These accounts are presented in two volumes, Volume-1 contains the consolidated position of the state of finances and Volume-II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Nagaland and the statements received from the Reserve Bank of India. Statement (No. 9) and Appendices (V and part of VI) in this compilation have been prepared directly from the information received from the Government of Nagaland/Corporations/ Companies/Societies who are responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Nagaland are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Nagaland for the year 2011-2012.

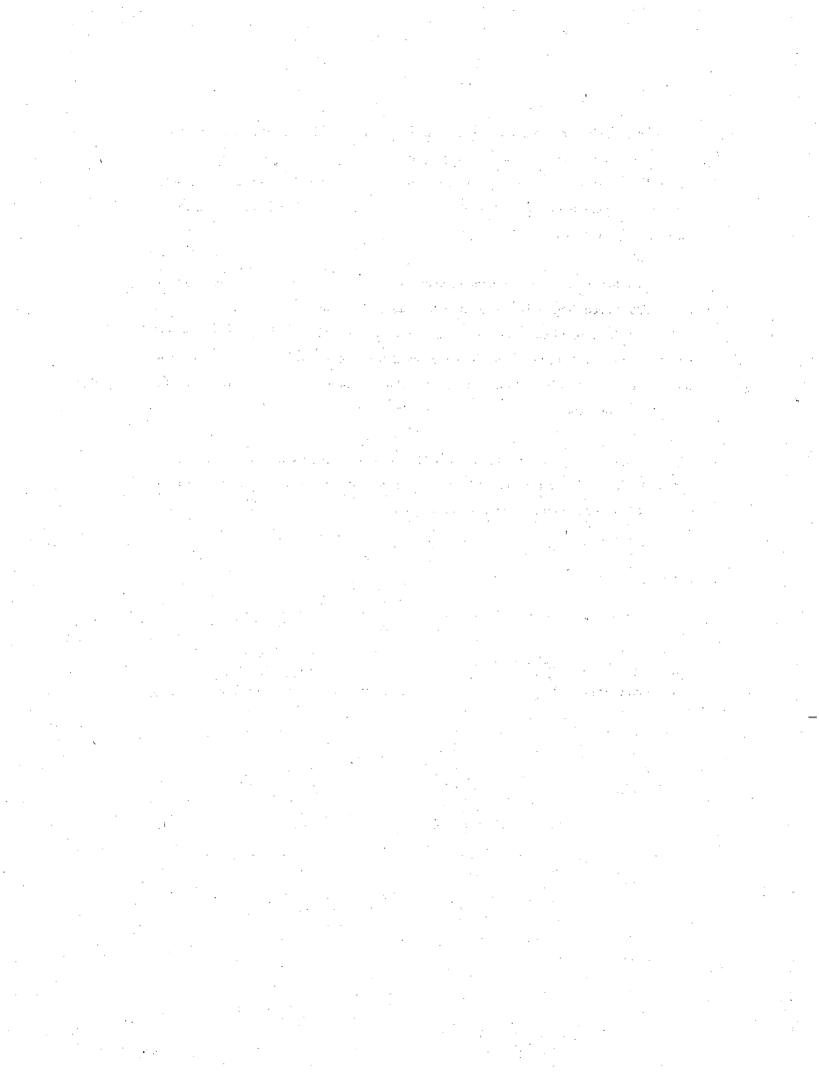

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Nagaland being presented separately for the year ended 31st March 2012.

Guide to the Finance Accounts

A. BROAD OVERVIEW OF THE STRUCTURE OF GOVERNMENT ACCOUNTS

- 1. The Accounts of the Government are kept in three parts:
- Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State
- Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.
- Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

A.1.1 Pictorial representation of Structure of Government accounts

Structure of Government Accounts

2. Divisions, Sections, Sectors etc

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and 'Capital, Public Debt, Loans etc.' which are divided into sections 'Receipts 'and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions on the expenditure side are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into Sub Sectors/Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes) which are depicted in volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads (objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

B. WHAT DO THE STATEMENTS CONTAIN

The Finance Accounts have been divided into two volumes. Volume 1 presents the financial statements of the Government in the form of commonly understood summarised form while the details are presented in volume 2.

Volume 1 contains the Certificate of the Comptroller and Auditor General of India, four summary statements as given below and Notes to Accounts including accounting policy.

Cash balance (Deposits with RBI) reflected in the accounts is ₹ 1,98.86 crore (Debit). The balance reported by Reserve Bank of India as on 31st March, 2012 is ₹ 37.12 crore (Debit). At the end of March 2012 accounts, there was a net difference of ₹ 1,61.74 crore (Debit). The difference is mainly due to the discrepancy in figures indicated by the agency banks in Verified Date-wise Monthly Statements (VDMS) and those reported to Reserve Bank of India by agency banks.

6. Guarantees reported in Statement No.9 are on the basis of the information received from the State Government which is the authority for issuing such Guarantees. Guarantees constitute contingent liabilities on the revenues of the State. In order to provide for sudden discharge of the State's obligations on Guarantees, ₹ 1.00 crore has been transferred to Guarantee Redemption Fund and the same amount has been paid from the Fund during 2011-2012. No other information has been furnished by the Government (August'2012).

The total of the debt and risk weighted outstanding guarantees were to the extent of $\stackrel{?}{\stackrel{\checkmark}{=}}$ 65.22 crore against total Revenue Receipts of $\stackrel{?}{\stackrel{\checkmark}{=}}$ 55,86.38 crore as on 31st March, 2012 which was 1.17%.

7. Loans and Advances: In respect of Loans and Advances for which detailed accounts are kept by the State Government department, information about overdue amounts as on 31st March 2012 was not received. Constant efforts are being made to obtain the complete information.

¹ Figures differ from those shown in the Finance Accounts for 2010-11, as information regarding some of the AC Bills were left out (although compiled/accounted for in accounts) last year. These have been included now in this table.

8. Suspense and Remittance Heads:

The Finance Accounts reflect the net balances under Suspense and Remittance Heads. The outstanding balances under these heads are worked out by aggregating the outstanding debit and credit balance separately under the various heads. The analysis of Suspense balance has been given in Annexure to Statement No.18 in volume 2. The position of gross figures under major suspense heads for last three years are given in Annexure 'E' to the Notes to Accounts.

9. Central Plan/ Centrally Sponsored Schemes: The amount released by Central Government and matching contribution made by State Government for Centrally Sponsored Schemes/Central Plan Scheme has been shown in Annexure "F" to the Notes of Accounts pointing out the deficit or excess contributed by the State.

10. Outstanding balances under the head 'Cheques and Bills':

This head is an intermediary accounting head for initial record of transactions which are eventually to be cleared. When the Cheque is issued the functional head is debited and the Major Head 8670-Cheques and Bills is credited. On clearance of the cheque by the bank, the minus credit is given to Major Head 8670-Cheques and Bills by crediting the Major Head -8675-Deposits with Reserve Bank and thereby reducing the cash balance of the Government. Thus the outstanding balance under the Major Head 8670-Cheques and Bills represents the amount of un-encashed cheques.

As on 31-03-2012, there was an outstanding balance (cumulative) of ₹ 0.16 crore and to this extent the Government Cash Balance of ₹(-)1,98.86 crore (Deposit with the Reserve Bank of India) stands overstated.

11. Transfer of Funds to Personal Deposit (PD) Accounts- Government is authorized to open P D Accounts in order to deposit money by transferring funds from the Consolidated Fund for discharging liabilities of the Government arising out of special enactments. The Administrators are required to close such accounts on the last working day of the Financial year and transfer the unspent balances back to the Government Accounts (Consolidated Fund) and, if necessary the PD Accounts may be opened again next year. Transfer of fund to PD Accounts is booked as expenditure in the Consolidated Fund (service Major Heads) of the State. The status of the PD Accounts as on 31.03.2012 is as under:

SI. No	Particulars	Nos.	Amount involved (₹ in crore)
1.	PD Accounts existing at the beginning of the year 2011-12	Information awaited from the State Govt.	0.02
2.	PD Accounts opened during the year 2011-12	Information awaited from the State Govt.	Information awaited from the State Govt.
3.	PD Accounts closed at the end of the year 2011-12	Information awaited from the State Govt.	Information awaited from the State Govt.
4.	PD Accounts existing at the close of the year 2011-12	Information awaited from the State Govt.	0.02

12. Position of timely rendition of accounts:

It has been observed that there is delay on the part of Accounts Rendering Units (ARU) of the Government of Nagaland, in submission of initial monthly accounts to the Accountant General (A&E), Nagaland, Kohima within the prescribed due date i.e. 5th of the following month in the case of Divisional Accounts (Works/Forest etc.) and 10th of the following month in the case of Treasuries and Sub-Treasuries to which the accounts relate.

The status of ranges of delay in submission of Accounts to the AG (A&E), Nagaland, Kohima for the year 2011-2012 is detailed below:

Range of delay in rendition of Treasury A/cs to A.G.	Range of delay in rendition of Department of Public Works A/cs to A.G.	Range of delay in rendition of Department of Forest A/cs to A.G.	Range of delay in rendition of Department of Soil Conservation A/cs to A.G.
15-20 days	20-25 days	20-25 days	Same is received with Treasury Accounts.

This delay in submission of accounts by the Accounts Rendering Units led to delay in preparation and submission of monthly civil accounts by the Accountant General (A&E) to the State Government (or submitted without the actual depiction of the month's transaction).

13. Status on inclusion of Statements/information recommended by Twelfth Finance Commission in the Finance Accounts

The Twelfth Finance Commission had recommended eight Statements/informations for inclusion in the Finance Accounts.

Of the eight statements, two statements i.e. Data on committed liabilities in future and implication on major policy decisions taken by the Government during the year or new schemes for future cash flow has not been received from the State Government in prescribed format.

- 14. Significant Book Transfer during the Financial Year 2011-12: Certain transactions are in the nature of periodical adjustment and book adjustment and do not represent actual cash transactions. Major book transfer carried out in the accounts of the year without any cash flow are given in Annexure 'G' to the Notes to Accounts.
- 15. State Disaster Relief Fund (SDRF): Details of information regarding interest on SDRF is awaited from the State Government.
- 16. Review of Reserve funds: There were 4(four) numbers of Reserve Funds earmarked for specific purposes (Please see Statement No.19), out of which 3(three) funds were active. The total accumulated balance at the end of 31st March, 2012 in these funds was ₹ 2,13.99 crore (₹ 2,13.92 crore in active funds and ₹ 0.07 crore in dormant funds). However, the investment out of this balance was only ₹ 1,22.40 crore (57%).

- 18. Fiscal Responsibility and Budget Management (FRBM) Act: The Nagaland Fiscal Responsibility and Budget Management Act 2005 was passed by the State Government, but no such effect of disclosure provided in the Budget 2011-12.

Explanatory Notes

a) Cash and Cash Equivalents: Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit, as stated below. The balance under the head 'Deposits with Reserve Bank' ('L' above and also at (ii) below) depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc are added to the balance in 'Deposits with RBI'.

APPENDIX I CASH BALANCES AND INVESTMENTS OF CASH BALANCES

(b) Daily Cash Balance: Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 0.25 crore with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

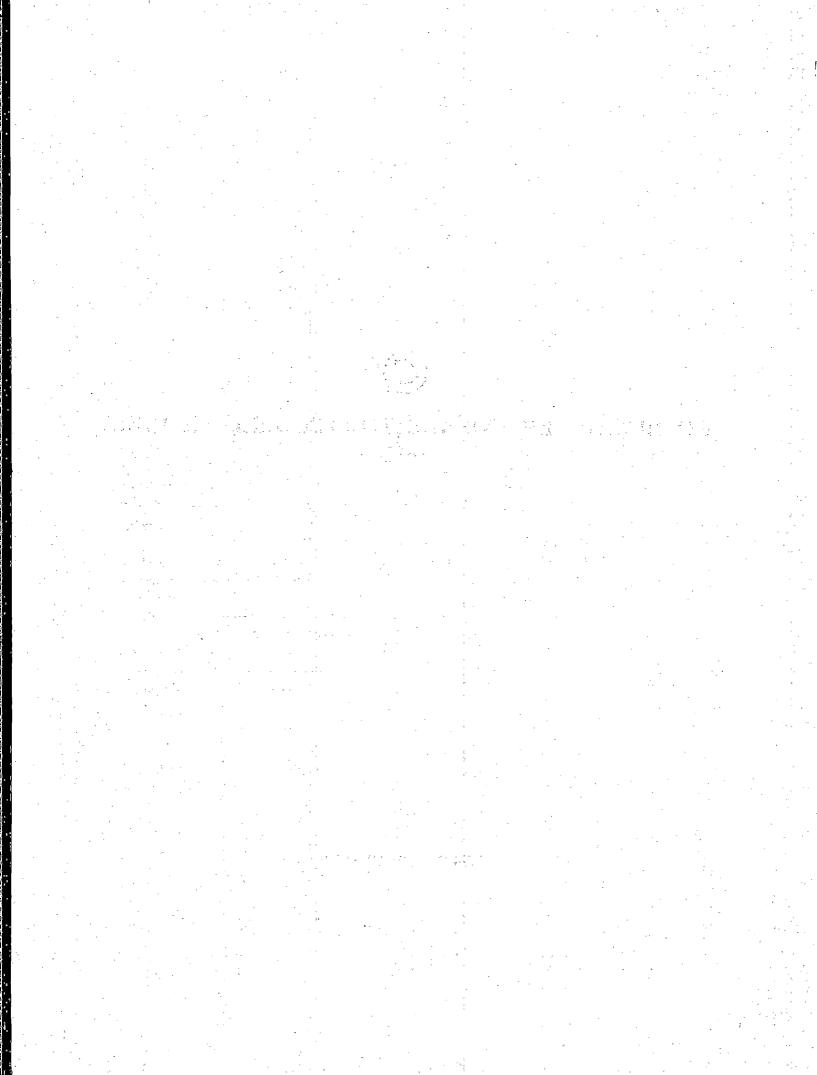

For arriving at the daily cash balance² for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 day treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. If the net cash balance arrived at results in less than the minimum cash balance or a credit balance and if there are no 14 day treasury bills maturing on that day, RBI rediscounts the holdings of the 14 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/Over Draft.

(c) The limit for ordinary ways and means advances to the State Government was ₹ 80.00 crore with effect from 1 April 2011. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances is revised by the Bank from time to time. The extent to which the Government maintained the minimum cash balance with the Reserve Bank during 2011-2012 is given below:-

(i) Number of days on which the minimum balance was maintained without taking any advance	365 days
(ii) Number of days on which the minimum balance was maintained by taking ordinary ways and means advance	17 days
(iii) Number of days on which the minimum balance was maintained by taking special ways and means advances	9 days
(iv) Number of days on which there was shortfall in minimum balance even after taking the above advances, but no overdraft was taken	0 days
(v) Number of days on which overdrafts were taken	2 days

(d) During the year investments from out of the Cash balance were made in Government of India securities. Interest of ₹ 5.74 crore (net) was realized on such investment and ₹0.00 crore is lying outstanding at the end of the year.

²The cash balance ('Deposits with RBI') above is the closing cash balance of the year as on 31 March but worked out by 16 April and not simply the daily balance on 31 March.
