DISTORT OF STREET

PREFATORY REMARKS

This report has been prepared for submission to the Governor under paragraph 7 (4) of the Sixth Schedule to the Constitution of India. It relates mainly to points arising from the audit of the financial transactions of the Garo Hills District Council.

- 2. The cases mentioned in this report are those which came to notice in the course of test-check of the accounts of the Council for the year 1995-96.
- 3. This Report contains three sections, of which one section deals with the constitution of the Garo Hills District Council, the rules for the management of the District Fund and maintenance of accounts by the District Council. The remaining two sections deal with the Council's financial position and irregularities noticed in Audit relating to the year 1995–96.

TRUTAFORY JRETAKES

OVERVIEW

The important audit findings are summarised in the succeeding paragraphs:-

The figures in the annual accounts furnished by the Council were not tallying with the records maintained by the different branches of the Council. The variation in receipts ranged from Rs. 0.57 lakh to Rs. 37.42 lakh and that of expenditure was to the extent of Rs. 32.43 lakh.

(Paragraph 2.2)

- There was wasteful expenditure of Rs. 1.13 lakh on teakwood plantations due to poor survival of the planted seedlings as these were not maintained, though funds to the extent of Rs. 1.20 lakh was sanctioned by the Government and disbursed to the Council.

SECTION I

1.1 Introduction

The Garo Hills District Council was set up in June 1952 under the provisions of Article 244 (2) read with the Sixth Schedule to the Constitution of India.

the fact of the state of the fact of

The Sixth Schedule to the Constitution of India provides for administration of specified tribal areas. For that purpose it provides for constitution of a District Council for each autonomous district with powers to make laws on matters listed in paragraph 3 (1) of the Schedule mainly in respect of allotment, occupation, use, etc. of land; management of forests other than reserve forest; use of any canal or watercourses for agriculture; regulation of the practice of "Jhum" or other forms of shifting cultivation; establishment of village or town committees or council and their powers; village or town administration including police, public health and sanitation and inheritance of property. Under paragraph 6(1) of the Schedule, the Councils have powers to establish, construct or manage primary schools, dispensaries, markets, cattle pounds, ferries, roads, road transport and waterways in the respective autonomous district. The Councils also have powers to assess, levy and collect, within the autonomous district, revenue in respect of land and buildings, taxes on professions, trades, callings and employments, animals, vehicles and boats, tolls on passengers and goods carried in ferries and the maintenance of schools, dispensaries or roads as listed in paragraph 8 of the Schedule.

distribution of the

1.2 Rules for the management of District Fund.

The Sixth Schedule provides for the constitution of District Fund for each autonomous district to which shall be credited all moneys received by the Council in the course of administration of the district in accordance with the provisions of the Constitution. In terms of the provisions of paragraph 7 (2) of the Schedule, rules are to be framed by the Governor for the management of the District Fund and for the procedure to be followed in respect of the payment of the moneys into the said Fund, withdrawal of moneys therefrom, custody of moneys therein and any other matter connected with or ancillary to these matters. These rules have not been finalised so far (February 1998). Meanwhile the affairs of the District Council are being regulated in accordance with the Garo Hills District Fund Rules, 1952.

The property of the second of

1.3 Maintenance of accounts

In pursuance of paragraph 7 (3) of the Sixth Schedule to the Constitution the form in which the accounts of the District Council are to be maintained was prescribed by the Comptroller and Auditor General of India with the approval of the President in April 1977 and communicated to the Garo Hills District Council în June 1977.

The annual accounts for the year 1995-96, due for submission by 30 June 1996, were submitted after a delay of over 4 months in November 1996 and contained some discrepancies. The discrepancies were, however, reconciled by the Council at the instance of Audit and the revised statements of accounts were submitted in September 1997.

Results of the test-check of the annual accounts of the Council for the year 1995-96 are given in the succeeding paragraphs.

SECTION II

2.1 Receipts and expenditure

Total of (3)

Receipts

2.1.1 According to the annual accounts furnished by the Council, the receipts and expenditure of the Council for the year 1995-96 and resultant revenue surplus were as follows:

the year 1994-95, which was wrongly accounted for under the head 'Forest' during year and (ii) exhibition of loans and advances (Rs. 97.16 lakh) taken out of Council's share of royalties on major and minor minerals. Reasons for exhibition of loans and advances under revenue receipts instead of under the Debt head 'Loans received from other sources' had not been stated (February 1998). This resulted in overstatement of revenue receipts and understatement of receipts under debt head by Rs. 97.16 lakh.

Expenditure

Social Head of accounts 1994-98 1995-96 Verschag Arcisons for 1. Land Revenue 64.92 78.02 (+) 13.10 | Increase in expenditure was stated (September (20)1997) to be due to appointment/promotion of staff and purchase of survey instruments. (Rupees in lakh)

1997) to be due to increase in volume of works, repayment loans taken from the Government and payment of interest thereon. Amount of loan repaid during the year, which was included under the head 'Forest' and reasons for exhibition of such amount under revenue expenditure instead of under the Debt head 'Repayment of loans received from Government' had not been stated (February 1998).

2.2 Discrepancies in annual accounts

Receipts and disbursements during the year 1995-96 as reflected in the annual accounts were different from those exhibited in the records maintained by the concerned branches of the Council, details of which are given below:

Serial Details number	Figure shown in the annual accounts	Figure as per record of the concerned br.	Difference
wede on a reference	1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1 1	(Rupees in lakh)	borse -
	Receipts		they go
 Total receipts Forest Land Revenue 	601 45 (a) 73.92 (b) 44.86 (b)	564.03 (c) 73 35 (d) 50.72 (e)	37.42 0.57 5.86
4. Taxes on income and expenditure	53,41 (b)	54.32 (f)	0.91
	Disburseme	ents	enteropy f
5. Total disbursements	544.86 (a)	512 43 (c)	32.43

Besides, receipts of Rs. 73.92 lakh and Rs. 73.35 lakh shown under columns 3 and 4 respectively of serial 2 above included Rs. 40 lakh being the share on minor minerals received by the Council from the State Government. Hence, exhibition of the amount of Rs. 40 lakh under the head 'Forest' instead of 'Mine and Minerals' resulted in misclassification of receipts.

The Council admitted (May 1997) the discrepancies mentioned at serial 1, 2, 3 and 5 above, but gave no reason for the omission. As regards discrepancy mentioned at serial 4, the Council stated (September 1997) that the same was under reconciliation. Further development had not been intimated (February 1998).

⁽a) Statement 1 of annual accounts for the year 1995-96

⁽b) Statement 5 of annual accounts for the year 1995-96

⁽c) Accounts branch

⁽d) Forest branch

⁽e) Revenue branch

⁽f) Trade Licensing branch.

2.3 Shortfall in collection of revenue and savings in expenditure compared to budget estimate

Sortfall in revenue receipt including loans and expenditure compared with budget estimate for the year 1995-96 are shown below:-

Particulars	Estimate	Actual as	per accounts	Shortfall
				7 3
	, , ,	Rupees in la	kh)	
Receipt	6	47.44	594.02	53,42
Fxpenditure	6	95.85	544.84	15 1 .01

The Council could not furnish specific reasons for the short-fall in collection of revenue and expenditure against the estimate during the year.

SECTION III To an inclination of

3.1 Delay in deposit of revenue

Mention was made in the Audit Reports relating to the Council for the years 1985–86 to 1989–90 and 1990–91 to 1991–92 regarding non-deposit of revenue of Rs. 0.20 lakh and Rs. 0.27 lakh collected from non-tribal traders during 1985–86 to 1989–90 and 1990–91 to 1991–92 respectively. Further amount of Rs. 0.05 lakh collected during 1990–91 to 1991–92 was also not deposited into Treasury during the respective year of collection.

Test-check (January 1997) of the demand and collection registers and counterfoil of the receipt books in respect of Taxation Branch of the Council further disclosed that out of the non-deposited amount of Rs. 0.52 lakh, Rs. 0.37 lakh only was deposited into Treasury in November 1995 after a delay of 4 to 6 years from the actual month(s) of collection in contravention of Rule 18 of the Garo Hills District Fund Rules, 1952 which provides *inter alia* for remittance of all moneys to the Treasury promptly.

The matter was referred to the Council in May 1997, who admitted the fact (May 1997) but gave no reason for the omission.

3.2 Non-realisation of Kist-money of Jharu Mahal

Test-check (January 1997) of records pertaining to Jharu Mahal* of the Council revealed that the mahal was settled with two Mahaldars 'A' and 'B' for the periods from 14 August 1988 to 15 August 1991 and from 15 November 1991 to 15 November 1994 for Kist money** of Rs. 10 lakh and Rs. 12.15 lakh respectively. Out of the realisable amount of Rs. 22.15 lakh, Rs. 13.15 lakh only was realised (Rs. 7 lakh from 'A' and Rs. 6.15 lakh from 'B') till March 1994 leaving an unrealised balance amount of Rs. 9 lakh to the end of January 1997, resulting in loss of revenue to the Council.

The Council admitted the fact (January 1997) and stated (September 1997) that the balance amount had been realised leaving Rs. 1 lakh outstanding, which was allowed to be deposited by November 1997. Further development had not been intimated (February 1998), Reasons for non-realisation of Kist money in time had not been stated (February 1998).

^{*} Jharu Mahal: The area containing plantation of broom sticks.

^{**}Kist money: Amount payable in instalment.

3.3 Wasteful expenditure on teak wood plantations

Government of Meghalaya, Forest Department senctioned (September 1993) Rs. 1.21 lakh for advance works like survey, land preparation fencing, etc. for implementation of the Teak Wood Plantation Scheme on 100 hectares of land during 1993-94. Further, grants-in-aid of Rs. 1.20 lakh was sanctioned (August 1995) by the State Government and disbursed to the Council in March 1996 for maintenance of seedlings, e.g., vacancy filling, weeding out, etc. Test-check (January 1997) revealed that 2.5 lakh seedlings were planted on 50 hectares each in two Ranges (1.25 lakh, seedlings in each Range) at a total cost of Rs. J.21 lakh. However, no maintenance works were taken up by the Council and the grants disbursed for the purpose were lying unutilised with the Council till the date of audit (January 1997).

According to the reports furnished (January 1997) by the Range Officers of the concerned Ranges to the Divisional Forest Officers, the percentage of survival of the seedlings in the two Ranges were 2.67 and 10. According to Conservator of Forest there was no fixed norm for mortality of teak wood plantation. One of the Range Officers also reported that the seedlings were covered with weeds and huge number of seedlings was taken away by some miscreants. This indicated that the poor survival of the seedlings was due to lack of maintenance. Reasons for not taking up the maintenance works to ensure survival of the planted seedlings and to fill up the vacancies in spite of availability of funds had not been furnished. The actual position of survival of seedlings also could not be checked with the reports as the plantation journals were not made available to Audit.

Thus, at least 93.67 percent of the total expenditure (Rs. 1.21 lakh) amounting to Rs. 1.13 lakh incurred on the plantation proved wasteful as on an average only 6.33* per cent of the planted seedlings had survived.

The matter was referred to the Council in May 1997, who admitted the fact (May 1997), but gave no reason for the omission.

3.4 Outstanding Inspection Reports

Audit observations on financial irregularities and defects in maintenance of accounts noticed during local audit and not settled on the spot are communicated to the heads of the offices and to the next higher authorities through the Inspection Reports.

The position of the outstanding paras relating to the Garo Hills District Council is given below:-

^{*} (2.67 per cent + 10 per cent)/2 = 6.33 per cent.

Serial Period of accounts number	of Inspection	Number of outstanding paras as on 31 January 1997
1. June 1969 to June 1970	1970	20
2. July 1970 to August 1971	1972	43
3. September 1971 to December 1972	1973	1
4. September 1972 to March 1974 (Review)	1974	12
