIT CERTIFICATE.

in Paragraph 4 of the Review, I certify as a result of my audit that in my opinion these accounts and Balance Sheet are properly drawn up so as to exhibit a true and fair view of the state of affairs of the concern according to the best of my information and I have examined the accounts and Balance Sheet of the Barrackpore Electric Supply for the year ended 31st March, 1954. I have obtained all the information and explanations that I have required and subject to the observations in the Audit Comments explanations given to me and as shown by the books of the concern.

CALCUTTA; The 8th January, 1958.

Assistant Accounts Officer, West Bengal R. K. CHOWDHURY,

FINANCIAL REVIEW OF BARRACKPORE ELECTRIC SUPPLY FOR THE YEAR 1953-54.

Barrackpore Electric Supply was taken over from Messrs. Kilburn and Co. Ltd., on 2nd December, 1947. After the acquisition of the supply, extension has been made to Barasat, Talpukur, Rahara and Sodepur areas.

Total capital outlay invested upto 31st March, 1954 is Rs. 11,81,153. The total revenue receipts during the year 1953-54 is Rs. 5,73,224 and for the year 1952-53 is Rs. 5,10,165. The total revenue expenditure for 1953-54 is Rs. 3,14,949 and for 1952-53 is Rs. 2,70,235 including depreciation and interest on Capital Outlay. The net profit for 1953-54 is Rs. 2,58,275 and for 1952-53 is Rs. 2,39,930.

The increase in net profit during 1953-54 is on account of increase of consumers and consequent increase of revenue collections.

CALCUTTA;

The 8th January, 1958.

A. K. BHAUMIK,

Chief Electrical Engineer.

BARRACKPORE ELECTRIC SUPPLY, GOVERNMENT OF WEST BENGAL.

Store Account for the year ending 31st March, 1954.

REVIEW.

The original grant of Rs. 81,92,000 was augmented to Rs. 90,91,000 by supplementary grant of Rs. 8,99,000 against which the expenditure amounted to Rs. 60,34,979 resulting in a saving of Rs. 30,56,021. The surrender of Rs. 19,76,882 reduced the saving to Rs. 10,79,139.

2. Explanations under the sub-heads A-5, A-7, A-8, D-(a)-4, D-(b)-1, D-(b)-3, D-(b)-4 and D-(b)-5 for variation in Col. 4 could not be included as the same were not furnished by the controlling officers.

3. Losses, writes-off, etc .-

- (a) In November, 1952 it was reported that some silk goods worth Rs. 5,928 were found missing from the counter of a Government Sales Emporium. No clue of the missing goods as well as the culprits could be obtained by the Police. It was stated in June, 1956 that no Government servant could be held responsible for the loss. Orders of write-off are still awaited (August, 1957).
- (b) In March, 1957, during local inspection of the accounts of the above-mentioned Emporium, it was ascertained that a burglary had taken place in the Main Shop on the night of the 24th February, 1956. The total value of the articles stolen including cash aggregated Rs. 10,000 approximately. But no report of the burglary as required under the rules was sent to the Accountant General. It was reported that there had been no arrangements for night-guards at the Emporium.

REVIEW-conold.

It was stated by Government in December, 1957 that the matter had duly been reported to the police but they could not obtain any clue of the burglary and that as a preventive measure against recurrence of such theft a night-guard had since been posted at the Emporium.

1. Loss in the running of a Government Sales Emporium.—The pro forma accounts of a Government Sales Emporium for the years 1952-53 and 1953-54 which were submitted to audit in March, 1957 revealed a loss of over Rs. 32,000 but due to discrepancies between the accounts figures and those shown in the Profit and Loss Accounts and Balance Sheet, the accounts could not be certified as correct and have been sent back for reconciliation and resubmission.

The accounts for the period from 1954-55 to 1956-57 are in arrears.

5. Irregularities relating to Stores accounts of a Government Sales Emporium.— In the Stock Books of the Main Shop of the Emporium no entries were made exhibiting receipts and issues of stores after 31st October, 1956 and 31st March, 1956, respectively. No issues of stores to the Branches during 1956-57 were entered in the Main Shop Stock Books.

In the Stock Books of one Branch Shop, no issues of stores due to sales had been recorded since the opening of the Branch on the 27th September, 1955.

Neither in the Main nor in the Branch Shops, the balances of stock at the close of the month or for the matter of that, at the end of a year were worked out; nor were the balances of previous years brought forward.

In none of these shops stocks were ever subjected to physical verification except that a test-check of certain items of stock-materials at the Main Shop was stated to have been carried out by internal audit staff of the Department. But no report on such verification was available to Audit upto August, 1957.

It was stated by Government in December, 1957 that steps had since been taken for early clearance of the arrears and that the store-keeper and the Manager of a branch of the Emporium had been put under suspension. It was further observed by them that the stocks had been subjected to physical verification between the 27th March, 1957 and 31st March, 1957 but no reconciliation between the verified and book balances could be effected as the books had been seized by the Police.

Grant No. 29.—Industries—Cinchona.

^{*}The High Commissioner's figure is Rs. 5,000. See footnote below Sub-head E of Grant No. 26.—Industries.—Industries.

REVIEW.

Against the original grant of Rs. 34,67,000 there was an expenditure of Rs. 31,88,341 resulting in a gaving of Rs. 2,78,659. But the surrender of Rs. 1,27,940 reduced the saving to Rs. 1,50,719.

- 2. Audit comments on the Store Accounts of the Government Cunchona Plantations for the year 1956-57. —(a) The aggregate values of the closing stock of Cinchona bark in the different Plantations at the end of the year 1956-57 showed an increase of 145 per cent. compared to the corresponding figures of the year 1955-56. The harvest of Cinchona bark during the year 1956-57 was also lower than that of the previous year by 16.3 per cent. The increase in the closing stock at the end of the year 1956-57 was due to lesser utilisation of Cinchona bark.
- (b) 4668 lbs. of Cinchona bark (Russian method) valued at Rs. 5,252 @ Rs. 1-2-0 per lb. were found short on physical verification conducted on 1st April, 1957 at the Government Cinchona Plantation, Rango. Sanction of Government to the write-off of the loss was not, however, obtained.
- (c) It was observed that the stock of Cinchona bark was verified during the year by the Manager-in-Charge of Plantation, but in the consolidated store accounts necessary certificate in this regard has not been recorded.
- 3. Audit Comments on the Stores and Stock Account of the Government Quinine Sales Depot for the year 1956-57.—The closing balances shown in Stores and Stock Account were valued at the selling rates applicable to retail sale. As the bulk of the quantity of quinine sulphate was, however, sold at a lower rate for bulk supply, it had the effect of inflating the value of the unsold stocks left with the trade.
- 4. Audit Comments on the Stores Account of the Mungpoo Quinine Factory for the year 1956-57.—(a) In the following cases the unsold stock at the end of the year 1956-57 far exceeded the annual consumption:—

Name of the Product.	Unsold st on 31st 193	March,	Total sales the y 1956-5	ear
	Quantity.	Value.	Quantity.	Value.
1	2	3	4	5
	libs.	Rs.	Lbs.	Rs.
(i) Quinine Sulphate B.P	91,301	35,25,663	37,459	14.46,526
(ii) Cinchona Febrifuge and other mixed alkaloids.	146,465	20,39 850	2,185	30,273

⁽b) Several Stores like Hardware Packing Materials, etc. (included within the category of stores—Oil, Chemicals, etc.) valued at Rs. 22,000 approximately were held in stock over more than a year. There had been no issues of these surplus stores during the year 1956-57.

REVIEW-concld.

- (c) Stores as were lying at the transit godown at the end of the year 1956-57 were not physically verified during the year 1956-57 although the values of the respective items were included in the figures of receipts under the category—oil, chemicals, etc.
- (d) Stores valued at Rs. 3,398 either lost or found short, were charged off from the Stock Registers during the year but the relevant sanctions to the writes-off of their book-values were not obtained.
- (e) Stocks of Quinine Sulphate and Cinchona Febrifuge were not physically verified during the year.

CERTIFICATE AND REMARKS OF THE HEAD OF THE DEPARTMENT

It is certified that the figures in the stores account represent substantially true account of affairs and that they agree with the figures recorded in the departmental registers.

MUNGPOO; The 20th September, 1957.

S. MUKHERJEE.
Director of Cinchona, West. Bengal.

AUDIT CERTIFICATE.

Certified that the store account of the Government Cinchona Plantations for the year 1956-57 was test-audited under my supervision and subject to audit comments (vide para 2 of the Review) it represents a correct state of affairs, according to the best of my belief and explanations given to me and as shown by the books of the concern.

B. BARMAN,
Assistant Accounts Officer, West Bengal.

The 19th October, 1957. CALCUTTA;

Stock of Crude Quinine Sulphate and Cinchona Felbrifuge were not verified. Other stores were verified by me. Stock of bark verified according to the Govt. order No. 1412-cin/IM-2/55, dated 23rd May. 1955.

Certified that in respect of Oil, Chemicals, etc., the closing stocks are not in excess of requirements.

The 26th September, 1957. MUNGPOO;

M. K. THAPA,

Accountant.

Quinologist,

D. K. CHAUDHURI.

To the Government of West Bengal.

Certificate and remarks of the Head of the Department.

It is certified that the Stores Account represents a substantially true account of affairs and they agree with the figures recorded in the Register.

The 10th October, 1957. MUNGPOO;

Director of Cinchona, West Bengal. S. MUKHERJEE,

AUDIT CERTIFICATE.

vision and subject to Audit Comments (vide para. 4 of the review) these accounts represent a correct state of affairs, according to Certified that the Store Accounts of the Mungpoo Quinine Factory for the year 1956-57 were test-audited under my superthe best of my belief and explanations given to me and as shown by the books of the concern

CALCUTIA; The 12th October, 1957.

REVIEW.

The original grant of Rs. 39,30,000 was augmented to Rs. 40,90,600 by supplementary grant of Rs. 1,60,600 against which the total expenditure amounted to Rs. 38,40,422 resulting in a saving of Rs. 2,50,178. The surrender of Rs. 77,000 reduced the saving to Rs. 1,73,178.

REVIEW.

The original grant of Rs. 92,19,000 was augmented to Rs. 99,01,000 by the supplementary grant of Rs. 6,82,000 against which the net expenditure during the year amounted to Rs. 76,25,006 resulting in the saving of Rs. 22,75,994. The surrender of Rs. 18,16,450 reduced the saving to Rs. 4,59,544.

- 2. The reasons for the variations in col. 4 under the sub-heads A-7, I-8(5), I-9(4), I-9(6), K-4, M and O-(ii)(a)-3 could not be included in the Appropriation Accounts as the same were not furnished by the controlling authorities.
- 3. The transactions under each unit of suspense under the Sub-head "M-Suspense" are exhibited below:—

		De	tailed	unit	8.		Opening Balance.	Actuals.	Closing Balance
							Rs.	Re.	Rs.
Purchase				•	•	•	-28,38,317	-32,49,699	,'60,88,016

Stock	•				•	•	21,44,687	25,15,401	[46,60,088

4. A payment of Rs. 2,500 was made "ex-gratia" to a temporary Superintending Engineer of the Construction Board under the Development Department, who met with a severe motor car accident while on duty and as a consequence was laid up in the Hospital for nearly six months. During the period he was under treatment, the officer did not receive full pay even for a single month, as he had no earned leave due at his credit. The "ex-gratia" payment was made to the officer concerned as an assistance in consideration of the severe hardship experienced by him.

REVIEW.

In the charged section the original appropriation of Rs. 12,15,000 was augmented to Rs. 13,25,000 by a supplementary appropriation of Rs. 1,10,000 against which expenditure was Rs. 13,17,056 resulting in a saving of Rs. 7,944.

In the voted section saving of Rs. 45,06,024 was reduced to Rs. 7,85,131 by a surrender of Rs. 37,20,893.

2. The gross Establishment charges of the Works and Buildings Department during the year 1956-57 amounted to Rs. 45.51 lakhs against the total works outlay of Rs. 465.77 lakhs, i.e., 9.77 per cent. of the total outlay.

REVIEW-contd.

A sum of Rs. 5-38 lakhs was recovered during the year on account of Establishment charges for work done on behalf of private bodies and other Departments and Governments. The net Establishment charges stood at Rs. 40-13 lakhs, which were 8-62 per cent. of the total works outlay.

3. Loss due to excess acquisition of bricks.—In 1951 a certain Public Works Division purchased and collected 9.75,184 first-class bricks for utilisation in the construction of a Welfare Home, comprised of 4 component works, two of which had already been administratively approved and the remaining two of which were still to be so approved. As the construction work progressed, the two component parts which had yet to be administratively approved were. however, decided to be abandoned, with the consequence inter alia that as many as 5,75,243 bricks out of the stock collected in advance were rendered surplus to requirements. This surplus stock remained unutilised on any other work for about 4 years thereafter, during which period the Government had to incur a further expenditure on its watch and ward to the extent of Rs. 3,321 and shifting and re-stacking charges amounting to another Rs. 366. There was, besides, pilferage, notwithstanding watch and ward arrangements, of about 20,000 bricks of the value of about Rs. 1,065. The total loss thus occasioned to Government by this pre-mature acquisition of bricks amounted to Rs. 4,752 besides the loss due to deterioration owing to long storage. It had also entailed the unnecessary blocking up of the capital cost involved for about 4 years.

The matter was brought to the notice of Government in March, 1956, for investigation and fixation of responsibility. The result of their investigation is still awaited (August, 1957).

4. Losses, writes off etc.—(i) The following cases of loss were reported to audit:—

Serial No. Particulars. Amount. REMARKS. Rs. (a) Theft-(i) 204 drums containing 45.35 tons of 20,277 Items (i) to (iii) were written off in December, 1956, item (iv) road tar from the common compound of a Sub-Divisional Court and in March, 1955 and item (v) in March, 1957. None could be a Treasury, in December, 1947 held responsible for these cases Rs. 11,338. (ii) G. I. Pipes Rs. 1,264. of theft except in respect of (iii) 2 H.P. Squirrel case from a Sub-Divi-(a) where the suspects sional Office Rs. 800. arrested and prosecuted but left off by the court due to (iv) Theft of G.I. pipes from the site of a insufficient evidence. Hospital Rs. 3,500. v) 61 Nos. of tar drums containing 131 tons of road tar from the court yard of a Treasury Rs. 3,375. **(b)** Damages caused to a bridge on Grand 1,753 A case was started against the Trunk Road by a Private truck in driver but ended in acquittal for lack of evidence. The December, 1948. amount was written off in April, 1957.

REVIEW-contd.

(ii) Many costly items of machinery and equipment such as bulldozers, road-rollers, concrete-mixers, etc., were lent by a Public Works Division during the pre-partition period to some other Public Works Divisions now in East Pakistan, as well as to the late Defence Department of the Government of India. The lending Division did not, however, take any action for many years to recover the loaned items or their value from the borrowers. Consequent on the failure to effect recovery at the proper time and the non-availability of any relevant documents at this stage, the replacement value of these materials amounting to Rs. 2,60,970 in respect of the Public Works Divisions now in East Pakistan and of Rs. 78,225 in respect of the late Defence Department of the Government of India was written off by Government in December, 1956.

It was stated in September, 1957 that it was not possible for Government to fix the responsibility after the lapse of so many years.

5. Subventions from the Central Road Fund.—The proceeds of extra duty levied on motor spirit for purposes of road development, exclusive of the part attributable to motor spirit used for the purpose of Civil Aviation, are credited as a block grant to the Central Road Fund, 20 per cent. of the block grant being retained as a Central Reserve. Out of the balance, allocations are made for expenditure in each State and Centrally Administered Area in proportion to the consumption of motor spirit in each area. Under a resolution of the Central Legislature in 1937 the portion allocated for expenditure in Governor's Provinces are retained by the Union Government. Allotments are made therefrom at 90 per cent. of the estimated expenditure to be incurred in each quarter. The amounts allotted may, subject to the previous approval of the Union Government to each proposal made, be expended on the construction, the reconstruction or the maintenance of roads and birdges belonging to State Governments and Local bodies. In addition, grants from the Ordinary Reserve and the Special Reserve are also made by the Union Government for expenditure on such schemes as may be approved by them.

The amounts allotted to the States are credited in the State books to the deposit head "Subvention from the Central Road Fund". The actual expenditure incurred each month on projects falling within the programme is debited to "50—Civil Works—State" under the minor head "Communications", "Grants-in-aid" or "Establishment", as the case may be. At the same time an equivalent amount is transferred month by month from the Deposit head for credit to the head "XXXIX—Civil Works—State—Transfer from the Central Road Fund". The accounting procedure in respect of the schemes financed from the grant from the Ordinary Reserve and the Special Reserve is the same as that for the ordinary allotment except that the actual expenditure incurred by the State Government is debited month by month to the Union Government by corresponding credit to the Deposit head (State) and on receipt of acceptance of the debit from the Union Government the adjustment is made by debit to the Deposit head (State) and credit to the Revenue head (State).

.Rs. 13,46,015

REVIEW--concld.

An account of the subventions to the State of West Bengal to the end of the year 1956-1957 is given below:—

Opening Balance on the 1st April, 1956 .

ventions from Central Road Fund. 1 (i) Ordinary		year 1955 56. 2 Rs. 2,70,41,549 40,39,643	year 1956-57. 3 Rs. 37,52,569 Nil	of the year 1956-57. 4 Rs. 3,07,94,118 40,39,643 1,80,008

The total commitments at the close of the year in respect of incomplete works of the State, financed from the Central Road Fund, amounted to Rs. 153.08 lakhs approximately. The credits and debits to the fund as indicated in the above account were for amounts authorised by the existing rules of the Fund and no diversion from the fund has been noticed in respect of the year 1956-57.

ANNEXURE A- -concld.

REVIEW.

Expenditure on works, maintenance and repairs appears under the Sub-heads A1 to A18, B. C. D and J.2 to J.9. The total figures of appropriation and expenditure under these sub-heads for the year under review were as follows:

							In lakhs of Rupees.
Original appropriation							3,29.57
Modified appropriation							3,02 16
Expenditure				•		•	3,09 25
Excess compared with m	odified ap	proprint	ion	•	•		7.08

The excess of Rs. 7.08 lakhs against the modified appropriation works upto 2.34 per cent. only.

- 2: The number of major works in progress (included in the Annexure) during the year was 138 against 188 in the preceding year. The decrease in the number of works was due to adoption of the principle that expenditure exceeding Rs. 20,000 on each item of work which created an asset having life of 15 years or more should, as from 1956-57, be met from the Capital head "81-Capital Account of Civil Works outside the Revenue Account". The total expenditure on 101 works amounted to Rs. 5,09-11 lakhs against the total estimate of Rs. 6,17-49 lakhs. Out of 101 works expenditure on 20 works exceeded the sanctioned estimates (vide items 5, 11, 13, 15, 40, 43, 49, 55, 64, 67, 68, 70, 74, 76 and 77 of Annexure A). Expenditure of Rs. 6-06 lakhs was incurred on the remaining 37 works for which there was no sanctioned estimate (vide items 5, 13, 15, 19, 43, 49, 51-54, 70, 71 and 76 of Annexure A).
- 3. Explanations in respect of items 1, 2, 6, 10, 11, 13, 14, 40, 43, 44, 46-48, 51-54, 65, 70, 73 and 77 could not be included as the same were not received from the controlling authority.

ANNEXURE B (See sub-head H).

The nature of the transactions under the minor head "Suspense" is explained in paragraph 1 of Annexure 'A' to grant No. 10—Irrigation.

The transactions under each unit of suspense during the year 1956-57 are exhibited below:—

Stock accounts are received from the Executive Officers of the Public Works Department with certificates of verification of balances. They are consolidated in the accounts office in the above form. The yearly registers of stock are examined at the time of local inspection.

The increase in closing balances in the divisions at 1, 3, 4, 5, 7, 8, 9, 10, 11, 12, 13 and 14 is due to less issue of materials.

The certificates of balance have not been received from any of the Divisions. The stock account of one division is in arrears from 1946-47, of one division from 1947-48, of two divisions from 1953-54, of one division from 1954-55 and of 4 divisions from 1955-56.

Grant No. 34.-Famine.

In the charged section there was a supplementary appropriation of Rs. 5,000 against which expenditure was Rs. 4,800 resulting in a saving of Rs. 200.

In the voted section the original grant of Rs. 1,25,68,000 was augmented to Rs. 6,90,97,000 by a supplementary grant of Rs. 5,65,29,000 against which expenditure was Rs. 6,65,43,505 resulting in a saving of Rs. 25,53,495. The surrender of Rs. 4,74,799 reduced the saving to Rs. 20,78,696.

- 2. The explanations of variations in respect of the sub-heads A-1(b), A-1(c), A-1(e), A-2(4), A-2(5), A-2(6) and A.-5 in col. 4 could not be included in the accounts as the same were not received from the controlling authorities.
- 3. Famine Insurance Fund.—This fund was created by the Government of Bengal under the Bengal Famine Insurance Fund Act, 1937 with effect from the year 1938-39 with an initial contribution of Rs. 10 lakhs from the State revenues. Further contributions to the Fund from the State revenues amounted to Rs. 2,03,000 in 1939-40 and Rs. 2,00,000 in 1940-41. The Fund is intended to bear the expenditure on the relief of famine and of distress caused by serious drought, flood, earthquake and other natural calamities. The corpus of the

REVIEW --- concld.

fund consists of the contributions paid by Government and the interest accrued on the securities in which the sums at credit of the Fund are invested. transactions of the Fund during 1956-57 are shown below:—

									Rb.
Opening balance on 1st April, 1956 .	•	•		•				(a)	15,14,754

tut	(a) The following losses amounting in the edge of the	n all t	0	Rs.	8,896 in a Central Desti-
	Particulars.	Amo	un	t.	Remarks.
		F	ls.		
(i)	Shortage of clothing detected in course of physical verification of stock held on 16th August, 1948, 9th January, 1949 and 12th April, 1949.	343	12	0	The officer responsible for the loss was prosecuted but discharged by the Court. The loss was written off by Government in August, 1956 as there was no prospect of recovery from him owing to his not being in employment.
(iı)	Misappropriation of cash by showing same items of expenditure twice in the cash book.	266	4	0	Do.
(iii)	Loss due to deterioration of finished products manufactured by the inmates of the Home owing to long shortage.	8,286	0	0	Articles worth Rs. 8,855-6-0 fetched only Rs. 569-6-0 when put to auction. The officer responsible for the loss was prosecuted but discharged by the Court. The resultant loss of Rs. 8,286 was written off by Government in August, 1956.

(b) Government paddy weighing 123 mds. 6 seers and worth Rs. 1,355 approximately was handed over to a test relief dealer on 14th January, 1955 for distribution to test relief workers as wages in kind, but the same was reported to have been unauthorisedly disposed of by him otherwise. The matter was reported to the Police and the criminal case instituted against him is still (August, 1957) subjudice.

⁽a) The opening as also the closing balances include all the securities held by the Fund before the partition pending a final decision regarding allocation.

⁽b) Half yearly interest on 3 per cent. loans 1963-65 has not been credited to the Fund by the Reserve Bank of India, but kept in a Suspense Account, pending allocation of the securities between the Governments of East and West Bengal.

⁽c) Thi is composed of Rs. 36,521 in cash and Rs. 14,90,499 in Government securities. The market value of the Government securities on the 31st March, 1957 was Rs. 14,51,859.

REVIEW—contd.

3. Depreciation Reserve Fund.-A Depreciation Reserve Fund was constituted by the Government of Bengal with effect from the year 1927-28 for meeting the cost of renewal and replacement of plant, machinery and furniture of the Government Presses. The annual receipts of the Fund consist of (a) the amount of depreciation calculated on the value of plant, machinery and furniture in use in the Presses during the year and (b) the book value of the plant, machinery and furniture disposed of during the year. The Fund is available for renewal or replacement of articles of plant, machinery and furniture (except the cost of petty repairs) to the extent of the amount at the credit of the Fund in respect of the particular asset from time to time.

The position of the Depreciation Reserve Fund in the year 1956-57 is shown below:-

	Opening balance.	Receipts.	Expenditure.	Closing balance.
West Bengal Government Press .	Rs. 6,38,303	Rs. 2,01,842	Rs. 1,40,966	Rs. 6,99,179
Press and Forms Department .	1,91,219	26,930	17,827	2,00,322
Cooch Behar Government Press .	••	57,600	343	57,257
Total .	8,29,522	2,86,372	1,59,136	9,56,758

The credits and debits to the Depreciation Reserve Fund during the year under report are correct under the existing rules except in the following respe

for want of Government sanction

pects: -	*
Debits-	Rs.
West Bengal Government Press-	
(i) Materials purchased wrongly from the Fund	1,40,953
(ii) Amount debited in excess to the Fund	4
(iii) Amount debitable to the Fund not adjusted in the accounts for 1956-57	1,269
Press and Forms Department—	
Amount debitable to the Fund not adjusted in the accounts for 1956-57 .	42
Credit—	
West Bengal Government Press—	
Non-adjustment of amount correctly creditable to the Fund during 1956-57 for want of Government sanction	947
Cooch Behar Government Press—	
Non-adjustment of amount correctly creditable to the Fund during 1956-57	

Re-adjustment in all these cases is awaited in the next year's accounts.

REVIEW-concld.

- 5. And Comments on the Store Account of the Press and Forms Department West Bengal, for the year 1956-57.
- (1) The stock verification lists and relevant excess deficit statements relating to the stock of miscellaneous stores including types and of paper for the year 1956-57 were not made available to audit and as such it could not be ascertained whether the closing stock on 31st March, 1957 as per stock ledgers represented the actual stock in hand.
- (2) The opening balance as well as the closing balance of the stock ledgers of the miscellaneous stores included a sum of Rs. 47 being the value of Sliding Knife 42" and 'Sealing Wax' against which there was no stock.
- (3) A quantity of 198 Rms. 18 Qrs. 8 Sts. of S. B. Double Foolscap 24 lbs. (in Reels) was purchased in 1955-56 at a total cost of Rs. 3,184 against which there was no issue either in 1955-56 or in 1956-57. This resulted in unnecessary accumulation of stock in respect of this item.
- (4) In the following cases the quantity found short on physical verification conducted during August 1956 was not adjusted in the opening balance of 1956-57:

Nume of article.				('losing balance op 31st January 1956 as per stock ledger	Actual stock found on physical veri- fication	Shortage.

Charged						19,00.000	17,26,233	-1,73,767
Voted .						1,21,81,000	1,20,06,197	-1,74,803

In the charged section, the original appropriation of Rs. 17,52,000 was augmented to Rs. 19,00,000 by a supplementary appropriation of Rs. 1,48,000 against which the expenditure incurred was Rs. 17,26,233. This resulted in a saving of Rs. 1,73,767 which was, however, reduced to Rs. 1,08,188 by the surrender of Rs. 65,579.

In the voted section, the supplementary grant of Rs. 12,96,000 increased the original grant of Rs. 1,08,85,000 to Rs. 1,21,81,000 against which there was an expenditure of Rs. 1,20,06,197 resulting in the saving of Rs. 1.74,803. The surrender of Rs. 1,35,718 reduced the saving to Rs. 39,085.

2. Sub-head A.-1.—A sum of Rs. 20,876 representing arrear claims of the Posts and Telegraphs Department for losses sustained for maintenance of telegraph lines and post offices opened for the State was adjusted inter alia during the year under this sub-head. The controlling officer was duly apprised of the position in the middle of the year and was requested for making necessary provision of fund in this respect. An increased provision was accordingly exhibited in the Revised Estimate by the controlling officer, but no fund was actually provided for the purpose by re-appropriation or otherwise. This mainly resulted in the final excess under the sub-head which indicates defective control. The controlling officer, however, explained the lapse to be due to misapprehension.

Grant No. 40.—Miscellaneous—Other Miscellaneous Expenditure. 307

In the charged section, the original appropriation of Rs. 1,000 was augmented to Rs. 5,000 by the supplementary appropriation of Rs. 4,000 against which the expenditure incurred was Rs. 5,363 which resulted in an excess of Rs. 363.

REVIEW-contd.

In the voted section, the original grant of Rs. 4,92,32,000 was augmented to Rs. 8,90,74,000 by the supplementary grant of Rs. 3,98,42,000 against which there was an expenditure of Rs. 8,13,45,994. This resulted in a saving of Rs. 77,28,006 in the grant which was reduced to Rs. 14,04,108 by the surrender of Rs. 63,23,898. The saving was mainly contributed to by the sub-heads M.(ii), P.-4, P.-5 and P.-6.

- 2. Reasons for the variations in Col. 4 under sub-heads G.-4(iii),G.-4(vin)(a), G.-8, G.-19, K, L.-(ii), L.-(v), L.-(vi), L.-(vii), L.-(ix). L.-(xii), O.-5, P.-1, P. 3, P.-5, P.-9, P.-10, P.-11, P.-12, P.-13, P.-14(b)(i), P.-14(c), P.-14(d), P.-14(f), P.-14(g), Q.-2, Q.-3 and Q.-4 could not be incorporated as the same were not furnished by the controlling authorities.
- 3. Sub-head D.—The details of the amounts written-off under orders of the Government during the year 1956-57 are given below:—

	Name	ot ch	arge.							Amount.
										Rs.
1. Cattle Purchase Loan										5,824
2. Agricultural Loan .							•	•		1,695
3. Advances to students in	U.K.									3,152
4. Advances for reclamation	n of wa	aste l	ands							900
5. Zamındary Embankmen	t Adva	nces								13,804
6. Permanent Advance, Coo	och Be	har								2,500
7. Cooch Behar Advance— (Advances drawn by	the Se	erets	iriat S	staff c	of Coo	ch Be	har)		•	400
							To	tal		28,275

- 4. Sub-head G.-19. The expenditure of Rs. 9,806 incurred on account of the pilot project for intensive development of cottage and small scale industries at Barupur for which no provision was made in the original budget remained uncovered for want of provision of fund. A provision of Rs. 16,500 was shown by the controlling officer in the Revised Estimate for 1956-57, but no reappropriation of fund nor any supplementary grant was arranged for this purpose for regularising the expenditure. This ultimately led to the final excess under the sub-head which indicates defective control.
- 5. Group heads P and Q— Provisions under each of the schemes pertaining to these group heads were made in lump in the original budget, the details in respect of which could not be furnished by Government during the year excepting two cases (viz. Development and Administration of Industries at Durgapur and Scheme for building of residential flats at Karaya Road). It

REVIEW—contd.

is thus not possible to verify whether the expenditure under the various subheads occurring under each of the remaining schemes conformed to the provisions therefor.

Besides, lump provisions for such heavy amounts detract from sound financial control and the practice has been deprecated by the Public Accounts Committee —vide paragraph 13 of the Public Accounts Committee's Report on the Appropriation Accounts for 1937-38.

The scheme-wise lump provisions made during the year under these group heads, therefore, indicate defective budgeting and control.

- 6. Sub-head G.-22.-
- (a) A sum of Rs. 1,244 representing defalcation of agricultural loan money written-off by the Government during the year was adjusted under this subhead. The details of the defalcation have already been reported in the Appropriation Accounts for 1951-52 in the Review below Grant No. 34.—Miscellaneous-Miscellaneous at page 279.
- (b) A sum of Rs. 799 representing repayment of Agricultural and Cattle purchase loans collected by an Assistant Revenue Officer of a certain district was defalcated by him in March, 1948. The officer was sentenced to pay a fine of Rs. 50 and to undergo simple imprisonment for one day. Out of the amount defalcated, Rs. 545 was recovered from his security deposit and Rs. 201 (Principal Rs. 187 and Interest Rs. 14) was written-off under orders of the Government in October, 1956. The write-off of the balance of Rs. 53 on account of Cattle Purchase loan is still (December, 1957) under consideration of the Government.
 - 7. Losses, writes off. etc.—The following cases of loss were reported to audit—

Particulars.

(a) Theft of accessories from the Departmental Jeep belonging to one Divisional office and of one bicycle and one timepiece to another Divisional office

(b) Loss in weight of steel materials by rust on account of their being kept exposed in the open space for not having adequate storage facilities. Some loss was also due to the adoption of different methods of measurements at the time of recept and issue of the materials. Amount. Rs. Remarks.

522 In the former case the driver of the Jeep who was found responsible was discharged from Government service and in the latter case persons responsible could not be detected. Write-off orders were received in February, 1957 and May, 1957 respectively.

3,894 The write-off order was received in March, 1956. The details of loss were communicated to audit in March, 1957.

REVIEW concld.

8. Sub-head P-14 (d) 'Suspense'. The details of transactions during the year 1956-57 are given below:—

	-	-			_					
U	nit of	Susp	өпке.			Opening Balance.	Debit.	Credit.	Net Actuals.	Closing Balance.
		1	_			2	3	4	5	6
				_		Rs.	Rg.	Rs.	Ra.	Rs.
Purchase			•		•	1,09,070	7,68,692	8,72,914	-1,04,222	2,13,292
Stock .	•					•	1,93,129	77,540	1,15,589	1,15,589

			Т	otal	•	-1,09,070	11,26,743	10,41,981	84,762	24,308

The credit balance against 'Purchase' represents the value of materials purchased but not paid for during the year.

The debit balance against 'stock' represents expenditure connected with the acquisition of stock materials.

The debit balance against 'Miscellaneous Public Works Advance' represents advance payments against purchase of controlled materials, sales on credit, losses, etc.

There was a saving of Rs. 8,54,720 in the charged appropriation. The surrender of Rs. 8,54,000 reduced the saving to Rs. 720.

In the voted section, there was a saving of Rs. 2,26,56,379. The surrender of Rs. 2,55,15,269 converted the saving into an excess of Rs. 28,58,890 over the final modified grant. The saving in the grant was mainly contributed to by sub-heads C.-(iii), D.-(v) and D.-(ix).

Certified as correct.

CALCUTTA;

The 15th October, 1957.

CALCUTTA,

The 17th October, 1957.

R. K. A. Subrahmanya,

Pay and Accounts Officer (R. & R.), West

Bengal.

A. D. KHAN,

Secretary to the Government of West Bengal, Refugee, Relief and Rehabilitation Department.

AUDIT COMMENTS.

- 1. Sub-heads C(iii), D(i), D(ii) (Voted), D(iii), D(viii)(a), D(viii)(b), D(ix), D(x), D(xiii), D(xv), D(xvii), G(i), G(ii), K(iv), K(vii), M(i) and N(i) (Voted) although showed considerable variations in Col. 4 in comparison with the final grants fixed thereunder, no explanations for the variations have been furnished.
- 2. The excessive increase in the original provision made under sub-head ('(ii) (Voted) led to the final saving thereunder. This shows that the reappropriation made in this regard was in excess of requirement.
- 3. Sub-head K(iv).—Though the original provision was Rs. 24,000 under this sub-head, it was proposed to make a reduction of Rs. 18,000 in the Revised Estimate. This indicates that the controlling officer was aware of non-requirement of the entire provision made in this regard. But no action was taken to reduce the original provision by re-appropriation or surrender. As a result, the entire original provision has appeared as final saving in the Appropriation Accounts which indicates defective control.
- 4. Sub-head K(vii). A short-fall of Rs. 92,000 in the recovery from the Union Government was anticipated at the time of framing the Revised Estimate, but the original provision made under the sub head was actually reduced by Rs. 43,000 only by reappropriation towards the end of March. 1957 when further information regarding the recovery was available. Actually the recovery fell short of the original provision by Rs. 1,32,624 resulting in a final excess of Rs. 89,624 under the sub head. This final excess would have been considerably reduced if the reduction anticipated at the time of framing the Revised Estimate was given effect to by re-appropriation. This indicates defective control.
- 5. Loss in disposal of surplus stock of yarns in excess of requirements. In February, 1950, Government introduced a scheme under which displaced weavers were to be supplied with varns to weave materials according to specifications laid down by Government. Huge quantity of yarns was accordingly purchased for the execution of the scheme. But the scheme had to be abandoned with effect from July, 1952 as it proved to be unprofitable due to the fact that the yarn was decontrolled at the time and the value of the varn held by Government was higher than the prevailing market price and this resulted in accumulation of yarns of the approximate value of Rs. 4 lakhs in the stock. Considering the deteriorating condition of the yarns, it was decided to dispose of the stock by inviting tenders. The highest offer for the entire stock was Rs. 1,21,777. But it was not sold to the party as the entire stock was taken over by another organisation of the Department at the reduced value of Rs. 1,21,777 for utilisation in the Training cum-Work and Production Centres. Thus, a loss of Rs. 2,78,223 (Rs. 4,00,000—Rs. 1,21,777) was sustained by Government in these transactions.

AUDIT COMMENTS -concld.

It was stated in February, 1957 that this heavy quantity of yarn was purchased on the basis of estimates furnished by authorities requiring them and that it could not be foreseen that the scheme would become unprofitable and had to be abandoned.

6. Avoidable expenditure.—In a certain district, payment of final compensation for land requisitioned by Government in February and June, 1953 was delayed in two cases by about 3 to 4 years as a result of which interest charges amounting to Rs. 2,869 had to be paid to the owners. In another case in the same district, land was requisitioned on 21st May, 1951 under a particular Act. The Act having been decided by the Hon'ble High Court to have no application in the case, Government issued orders for derequisitioning the land forthwith on the 11th June, 1951 but the land was not actually derequisitioned before the 29th June, 1953 For this delay, rent compensation amounting to Rs. 3,575 had to be paid to the owners of the land in March, 1957.

In all, the total expenditure of Rs. 6,444 (Rs. 2,869 + Rs. 3,575) could have been avoided.

Deductions			94,000	72,654	+21,346

There was a saving of Rs. 2,73,941 in the charged appropriation which was reduced to Rs. 1,141 by a surrender of Rs. 2,72,800.

In the voted section the expenditure of Rs. 1,95,58,062 resulted in a saving of Rs. 62,08,938. The surrender of Rs. 39,32,400 reduced the saving to Rs. 22,76,538.

- 2. Explanations for variation in col. 4. under the sub-heads C (voted), D(2), D(3), D(4), D(5), D(6), E, F, H, I(ii), M(vi), N, O, P, Q, R, S(ii), B1(i)(a), B1(i)(b), B1(i)(c), B1(i)(d), B1(i)(f), B1(i)(g), B1(i)(h), B1(ii)(b), D1(i)(a) and D1(ii)(a) could not be included as the same were not furnished by the controlling officers.
- 3. Sub-heads U—Z.—As in the previous year (vide paragraph 3 of the Review under Grant No. 43-Community Development Projects) the lump provision under the sub-head 'U' has been shown without distributing the provision under the prescribed minor heads. The lump provision for such heavy amount without exhibiting its distribution by minor heads detracts from financial control and this indicates defective budgeting and control.

In the charged section there was an expenditure of Rs. 4,112 against the supplementary appropriation of Rs. 10,900 resulting in a saving of Rs. 6,788. The surrender of Rs. 6,600 reduced the saving to Rs. 188.

In the voted section the original grant of Rs. 4,16,04,000 was augmented to Rs. 4,39,55,000 by a supplementary grant of Rs. 23,51,000 against which the expenditure was Rs. 2,92,84,810 resulting in a saving of Rs. 1,46,70,190. The surrender of Rs. 11,479 reduced the saving to Rs. 1,46,58,711. The saving occurred mainly under Sub-head A-1-(g).

2. The reasons for the variation between the final grant and actual expenditure in respect of Sub-head A.-1-(g) could not be incorporated as the same was not furnished by the controlling authority.

REVIEW.

In the charged section there was a saving of Rs. 36,905. In the voted section the original grant of Rs. 2,75,95,000 was augmented to Rs. 2,86,62,000 by a supplementary grant of Rs. 10,67,000. The saving in the grant was Rs. 7,77,059 which was reduced to Rs. 7,75,634 by the surrender of Rs. 1,425.

- 2. The reasons for the variations in Col. 4 under the sub-heads I(1)(d), I(2)(e)—(Voted), I(2)(f), I(2)(g), III(2)(e)—(Charged), A1(I)(a), A1(I)(b), A1(I)(c), A1(I)(d), A1(I)(f), A1(II) and B have not yet been furnished by the controlling authorities concerned.
 - 3. The following "ex-gratia" payments were made in 1956-57—
 - (i) Rs. 250 to the father of a Cycle Rickshaw Driver who was knocked down by a State bus.
 - (ii) Rs. 93 in connection with the medical and funeral charges of an ex-fitter of the Central Workshop under the Directorate of Transportation who died as a result of an accident.
 - (iii) Rs. 357-3-0 as medical expenditure to the victims of the State bus accident on Talla Bridge.
 - (iv) Rs. 11-15-0 towards the cost of medical treatment of a State bus conductor who met with an accident while on duty.
 - (v) Rs. 100 as cost of medical treatment to a durwan of a State bus Depot who was injured in a State bus accident.
 - (vi) Rs. 20 to a badli conductor who was injured in a bus accident while on duty.
- 4. Avoidable expenditure of Rs. 7,000 paid as maintenance charge to a firm.—In terms of an agreement, a sum of Rs. 2,360 per month was paid to an operating firm as routine maintenance charge of two State-owned air crafts—the 'Dove' and the 'L. 5'. There was no provision in the agreement to reduce the charges in the event of the crafts going out of commission.

The engines of the aircraft 'Dove' were taken out and sent for repairs elsewhere under instructions from Government in April, 1952. The fact that the operating firm was arranging to despatch the engines for repairs and that the craft would go out of commission was known to Government early in March, 1952. The question of any reduction in the maintenance charges was, however, taken up with the firm in October, 1952 when it had already received payment at the full rate of Rs. 2,360 per month for seven months. A reduction of Rs. 1,000 per month from the stipulated rate was agreed to by the firm with effect from November, 1952 till the engines were received back.

The delay in taking up the matter with the firms had, thus, caused an avoidable expenditure of Rs. 7,000 to Government.

REVIEW.

There was a saving of Rs. 3,52,808 in the appropriation of Rs. 20,30,000 The surrender of Rs. 1,06,000 reduced the saving to Rs. 2,46,808

2. Sub-head B.—Explanation of variation in Col. 4 could not be incorporated as the same was not furnished by the controlling authority.

NOTE

The expenditure under this head is a proforma adjustment to show the interest manifilies on irrigation capital expenditure. The corresponding credit is taken under the receipt head "XX.—Interest" in respect of interest on Capital Outlay incurred before the 1st April, 1937 and under "22.—Interest on Debt and other Obligation" by means of a deduct entry in respect of interest on subsequent outlay. (See sub-head D.-1 of Grant No. 11 on page 8 104-105.)

The interest for the year 1956-57 was calculated at the rate of 4½ per cent. per annum.

Appropriation No. 12.—Appropriation for Reduction or Avoidance 359 of Debt—Charged.

REVIEW.

In the charged section there was a saving of Rs. 1,30,001 in the supplementary appropriation of Rs. 1,31,437.

In the voted section the saving in the grant was Rs. 1,32,84,456 which was converted into an excess of Rs. 1,59,944 by the surrender of Rs. 1,34,44,400.

- 2. The reasons for the variations in Col. 4 under sub-heads A. 5, A. 7, A. 8—Charged and Voted, A. 9, A. 10, A. 11, A.12, A. 14, A. 15, A. 16, A. 17 B, C, E, F(i)(d), F(i)(e), F(i)(f), F(i)(g), F(i)(h), F(ii)-1, F(ii)-2, F(ii)-3, F(ii)-7 and F(ii)-8 have not yet been furnished by the controlling authorities.
- 3. The gross establishment charges of the Development (Roads) Department during the year 1956-57 amounted to Rs. 23.61 lakhs against the total works outlay of Rs. 2,50.56 lakhs, i.e., 9.43 per cent. of the total works outlay.

A sum of Rs. 3.03 lakhs was recovered during the period under review on account of Establishment charges for work done on behalf of private bodies and other Departments and Governments. The net Establishment charges stood at Rs. 20.58 lakhs, which were 8.21 per cent. of the total works outlay.

4. Losses, write-off, etc.—The following cases of loss were reported to audit:—

Serial No.	Particulars	Amount.	Remarks.
		Rs.	
1.	In one Division 55 tons and 9 cwt. of coment was damaged by floods in September, 1956. In another case out of 20 joists washed away by a sudden flood in the river Bagrrathi, one joist could not be traced.	6,969	Orders of write-off were communicated in May, 1957 and March, 1957 respectively. None was held responsible for the loss.
2.	Verification of site accounts of a work under a Public Works Division revealed that there was shortage of coal 688 tons (valued at Rs. 12,582) and Bricks, 43,750 nos. (valued at Rs. 1,225).	13,807	The shortage of coal is stated to be due to loss in transit land also conversion from ton to cubic feet. As regards bricks it was stated that these were likely to have been used up in repairing pot holes. The loss was written off by Government in May, 1956.

ANNEXURE A concld. REVIEW.

The expenditure on works appears under sub-heads A-1 to A-18, B, C, F(i)(a) and F(i)(b). The figures of appropriation and expenditure under these sub-heads for the year under review were as follows:—

			-	 In '	lakhs of Rupees
Original Appropriation		•			3,79.98
Modified Appropriation	n				3,51.81
Expenditure .					$3,32 \cdot 25$

- 2. The savings in the modified appropriation stood at Rs. 19.56 lakhs, i.e. 6.1 per cent. only.
- 3. The number of major works in progress (included in the Annexure) during the year was 456 against 211 of the previous year. The increase in the number of works was due to adoption of the principle that expenditure exceeding Rs. 20,000 on each item of work which created an asset having life of 15 years or more should, as from 1956-57, be met from the Capital Head '81-Capital Account of Civil Works outside the Revenue Account 'instead of the Revenue Head '50-Civil Works'. The total expenditure on 279 works amounted to Rs. 17,83.31 lakhs against the total estimate of Rs. 23,96.37 lakhs. Of these, expenditure on 71 works exceeded the sanctioned estimate, (vide items, 3, 5, 9, 16, 20, 28-29, 41, 58, 65, 74, 78, 84, 88, 89, 90, 100, 103, 104, 109, 112, 116, 117, 118, 122, 125, 127, 128, 130, 131, 134, 140, 141, 149,(a), 154, 190, 191, 201, 302, 303, 304, 309, 310, 313, 315, 317, 318, 319, 357, 373, 375, 378, 380, 382, 398, 402, 414, 416, 418, 419, 422, 425, 426, 427, 429, 433, 434 and 436 of Annexure A). Expenditure of Rs. 2,22.82 lakhs was incurred on the remaining 177 works for which there was no sanctioned estimate (vide items 1, 2, 4, 6, 7, 10, 12, 14, 15, 19, 24, 26, 27, 30, 31, 32, 33, 34, 35, 38, 40, 41, 42, 44, 46, 47, 48, 50, 51, 53, 56, 57, 58, 59, 60, 62, 63, 64, 65, 69, 71, 73, 76, 79, 80, 101, 107, 110, 111, 114, 121, 136, 171, 177, 178, 182, 187, 188, 192, 193, 197, 204, 205, 206, 213, 214, 216, 220, 232, 235, 237, 239, 241, 249, 250, 255, 256, 265, 266, 268, 271, 272, 278, 283, 286, 288, 292, 296, 301, 320, 321, 331, 332, 337, 343, 344, 345, 346, 347, 348, 351, 352, 353, 358, 359, 360, 366, 371, 379, 382, 397, 400, 404, 405, 409, 410, 411, 412, 413, 424, 431 and 436 of Annexure A).
- 4. The reasons for variations in Col. 6 in respect of items 4, 9, 13, 16, 18, 20-23, 26, 29, 31, 42, 43, 45, 49, 50, 52-59, 61-64, 66, 67, 70, 71, 154, 179, 376, 387, 400, 406 and 409 could not be included as the same were not received from the controlling authorities.

ANNEXURE B. (See Sub-head—F(i)(g)).

The nature of transactions under the minor head "Suspense" is explained in paragraph 1 of the Annexure A to Grant No. 10.—Irrigation.

The transactions under each unit of suspense during the year 1956-57 are exhibited below:—

TOTAL	15,57,174	59,04,423	48,86,712	.,	25,74,886

Stock Accounts are received from the Executive Officers of the Public Works Department with certificates of verification of balances. They are consolidated in the Accounts Office in the above form. The yearly registers of Stock are examined at the time of local inspection.

The increase in closing balances in the Divisions at 1, 3, 5, 6, 9, 10 is due to less issue of materials.

Certificates of balances have not been received from any of the Divisions.

The stock account of one division is in arrears from 1951-52, of two divisions from 1954-55 and of 4 divisions from 1955-56.

^{*}The net amount required originally being a minus quantity, a nominal grant of Re.1 was voted by the Legislature.

REVIEW.

A supplementary appropriation of Rs. 60,000 was obtained for payment of decretal amounts in the charged section against which the expenditure amounted to Rs. 55,692 causing a saving of Rs. 4,308. In the voted section, a token grant of Re. 1 was taken. The actual recovery of Rs. 2,48,36,235 fell short of the estimated recovery of Rs. 3,49,01,000 by Rs. 1,00,64,765. The surrender of Rs. 23,62,000 increased the deficit to Rs. 1,24,26,765 in the final grant.

- 2. The explanations of variations in respect of the sub-heads A.(3)(a), A.(3)(b), A.(6), B.(3)(a) and B.(3)(b) could not be incorporated as the same were not furnished by the controlling officers.
- 3. State Trading.—The following schemes were in operation during the year 1956-57 and the expenditure incurred thereon was booked under the head, 85.A.—Capital Outlay on State Schemes of Government Trading:—

(i) Grain Purchase Schemes:

- (a) Purchase of food grains other than wheat.
- (b) Purchase of wheat and wheat products.
- (c) Supply of foodstuffs at concession rates to Government servants.
- (d) Price support scheme.

(ii) Other Miscellaneous Schemes:

- (a) Purchase of sugar.
- (b) Distribution of "toned" and "cow's" milk in Calcutta.
- (c) Distribution of "butter" and "ghee".
- (d) Purchase of gram dal.

Grain Purchase Schemes—

The object of the first three schemes was to purchase and stock large quantities of food grains such as Rice, Paddy, Wheat and wheat products with a view to their equitable distribution by sale to the public at controlled rates and to certain classes of Government servants at concession rates.

The price support scheme was intended to keep the price level of rice and paddy steady.

Other Miscellaneous Schemes—

The scheme for the purchase of sugar was introduced with the object of its controlled distribution to the public through ration shops.

The schemes for distribution of "toned" and "cow's" milk in Calcutta is meant to ensure the supply of unadulterated milk to the public at controlled rates.

The scheme for distribution of "butter" and "ghee" is intended for supply of butter to hospitals and for sale of butter and ghee to the public.

The scheme for purchase of gram dal was intended for its distribution through ration shops to the consumers at cost price plus incidental changes.

Accounting Procedure—

No change has been made in the accounting procedure. As in the past each scheme has been accounted for under the following sub-heads (with suitable additions to and modifications of the existing heads where necessary) opened within the Capital Account:—

- (1) Cost of purchase.
- (2) Advances.
- (3) Suspense (Personal Deposits).
- (4) Deduct—Receipts and recoveries on Capital Account.
- (5) Deduct—Capital Expenditure financed from ordinary revenues.
- (6) Deduct—Recoveries from other Governments, Departments, etc.
- (7) Add—Surcharge collected with sale proceeds for improvement of village roads in heavy procurement areas transferred to revenue receipts.

When a scheme is worked without the aid of advances, the expenditure is debited to head (1). When advances are granted and personal ledger-accounts opened for working the schemes the advances are debited to head (2) by corresponding credit to head (3). The subsequent incomings and out goings relating to the personal ledger accounts also appear under head (3).

All recoveries including repayment of advances and ultimate profits, if any, are accounted for under head (4) and all losses under head (1). At the end of the year the losses are charged off to revenue against head (5). Head (6) is designed to accommodate the receipts on accounts of recoveries from other Governments, Departments, etc. for the value of rationed commodities supplied to them from the District Officers' Grain shops as also those on account of subsidy paid by the Central Government on imported food grains.

Surcharges collected with the sale proceeds of rice and paddy remain merged as Capital receipts under head (4), while the actual expenditure incurred by the Works and Buildings Department on the improvement of village roads in heavy procurement areas against the collected surcharge is transferred at the end of the year for adjustment under head (7).

The charges on account of the establishment employed on the schemes connected with supply of foodstuffs at concessional rates to Government servants and distribution of milk, butter and ghee are adjusted under the Capital head.

The cost of the establishment of the remaining food supply schemes is debited to "63.—Extra-ordinary charges in India—Miscellaneous—Food".

The net expenditure on the Schemes (i) and (ii) as booked in the Capital Account, amounted to -2,47,11,485 and -69,058 respectively. The *minus* expenditure was due to the recoveries of Capital expenditure under the deduct heads mentioned above being in excess of the gross expenditure.

4. Loss.—Loss to the extent of Rs. 7,331 was sustained by Government as a result of short deposits of the sale proceeds of Rationed Commodities by the Ration Clerk of a departmental Ration Store between the period 26th February, 1952 and 27th May, 1954.

The ration clerk, who had absconded, was placed under suspension and the criminal case started against him is pending.

As a result of the departmental proceedings drawn up against two officials a sum of Rs. 200 was recovered from one of them. The result of the proceedings drawn up against the other is still awaited (February, 1958). The responsibility of the superior officers in the matter remains also to be fixed.

5. The Local Audit of the expenditure on the purchase and distribution of foodgrains (Rice and Paddy) during the year 1955-56 disclosed the following irregularities:—

(1)(a) Shortage in transit—

	Mds.	Rs.
(i) Shortages during transit by rail from the Depota to the district in excess of the allowable limit—	o	
Rice	. 2,531	39,230
Paddy	464	3,712
(ii) Short receipt of entire bag loads of commoditied during transit by rail from Calcutta Depots the Districts—	Q	
Rice	. 449	6,959
	TOTAL .	49,901

No records were produced to show whether recoveries have been made from parties responsible for the loss. In respect of short receipt during transit by rail, no evidence was produced to audit to show whether claims have been preferred against the Railway authorit eq.

(b) Shortages in food Department Depot-

										Nos.	Rs.
(i) Sho	rtage in	emj	oty gu	nnies	with	stock	holde	rs .		18,543	13,907
(ii) Trai	nsit sho listrict—	rtag	e fron	a Gov	ernme	ent De	pot to	diffe	rent	Mds.	
	Rice				•	•				155	2,596
	Paddy	,	•			•				595	6,619
										TOTAL .	23,122

(c) Shortage in physical verification—

The physical verification of stocks of rice and paddy with the different stock holders at the close of the financial year disclosed the following shortages:—

					Mds. Srs.	Rs,
Rice . Paddy		•	•	:	486—24 2,729—26	8,150 30,365
					TOTAL .	38,515

The reasons for the shortages and the steps taken either to recover the value of the shortages from the persons at fault or to write-off the value of irrecoverable portion have not been communicated to Audit.

(2) Loss on sale of deteriorated stock at reduced rate.—The sale of deteriorated rice and paddy at a reduced rate resulted in the following loss—

							Mds.	Rs.
Rice . Paddy	:	:			:		753 503	8,808 4,528
							TOTAL	13,336

Reasons for deterioration and the steps taken to make good the loss from the persons responsible for it or to write-off have not been communicated to Audit.

6(a). The sale of paddy and gunny bags to the rice mills is ordinarily made on prepayment of their price. The sale of wheat is made to the flour mills subject to the payment of the price within the 21st of the month following the month of supply. In quite a number of cases, however, the values were not prepaid or realised in time. Recoveries outstanding for more than six months stood at Rs. 60,26,487 on 31st December, 1956 and Rs. 60,30,495 on 31st March, 1957. The following figures included in the outstanding items on 31st March, 1957 are very old:—

Accounts of defaulting rice mills have been checked but not yet accepted by the millers in all cases for which recoveries are delayed. Where the proprietors agree it is proposed to adjust Government dues from their pending bills. In disputed cases legal action is taken for the realisation. In respect of flour mills Rs. 27,84,007 is covered by Mills' bills while legal action is being taken in two cases.

(b) In addition to the above, large amounts are also due for recovery from other parties. On 31st March, 1957 the following amounts were outstanding:—

Defau	lting p	parties	١.		Nature.	Amount.	
***************************************						•	Rs,
Contractors .	•	•	•	•	•	For loss of or damage to food grains and gunny bags while in their custody and for incidental charges.	11,58,255

^{7.} Audit Comments on the Pro forma Accounts of Schemes of State Trading on Rice and Paddy for 1954-55.—A system of continuous verification of stocks by verifiers under the administrative control of the Controller of Finance was introduced with effect from the 15th November, 1948. Under this system

REVIEW—contd.

the verification of the several godowns is taken up in rotation. The number of godowns verified during the year was as follows:—

Kınd	of go	dow	n.						No. of godowns
(i) Government Food Depart	ment							•	17
(ii) Procurement godowns				•			•	•	21
(iii) Distribution godowns	•		•	•	•	•	•	•	3

The total number of godowns maintained by the Food Department during the year 1954-55 could not be made available and in its absence the percentage of verification could not be worked out.

The assets shown in the Balance Sheet do not include outlay on buildings, equipments, etc. Government had decided that a complete list of such fixed assets should be appended to the Balance Sheet but this decision has not yet been implemented by the Department.

Under orders of Government, interest on total capital outlay and depreciation on fixed assets have not been taken into account in the Trading and Profit and Loss Account. Had these been taken into account, the resultant loss would have been more than that shown in these accounts.

The Trading and Profit and Loss Accounts exhibit transit and godown shortages but do not show separately the losses caused by—

- (i) deterioration or destruction of food grains;
- (ii) sale of off-quality food stuffs at reduced rates; and
- (iii) accident, theft and fraud, etc.

The shortages shown in the accounts still remain to be formally writtenoff by the Government.

Under the orders of Government no leave or pensionary contributions on account of the Permanent establishment employed in the department have been included in the Profit and Loss Accounts on the ground that the actual expenditure on this account would be very small compared to the size of the total cost of the establishment.

The total figures of cash sales as per departmental books have been taken pending reconciliation of the same by the Department with the figures in the books of the Audit Office.

As the number of unserviceable gunnies sold and the shortages were not exhibited in the Profit and Loss Account, the position of gunnies, as exhibited in the Balance Sheet could not be verified.

8. Audit Comments on the Summarised Personal Ledger Account of Grain Purchase Scheme for 1956-57.—The grainshops had been closed with effect from 1st April, 1955 but the balance at credit of the accounts had not been refunded into Government Account in most of the cases.

I have examined the foregoing accounts and Balance Sheet of the State Trading operations in Rice and Paddy. I have obtained all the informations and explanations that I have required, and subject to the observations in the separate Audit Comments (vide para. 7 of the review), I certify, as a result of my audit that in my opinion the accounts and Balance Sheet are properly drawn up so as to exhibit a true and fair view of the State of affairs of the concern according to the best of my informations and explanations given to me and as shown by the books of the concern

M. BANERJEE,

Assistant Accounts Officer, West Bengal.

DEPARTMENTAL EXPLANATORY MEMORANDUM.

- (i) The money values shown against (a) purchases and (b) incidental charges (i.e. handling, transport and other charges) on the debit side of the accounts include not only the amounts paid but also the amounts payable on account of supplies and services received during the period of account.
- (2) The figures shown against 'Interest charges' include only the amounts actually paid or payable on account of cash credit advances taken from the State Bank of India and interest paid to Government of India for their acceptance of deferred payment of their dues. No amount has been added on account of interest on the Capital at charge i.e. the total outlay on material assets and Government cash used as trading Capital.
- (3) The figure shown against 'Over-head charges' represents the whole of the charges actually paid and adjusted under the head '63.—Extraordinary Charges'. Any liabilities remaining outstanding are not taken into account.
- (4) The amount shown against 'Audit charges' has been calculated on the basis of actual man-days spent on audit work and not at the usual rate of 1 per cent. on total expenditure.
- (5) The figures shown against 'Sales' on the credit side of the account include amounts realisable on account of transaction during the period of account.
- (6) The opening and closing stocks have been valued on the principle of average cost of procurement or sale price whichever is lower. Deteriorated stock has been valued at the sale-price of the deteriorated stock.

EXPLANATORY MEMORANDUM RELATING TO THE BALANCE SHEET.

- (1) Item Nos. 1, 2 and 3 on the Liabilities side giving the progressive totals of expenditure debited direct and finally to certain Revenue heads. Since no relief is ever given to the Revenue heads concerned, the amounts remain as outstanding liabilities and must go on steadily increasing from year to year.
- (2) Item No. 5 on the Assets side (viz. 'Undivided Bengal Suspense Accounts') represents the value of foodgrains supplied by West Bengal Government against amount deposited by wholesale traders and mill owners prior to the partition.
- (3) Item No. 6 on the Liabilities side represents amount payable to the State Bank of India as interest on cash credit advances.
- (4) Item Nos. 7 and 13 *ibid* are amounts awaiting transfer to the appropriate Revenue and Deposit heads respectively.
- (5) Item No. 8 on the Liabilities side represents the difference between the value of the Opening Stock on the 15th August, 1947 and West Bengal's share of liabilities outstanding on account of the Cash Credit advances taken from the Imperial (State) Bank of India by Undivided Bengal prior to the partition.

- (6) Item No. 8 on the Assets side—adjustments represent stock-in-transit which was not included in last year's closing stock and price fluctuations which could not be effected in the trading account of the preceding year and rebate which could not be foreseen and therefore not provided for.
- (7) The outlay on buildings, transport-vehicles, equipments, furniture, etc. is all met out of revenue. Such outlay made during the Prepartition period is not shown at all in the Balance Sheet whereas the outlay on such item during the Post-partition period is included in item I on the liabilities side. The Profit and Loss Account and Balance Sheet as prepared by the Controller of Finance relate (except for comparatively small amount spent on fixed assets during Post-partition period) to the trading or circulating Capital which again is not a fixed amount. It expands and contracts from time to time with the flow and ebb of transaction.

AUDIT EXPLANATORY NOTES.

- (a) There was a net loss of Rs. 3,41,92,953 as compared with the net loss of Rs. 3,81,28,314 in the year 1953-54. The percentage of loss over the total trading operations during the year 1954-55 increased by 8 per cent. as compared with that of the year 1953-54. Increase in the share of overhead charges and audit charges, increase in expenditure in interest charges and less receipts due to decrease in the average selling rates were stated to be the main reasons for the increase in percentage of the net loss.
- (b) The average selling rate of rice decreased from Rs. 17-13-4 to Rs. 16-11-7 per maund, thereby causing decrease in receipts amounting to over Rs. 45 lakhs (approximately) in comparison with the previous year. Lesser quantity sold through Calcutta Rationing as well as the lower selling rate thereof, were stated to have contributed to the fall in receipts.
- E7 (c) Several items shown in the Balance Sheet viz. 'Reserve for Bonus', 'Excess of Assets over liabilities', 'Procurement Bonus', 'Refund due to parties' and 'Undivided Bengal Suspense Account' are identical with the balances appearing in the Balance Sheet as on the 31st March, 1954.
- (d) There had been an increase of Rs. 3,77,184 on account of pay and allowances of staff booked under the head '63.—Extraordinary charges' and of Rs. 1,14,754 on account of audit charges as compared with the previous year. The increase is due to the entire audit and overhead charges being debited to this account there being no transactions in the wheat and wheat products.
- (e) There had been an increase of Rs. 12,63,061 on account of interest charges as compared with the previous year. The increase was stated to be due to the fact that a larger sum remained as debit balance during the year 1954-55 and that the higher rate of interest was charged by the bank.

REVIEW.

The criginal grant of Rs. 3,93,48,000 was augmented to Rs. 5,74,42,000 by a supplementary grant of Rs. 1,80,94,000 against which the expenditure was Rs. 4,42,24,338 resulting in a saving of Rs. 1,32,17,662. The surrender of Rs. 1,06,83,101 reduced the saving to Rs. 25,34,561.

- 2. Su'i-head F.—The explanation of variation in Col. 4 could not be furnished as the same was not received from the controlling authorities.
 - 3. Losses, writes off, etc.—
- (a) On 27th June, 1952 a sum of Rs. 15,000 was handed over to an Officer for disbursement as cattle purchase loan. In May, 1953, the officer submitted accounts for Rs. 5,095 only supported by loan bonds, etc. For the balance amount of Rs. 9,905 he was criminally prosecuted and sentenced to undergo R.I. for 2 years and to pay a sum of Rs. 1,000 or in default to suffer R.I. for one year more. Against this judgment, he preferred an appeal to the Supreme Court, whose decision is still awaited (August, 1957).
 - (b) The following case of loss was reported to audit:—

Particulars.	Amount.	Remarks.
	Rs.	
In January, 1954, one of the Constables of an escort party escorting a sealed bag containing loan money amounting to Rs. 1,927 collected by an officer, absconded with the bag.	1,927	Orders of Government writing-off the loss are awaited (May, 1957).

APPENDIX I.
