## **Certificate of the Comptroller and Auditor General of India**

This compilation containing the **Finance Accounts** of the Government of Karnataka for the year ending 31 March 2020 presents the financial position along with accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume I contains the consolidated position of the state of Finances and Volume-II depicts the Accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Karnataka and the statements received from the Reserve Bank of India. Statements (No. 7 Section 3, 9, 17 – Annexure B to D, 19 and 20) and Appendices (VII, VIII, IX, XI, XII and XIII) in this compilation have been prepared directly from the information received from the Government of Karnataka/ Corporations/ Companies/ Societies who are responsible to ensure the correctness of such information.

The treasuries, offices and/or departments functioning under the control of the Government of Karnataka are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of Accounts is discharged through the office of the Principal Accountant General (Accounts & Entitlement) Karnataka. The audit of

these accounts is independently conducted through the office of the Principal Accountant General (Audit - I) Karnataka in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organisations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. The audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position and the receipts and disbursements of the Government of Karnataka for the year 2019-20.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Financial, Compliance and Performance Audit Reports on the Government of Karnataka being presented separately for the year ended 31 March 2020.

## **Emphasis of Matter**

I would draw attention to the following significant issue, which is important from the point of view of accuracy, transparency and completeness of the accounts and maintaining legislative financial control over public finances.

### **Personal Deposit (PD) Accounts**

Article 286A of the Karnataka Financial Code stipulates that unspent balances under Personal Deposit (PD) Account created by debit to the Consolidated Fund should be closed at the end of the financial year. At the end of 31 March 2020, there were 76 PD Accounts with an unspent balance of ₹4,421.56 crore (Major Head 8443-00-106), which were not closed. Out of this unspent balance of ₹4,421.56 crore, ₹2,741.52 crore of the scheme funds were lying unspent for a period more than three years. PD accounts were not closed at the end of the year as required under Article 286A of the Karnataka Financial Code. Such practices violate legislative intent, which is to ensure that funds approved by it for the financial year are spent during the financial year itself. Further, not transferring the unspent balance lying in PD Accounts to the Consolidated Fund of the State before the closure of the financial year entails the risk of misuse of public funds, fraud and misappropriation.

The audit observation on the above issue has been detailed in the State Finances Audit Report for the year ended March 2020.

**GUIDE TO THE FINANCE  
ACCOUNTS**

**A. Broad overview of the structure of Government accounts**

1. The Finance Accounts of the State of Karnataka present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

**Part I: The Consolidated Fund:** This Fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (*Charged* expenditure) and are not subject to vote by the Legislature. All other expenditure (*Voted* expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans & Advances). These are further categorised under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants-in-Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants-in-Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

**Part II: The Contingency Fund:** This Fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The corpus of Contingency Fund of the Government of Karnataka for 2019-20 is ₹80.00 crore.

**Part III: The Public Account:** All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayables like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., ‘Small Savings, Provident Funds etc.’, ‘Reserve Funds’, ‘Deposit and Advances’, ‘Suspense and Miscellaneous’, ‘Remittances’, and ‘Cash Balance’. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (one digit), Detailed Heads (two digits), and Object Heads (three digits). Major Heads represent functions of Government, Sub- Major Heads represent sub-functions, Minor Heads represent programmes/activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/ object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto 31 March 2019)

|              |                                                               |
|--------------|---------------------------------------------------------------|
| 0005 to 1606 | Revenue Receipts                                              |
| 2011 to 3606 | Revenue Expenditure                                           |

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of the structure of accounts is given below:

#### **D. Periodical adjustments and Book Adjustments**

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipts/loans/public account. Similarly 'Nil' bills where moneys transferred between the Consolidated Fund and Public Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Principal Accountant General/Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the

accounts of the State Government, details of which appear in Annexure to Notes to Accounts (Volume I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

(1) Creation of funds/adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, etc.

(2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.

(3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049 – Interest and crediting Major Head 8009 – State Provident Fund and Major Head 8011 – Insurance and Pension Fund.

(4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commissions. These adjustments (where Central loans are written off by crediting Major Head 0075 – Miscellaneous General Services by contra entry in the Major Head 6004 – Loans and Advances from the Central Government) impact both Revenue Receipts and Public Debt heads.

**E. Rounding:**

Difference of ₹0.01 lakh/crore wherever occurring, is due to rounding.

**ANNEXURE A. CASH BALANCES AND INVESTMENTS OF CASH BALANCES

(b) **Daily Cash and Cash Equivalents:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹2.63 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking special and ordinary ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 days and 91 days Treasury Bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 day Treasury Bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day Special Ways and Means advances/Over Draft are granted to the State Government.

(c) **Ways and Means Advances:** The limit for Normal Ways and Means Advances to the State Government was raised from ₹9,37.50 crore during 01 April 2015 to ₹19,85.00 crore with effect from 01 February 2016. The Bank has also agreed to give Special Ways and Means advances against the pledge of Government Securities. The limit of Special Ways and Means advances are revised by the Bank from time to time.

The extent to which the Government maintained the minimum cash balance with the Reserve Bank during 2019-20, is given in the table below:-

(i)	Number of days on which the minimum balance was maintained without taking any advance	364
(ii)	Number of days on which the minimum balance was maintained by taking ordinary ways and means advance	NIL
(iii)	Number of days on which the minimum balance was maintained by taking special ways and means advances	02
(iv)	Number of days on which there was shortfall in minimum balance even after taking the above advances, but no overdraft was taken	NIL
(v)	Number of days on which overdrafts were taken	NIL

**ANNEXURE A. CASH BALANCES AND INVESTMENTS OF CASH BALANCES

Ways and Means Advances (Ordinary and Special) are granted by the Bank upto a limit, mutually agreed upon between the Bank and the Government. The operative limit for normal Ways and Means Advance and limits of Special Ways and Means Advances are fixed by the Reserve Bank of India from time to time. If even after the maximum advance is given, if the balance is below the minimum, the deficit is left uncovered. Overdrafts are given by the Bank, if the State has a minus balance after availing of the maximum advance.

The details of investments held in Cash Balance Investment Account are given below. Interest realized during the year was ₹5,35.10 crore.

STATEMENT NO. 6 - STATEMENT OF BORROWINGS AND OTHER LIABILITIES – contd.
Explanatory Notes

The ‘Karnataka Fiscal Responsibility Act, 2002’ (KFRA) (which came into being from 1 April, 2003) the Government had committed to reduce the fiscal deficit to not more than 3 *per cent* of the estimated Gross State Domestic Product (GSDP) within a period of four financial years commencing from 1st April, 2002.

Further, the Government of Karnataka has enacted the Karnataka Fiscal Responsibility (Amendment) Act, 2014 dated 28 February 2014, which has redefined the scope of “Total Liabilities” to include borrowings by the Public Sector Undertakings and Special Purpose Vehicles and other equivalent instruments, where the principal and/ or interest are to be serviced out of the budget of the Government of Karnataka. For this purpose, the Government has furnished the balance of off-budget borrowings as on 31 March 2020.

During 2019-20, the Fiscal Deficit works out to 2.25 *per cent* of GSDP. The GSDP is adopted as ₹1,69,91,15.00 crore for the financial year 2019-20.

The indebtedness of the Government increased by ₹6,71,43.76 crore during the year, which is inclusive of off budget borrowings of ₹1,81,02.82 crore. The ratio of the outstanding Public Debt and Other Liabilities including the balance of off-budget borrowings (₹33,75,20.21 crore) works out to 19.86 *per cent* of GSDP to the end of the year 2019-20.

(i) Statement of Public Debt and Other Liabilities – Explanatory Notes

(1) Market Loans: These were long-term loans raised in the open market to finance development schemes etc. In recent years, the borrowing profile of the State has shown an increasing trend towards more reliance on Open Market Borrowings. The outstanding Market Borrowings at the end of the year works out to 62.74 *per cent* of the Gross Public Debt and Other Liabilities. During the year, the Government has raised Market Loans amounting to ₹4,84,99.38 crore. The entire loan was subscribed fully in cash. Details of loans raised by Government and outstanding as on 31 March 2020 is given in the Annexure to Statement No.17.

Pending determination of the proportionate capital expenditure under Section 82 of the States Re-organisation Act, 1956, the liability on account of the open market loans was shared provisionally by the successor States according to the population ratio. The provisional liability of the State Government in respect of the loans raised by the former Madras and Bombay States amounting to ₹1.79 crore and ₹4.88 crore respectively, had been discharged fully (the last repayment relating to Madras State Loans was made in 1968-69 and that relating to Bombay State Loans in 1972-73).

The liability of the State Government in respect of the ex-Hyderabad State, which was outstanding on 31 October 1956, has been estimated by the Andhra Pradesh Government at ₹26.65 crore on the basis of Capital Outlay incurred territory-wise under the provision of the States Re-organisation Act, 1956. Although, on the basis of the reallocation of liability, the State Government has to pay ₹14.81 crore to Maharashtra, the final allocation is under correspondence between Karnataka and Maharashtra. So far, ₹13.00 crore has been paid to Maharashtra on this account.

(2) Consolidated Sinking Fund (CSF): The Reserve Bank of India maintains a consolidated sinking fund, on behalf of the State Governments, to provide a cushion for amortisation of market borrowing/liabilities. During 2012-13, the State Government set up a consolidated sinking fund in the Public Account through an executive order and contributed a sum of ₹10,00.00 crore to the CSF managed by the Reserve Bank of India. There has been no contribution during the years 2013-14, 2014-15 and during the year 2015-16 the contribution to the CSF was ₹10,69.99 crore. During the years 2016-17 and 2017-18, there has been no contribution to CSF. During the year 2018-19, the contribution to CSF was ₹7,00.00 crore and during 2019-20 the contribution to CSF is ₹3,50.00 crore. The details of the balance in the Fund invested for the year 2019-20 as furnished by the Reserve Bank of India (₹41,09.71 crore) is given in Annexure to Statement No.22.

(3) Ways and Means Advances from the Reserve Bank of India: These are borrowings of a purely temporary nature. These advances are obtained to make good the deficiency in the minimum cash balance with the Reserve Bank of India. If even after the maximum advance is given, the balance is below the minimum, the deficit is left uncovered. Overdrafts are given by the Bank if the State has minus balance after availing of the maximum advance. During the year 2019-20, Ways and Means advances have been availed in the month of July 2019 to the extent of ₹3,10.49 crores which has since been repaid.

STATEMENT NO. 6 - STATEMENT OF BORROWINGS AND OTHER LIABILITIES – contd.
Explanatory Notes – contd.

(4) Loans from National Small Savings Fund: A separate fund viz., ‘National Small Savings Fund’ was created in 1999-2000 for the purpose of release of Loans out of Small Savings collections.

Based on this recommendation, the Union Cabinet on 18 January 2017 approved the exclusion of all States and Union Territories (except Arunachal Pradesh, Delhi, Kerala and Madhya Pradesh) from investment of National Small Savings Fund collections in their securities w.e.f 01-04-2016 and that the investments of the State will be limited solely to discharge the debt obligations already incurred by them until that date. Accordingly, the State Government has not received any loans under NSSF from Government of India in the FY 2019-20.

At the beginning of the year 2019-20, the outstanding loans amounted to ₹1,69,88.60 crore. During the year ₹16,27.92 crore was repaid, leaving a balance of ₹1,53,60.68 crore at the close of the year.

(5) Loans from Financial Institutions and Other Institutions: - At the beginning of the year 2019-20, an amount of ₹44,30.24 crore was outstanding as loans, obtained from Life Insurance Corporation of India, General Insurance Corporation of India, National Bank for Agricultural and Rural Development, Canara Bank and Other Autonomous Bodies. ₹9,73.88 crore was obtained by Government as fresh loans from these institutions. After making repayment of ₹8,17.79 crore, ₹45,86.33 crore remained outstanding at the close of the year.

(6) Loans and Advances from the Government of India: During the year no Ways and Means Advances were obtained from the Government of India. However, other loans obtained from the Government of India during 2019-20 amounted to ₹6,75.26 crore, which represents back to back external loans (details are given in Annexure to Statement No.17). The repayments made during the year is ₹14,24.25 crore .

(7) Other Obligations: In addition to the above, the balances at the credit of earmarked and other Funds and certain deposits to the extent to which they have not been invested but are merged with the general cash balance of Government also constitute the liability of Government. Such liability at the end of March 2020 was ₹4,99,92.82 crore. More details are given in Statements 21 and 22 in Part I Volume II.

B. Government Account: Under the system of Book Keeping in Government Accounts, the amounts booked under Revenue, Capital and other transactions of Government, the balances of which are not carried forward from year to year in the accounts are closed to a single head called 'Government Account'. The balance under this head represents the cumulative result of all such transactions.

The balances under Public Debt, Loans and Advances, Small Savings, Provident Fund etc., Reserve Funds, Deposits and Advances, Suspense and Miscellaneous (other than Miscellaneous Government Account) Remittances and Contingency Fund etc., are added and the closing balance at the end of the year worked out and proved.

**STATEMENT No. 13 - SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT –
contd.**

The other heading in this summary takes into account the balances under all account heads in the Government books where Government has a liability to repay the moneys received or has a claim to recover the amounts paid and heads of accounts opened in the books for adjustments of remittance transactions.

It must be understood that these balances cannot be regarded as a complete record of the financial position of the Government of Karnataka, as these do not take into account all the physical assets of the State, such as Lands, Buildings, Communications etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

NOTES TO ACCOUNTS

NOTES TO ACCOUNTS

1. Summary of Significant Accounting Policies

(i) Entity and Accounting Period: These accounts present the transactions of the Government of Karnataka for the period 01 April 2019 to 31 March 2020 and are based on the initial accounts rendered by 34 District Treasuries, 103 Public Works and 103 Forest Divisions of the Government of Karnataka and advices of the Reserve Bank of India. In Karnataka, the treasuries are responsible for the primary compilation of the accounts and for rendition of the monthly accounts to the Principal Accountant General (A&E) for secondary compilation. No accounts were excluded at the end of the year.

(ii) Basis of Accounting: With the exception of some book adjustments (**Annexure-A**) the accounts represent the actual cash receipts and disbursements during the account period. Physical Assets and Financial Assets such as land and buildings, investments etc., are valued and shown at historical cost i.e., the value at the year of acquisition/purchase. Physical assets are not depreciated or amortised. The losses of physical assets at the end of their life are also not expensed or recognised.

Retirement benefits disbursed during the accounting period have been reflected in the Finance Account-Volume II (**Statement No.15**).

(iii) Currency in which Accounts are kept: The accounts of the Government of Karnataka are maintained in Indian Rupee (₹).

(iv) Form of Accounts

Under Article 150 of the Constitution of India, the Accounts of the States are kept in such form as the President may, on the advice of the Comptroller and Auditor General of India, prescribe. The word 'form' used in Article 150 has a comprehensive meaning, so as to include the prescription not only of the broad form in which the accounts are to be kept, but also the basis for selecting appropriate heads under which the transactions are to be classified.

(v) Classification between Revenue and Capital

Revenue Expenditure is recurring in nature and is intended to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities.

NOTES TO ACCOUNTS

Expenditure of ₹28.73 crore relating to salaries and general was booked under the Capital section (4202-04-800-1-08-101- Grants-in-Aid Salaries and 103-GIA General expenses) instead of revenue expenditure.

This sort of misclassification of expenditure between Revenue and Capital has a bearing on fiscal indicators. The booking of ₹28.73 crore as Capital expenditure instead of Revenue expenditure has resulted in overstatement of revenue surplus.

2. **Quality of accounts**

(i) Goods and Service Tax (GST)

Advance apportionment and assignment of un-apportioned Integrated GST

During the year 2019-20, the collections under the MH 0006 - SGST was ₹42,147.23 crore as compared to ₹41,956.03 crore in 2018-19, registering an increase of ₹191.20 crore (0.46 *per cent*). This included Advance Apportionment of IGST amounting to ₹330.72 crore. In addition, the State received ₹8,773.82 crore and Nil as its share of net proceeds assigned to the State under Central Goods and Services Tax and Integrated Goods and Services Tax respectively as per the recommendations of the Fourteenth Finance Commission. The total receipts under GST was ₹50,921.05 crore (as compared to ₹51,521.79 crore during 2018-19) The State received compensation of ₹14,496.90 crore on account of loss of revenue arising out of implementation of GST during 2019-20.

(ii) Unadjusted Abstract Contingent Bills

Rule 36 of the Manual of Contingent Expenditure, 1958, of the Government of Karnataka authorises the Controlling and Disbursing Officers to draw sums in the nature of temporary advances, on Abstract Contingent (AC) bills, by debiting service Heads of Account. These AC bills are required to be finally settled through submission of Non-payment Detailed Contingent (NDC) bills through treasury to the Principal Accountant General (A&E) before the 15th of the month following the month to which the bill relates. As per the Government Order issued in September 2004, the NDC bills are to be routed through treasuries and shall be enforced by the treasury by not honouring further AC Bills till the unadjusted AC Bills are cleared by submission of NDC Bills. Prolonged non-submission of NDC bills renders the expenditure under AC bills opaque.

NOTES TO ACCOUNTS

The details of AC bills unadjusted as on 31 March 2020 are given below:

(₹ in crore)		
Year	Number of unadjusted AC Bills	Amount
Up to 2017-18	1173	19.85
2018-19	360	34.78
2019-20*	426	42.05
Total	1959	96.68

(iii) Outstanding Utilisation Certificates for Grants-in-Aid Bills

The State Government, while sanctioning Grants-in-Aid (GIA) to various bodies, may stipulate that the Utilisation Certificates (UCs) for the grants released are to be forwarded to Principal Accountant General (A&E), who will watch utilization of these grants. Utilisation Certificates outstanding beyond the specified period (18 months) indicates absence of assurance on utilisation of grants for intended purposes. The status of outstanding UCs is shown in the table below:

(₹ in crore)		
Year*	Number of UCs awaited	Amount
Up to 2017-18	27	52.34

Major defaulting departments, which did not submit UCs were Medical & Public Health Department (₹118.10 crore) and Urban Development Department (₹55.91 crore), constituting 64.72 per cent and 30.64 per cent respectively of the outstanding balance (₹182.49 crore). The Indian Government Accounting Standards (IGAS-2) prescribes the principles for accounting and classification of Grant-in-aid in the financial statements of the Government, both as Grantor as well as Grantee. (iv) Transfer of Funds to Personal Deposit Accounts

(a) As per Article 286A of Karnataka Financial Code (KFC), 1958, Personal Deposit (PD) accounts are created in favour of Drawing and Disbursing Officers to make payments

NOTES TO ACCOUNTS

through cheques instead of presenting bills at the treasury. Amounts are transferred to PD accounts by debiting functional heads under the Consolidated Fund of the State with a contra credit to the Public Account against the respective Deposit head classifications. Unspent balances under these PD accounts created by debit to the Consolidated Fund should be closed at the end of the financial year by minus debit of the balance to the relevant service head under the Consolidated Fund through book adjustment as reduction of expenditure. However, such adjustments had not been carried out at the end of the financial year.

Details of the PD accounts are indicated below:

(₹ in crore)					
PD accounts existing at the beginning of the year		Transactions during the year (Amount)		PD accounts existing at the close of the year	
Number	Amount	Credit	Debit	Number	Amount
73*	Cr.4,085.14	6,557.67	6,221.25	76*	Cr.4,421.56

(*) During the year 2019-20, 3 PD accounts were opened amounting to ₹43.49 crore.

The Administrators of PD accounts are required under Article 286 of the KFC to reconcile the cash book balances with reference to the monthly extract of their account as appearing in the treasury records on the fifth of the succeeding month. Information on reconciliation of figures by the Administrators of the Accounts with the treasuries is not available.

As per Article 286A of Karnataka Financial Code, if a PD account is not operated upon for a considerable period (3 years as per Finance Department letter No. FD/TAR/2014 dated 20-05-2016), the same should be closed in consultation with the officer, on whose favour the PD account was opened. Out of 76 PD accounts, 23 are inoperative (13 PD accounts with a credit balance of ₹4.13 crore and 08 PD accounts with a debit balance of ₹1.13 crore and 02 PD accounts with Nil balance), as at the end of 31 March 2020.

Further 53 PD accounts are operative (32 PD accounts with a credit balance of ₹10,318.58 crore and 11 PD accounts with a debit balance of ₹5,900.02 crore and 10 PD accounts with Nil balance), as on 31 March 2020.

During 2019-20, an amount of ₹6,557.67 crore was transferred to PD accounts and an expenditure of ₹6,221.25 crore was booked to PD accounts there by leaving a balance of ₹336.43 crore which remained unspent.

NOTES TO ACCOUNTS

The closing balance included an amount of ₹2,741.52 crore lying unspent for a period of three years or more.

(b) Analysis of Personal Deposit Accounts reveals the following.

All Personal Deposit Accounts are accounted under the Major Head 8443-00-106 and there are no deviations. The details of Personal Deposit Accounts are as follows.

Details	Opening Balance	No of PD A/cs opened during the year	Closing Balance	Operative PD Accounts	Inoperative PD Accounts
(1)	(2)	(3)	(4)	(5)	(6)
As per Pr AG	73	3	76	53	23
As per State Government	619	54	673	182	491

The difference between Principal Accountant General figures and the State Government figures is due to the fact that the Personal Deposit accounts are maintained Head of Account wise in Principal Accountant General's office and State Government maintains the accounts Administrator wise. The Department of Treasuries stated that the in-operative personal deposit accounts are being processed for closure.

(v) Reconciliation of Receipts and Expenditure between CCOs and Principal Accountant General (A&E)

As per the instructions contained in Government Order No. FD 02 TFC 2004 dated 09 September 2004, the Chief Controlling Officers of the Government of Karnataka are responsible to reconcile the receipts and expenditure figures as furnished by the Principal Accountant General (A&E) with those compiled by them and also to furnish to the Principal Accountant General (A&E), certificates of final reconciliation.

Reconciliation of receipts has been completed for a value of ₹1,73,687.60 crore (98.97 per cent of total receipts of ₹1,75,487.87 crore, which excludes receipts from Loan Heads of Account). Reconciliation of expenditure has been completed for a value of ₹1,79,098.38 crore (85.37 per cent of total expenditure of ₹2,09,786.84 crore which excludes expenditure from Loan Heads of Account).

No reconciliation has been carried out in respect of receipts (₹202.43 crore) and disbursement (₹4,069.08 crore) accounted during the year under F-Loans and Advances.

NOTES TO ACCOUNTS

There is no assurance about the completeness and correctness of the receipts and expenditure figures depicted in the Finance Accounts to the extent of non-reconciliation.

(vi) Consumer Welfare Fund-Corpus Fund

The Government of India notified (2007) the revised guidelines for strengthening the Consumer Welfare Fund in all State and envisaged establishment of a Corpus of ₹10.00 crore as State Consumer Welfare Fund, supported by 75 per cent of the corpus by the Central Government.

The Corpus Fund was established during 2013-14 by crediting the Central share of ₹7.50 crore and the State share of ₹2.50 crore under Interest bearing Deposit account under '8342-Other Deposits-120 Miscellaneous Deposits-29 Deposits of Consumer Welfare Fund'.

As per the guidelines, the Corpus should not be spent on any activities and only the interest generated out of the investment of the Corpus Fund should be utilized for meeting the expenditure on local programmes and activities relating to welfare and protection of consumers.

The opening balance of the Fund for 2019-20 was ₹11.20 crore and there was no transaction during the year. Hence the closing balance for the year stood at ₹11.20 crore which was not invested.

(vii) Cash Balances

(a) The Cash Balances of the Government of Karnataka are maintained at the Reserve Bank of India (RBI). There was a difference of ₹1,671.31 crore (Debit) as of March 2020 between the figures reflected in the accounts {₹1,659.20 crore (Debit)} and that intimated by the Reserve Bank of India {₹12.11 crore (Debit)}. The difference is under reconciliation. The net difference is mainly due to non-reporting and non-reconciliation of figures by the Agency Banks.

The differential cash balance for previous years is as follow:

(₹in crore)		
Sl. No	Year	Net Difference
1.	Up to 2013-14	34.57
2.	From 2014-15 to 2018-19	956.88

As on 31.03.2020, an amount of ₹23.43 lakh has been credited to Government Account as Penal Interest on delayed remittances to Government.

NOTES TO ACCOUNTS

(b) Attachment of the Consolidated Fund by the Courts

The Government acquires land from Public for different purposes and the compensation decided by the Government may not be to the satisfaction of the land owner. The land owner goes to court and based on the prohibitory orders issued by different Courts in execution cases the amount is directly debited by the Reserve Bank of India to the Consolidated Fund of the State and it is subsequently accounted by the Principal Accountant General under the Inter Government Transitory Account and is carried forward till the final Head of Account is communicated by the department.

As at the end of March 2020, the RBI had directly debited the Government of Karnataka account by an amount of ₹544.55 crore on account of Attachment/Prohibitory Orders issued by few subordinate Civil Courts in the State. As the land is acquired for different purposes, the compensation paid has to be booked to different heads of account, the details of which is not available since RBI passes on only the debit without any details and the final head of account, to which the expenditure is classifiable under the Consolidated Fund is not known due to non-provision of budget, this expenditure has been classified under the Public Account under the head of account '8443-00-104-0-00-Civil Court deposits' in the books of this office. The Government needs to reconcile the expenditure figures booked under this head of account and also to identify the functional head of account under the Consolidated Fund to facilitate appropriate classification of these transactions.

3. Other items

(i) New Pension System

The expenditure during the year 2019-20 on 'Pension and Other Retirement Benefits' of Government of Karnataka was ₹17,189.83¹ crore (9.86 *per cent* of total revenue expenditure of ₹1,74,257.40 crore). State Government employees recruited on or after 1 April 2006 are covered under the New Pension System (NPS), a defined contribution pension system, the recovery for which commenced from 1 April 2010. Under this Scheme, the employee contributes 10 *per cent* of basic pay and dearness allowance, whereas 14 *per cent* is contributed by the State Government. The entire amount is transferred to the designated Fund manager for investment through the National Securities Depository Limited

¹ This Amount excludes those transactions relating to the contribution of the Government to the defined contribution Pension scheme (MH 2071-01-117), payment of Service charges to NSDL (MH 2071-01-119) and those relating to Pension paid to Legislators (MH 2071-01-111)

NOTES TO ACCOUNTS

(NSDL)/ Trustee Bank.

Till 31 March 2020, the cumulative employees' contribution was ₹4,316.58 crore (regular & backlog) and the corresponding Government's contribution was ₹4,791.80 crore (regular & backlog), as intimated by the NPS Cell of the State Government. Further, interest on Government backlog contribution was ₹75.69 crore. The figures received from NPS Cell represent the amount actually matched and booked by NSDL whereas the figures as per records of Principal Accountant General (A&E) represent the actual contribution/transfers made during 2019-20.

As per the records of Principal Accountant General (A&E), State Government had contributed ₹1,187.21 crore (Major Head 2071-01-117 being employer contribution) towards NPS during the year 2019-20. The actual amount transferred from the Fund to NSDL/Trustee bank (Employees' and Employer's contribution) was ₹1,897.57 crore (Head of account 8342-00-117-0-01 and 02 – regular and backlog).

In terms of instructions contained at Para F (iii) of the G.O dated 19 May 2017, NPS Cell has to carry out reconciliation of the schedules and challans received from the treasuries for the month and match the totals with the figures booked by Principal Accountant General (A&E) on a monthly basis and differences, if any, have to be reconciled. However, till date the NPS Cell has not carried out the reconciliation of the balances reflected under NPS account.

During 2019-20, ₹1.80 crore has been paid from Consolidated Fund as 'New Contributory Pension Schemes – Extension of Benefit to the cases of Persons/Families who retired/died while in Service (2071-01-104-2-07) and are covered under New Defined Pension Scheme.

(ii) Guarantees

Guarantees reported in **Statement 9** of Finance Accounts are based on information furnished by the State Government and as per the format prescribed in Indian Government Accounting Standards (IGAS-1) – Government of India Notification dated 20th December 2010. The Karnataka Ceiling on Government Guarantees Act, 1999, prescribes that the total outstanding Government guarantees as on 1 April of any year shall not exceed 80 *per cent* of the State's Revenue Receipts of the second preceding year. The total outstanding guarantees as on 1 April 2019 amounted to ₹24,326.61 crore (Principal) and constituted 16.55 *per cent* of the total Revenue Receipts for 2017-18 (₹1,46,999.65 crore), which was within the limits

NOTES TO ACCOUNTS

prescribed under the Act.

Even though the Act has not provided for setting up of Guarantee Redemption Fund, the Government of Karnataka had set up a Fund during 1999-2000 with a corpus of Rupees one crore under the head of account 8235-00-200-0-02. The amount represents merely book adjustment, as the balance at the credit of this Fund had not been invested.

Under Section 5 of the said Act, the Government shall charge a minimum of one *per cent* as guarantee commission on the amount guaranteed, which shall not be waived under any circumstances. Against the total estimated guarantee commission of ₹469.49 crore receivable (as reported by the State Government), only ₹205.21 crore was received during the year. Outstanding Guarantees stood at ₹26,829.83 crore (Principal ₹26,679.31 crore and Interest ₹150.52 crore) as on 31 March 2020.

Normally the borrowing institution is liable to pay the guarantee commission to the Government. However, in 10 cases shown in **Annexure A** (A- Periodical adjustments & Part B-Other adjustments), an amount of ₹103.79 crore being the guarantee commission payable by the concerned institutions to the Government of Karnataka was accounted as a receipt under the head of account '0075-00-108-0-01,' through book adjustments, by debiting the functional heads of account concerned.

(iii) Loans and Advances

In respect of detailed accounts of loans which are maintained by the Heads of the Departments/ Chief Controlling Officers of the Government of Karnataka, information on overdue Principal and Interest contained in **Statement 7** (Volume-I) and **Statement 18** (Volume-II/Part I) of Finance Accounts has been received only from 16 out of 842 such institutions. Indian Government Accounting Standards (IGAS-3) requires disclosure of loans that were sanctioned without specific terms and conditions governing such loans. Out of 62 loans valued at ₹5,463.87 crore, which were sanctioned by the Government of Karnataka in 2019-20, 41 loans valued at ₹5,025.37 crore were sanctioned without specifying any terms and conditions. Details are available as additional disclosures under **Statement 18** of the Finance Accounts.

In the records of the Principal Accountant General (A&E), Karnataka, there is an adverse balance of ₹96.30 crore, mainly due to non-reconciliation by the respective departments (**Annexure-C**).

NOTES TO ACCOUNTS

Such adverse balances are caused mainly due to booking of repayments under a classification other than the one against which the loan was disbursed initially and non-reconciliation of the figures by the concerned Chief Controlling Officers of the respective departments of the Government.

(iv) Investments

Information on Government investments appearing in **Statement 8** of the Finance Accounts is based on the accounts and sanctions received by the Principal Accountant General (A & E), Karnataka. These figures require confirmation by the concerned Department of the Government of Karnataka and the entity in which investment was made. The total Government investment to the end of 2019-20 was ₹68,703.41 crore. However, the progressive balance of investments reduced by one crore due to retirement of Government investment under 10 Co-operative Institutions during the year and ₹885.70 crore was decreased proforma due to conversion of investment made upto 2014-15, into capital Grant by Karnataka Road Development Corporation Limited, Bengaluru. Hence, the Government investment stood at ₹67,816.71 crore to the end of the year 2019-20, which was invested in 146 (excluding Co-operatives) entities. Out of 146 entities ₹53.64 crore (0.08 *per cent* of amount invested to the end of the year 2019-20) was received as dividend during the year 2019-20 from 30 entities and 116 entities did not pay any dividend to the State Government. The investment figures have not been reconciled with the records of the concerned entities.

(vi) Labour Cess

Government of India enacted the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996, with the objective of providing social security schemes and welfare measures for the benefit of building and other construction workers.

The Government of Karnataka framed the Karnataka Building and Other construction Workers' (Regulation of employment and Conditions of Services) Rules, 2006 u/s 40 and 62 of the said Act. The Act and the Rules framed there under stipulates levy of a cess at such rate not exceeding two *per cent*, but not less than one *per cent*, of the cost of construction incurred by an employer and remitted to the Karnataka Building and Other construction Workers' Welfare Board within 30 days.

The cess levied under the said Act is accounted under the Public Account under the head of account '8449-00-120-0-18-689' (in *Khajane 2*). The transactions under this head of account had commenced from November 2017.

The collection of Green Tax which is initially accounted as revenue receipt under the head “0041-00-102-0-11-Green Tax,” needs to be subsequently transferred to the Reserve Fund specifically created for the purpose under the head of account 8229-00-200-0-63-Green Tax through adjustment entries.
