## GLOSSARY

ARCIL	Asset Reconstruction Company (India) Limited (Arcil) is India's first and largest asset reconstruction company, to commence business of resolution of Non-Performing Assets (NPAs) upon acquisition from Indian banks and financial institutions. It is sponsored by prominent banks and financial institutions namely State Bank of India (SBI), IDBI Bank Limited (IDBI), ICICI Bank Limited (ICICI) and Punjab National Bank (PNB).
ASSIGNMENT OF DEBT	A legal transfer of debt account from a creditor (assignor) to a third party (assignee) that then becomes the rightful owner of the account for purposes of resolving the debt through collection from a debtor.
BIFR	Board of Industrial and Financial Reconstruction
BPLR	Benchmark Prime Lending Rate
BOT	Board of Trustees of SASF
CDR	The Reserve Bank of India evolved Corporate Debt Restructuring (CDR) Mechanism for a time-bound, transparent and orderly restructuring of debts of viable corporate entities facing financial difficulties because of factors beyond their control and due to certain internal reasons. The CDR mechanism has a three-tier structure viz. Standing Forum, Core Group and Empowered Group.
COO	Committee of Officers of SASF.
DRT	Debt Recovery Tribunal (DRT) – The DRTs are governed by provisions of the Recovery of Debt Due to Banks and Financial Institutions Act, 1993. The DRTs are fully empowered to pass comprehensive orders like in Civil Courts. The DRTs can hear cross suits, counter claims and allow set offs. However, they cannot hear claims of damages or deficiency of services or breach of contract or criminal negligence on the part of the lenders.
DRAT	Debt Recovery Appellate Tribunal.
ET	Executive Trustee of SASF.
GLO	Gross Loan Outstanding in the context of SASF it is gross loan before provision in the financial statements of IDBI.
IDBI	Industrial Development Bank of India OR IDBI Bank Limited.
IFCI	Industrial Finance Corporation of India.
NLO	Net Loan Outstanding in the context of SASF it is gross loan less provision made in the financial statements of IDBI.
NS	In the context of SASF, negotiated settlement.
OTS	In the context of SASF, it is one time settlement.
Resolved cases	In the context of SASF, it is agreement reached for settlement but part of recovery is pending.
RDDBF	Recovery of Debt Due to Banks and Financial Institutions Act, 1993.

Sacrifice	Relinquishment of something at less than its presumed value.
SARFAESI Act	The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002.
SASF	Stressed Assets Stabilisation Fund – a Trust established by GOI for administering and managing the stressed assets with a view to recovering the amounts due thereunder.
Settlor	The person who creates a trust is the settlor.
Settled cases	In the context of SASF, settlement by way of cash and shares. No further recovery is expected except for recovery of amounts by sale or buy back of shares.
SC	Screening Committee of SASF.
SFC Act	State Finance Corporation Act.
Unresolved cases	In the context of SASF, cases where no settlement has been reached.

## **PREFACE**

**This Report for the year ended 31 March 2013 has been prepared for submission to the President under Article 151 of the Constitution of India. This Report of the Comptroller and Auditor General of India contains the results of the audit of Stressed Assets Stabilisation Fund, a Trust created by the Government of India to acquire the Stressed Assets of the Industrial Development Bank of India. The audit of SASF was entrusted under Section 20(1) of Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 to the CAG of India by the Ministry of Finance in May 2013.**

## HIGHLIGHTS

Industrial Development Bank of India (IDBI) was an apex institution to provide long term finance to industrial enterprises, both in public and private sectors. IDBI ceased to exist with effect from 1 October 2004 and in its place IDBI Bank came into being as an entity registered under the Companies Act 1956. As of March 2004, IDBI accumulated non-performing assets (NPA) which stood approximately at ₹ 9,000 crore.

*(Paragraph 1.1)*

In order to acquire by transfer the Stressed Assets of IDBI and for managing these assets with a view to recovering the amounts due, the Government, as settlor<sup>1</sup>, decided to set up a special purpose vehicle in the form of a Trust. It created a "Stressed Assets Stabilisation Fund" (SASF) for the Stressed Assets of IDBI and SASF Trust Deed was executed in September 2004.

*(Paragraph 1.1)*

The Government provided ₹ 9,000 crore in the budget for the financial year 2004-05 for extending loan to the Trust. The transaction effected by the Government of India in acquiring these assets did not involve any immediate cash outgo. GOI provided a loan of ₹ 9000 crore to the Trust who in turn invested the amount in zero-interest Government Special Securities floated by Government of India and redeemable in 20 years. The Trust assigned these special securities amounting to ₹ 9,000 crore to IDBI (or its successor IDBI Bank) and in return, acquired 636 NPA/ stressed loan assets with a net loan outstanding (NLO)<sup>2</sup> of ₹ 9,004 crore.

*(Paragraphs 1.1)*

This arrangement of transferring NPAs to the Trust was akin to underwriting the non-performing assets of IDBI. As per the present scheme of things, Government of India will have to redeem the Special Securities in 2024 to the extent of the value of the assets remaining unrecovered. Even though the arrangement did not involve any immediate cash outgo, it has created a liability for the same as and when these securities would be redeemed. Thus effectively, Government of India has taken the burden of NPAs of IDBI by creating a future liability.

*(Paragraph 2.1)*

---

<sup>1</sup> The person who creates a Trust is the settlor.

<sup>2</sup> Gross loan outstanding (GLO) is loan before provision and net loan outstanding (NLO) is GLO less provision.

Clause 17(a) of the Trust Deed states that “the accounts of the fund shall be maintained and audited by the CAG of India”. The Ministry finally entrusted audit of SASF to CAG in May 2013 almost eight years since the inception of the Trust.

**(Paragraph 1.2)**

The Trust has so far recovered ₹ 4,071 crore and remitted ₹ 4,059 crore to GOI as of March 2013. Major recovery of ₹ 2407.79 crore (59 per cent) was effected in the initial period of the Trust, i.e. between 2005-06 and 2007-08. Thereafter, the amount recovered has declined sharply indicating that the cases left now are more complex and difficult.

**(Paragraph 1.3)**

Between September 2004 and May 2005, IDBI, by executing six transfer/assignment/transfer of mortgage deeds, assigned 636 stressed assets with net loan outstanding of ₹ 9,004 crore to SASF. IDBI Bank submitted (February 2006 / April 2006) proposals to GOI for exchange of turnaround cases for other stressed assets. Exchange of cases was not permissible as the objective of formation of SASF was to take over the NPAs / potential NPAs existing as on 31 March 2004 only. Thus, no subsequent exchange was permissible. The GOI intimated (May 2006) IDBI Bank that the Stressed Assets Stabilisation Fund was created for a specific purpose, i.e., for stressed assets for that point of time and it would not be proper to extend the scope and life of SASF. Despite this, the Board of IDBI Bank decided (June 2006) and Board of Trustees approved (24 June 2006) exchange of eight turnaround cases with NLO of ₹ 1,522.29 crore for three fresh cases with NLO of ₹ 1,335.29 crore (SJK Steels Plant Limited (NLO: ₹ 603.42 crore); SPIC Petrochemicals Ltd (NLO: ₹ 528.46 crore and Shri Vishnupriya Industries Ltd (NLO: ₹ 203.41 crore). The transfer deed was executed (28 June 2006) between IDBI Bank and SASF for exchange of cases.

**(Paragraph 3.1)**

Audit noticed that in eight cases, which were transferred to IDBI in 2006, against a total NLO of ₹ 1,522.29 crore, the recovery made was ₹ 1,659 crore. On the other hand, only ₹ 360.32 crore could be recovered from the three exchanged cases. This inadmissible exchange which was not approved by the Government of India, benefitted IDBI. On the assets transferred to IDBI, the recovery was even more than the NLO. On the assets received by the Trust in exchange, the recovery was minimal.

**(Paragraph 3.1)**

Out of the total 319 settled cases having a total NLO of ₹ 2933.12 crore, 150 were settled for amount lower than NLO. The short recovery was to the tune of ₹ 915.17 crore. Similarly, out of the 101 resolved cases having a total NLO of ₹ 2,878.29 crore, in 60 cases the recovery was ₹ 828.94 crore against NLO of ₹ 2,650.30 crore, resulting in a short recovery of ₹ 1,821.36 crore as of March 2013.

***(Paragraph 4.1)***

In the unresolved category, in 79 cases with NLO of ₹ 625.32 crore, the Trust could not recover any amount and from the balance 132 cases it could recover only ₹ 396.75 crore against NLO of ₹ 2,380.37 crore.

***(Paragraph 4.1)***

Audit analysis indicated that out of 52 cases with NLO of more than ₹ 25 crore, 19 cases were settled, nine cases were resolved and 24 cases remained unresolved. Further, out of the 319 settled cases, 300 cases were with NLO less than ₹ 25 crore indicating that the Trust was able to settle small cases and a large number of big cases remained unsettled.

***(Paragraph 4.1)***

During audit it was noticed that obtaining of personal guarantees at the time of giving the loan became a meaningless exercise in the absence of the property and income details of the guarantors. Only ₹ 4.99 crore could be recovered by invoking PG. Thus, an important instrument of PG for safeguarding the financial interests was rendered ineffective.

***(Paragraph 4.3)***

In respect of settled cases, audit observed substantial short recovery (below NLO) occurred on large NLO accounts such as Mideast Integrated, Krishna Filaments, Pasupati Spinning and Weaving Mills, I.G. Petrochemicals and Shree Rama Multitech Ltd. The personal guarantees of some of the promoters of these firms were available with the Trust. However, the Trust did not make efforts to ascertain the net worth / income of the promoters before arriving at the settlement amount. Such settlements below NLO, without due regard to the financial capacity of the promoters, can be said to have actually benefitted the promoters.

***(Paragraph 5.3)***

*Audit Report on Stressed Assets Stabilisation Fund*

---

Out of 15 resolved cases selected by audit for examination, in 10 cases the settlement amount / amount recovered was below the NLO amount, aggregating to short recovery of ₹ 1,590.49 crore.

**(Paragraph 6.2)**

The steel sector companies are the major defaulters and the Trust has taken substantial hit. For instance, in respect of Malavika Steel Limited and Usha Ispat Ltd. promoted by Shri Vinay Rai and Shri Anil Rai of Usha Group, the settlement amount is only ₹ 41.78 crore (7.03 per cent) and ₹ 48.07 crore (14.94 percent) as against the NLO of ₹ 594.54 crore and ₹ 321.80 crore respectively. The Trust, in spite of having personal guarantees from the promoters of various borrowing companies did not try to ascertain the net worth of the promoters so as to realise optimum sum.

**(Paragraph 6.2)**

Out of 39 unresolved cases selected by audit for examination, in three cases (Triveni Glass Limited, Ag Foods Limited and Dynamic Logistics Limited), the Trust recovered ₹ 58.21 crore against NLO of ₹ 47.28 crore. In the remaining 36 cases the Trust could recover only ₹ 150.54 crore against NLO of ₹ 1,888.69 crore.

**(Paragraph 7.2)**

Considering the difficult nature of the cases (some have been referred to BIFR), the final recovery may not be sufficient to repay the GOI loan. However, the GOI will have to redeem the special securities completely by paying to IDBI by 2024. The possibility of Government of India having to redeem considerable portion of these special securities entailing financial outgo is therefore real. This will, in the ultimate analysis, benefit the private corporates and their promoters who took huge loans, at the cost of the taxpayers.

**(Paragraph 9.6)**

## Chapter I Introduction

### 1.1 About SASF

Industrial Development Bank of India (IDBI), a statutory corporation established under the Industrial Development Bank of India Act 1964, was an apex institution to provide long term finance to industrial enterprises, both in public and private sectors. IDBI ceased to exist with effect from 1 October 2004 and in its place IDBI Bank came into being as an entity registered under the Companies Act 1956. The undertaking of IDBI was transferred to and vested in IDBI Bank. As of March 2004, IDBI accumulated non-performing assets (NPA) which stood approximately at ₹ 9,000 crore.

In order to acquire by transfer the Stressed Assets of IDBI and for managing these assets with a view to recovering the amounts due, the Government, as settlor<sup>1</sup>, decided to set up a special purpose vehicle in the form of a Trust. It created a "Stressed Assets Stabilisation Fund" (SASF) for the Stressed Assets of IDBI and SASF Trust Deed was executed in September 2004.

The Government provided ₹ 9,000 crore in the budget for the financial year 2004-05 for extending loan to the Trust. The provision was for "extending loan to a special purpose vehicle (a Trust) for creation of a SASF for IDBI". The amount was to be "invested in non interest bearing special securities to be issued by Central Government". Consequently, the expenditure in Demand No 34 after netting the credit as in Special Deposits and Accounts (Major Head 8012) was exhibited Nil.

The Trust invested the money in zero interest Government special securities redeemable in 20 years. The Trust assigned these special securities amounting to ₹ 9,000 crore to IDBI (or its successor IDBI Bank) and in return, acquired 636 NPA/ stressed loan assets with a net loan outstanding (NLO)<sup>2</sup> of ₹ 9,004 crore.

In June 2006, SASF exchanged with IDBI Bank eight turnaround cases for three fresh NPA / stressed loan assets and after exchange of these cases, there were 631 NPA / stressed loan assets with NLO of ₹ 9,006 crore (Annexure I).

### 1.2 Audit of Accounts of SASF

Clause 17(a) of the Trust Deed states that "the accounts of the fund shall be maintained and audited by the CAG of India". The provision of maintenance of

---

<sup>1</sup> The person who creates a Trust is the settlor.

<sup>2</sup> Gross loan outstanding (GLO) is loan before provision and net loan outstanding (NLO) is GLO less provision.

accounts by CAG was mistakenly placed as the responsibility to prepare the accounts rests with the executives and not with the CAG. CAG was not consulted while preparing the Trust Deed.

So far as audit of the Trust is concerned, by quoting the above clause, the Trust had requested (June 2005) CAG to appoint an auditor. CAG informed (July 2005) that since the Trust was an independent legal entity, audit could be undertaken only after such audit was entrusted under section 20(1) of the CAG's (DPC) Act, 1971. The Trust was requested to send their proposal through the Ministry of Finance. The views of the CAG were brought to the notice of the Ministry by the Trust in August 2005. No response was received from the Ministry until Mumbai High Court intervened in February 2013. The Ministry finally entrusted audit of SASF to CAG in May 2013 almost eight years since the inception of the Trust.

In the meanwhile the Trust continued to prepare its accounts for the years 2004-05 to 2011-12 and got them audited by M/s. G. P. Kapadia & Company, a Chartered Accountants' firm in Mumbai.

### **1.3 Status of Recovery**

The Trust has so far recovered ₹ 4,071 crore and remitted ₹ 4,059 crore to GOI as of March 2013. Major recovery of ₹ 2407.79 crore (59 per cent) was effected in the initial period of the Trust, i.e. between 2005-06 and 2007-08. Thereafter, the amount recovered has declined sharply indicating that the cases left now are more complex and difficult.

### **1.4 Organisational set up**

SASF is managed by a Board of Trustees (BOT) appointed by the Government of India. The Board consists of one Chairperson, one Executive Trustee and three members. From 1 January 2013 onwards the posts of Chairperson and Executive Trustee have been merged. The details of Trustees are given in Annexure II. The Board of Trustees is assisted by one Chief General Manager, one General Manager and 22 other officials.

Audit observed that from inception of the Trust till December 2012, the posts of Chairman and Executive Trustee of the Trust were held by Chairman and Managing Director and Executive Trustee respectively of IDBI Bank Limited. In addition, Deputy Managing Director of IDBI Bank Limited was the alternate Chairman and Trustee of the BOT from 9 June 2011 to 31 December 2012. It is, therefore, evident that for all practical purposes, the BOT of SASF in one way or the other was related to IDBI and that reflected a "revolving door" policy. Incidentally, it was also noticed that Shri Shailesh Haribhakti, partner of M/s. Haribhakti & Co., Chartered Accountants, who verified / certified the stressed assets and loan documents of IDBI before transfer to the Trust was also a Trustee of the BOT of SASF from 27 October 2004 to 8 June 2011.

### **1.5 Availability of Staff**

As per Clause 18(a) of the Trust Deed, IDBI at the request of SASF would make available adequate number of staff with requisite skill for administering the

Trust towards the fulfilment of the purpose for which it was created. The salary and other perquisites were borne by IDBI.

Audit observed that:

- The Trust (2004) had not made any need based assessment of the employee requirements.
- Number of officials deployed was 50 in 2005 which came down to 24 in 2013.
- The Trust made proposals (July 2012, October 2012, March 2013 and April 2013) for additional manpower on *ad-hoc* basis. The specific number of staff requirement was not mentioned in the proposals sent. There was no written proposal prior to July 2012.
- During 2005 to 2013, 121 employees of the parent body IDBI were deputed at some point of time or the other to serve the Trust.
- 62 out of the 121 (51 *per cent*) employees had worked for less than two years with SASF and out of the 62 employees, 25 had worked for less than one year.
- Only 16 out of 121 employees possessed recovery experience.
- Staff deputed to SASF included four officials against whom there were disciplinary cases.

As the recovery process of SASF also involves negotiations and settlement of stressed assets, there is scope for discretion. Further, these being stressed and difficult loans, staff with recovery experience needs to be deployed by IDBI to the Trust. However, only 16 out of 121 employees possessed the recovery experience.

It was noticed in audit that even though the Trust was expected to perform the onerous task of recovering doubtful debts of ₹ 9000 crore, there was never any formal manpower planning and deployment. Apart from absence of stability of tenure of personnel, manpower management was mostly done on an informal basis, drawing personnel from IDBI in an *ad hoc* manner. It could be said judging from the management structure that the Trust acted almost as an extension of IDBI.

The Trust stated (August 2013) that they had taken up the matter with Ministry of Finance, Government of India as well as with IDBI Bank Limited and IDBI Bank Limited had already posted seven officers.

#### **1.6 Establishing procedure for recovery of stressed assets**

As per the Trust Deed, the Board of Trustees were given powers to recover the stressed assets by restructuring, arriving at settlement with the borrowers, taking legal measures or adopting such measures as they may deem fit including

but not limited to their recovery as arrears of land revenue. The BOT brought out (December 2004) a brief policy and procedure for settlement of dues including delegation of powers to Committee of Officers (COO) and Executive Committee (EC) and a detailed recovery policy including delegation of powers to COO and EC was approved by BOT in April 2005. The policy was reviewed and modified in July 2006.

The main thrust of the policy was to recover the amounts locked up in the assets within the shortest possible time preferably by resorting to one time settlement (OTS) or negotiated settlement (NS). Restructuring could be considered in potentially viable cases and minimum dues to be restructured might include entire principal and interest. Interest rate on restructured core principal shall not normally be less than a rate equivalent to 200 basis points less than benchmark prime lending rate (BPLR) of IDBI on average yield basis. The basic objective of the recovery policy was to bring about a pragmatic and flexible approach to optimise resolution of the stressed assets and recovery of amounts locked up in these assets in the shortest time possible.

The salient principles of the Recovery Policy were:

- Since the accounts have been transferred by IDBI to SASF after making all possible efforts to restructure/recover within its guidelines, the basic approach should be practical and realistic (Chapter I).
- While taking any decision in a case, the prime criterion would be how fast the amounts could be recovered (Chapter I).
- The approach to be adopted should depend on circumstances, nature and characteristics of each case (Chapter I).
- In arriving at the OTS/NS, efforts should be made to recover maximum amount within the shortest possible time. Where the value of securities is sufficient to cover the dues, the endeavor should be to recover the maximum amount (Chapter III).
- Valuation should be carried out by a valuer engaged by SASF / other secured lender/Court. Value of security including collaterals available (on pro-rata basis) as also amount of statutory liabilities and workers' dues shall form the basis for settlement amount. Fresh valuation may be sought if circumstances such as vintage of existing valuation, volatility of asset value, etc. so warrant (Chapter III).
- The settlement amount by way of OTS shall preferably be paid in lump sum or in maximum period of 12 months. The settlement amount by way of NS shall preferably be paid in maximum period of 36 months. In deserving cases, it can be extended up to 60 months. The NS amount shall generally carry interest, rate to be decided depending on the cash flow, normally not less than a rate equivalent to 200 basis points less than BPLR of IDBI on average yield basis. Suitable stipulation for interest reset at the end of every 24 months may be incorporated in cases where NS period exceeds 24 months (Chapter III).

### 1.7 Delegation of Powers

Delegation of powers in respect of restructuring of dues and compromise settlement, i.e., OTS / NS was as under (Chapter VI of Recovery Policy of July 2006):

Sr. No.	Authority	Powers
1	Committee of Officers (COO) - Consisting of Executive Trustee and three officials of the Trust upto 31 December 2012. From 1 January 2013 onwards it consists of Chairperson and Executive Trustee, Chief General Manager, General Manager, a senior most Deputy General Manager and Deputy General Manager (Legal).	<p>Restructuring of dues: Restructuring of outstanding liabilities shall be approved by the Committee of Officers, irrespective of loan amount involved, provided (a) no waiver of outstanding principal and simple interest and (b) interest rate on restructured principal amount is not less than a rate equivalent to 200 bps less than the BPLR of IDBI (average yield).</p> <p>Compromise settlement of dues</p> <p>(a) The sacrifices would be in relation to the principal debt outstanding (gross).</p> <p>(b) COO may consider and approve all cases with GLO upto and including ₹ 10 crore except those cases declared as wilful default by any creditor and approve OTS / NS, if OTS/ NS amount is not less than the GLO in SASF book. All such approvals shall be reported to EC.</p> <p>(c) COO shall consider and approve release of guarantees on payment of suitable consideration pending settlement of the borrower's account.</p>
2	Executive Committee (EC) – consisting of Chairperson, Executive Trustee and two members of the Board of Trustees.	<p>EC shall consider and approve all OTS / NS cases with GLO upto and including ₹ 50 crore.</p> <p>In the BOT Meeting held on 21 December 2011 it was decided that there was no need for a separate sub-committee of the Board viz. Executive Committee and the powers delegated to the Executive</p>

		Committee henceforth be exercised by the Board.
3	Board of Trustees (BOT) consisting of Chairperson and Executive Trustee and three Members.	<p>(i) OTS/NS in respect of all cases with GLO more than ₹ 50 crore shall be considered and approved by the Board of Trustees.</p> <p>(ii) Exceptional cases not cleared by the SC, for any reason whatsoever, may also be referred to the Board of Trustees if considered necessary and desirable by the Executive Committee.</p> <p>(iii) Cases which have been declared as wilful defaulter by any bank / institutions irrespective of the amount involved shall be considered and approved by the BOT.</p>
4	Screening Committee (SC) consisting of Chairman and two Members.	All compromise proposals involving settlement at less than the book value of principal loan outstanding in SASF books (as per delegation of powers of December 2004, it was gross principal loan outstanding) shall be placed before this Committee. The SC is expected to examine the justification for settlement and if found acceptable, SC may clear the case for approval by the competent authority.

It was observed in audit that SASF did not have specific guidelines on treatment of personal guarantees given by the borrowers / promoters. The Trust did not collect the details of assets of the guarantors or the copies of their income tax returns.

### **1.8 Scope and Objectives of Audit**

Audit of SASF was carried out with the following audit objectives and covered period from inception of the Trust to 31 March 2013. The audit objectives, broadly were to assess whether:

- The Trust remitted the amount recovered to the Government as per the Trust Deed and special securities equal to amount so transferred have been liquidated and the loan amount reduced accordingly;
- The SASF Board had established fair and transparent procedure for recovery of stressed assets;

- The Board took steps to recover stressed assets as per the established procedures;
- In case of liquidation of stressed assets, proper valuation was done to ensure optimum realization of the assets;
- The personal guarantees from promoters were available in records with the details of personal assets; the Trust had been collecting copies of the income tax return from them and in the event of failure of other measures, the final measure of invoking the personal guarantees/ attaching and liquidating the stressed assets has been promptly taken; and
- The Trust was on track to achieve the stated objective of realizing stressed assets.

### 1.9 Audit Sampling

A sample of 88 cases out of 631 was selected for audit examination in a stratified manner as shown below. The sample covered 62.77 per cent of total value of stressed assets. All 52 cases with NLO above ₹ 25 crore were selected.

Category	No of cases	₹ in crore		
		NLO	No of cases selected	NLO
Decree cases	55	468.65	8	214.30
Suit filed cases	254	3078.62	28	1836.82
Other than decree/suit filed cases	322	5269.83	52	3602.46
Recovery and adjustment of NLO in respect of eight cases transferred back to IDBI	--	189.17 <sup>3</sup>	--	--
<b>Total</b>	<b>631</b>	<b>9,006.27</b>	<b>88</b>	<b>5,653.58</b>

[Note: At the time of transfer of the stressed cases, IDBI had filed suits for recovery in suit filed cases and obtained decree (recovery orders) in decree cases].

### 1.10 Acknowledgement

The draft report was issued to the Ministry of Finance, Department of Financial Services on 6 November 2013. Replies were received on 30 January 2014. Replies of the SASF and the Ministry have been incorporated, where appropriate.

<sup>3</sup> Out of ₹ 189.17 crore, ₹ 93.60 crore was on account of amount recovered by SASF and balance ₹ 95.57 crore was on account of reduction in NLO of the eight cases transferred back to IDBI.

*Audit Report on Stressed Assets Stabilisation Fund*

---

Audit acknowledges the co-operation and assistance extended by the Management of SASF and Ministry of Finance at various stages of the audit.

## Chapter II SASF and Government

### 2.1 Transfer of NPAs of IDBI to the SASF

As of March 2004, the non-performing assets of IDBI stood at ₹ 9,000 crore approximately. Consequent to transfer of these stressed assets to SASF, NPAs of IDBI declined sharply from 14 per cent during 2002-03 to 2 per cent as of September 2004.

The transaction effected by the Government of India in acquiring these assets did not involve any immediate cash outgo. GOI provided a loan of ₹ 9000 crore to the Trust who in turn invested the amount in zero-interest Government Special Securities floated by Government of India and redeemable in 20 years. These securities in turn were assigned by the Trust to IDBI in lieu of the NPAs of an equivalent amount. This arrangement of transferring NPAs to the Trust was akin to underwriting the non-performing assets of IDBI. As per the present scheme of things, Government of India will have to redeem the Special Securities in 2024 to the extent of the value of the assets remaining unrecovered. Even though the arrangement did not involve any immediate cash outgo, it has created a liability for the same as and when these securities would be redeemed.

Thus effectively, Government of India have taken the burden of NPAs of IDBI by creating a future liability. This apart from helping the defaulting borrowers has also extended benefits to other shareholders of IDBI as at the time of transfer GOI held 58.47 per cent (Annexure III) of total shares.

### 2.2 Remitting recovered money to the Government of India

As per the Trust Deed, the Trustees shall recover the stressed assets and shall pay the amount recovered to the Government and the Government at the end of February each year pay to IDBI the amount received from the Trust. The special securities shall be redeemed to the extent of payment received from the Government. Details regarding targeted recovery, amount recovered, amount remitted and balance amount shown in the accounts of IDBI from 2004-05 to 2012-13 are given below:

Year	Targeted recovery	Amount recovered	₹ in crore
			Amount remitted
2004-05	1000.00	200.50	134.00
2005-06	650.00	723.38	637.00
2006-07	1500.00	927.68	863.00
2007-08	750.00	756.73	750.00
2008-09	400.00	281.16	475.00
2009-10	400.00	322.68	300.00
2010-11	300.00	332.53	300.00

2011-12	300.00	224.26	300.00
2012-13	300.00	302.22	300.00
<b>TOTAL</b>	<b>5,600.00</b>	<b>4,071.14</b>	<b>4,059.00</b>

There was a shortfall in recovery of ₹ 1,528.86 crore as compared to the targeted recovery.

Bulk of the recovery was effected in the initial period of the Trust, i.e. between 2005-06 and 2007-08. Thereafter, the recovery amount has declined significantly indicating that the cases left now are more complex and difficult.

### **2.3 Reimbursement of expenses of SASF by IDBI**

All the costs of administering the Trust have been borne by IDBI as per clause 18(c) of the Trust Deed. The expenditure of ₹ 72.86 crore (from 2004-05 to 2011-12) incurred on safeguarding borrowers' assets was reimbursed to IDBI from the recoveries made from the borrowers. But for the Trust, the expenditure on safeguarding assets would have been borne by IDBI. Further, there is no provision in the trust deed to recover such amount from the realisation of stressed assets. Rather, clause 18(c) of the trust deed categorically mentions that all costs of administering the trust have to be borne by IDBI. Thus, this amount should also have been transferred to the GOI. By not doing so, the burden of the GOI has gone up to that extent as the full recovery of the stressed assets is unlikely, yet the GOI will have to redeem the outstanding special securities in 2024.

*Ministry in its reply informed Audit that since clause 18(c) of the Trust Deed provided that IDBI shall meet the expenses of administering the Trust, it had been decided to direct the bank to return the amount to SASF.*

## Chapter III Inadmissible Exchange of Stressed Assets

### 3.1 Inadmissible Exchange of Assets after the formation of the Trust

Between September 2004 and May 2005, IDBI, by executing six transfer/assignment/transfer of mortgage deeds, assigned 636 stressed assets with net loan outstanding of ₹ 9,004 crore to SASF.

However, IDBI Bank submitted (February 2006 / April 2006) proposals to GOI for exchange of turnaround cases for other stressed assets. Exchange of cases was not permissible as the objective of formation of SASF was to take over the NPAs / potential NPAs existing as on 31 March 2004 only. Thus, no subsequent exchange was permissible.

The GOI intimated (May 2006) IDBI Bank that the Stressed Assets Stabilisation Fund in existence was created for a specific purpose, i.e., for stressed assets for that point of time and it would not be proper to extend the scope and life of SASF.

Despite this, the Board of IDBI Bank decided (June 2006) and Board of Trustees approved (24 June 2006) exchange of eight turnaround cases with NLO of ₹ 1,522.29 crore for three fresh cases with NLO of ₹ 1,335.29 crore (SJK Steels Plant Limited (NLO: ₹ 603.42 crore); SPIC Petrochemicals Ltd (NLO: ₹ 528.46 crore and Shri Vishnupriya Industries Ltd (NLO: ₹ 203.41 crore). The transfer deed was executed (28 June 2006) between IDBI Bank and SASF for exchange of cases.

Audit noticed that in eight cases, which were transferred to IDBI in 2006, against a total NLO of ₹ 1,522.29 crore, the recovery made was ₹ 1,659 crore. On the other hand, the position of the three cases transferred to the Trust is as follows:

₹ in crore				
Sr. No.	Name of the Borrower	Name of the promoters	NLO	Amount recovered
1	SJK Steels Plant Ltd	Shri Y. Jithin Kumar and Shri Y. Janardhana Rao	603.42	359.41
2	SPIC Petrochemicals	Dr. A. C. Muthiah	528.46	0.71
3	Shri Vishnupriya Industries Ltd	Shri N.H. C. Siva Reddy, Shri R. Negi Reddy and Associates	203.41	0.20

Thus, this inadmissible exchange which was not approved by the Government of India, benefitted IDBI. On the assets transferred to IDBI, the recovery was even more than the NLO. On the assets received by the Trust in exchange, the recovery was minimal.

### **3.2 Status of settlement of three exchanged cases**

#### **SPIC Petrochemicals Limited (NLO ₹ 528.46 crore; recovered ₹ 0.71 crore)**

On a request (April 2010) made by Asset Reconstruction Company (India) Limited (ARCIL) (who acquired loans of ICICI Bank, Bank of Baroda, Dena Bank and State Bank of India and was the second largest charge holder on the Company after SASF), SASF gave consent under SARFAESI Act to ARCIL for taking action against SPIC Petrochemicals Limited (SPL) under the said Act. Accordingly, ARCIL took possession of the Kossapur unit under SARFAESI Act in May 2010.

Audit analysis, however indicated that recovery of ₹ 528.46 crore from SPL may not be possible for the following reasons:

The security available for the stressed assets transferred to SASF by IDBI was the charge on moveable and immovable assets of SPL situated at Kossapur, Chennai. However, SASF would find it difficult to enforce any of the securities for the following reasons:

- (a) The land allotted to SPL by the Government of Tamil Nadu was a part of the land allotted to another company Arochem- a joint venture of SPIC. Since the project was not coming up, it was allotted to SPIC on a temporary basis subject to backward integration with Arochem;
- (b) As per Section 44A of the Land Acquisition Act, 1984 land allotted by the State Government cannot be mortgaged without previous sanction of the State Government. The proof of such sanction by the State Government could not be produced before the High Court;
- (c) As per the terms of the agreement between SPL and Government of Tamil Nadu, SPL was required to pay cost of acquisition failing which the land was to be resumed by the Government and in the event SPL is wound up, land was to be resumed by Government of Tamil Nadu. In the hearing held in October 2012 at Madras High Court, Government of Tamil Nadu filed a counter application stating that the secured lenders did not have the mortgage and that the land should be resumed to the Tamil Nadu Government as per the terms of the agreement; and
- (d) The imported equipments worth ₹ 400 crore (approximately) were lying in the SPL premises under the Custody of Customs Department. Commissioner of Customs (Imports) issued notice to SPL in August 2004 and filed an intervening application in May 2005 before the Debt Recovery Tribunal, Mumbai for recovery of its dues amounting to ₹ 456 crore.

At the time of disbursal of loan by IDBI, no personal guarantee was obtained.

Since there was a stay on sale of immovable property, ARCIL was trying to sell the movable property, reserve price of which was a paltry amount of ₹ 20.93 crore. Pro-rata share of the Trust was not available.

**3.2.2 Shri Vishnupriya Industries Limited (NLO ₹ 203.41 crore; recovered ₹ 0.20 crore)**

Total realisable value of assets of the party was ₹ 18.17 crore excluding imported machinery of ₹ 66.91 crore on which Central Excise authority had claims. Andhra Pradesh High Court ordered the Official Liquidator for sale of the secured assets (excluding land and the imported machinery thereon). The sale was yet to be completed (March 2013). In this case personal guarantees were available but without property details.

**3.2.3 SJK Steel Plant Limited (NLO ₹ 603.42 crore; recovered ₹ 359.41 crore)**

Against NLO of ₹ 603.42 crore, Trust received ₹ 359.41 crore up to March 2013 resulting in a sacrifice of ₹ 244.01 crore.

*The Ministry in its reply stated that even though the exchange of assets was not in line with the objective and scope of formation of SASF which was reiterated by the Government of India when the proposal of exchange of assets was received from IDBI in May 2006, the Bank took a business decision in the interest of the Bank and to save some stressed assets in which there was a life for revival. However since the GOI did not agree with the proposal of the Bank for the exchange of assets, the observations of the Audit was accepted by the Ministry and IDBI Bank was being directed to take all remedial measures including necessary steps such as obtaining approvals from various regulatory authorities, Board, Government etc., if any, and complete the process in the next three to five years starting from financial year 2014-15 to restore the position prior to exchange of assets in 2006-07, as far as possible and consequently redeeming of special securities held by the Bank worth the value of assets taken over by the Bank since SASF at this juncture cannot take back these assets being refinanced by IDBI and their original value and nature altered. Further, the Bank was also being directed to take back the three assets which have been given to SASF in exchange.*

**Chapter IV**  
**Recovery of Stressed Assets**

4.1 At the time of transfer of the cases to SASF by IDBI, the cases were classified as normal cases, suit filed cases and decree cases. Over a period of 9 years, the Trust was able to settle<sup>4</sup> 319 cases, resolve<sup>5</sup> 101 cases and there were 211 unresolved<sup>6</sup> cases. Details of cases settled, resolved and unresolved as on 31 March 2013 are given below:

₹ in crore

Sr. No.	Particulars	Number of cases	NLO	Amount recovered up to 31 March 2013	Settlement by way of shares	Total [(v) + (vi)]	Short (-) / additional recovery as compared to NLO (vii - iv)
(i)	(ii)	(iii)	(iv)	(v)	(vi)	(vii)	(viii)
<b>Settled cases</b>							
1	Recovery less than NLO	150	1964.86	1025.59	24.10	1049.69	(-) 915.17
2	Recovery more than or equal to NLO	169	968.26	1473.24	38.56	1511.80	(+) 543.54
3	<b>Total of settled cases (1+ 2)</b>	<b>319</b>	<b>2933.12</b>	<b>2498.83</b>	<b>62.66</b>	<b>2561.49</b>	<b>(-) 371.63</b>
<b>Resolved cases</b>							
4	Recovery less than NLO	60	2650.30	785.32	43.62	828.94	(-) 1821.36
5	Recovery more than or equal to NLO	41	227.99	371.70	19.85	391.55	(+) 163.56
6	<b>Total of resolved cases (4 + 5)</b>	<b>101</b>	<b>2878.29</b>	<b>1157.02</b>	<b>63.47</b>	<b>1220.49</b>	<b>(-)1657.80</b>
<b>Unresolved cases</b>							
7	No recovery cases	79	625.32	0.00	0.00	0.00	(-) 625.32
8	Recovery less than NLO	117	2295.33	218.53	70.89	289.42	(-) 2005.91
9	Recovery more than or equal to NLO	15	85.04	99.54	7.79	107.32	(+) 22.28
10	<b>Total of unresolved cases (7 + 8 + 9)</b>	<b>211</b>	<b>3005.69</b>	<b>318.07</b>	<b>78.69</b>	<b>396.75</b>	<b>(-)2608.94</b>
11	Unreconciled	0	0.00	3.62	0.00	0.00	0.00
12	<b>Total (3 + 6 + 10 + 11)</b>	<b>631</b>	<b>8817.10</b>	<b>3977.54</b>	<b>204.81</b>	<b>4182.35</b>	<b>(-) 4634.75</b>
13	Recovery and adjustment of NLO in respect	Not adjusted above	189.17	93.60	0.00	93.60	(-) 95.57

<sup>4</sup> In the context of SASF, settlement by way of cash and shares. No further recovery is expected except for recovery of amounts by sale or buy back of shares.

<sup>5</sup> In the context of SASF, it is agreement reached for settlement but part of recovery is pending.

<sup>6</sup> In the context of SASF, cases where no settlement has been reached.

*Audit Report on Stressed Assets Stabilisation Fund*

	of eight cases transferred back to IDBI						
14	Grand Total	631	9,006.27	4,071.14	204.81	4,275.95	4,730.32

Out of the total 319 settled cases having a total NLO of ₹ 2933.12 crore, 150 were settled for amount lower than NLO. The short recovery was to the tune of ₹ 915.17 crore. Similarly, out of the 101 resolved cases having a total NLO of ₹ 2,878.29 crore, in 60 cases the recovery was ₹ 828.94 crore against NLO of ₹ 2,650.30 crore, resulting in a short recovery of ₹ 1,821.36 crore as of March 2013.

In the unresolved category, in 79 cases with NLO of ₹ 625.32 crore, the Trust could not recover any amount and from the balance 132 cases it could recover only ₹ 396.75 crore against NLO of ₹ 2,380.37 crore.

Audit analysis indicated that out of 52 cases with NLO of more than ₹ 25 crore, 19 cases were settled, nine cases were resolved and 24 cases remained unresolved. Further, out of the 319 settled cases, 300 cases were with NLO less than ₹ 25 crore indicating that the Trust was able to settle small cases and a large number of big cases remained unsettled.

4.2 Audit examined 88 cases on a stratified random sampling basis. Details of borrowers, promoters of the entity, personal guarantee details, NLO, amount recovered upto 31 March 2013, amount settled by way of shares and short/additional recovery as compared to NLO are given in the Annexure IV. Summary of the cases is given below:

Particulars	No. of cases	NLO	₹ in crore
			Amount recovered
Settled cases	34	1391.01	967.16
Resolved cases	15	2326.60	686.03
Unresolved cases	39	1935.97	208.56
<b>TOTAL</b>	<b>88</b>	<b>5,653.58</b>	<b>1,861.75</b>

**4.3 Deficiencies in treatment of personal guarantees**

Out of 88 cases test checked in audit, in respect of eight cases with NLO of ₹ 1,061.85 crore, no personal guarantees were obtained by IDBI at the time of loan disbursement. In respect of the remaining 80 cases, the Trust could produce copies of personal guarantees for 53 cases only. Scrutiny of 53 personal guarantees revealed that only in the following six cases property details were available.

Audit Report on Stressed Assets Stabilisation Fund

₹ in crore					
Name of the party	NLO	Amount recovered including shares	Guarantee details	Value of property	Whether invoked or not
SJK Steels Plant Limited	603.42	362.18	Personal guarantee of Shri Y. Janardhana Rao and Shri Y. Jithin Kumar (₹ 1449 crore).	10.10	Not invoked. OTS approved.
E. R. Textiles Limited	77.93	10.35	Shri Grandhi Eswara Rao, Smt. Grandhi Sarswathi and Ms Grandhi Sarita E. R. (₹ 150 crore).	43.80	Invoked. Company is referred to BIFR.
Sujana Metal Products Limited	64.66	41.28	Shri Y. S. Chowdary Srinivasa Raju (₹ 15 crore)	50.24	Not invoked. Company was sanctioned Corporate Debt Restructuring.
Shamken Multifab Limited	37.01	0.00	Shri Sumit Chaturvedi, Shri H. B. Chaturvedi, Shri Sanjay Chaturvedi and Shri Amit Chaturvedi (₹ 15 crore each)	6.40	Invoked. SARFAESI Action initiated and matter is pending with DRT.
Dewan Sugar Limited	25.40	4.87	Shri V. S. Dewan and Shri Vivek Dewan (₹ 5.54 crore)	1.96	According to SASF, guarantee could not be invoked as Company was under Corporate Debt Restructuring and was under the aegis of BIFR.
Venus Sugar Limited	9.72	4.33	Shri M. P. Singh, Shri R. K. Gupta and Smt. Shashi Rani (₹ 10.94 crore)	3.31	Not invoked. Company is under BIFR.

In the remaining 47 cases no property details were available. Thus, obtaining personal guarantees became a fruitless exercise. As subsequent events indicated, the personal guarantees did not help at all in recovering dues. Only in one case, ₹ 4.99 crore could be recovered from Delta Innovative Enterprises Limited by invoking guarantees.

- Though the PGs contained various clauses including obligation to repay the dues by the guarantor on demand made by the lenders due to default of the borrowers and fixed the liability of the guarantors up to the full value of the loan, the same was not backed up by property details like

location, value, etc. Thus, IDBI had no means to judge the capability and competence of guarantors to give such guarantees in the absence of these details. PG can be said to be complete only after disclosure by the guarantor about property description and their values, proof of their ownership and undertaking not to dispose of the properties without consent of the lenders.

- Only in one case relating to M/s. Delta Innovative Enterprises Limited, SASF could recover ₹ 4.99 crore by invoking the PG.
- There was no system of obtaining copies of annual Income Tax return and property details from the guarantors.

Above position indicates that obtaining of personal guarantees became a meaningless exercise in the absence of the property and income details of the guarantors. Initially IDBI and subsequently the SASF Trust failed to demonstrate required due diligence. Only ₹ 4.99 crore could be recovered by invoking PG. Thus, an important instrument of PG for safeguarding the financial interests was rendered ineffective. Had IDBI/SASF gathered these details, they would have been in a position to further improve the settlement terms during negotiations with the borrowers. This could have increased the quantum of recovery.

The Trust stated (August 2013) that:

- At the time of creation of guarantee, details of assets of guarantors were not obtained as per the practice prevalent in IDBI and since all the accounts acquired by SASF were from IDBI, this lacuna persisted in the system.
- While considering settlement of accounts and release of personal guarantee by SASF, certified net worth certificate of guarantors was being obtained.
- In order to have a full picture of the means of the guarantors vis-a-vis settlement, the Trust revised the policy and would be obtaining Income Tax returns, affidavit of assets filed by the guarantors in the Courts / DRTs besides net worth certificate by a Chartered Accountant, to arrive at the value of guarantees.

The fact remains that the new policy would be applicable only for the cases which are yet to be settled. For the cases already settled, the Trust lost the opportunity for a better settlement.

*The Ministry in its reply stated that the SASF had taken various steps to mitigate the flaw relating to personal guarantees.*

## Chapter V Settled Cases

5.1 Settled cases are those where SASF had reached settlement with the borrowers or secured assets of the borrowers were disposed of by the Court / SASF / assignee and SASF recovered its dues by way of cash / shares. No further recovery was expected in those cases except for recovery of amounts by sale or buy back of shares.

5.2 Out of the 34 settled cases examined in audit, in 13 cases the settled amount was more than the NLO by ₹ 163.63 crore and in 21 cases the settled amount was lower by ₹ 587.47 crore as compared to NLO of ₹ 1,144.64 crore as shown below:

₹ in crore						
Particulars	No. of cases	NLO	Amount recovered upto 31 March 2013	Settlement by way of shares etc.	Total settlement (4 + 5)	Excess (+) / additional (-) recovery (6 - 3)
1	2	3	4	5	6	7
Recovery more than NLO	13	246.37	409.40	0.60	410.00	(+) 163.63
Recovery less than NLO	21	1144.64	540.69	16.48	557.17	(-) 587.47
<b>Total</b>	<b>34</b>	<b>1391.01</b>	<b>950.09</b>	<b>17.08</b>	<b>967.17</b>	<b>(-) 423.84</b>

Reasons for settlement below NLO as reflected in the records of SASF on the proposals received for OTS/NS from the borrowers were (i) concerned unit lying closed for a long time and difficulty to find buyers, (ii) statutory liabilities of the units, (iii) unit registered with BIFR as a sick unit, (iv) non-satisfactory performance of the unit, (v) delay in implementation of the project, (vi) pending legal cases, (vii) majority of secured lenders exited by way of assignment of debts, (viii) inadequacy of assets, etc.

### 5.3 Settlement below NLO

The recovery policy stipulated that valuation of the secured assets of the borrower should be carried out by a valuer engaged by SASF / other secured lender/Court. The policy also provided that value of security including collaterals available (on pro rata basis) as also amount of statutory liabilities and workers' dues shall form the basis for settlement amount. Fresh valuation could be sought if circumstances such as vintage of existing valuation, volatility of asset value, etc. so warranted. Where the value of securities was sufficient to cover the dues, the endeavour was to recover the maximum amount.

The table below shows borrower-wise details of settlement amount, value of secured assets, etc. in respect of the 21 cases examined in audit:

*Audit Report on Stressed Assets Stabilisation Fund*

₹ in crore

<b>Total</b>				<b>1,144.64</b>			<b>557.17</b>	<b>587.47</b>

(Note # 1 Names of the promoters compiled from the transfer notes provided to audit by SASF.  
#2 NA – Not available).

Substantial short recovery (below NLO) occurred on large NLO accounts such as Mideast Integrated, Krishna Filaments, Pasupati Spinning and Weaving Mills, I.G. Petrochemicals and Shree Rama Multitech Ltd. The personal guarantees of some of the promoters of these firms were available with the Trust. However, the Trust did not make efforts to ascertain the net worth / income of the promoters before arriving at the settlement amount. Such settlements below NLO, without due regard to the financial capacity of the promoters, can be said to have actually benefitted the promoters.

5.4 Out of 21 cases, in three cases valuation of assets was not done and consequently the share of the Trust was also not available. Since the policy provided that value of security including collaterals available (on pro-rata basis) as also amount of statutory liabilities and workers' dues was the basis for settlement amount, it was essential to carry out valuation to know the potential for recovery.

(i) Mideast Integrated Steel Limited (NLO ₹ 462.24 crore; recovered ₹ 237.18 crore)

The Trust stated (May 2013) that as per directions of Delhi High Court, IDBI in 2003 appointed M/s. M. N. Dastur & Co. for carrying out the valuation, which could not be completed, due to non co-operation of Official Liquidator and the borrower. It further stated that DRT approved (July 2004) payment of decreed amount of ₹ 319.57 crore over a period of seven years, carrying simple interest @ 6 per cent per annum amounting to ₹ 144.56 crore payable in two years

thereafter. As against this, payment of OTS of ₹ 220 crore within six months of approval, was approved (June 2005) by the BOT based on the discounted value of the proposed cash flow at 15 per cent. This was done as early exit might be a preferred option due to the fact that the capability of the borrower to service its huge debt of ₹ 647 crore appeared doubtful, lenders had lost confidence in the promoter and the viability of the borrower in the then form was doubtful.

The settlement of this case at ₹ 237.18 crore (₹ 220 crore OTS plus ₹ 17.18 crore interest) resulted in a sacrifice of ₹ 225.06 crore as compared to NLO of ₹ 462.24 crore.

- (ii) Delta Innovative Enterprises Limited (NLO ₹ 5.70 crore; recovered ₹ 3.11 crore)

According to SASF, valuation of assets could not be done as the settlement was done with corporate guarantor and personal guarantor. Two guarantors of Delta Innovative Enterprises Limited viz. Integrated Enterprises Private Limited and Shri P. Vaidyanathan submitted proposal for payment of ₹ 4.99 crore which was approved by the Trust and it recovered ₹ 4.99 crore (₹ 3.11 crore by SASF and ₹ 1.88 crore by IDBI). However, the case filed by IDBI against Delta Innovative Enterprises Limited and one of the promoters viz. Shri R. Kothandaraman, is pending with DRT. There is a short recovery of ₹ 2.59 crore in this case as compared to NLO of ₹ 5.70 crore.

- (iii) Padmini Technologies Limited (NLO ₹ 5.18 crore; recovered ₹ 4.24 crore)

According to SASF, valuation could not be done since charged equipment was already sold by a co-lender Pradeshiya Industrial and Investment Corporation of Uttar Pradesh.

5.4 Out of the remaining 18 cases, in eight cases pro-rata share of the Trust on the assets of the borrower was not available in the records of the Trust. The Trust did not collect the details from other lenders so as to know its own pro-rata share and the prospects of recovery. There was a laxity on the part of the Trust to that extent.

The reasons for settling these cases below NLO as gathered from the records of the Trust are detailed below:

- (i) Krishna Filaments Limited (NLO ₹ 86.85 crore; recovered ₹ 21.26 crore)

Justification for settlement below NLO, according to SASF was (a) unit was lying closed since long, (b) the Company was declared as a sick unit by BIFR, (c) though action under SARFAESI could be initiated finding a buyer for the unit may be difficult in the light of the condition of the assets and the huge liabilities, (d) outstanding statutory liability of the borrower was ₹ 237 crore and (e) the lenders were incurring expenses towards security and insurance of assets and

SASF had more than 65 per cent of the debt, bulk of the expenses was met by SASF.

- (ii) I.G. Petrochemicals Limited (NLO ₹ 71.03 crore; recovered ₹ 31.50 crore)

The Trust accepted OTS proposal as the company's financial position was weak and its future was doubtful. Borrower's dues included other seven lenders with principal outstanding of ₹ 331.79 crore.

- (iii) Shree Rama Multitech Limited (NLO ₹ 61.05 crore; recovered ₹ 25.36 crore)

Borrower's reference with BIFR was pending. 57 per cent of the secured lenders by value had exited by way of assignment. The terms of settlement were on the same lines as offered to other buyers.

- (iv) Transfreight Containers Limited (NLO ₹ 30.23 crore; recovered ₹ 20.53 crore)

OTS offered was higher than the realizable value of the property. Borrower also had statutory liabilities of ₹ 12 crore. The case was with BIFR and recovery under SARFAESI Act was difficult due to labour issues.

- (v) Krishna Vinyl Limited (NLO ₹ 26.54 crore; recovered ₹ 16.81 crore)

Industry was in poor condition due to stagnant demand and severe competition from imports. Borrower was incurring losses for four years and similar unit was sold for ₹ 5.21 crore.

- (vi) Bhandari Exports Limited (NLO ₹ 26.20 crore; recovered ₹ 18.08 crore)

There were three more lenders with total dues of ₹ 6 crore.

- (vii) Ramakrishna Mills Limited (NLO ₹ 18.74 crore; recovered ₹ 17.95 crore)

Borrower was incurring losses for three years and facing liquidity crunch. Working capital loan outstanding was ₹ 40.49 crore. Borrower raised funds of ₹ 3.48 crore from private financier to meet VRS settlement.

- (viii) Volant Textiles Limited (NLO ₹ 9.53 crore; recovered ₹ 7.50 crore)

Borrower was declared sick by BIFR. Outstanding statutory liabilities amounted to ₹ 1.85 crore. SASF was the only secured lender. Sale under SARFAESI Act was difficult since plant and machinery were second hand imports and finding a suitable buyer was difficult.

The Trust stated (August 2013) that it has made it mandatory to incorporate details of settlement with other lenders in the OTS / NS memoranda in order to ensure that the Trust did not lose on account of lack of full information.

5.5 In the remaining ten cases even though valuation was carried out and pro-rata share of the Trust was available, the settlement resulted in sacrifices. The cases are detailed below:

- (i) Morepen Laboratories Limited (NLO ₹ 47.99 crore; recovered ₹ 27.83 crore)

According to SASF, OTS was approved in line with Corporate Debt Restructuring package<sup>7</sup> approved (June 2006) by the Empowered Group. While approving the OTS, it was recorded that the operations of Morepen Laboratories Limited suffered in the past mainly due to investment undertaken for massive expansions and usage of short term funds for long term uses resulting in mismatch and liquidity constraints. Against the pro-rata share of ₹ 53.77 crore, the Trust recovered ₹ 27.83 crore, which resulted in a sacrifice of ₹ 20.16 crore as compared to NLO of ₹ 47.99 crore. Reasons for settlement below the pro-rata share were not recorded.

- (ii) Pasupati Spinning & Weaving Mills Limited (NLO ₹ 149.74 crore; recovered ₹ 54.55 crore)

Against SASF's pro-rata share (in the realizable value of the security) of ₹ 81.99 crore (valuation report of November 2009), the settlement was for ₹ 54.55 crore resulting into a short recovery of ₹ 27.44 crore with reference to pro-rata share. The total sacrifice was ₹ 95.19 crore. Reasons for settlement below the pro-rata share were not recorded by the Trust. Legal action could not be initiated as case was pending before BIFR.

- (iii) Ganesh Benzoplast Limited (NLO ₹ 44.84 crore; recovered ₹ 37.76 crore)

The party was under BIFR and was facing claims of ₹ 350 crore from companies like ONGC and JNPT and there were statutory liabilities of ₹ 5 crore.

- (iv) Alexcon Foamcast Limited (NLO ₹ 30.47 crore; recovered ₹ 6.43 crore)

The loans were recalled, guarantees invoked and suit filed with DRT, Mumbai in September 2000 by IDBI. Asset Reconstruction Company (India) Limited (ARCIL), (one of the institutions having exposure in AFL), had issued (November

---

<sup>7</sup> The Reserve Bank of India evolved Corporate Debt Restructuring (CDR) Mechanism for a time-bound, transparent and orderly restructuring of debts of viable corporate entities facing financial difficulties because of factors beyond their control and due to certain internal reasons. The CDR mechanism has a three-tier structure viz. Standing Forum, Core Group and Empowered Group.

2004) notice under SARFAESI Act. The Trust had given (June 2005) its consent to ARCIL to take possession of assets under the SARFAESI Act. ARCIL had sold (August 2007) the assets of AFL through private treaty for ₹ 9.20 crore. Pro-rata share of the Trust amounting to ₹ 5.15 crore was received in February 2008. Taking into consideration other recoveries of ₹ 1.28 crore, the sacrifice in this case was ₹ 24.04 crore.

(v) Gujarat Cypromet Limited (NLO ₹ 29.38 crore; recovered ₹ 6.69 crore)

Pro-rata share of the Trust was ₹ 6.08 crore. Unit was lying closed since 2005. Borrower had statutory and other liabilities. Borrower was also under purview of BIFR.

(vi) Indore Wire Company Limited (NLO ₹ 26.04 crore; recovered ₹ 12.10 crore)

The assets were sold under SARFAESI Act for ₹ 20 crore and the pro-rata share of the Trust was ₹ 11.80 crore.

(vii) Bnke Solutions Pvt. Limited (NLO ₹ 5.07 crore; recovered ₹ 3.66 crore)

According to the Trust, the Company's net worth was completely eroded in 2004. Equipments had become outdated and the same would not have realised much value.

(viii) Venus Cybertech Limited (NLO ₹ 3.83 crore; recovered ₹ 2.25 crore)

Against the pro-rata share of ₹ 2.75 crore, ₹ 2.25 crore was paid by the party. Reasons for short recovery of ₹ 0.25 crore were not recorded.

(ix) Focal Vision International Limited (NLO ₹ 2.62 crore; recovered ₹ 1.26 crore)

According to the Trust, performance of the company was not satisfactory since inception. Customs authorities had initiated recovery procedure of their dues since plant and machinery was imported under Export Promotion Capital Goods (EPCG) scheme at a concessional import duty of 5 *per cent* requiring the company to fulfil its export obligation. EPCG license had expired. Sales Tax Department had also issued notice for cancellation of Sales Tax Registration of the company.

(x) Kesar Petroproducts Limited (NLO ₹ 1.37 crore; recovered ₹ 1.12 crore)

According to the Trust, the unit was lying closed for many years. Promoters were not having sufficient funds and case was under BIFR. Recovery through Official

Liquidator would have taken a long time. The Trust recovered ₹ 1.12 crore as compared to NLO of ₹ 1.37 crore resulting in a sacrifice of ₹ 25 lakh.

Out of the 21 cases, in 20 cases (except in the case of Krishna Vinyl Limited) personal guarantees were taken from the promoters / borrowers. However, no property details were available on records of the Trust. The Trust also did not collect the income tax returns from the guarantors. Had these aspects been taken care of, the Trust might have recovered higher amount than what it actually did.

*The Ministry in its reply stated that the SASF had accepted the violation of policy in certain cases. However, since settlement had been sanctioned and amount received, there was no way to improve the settlement amount further. The SASF, the Ministry assured in its reply, had noted the observations for compliance in future.*

## Chapter VI Resolved Cases

6.1 Resolved cases are where SASF had reached settlement with the borrowers or secured assets of the borrowers were disposed of by the Court / SASF / assignee and SASF recovered part of its dues by way of cash / shares but part of the recovery was pending.

### 6.2 Settlement below NLO

Out of 15 resolved cases selected by audit for examination, in 10 cases the settlement amount / amount recovered was below the NLO amount, aggregating to short recovery of ₹ 1,590.49 crore. The table below shows borrower-wise details of settlement amount, value of secured assets, etc. in respect of the 10 cases:

₹ in crore									
Sr. No.	Sr. No. as per Annexure I	Name of the borrower	Name of the promoter	NLO	Value of assets of the borrower	Pro-rata share of SASF	Settlement amount	Total recovery including shares	Short recovery compared to settlement amount or total recovery whichever is higher

## Audit Report on Stressed Assets Stabilisation Fund

	Limited	Sons, Shri K. Pradip and Shri S. Sridhar							
	<b>TOTAL</b>		2,171.92					581.43	1,590.49

(Note # 1 Names of the promoters compiled from the transfer notes provided to audit by SASF.  
#2 NA – Not available).

It could be observed that out of 10 cases, in one case (SIV Industries Limited) valuation of assets was not done and consequently the share of the Trust was also not available. In the case of SJK Steels Plant Limited pro-rata share of the Trust was not available. Since the policy provided that value of security including collaterals available (on pro-rata basis) as also amount of statutory liabilities and workers' dues was the basis for settlement amount, it was essential to carry out valuation to know the potential for recovery.

As can be seen from the table, the steel sector companies are the major defaulters and the Trust has taken substantial hit. For instance, in respect of Malavika Steel Limited and Usha Ispat Limited promoted by Shri Vinay Rai and Shri Anil Rai of Usha Group, the settlement amount is only ₹ 41.78 crore (7.03 per cent) and ₹ 48.07 crore (14.94 per cent) as against the NLO of ₹ 594.54 crore and ₹ 321.80 crore respectively. The Trust, in spite of having personal guarantees from the promoters of various borrowing companies did not try to ascertain the net worth of the promoters so as to realise optimum sum.

6.3 The 10 cases are discussed below:

(i) SJK Steels Plant Limited (NLO ₹ 603.42 crore; recovered ₹ 362.18 crore):

This case was transferred (June 2006) as a part of inadmissible exchange of stressed assets. Immediately before transfer of the stressed assets to the Trust, IDBI approved (May 2006) Corporate Debt Restructuring (CDR) for the party (which was ratified by SASF Board in July 2006) and again approved revised CDR package in April 2009 (ratified by SASF Board also). Based on a proposal submitted (September 2012) by the borrower, the Board of Trustees approved (September 2012) an OTS, which envisaged payment of ₹ 270 crore by cash, ₹ 20 crore by issue of equity shares and buy back of equity shares (already held by the Trust) worth ₹ 2.76 crore for ₹ 5.38 crore after taking into account the discounted value of future payments as per the CDR package. Under the CDR package and OTS package, the Trust received ₹ 359.41 crore upto March 2013 resulting in a sacrifice of ₹ 244.01 crore. Against shares of ₹ 276 crore, the Trust had already received ₹ 5.38 crore, but the value of shares of ₹ 2.76 crore was not removed from the investment schedule.

(ii) Malavika Steel Limited (NLO ₹ 594.54 crore; recovered ₹ 29.09 crore) and  
(iv) Usha Ispat Limited (NLO ₹ 321.80 crore; recovered ₹ 48.07 crore)

The Trust gave (May 2006) consent to Industrial Finance Corporation of India (IFCI) for recovery of dues of M/s. Malavika Steel Limited (MSL) (NLO of ₹ 594.54 crore) under Section 13(2) of the SARFAESI Act. The entire assets of

MSL were sold for ₹ 209 crore out of which the Trust's pro-rata share came to ₹ 61.07 crore. However, according to IFCI the share of the Trust was ₹ 41.78 crore but paid only ₹ 29.09 crore to SASF. Balance ₹ 12.69 crore was retained by it on the plea that IDBI had adjusted ₹ 29.52 crore payable to IFCI. Further, out of the sale proceeds of ₹ 209 crore, ₹ 66.04 crore was retained by IFCI towards various expenses and claims of other parties, which lacked justification.

The Trust stated (August 2013) that it has taken up the matter with Government of India.

In another case of Usha Ispat Limited promoted by promoters of Usha Group, the Trust sold the assets under SARFAESI Act for ₹ 124 crore. SASF share of the sale proceeds was ₹ 45.97 crore and the balance was disbursed to other lenders on pro-rata basis after retaining ₹ 21 crore for meeting the claims of various parties.

In both these cases of the same promoters (Shri Vinay Rai and Shri Anil Rai of Usha Group), the recovery was paltry at 7.03 *per cent* in respect of Malavika Steel Limited and 14.94 *per cent* in respect of Usha Ispat Limited. The promoters had given personal guarantees in both the cases. The Trust, however, did not ascertain the net worth of promoters before arriving at the settlement. The Trust even did not have either the property details of the promoters or their Income Tax returns. The total sacrifice on these two cases worked out to ₹ 839.18 crore.

(iii) Bellary Steel and Alloy Limited (NLO ₹ 398.71 crore; recovered ₹ 67.98 crore):

The Trust gave its consent to IFCI for initiating action under SARFAESI Act. The property was sold by IFCI under SARFAESI Act and the Trust got its pro-rata share of ₹ 67.98 crore.

(v) SIV Industries Limited (NLO ₹ 123.72 crore; recovered ₹ 23.19 crore)

The Trust gave its consent (2004) to ARCIL to take the lead in effecting the sale of assets of M/s. SIV Industries Limited (SIL). ARCIL filed (2004) recovery petition before the Madras High Court. The Official Liquidator (OL) of Madras High Court had sold (2009) movable and immovable assets of SIL for ₹ 230.42 crore out of which the dues of the Trust were ₹ 28.58 crore. The Trust received (February 2011) ₹ 23.19 crore while balance ₹ 5.39 crore is yet to be received from the official liquidator.

(vi) Rajinder Steels Limited (NLO ₹ 69.22 crore; recovered ₹ 29.93 crore)

The sale of assets was done by the Official Liquidator. Pro-rata share of the Trust was ₹ 37.16 crore out of which ₹ 26.74 crore was paid by the Official Liquidator and balance ₹ 10.42 crore is still to be received. Taking into account other

recoveries of ₹ 3.19 crore, total recovery was ₹ 29.93 crore resulting in a sacrifice of ₹ 39.29 crore.

(vii) Viral Filaments Limited (NLO ₹ 36.77 crore; recovered ₹ 4.60 crore)

Property was sold by SASF for ₹ 4.60 crore under SARFAESI Act.

(viii) J D Orgochem Limited (NLO ₹ 20.95 crore; recovered ₹ 15.39 crore)

The EC approved (July 2009) OTS of ₹ 18.75 crore against which the Trust received ₹ 15.39 crore and balance of ₹ 3.36 crore was waived due to the difficulties expressed by the borrower.

(ix) Kunal Engineering (NLO ₹ 1.48 crore; recovered ₹ 0.28 crore)

IDBI/SASF was having an exclusive charge on certain equipments. However, no charge was created. ₹ 28 lakh was received from Official Liquidator on sale of asset by it.

(x) Baba and Sai Hotels Limited (NLO ₹ 1.31 crore; recovered ₹ 0.72 crore)

Recovery Officer, DRT, Chennai sold the assets in public auction for ₹ 1.18 crore and out of SASF share of ₹ 89 lakh, it received ₹ 72 lakh. Balance ₹ 17 lakh is disputed and recovery action is going on.

Out of 10 cases, in one case viz. SIV Industries Limited no personal guarantees were obtained. Out of the remaining nine cases, only in one case (SJK Steels Plant Limited) personal guarantees with property details were available. In the remaining eight cases, though personal guarantees were obtained, property details were not available on the records of the Trust. The Trust also did not collect the income tax returns from the guarantors.

*The Ministry in its reply stated that the SASF had submitted that remedial measures were being taken wherever possible.*

## Chapter VII Unresolved Cases

7.1 Unresolved cases are cases where no settlement has been reached with the borrowers and the dues are pending for recovery.

7.2 Out of 39 unresolved cases selected by audit for examination, in three cases (Triveni Glass Limited, Ag Foods Limited and Dynamic Logistics Limited), the Trust recovered ₹ 58.21 crore against NLO of ₹ 47.28 crore.

In the remaining 36 cases the Trust could recover only ₹ 150.54 crore against NLO of ₹ 1,888.69 crore. The short recovery in these cases was ₹ 1,738.14 crore. The table below shows borrower-wise details of NLO, amount recovered, etc. for all the 39 cases:

₹ in crore							
Sr. No.	Sr. No. as per Annexure I	Name of party	Name of the promoter	Personal guarantee details	NLO	Amount recovered upto 31.3.2013 including shares	Amount pending recovery

<b>TOTAL</b>					<b>1935.97</b>	<b>208.56</b>	<b>1727.41</b>

(Note # 1 Names of the promoters compiled from the transfer notes provided to audit by SASF.  
#2 NA - Not available).

At the time of transfer of these 39 cases to SASF, in four cases decree was awarded and in 13 cases suits were filed. Out of 13 suits filed cases, only in two cases settlement could be reached (one through OTS and other through sale of asset by court) and the remaining 11 cases were still pending with the Courts / Tribunals. Out of the balance 22 cases which were not under 'suit filed' or 'decreed' category at the time of transfer, nine cases are pending with Debt Recovery Tribunals / High Courts, nine cases have been referred to BIFR, in two cases SARFAESI Act initiated and in one case SFC Act invoked. In the remaining one case, though compromise settlement was approved, the same was not complied with by the borrowers.

Though most of these cases are either *sub judice* or referred to BIFR, the Trust needs to make comprehensive efforts to realise maximum possible amounts. Towards this end, the Trust needs to ascertain the net worth and income of promoters, obtain the property details and Income Tax return copies.

The Trust stated (August 2013) that it is still in the process of recovery of these cases.

### 7.3 Status of decreed cases

The status of decreed cases is explained below:

₹ in crore

Name of the party	NLO	Amount recovered	Remarks
Vikas WSP Limited	40.01	10.25	Decree received for ₹ 60.81 crore in 2004. The Trust entered into OTS twice but the party failed to make payment and OTS was revoked. Case was reactivated in DRT in October 2012. Application for impounding passport of directors and attachment of bank accounts has been moved at DRT, Jaipur. PG of Smt. Bimla Devi Jindal for ₹ 50 crore was available and invoked. However, property details were not available.
Oriental Industries Limited	9.77	Nil	Recovery certificate issued in March 2003 for ₹ 19.46 crore. Some portion of land was sold by the borrower to the nearby farmers. Machineries were not found at the time of valuation. PG of Shri Harjinder Singh for ₹ 13.10 crore was available and invoked. However, property details were not available.
Dynamic Logistics Pvt. Ltd.	4.00	4.57	The borrower made (April 2013) OTS proposal for ₹ 13.15 crore, which is under consideration of the Trust. PG of Shri K. M. Talera, Shri Pramod Talera and Shri Praful Talera for ₹ 8.50 crore was available and invoked. However, property details were not available.
Krishna Plastochem Limited	2.38	0.75	Official Liquidator appointed by Gujarat High Court sold the property for ₹ 6.60 crore and SASF received interim disbursement of ₹ 75 lakh in March 2009. Subsequently, Swift Finlease (India) Ltd. filed Company Application before the High Court of Gujarat against the Official Liquidator and others, seeking disbursement of its share out of the sale

			proceeds, which is pending. According to SASF, personal guarantees were available and invoked. However, copies of personal guarantees were not made available to audit.
--	--	--	---

The Trust stated (August 2013) despite non-availability of property details in the personal guarantees, all efforts are being made for maximum recovery through legal course and / or settlement.

Out of the 39 cases, in 11 cases personal guarantees were taken from the promoters / borrowers and only in four cases (ER Textiles, Shamken Multifab, Dewan Sugar Limited and Venus Sugar Limited) property details were available. The Trust also did not collect the income tax returns from the guarantors. Had these aspects been taken care of, the Trust may have recovered higher amount than what it actually did.

*The Ministry, in its reply stated that SASF had submitted that remedial measures on the observations were being taken wherever possible.*

## Chapter VIII Miscellaneous

### 8.1 Rejection of offers to settle for more than or at par with GLO

The recovery policy conferred powers on the COO to consider and approve OTS/NS subject to the OTS/NS amount not less than GLO. Audit observed that in the following two cases, these powers were not exercised by the COO.

₹ in crore			
Sr. No	Name of the borrower	GLO	Offer made by the borrower
1	Dynamic Logistics Pvt. Ltd.	8.00	16.54
2	Super Forging and Steels Ltd.	4.75	4.50+0.25*
	<b>TOTAL</b>	<b>12.75</b>	<b>21.29</b>

(Note \* ₹ 25 lakh paid in April 2008 before the offer)

Of these two cases, the first case is *sub judice* and in the second, the borrower has withdrawn his offer. These cases are discussed below:

### 8.2 Dynamic Logistics Private Limited (NLO ₹ 4 crore)

IDBI had already filed (May 2000) a suit for recovery before Debt Recovery Tribunal (DRT), Mumbai which was transferred to DRT, Pune. The DRT allowed (September 2003) settlement for a sum of ₹ 11.10 crore with interest from the date of application till realization. Subsequently, DRT issued (January 2004) recovery certificate for ₹ 20.49 crore, which included ₹ 11.10 crore towards principal and ₹ 9.39 crore towards interest and fees. The DRT also issued (October 2004) garnishee<sup>8</sup> order against the lessee (Kirloskar Oil Engines Ltd.) of the borrower. The Trust could collect ₹ 4.57 crore as garnishee amount till January 2008.

In the meantime, the Trust proposed (June 2006) an OTS of ₹ 17.83 crore (₹ 8 crore towards principal, ₹ 5.83 crore towards interest and ₹ 4 crore towards other recovery) which was accepted (November 2006) by the borrower subject to (a) the Trust furnishing details of the OTS amount of ₹ 17.83 crore, (b) garnishee amount of ₹ 3.27 crore collected by the Trust to be adjusted from ₹ 17.83 crore proposed by the Trust, (c) 25 per cent upfront and balance in 18 equal monthly instalments with interest at 8 per cent per annum. However, the Trust did not take any action on the proposal submitted. The Trust issued (November 2009) notice under Section 13(2) of the SARFAESI Act on the grounds that efforts made to recover the dues were stalled by the borrower/promoter. According to the Trust, the efforts to take possession (April 2010) of the borrower's assets under Section 13(4) of the SARFAESI Act were not successful due to non-cooperation of the borrower. The borrower obtained

<sup>8</sup> An individual who holds money or property that belongs to a debtor subject to an attachment proceeding by a creditor.

(2010) stay from DRT against taking possession of the assets under Section 17 of the SARFAESI Act.

While the hearing was going on at the DRT in July 2010, the Trust and the borrower agreed for settlement of the dues. Accordingly, the borrower made (July 2010) a fresh OTS proposal of ₹ 17.83 crore<sup>9</sup> (the same amount proposed by the Trust in June 2006). This was not acceptable to the Trust and it requested (August 2010) the borrower for substantial improvement. The borrower made (April 2013) one more OTS proposal for ₹ 17.72 crore<sup>10</sup> (25 *per cent* down payment and balance 75 *per cent* in 12 equal instalments). This proposal was considered by the Trust and the borrower was requested (April 2013) to furnish details of settlement with other lenders and latest audited results for the last three years, which were awaited.

In the above context audit observed that:

- Though the recovery certificate was issued by DRT in January 2004, the Trust did not act on it. The Trust made an OTS offer in June 2006.
- The OTS proposal of ₹ 17.83 crore made (June 2006) by the Trust was accepted by the borrower subject to clarification on how the proposed amount was arrived at. The Trust could have furnished clarifications in this regard and in the event of borrower failing to comply, it should have promptly invoked the SARFAESI Act. However, the Trust did not effectively act until November 2009 when it issued the notice under the SARFAESI Act.
- It is also seen that despite the decisions at various levels, the borrower delayed the payment / settlement. Though DRT issued recovery certificate for ₹ 20.49 crore and the Trust subsequently proposed OTS for ₹ 17.83 crore, the borrower, instead of complying, raised queries. Four years later, in July 2010, the borrower made an OTS proposal for ₹ 17.83 crore which was for the same amount that was proposed by the Trust. The offer naturally was lower on a time value basis.
- Even though, there was evidence that the borrower was not prompt in settling the debt, the Trust could not act on the personal guarantee of ₹ 8.50 crore of the promoters (Shri K. M. Talera, Shri Praful Talera) as no supporting property details were available with the Trust. This personal guarantee was invoked but no amount could be recovered.
- Both the proposals (July 2010 and April 2013) were disposed of by the Executive Trustee while as per delegation of powers the proposals should have been placed before the COO for a decision.
- As per the records of SASF, the borrower had settled ₹ 34 crore with ICICI Bank at 100 *per cent* of the outstanding dues and in the case of SIDBI it

---

<sup>9</sup> Gross proposal ₹ 17.83 crore less garnishee amount of ₹ 5.86 crore received/receivable by the Trust as calculated by the borrower.

<sup>10</sup> ₹ 17.72 crore (₹ 13.15 crore plus ₹ 4.57 crore garnishee amount recovered by the Trust).

was agreed to settle dues worth ₹ 40 crore for ₹ 5.87 crore. The value of the assets (land and buildings) of the borrower was ₹ 83 crore (April 2010). Pro-rata share of the Trust was not worked out by the Trust.

The Trust stated (August 2013) that BOT had approved settlement proposal exactly in line with the settlement entered by the Company with SIDBI / ISARC, which would entail recovery of ₹ 17.12 crore.

### **8.3 Super Forgings and Steel Limited (NLO ₹ 2.58 crore)**

Dues of the party were restructured by SASF (April 2008) and accordingly the borrower was required to pay ₹ 4.75 crore. The dues were to be paid over five years, after an initial moratorium period of 2 years, in 20 quarterly instalments along with interest @ 10.25 per cent per annum on reducing balance. The borrower paid ₹ 25 lakh in April 2008 and then defaulted. The borrower made OTS proposals in May 2011, January 2012 and May 2012. As per the proposal made in May 2012, the party offered ₹ 4.50 crore including ₹ 50 lakh paid in May 2011. After taking into consideration the amount already paid (₹ 75 lakh), total offer made by the borrower was ₹ 4.75 crore, which was equivalent to the GLO. The borrower withdrew the offer in December 2012 due to non-acceptance by the Trust. On all the three occasions, the Trust requested for improvement in the proposal made by the party.

Pro-rata share of the Trust on the realizable value of assets was found to be only ₹ 1.75 crore (November 2009) and it was found to be negligible in December 2011. Assets of the borrower were also not charged to the Trust. According to the Trust, the personal guarantees obtained from the party were invoked but the Trust did not have the details of properties of the guarantor. However, copies of personal guarantees were not made available to audit. No further action in this regard was taken.

The Trust stated (August 2013) that the COO in August 2013 had approved settlement as proposed by the party in May 2012.

### **8.4 Non-adherence to recovery policy relating to waiver of dues / restoration of original liability**

According to the recovery policy, if the default in payment of crystallized amount persists, the Trust shall have the right to reverse the waiver of dues and restore the original liability as per the terms of the loan agreements entered into by the borrower and adjust the payment received, if any, towards the dues (Appendix I of the Recovery Policy).

In the following two cases, the above policy was not adhered to:

₹ in crore

Sr. No.	Name of the borrower	Date of approval of compromise settlement	NLO	OTS/NS	Amount recovered
1	Sri Vasavi Industries Ltd. (Promoters Shri G. Eswara Rao)	December 2011 and December 2012	32.00	50.00 (December 2012)	1.00
2	Ispat Profiles India Ltd. (Promoters - Shri M. L. Mittal, Shri V. K. Mittal and Pramod Mittal)	June 2005, September 2010 and December 2012.	42.13	56.92 (December 2012)	Nil

- Personal guarantees of Shri G. Eswara Rao, Shri G. C. H. Sanyasi Raju and Shri Badarinath for ₹ 14.50 crore in respect of Shri Vasavi Industries Limited and PG of Shri M.L. Mittal for ₹ 130.03 crore in respect of Ispat Profiles India Ltd. were available and invoked. However, in both the cases property details were not available.
- In respect of Sri Vasavi Industries Limited, the Trust stated (August 2013) that it had initiated process of revocation of settlement. However, the Company approached for reschedulement of repayment period within terminal date of settlement, which was under consideration of the Trust. It further stated that the Company had paid ₹ 3.10 crore in June 2013.
- In respect of Ispat Industries India Limited, the Trust stated (August 2013) that it had taken action under Section 138 of the negotiable Instruments Act, criminal case has been filed against concerned officials of the company and default has been reported to CIBIL. It further stated that the Trust was in the process of revoking the settlement and obtaining permission from BIFR for initiating legal action for recovery of dues.

#### 8.5 Transfer of secured assets without fulfilment of sale conditions - Daewoo Motors Limited

In terms of the Trust Deed, IDBI transferred (September 2004) net loan outstanding (NLO) of ₹ 267.98 crore in respect of Daewoo Motors India Limited (DMIL). At the time of transfer of the case to SASF, the lenders (IDBI, ICICI and Exim Bank) had already recalled their loans and filed recovery suits in DRT Mumbai/Chennai in 2002 against DMIL.

The Recovery Officer of DRT had confirmed (October 2007) the purchase offer of Pan India Motors Private Limited nominee of M/s. Crosslinks Finlease Private Limited for ₹ 765 crore of the property belonging to the defaulted borrower. Out of this, ₹ 266.75 crore was to be paid upfront and balance ₹ 497.25 crore was to be satisfied through issue of letters of allotment for debentures (secured non-convertible debentures of ₹ 267.75 crore and optionally convertible debentures ₹ 229.50 crore).

Share of SASF was ₹ 242.08 crore (₹ 41.46 crore by cash, ₹ 92.59 crore by way of secured non-convertible debentures and ₹ 108.02 crore by way of optionally convertible debentures). The Recovery Officer of DRT had inter-alia decided (October 2007) that on receipt of upfront payment, issuance of debentures allotment letters to ARCIL and SASF to their satisfaction, creation of pledge and hypothecation, DRT receiver should forthwith hand over the possession of the suit properties to Pan India Motors Private Limited nominee of M/s. Crosslinks Finlease Private Limited.

Both SASF & ARCIL misinformed (October 2007) the receiver of DRT that allotment letter, pledge and hypothecation has been created to their satisfaction as mentioned in the order. They also intimated the receiver that upon receipt of an amount of ₹ 187.75 crore (after adjusting the interest of ₹ 3.4 crore that had accrued on ₹ 76.50 crore lying in deposit) they had no objection to the DRT Receiver handing over the possession of the suit properties to Pan India Motors Private Limited nominee of M/s. Crosslinks Finlease Private Limited.

Contrary to the intimation by ARCIL/SASF to the recovery officer of DRT, the buyer had defaulted on issue of debentures. Against the above default, ARCIL had filed (March 2009) application before the DRT, Mumbai which ruled (November 2012) in favour of the ARCIL with orders to cancel the sale of assets to the defaulted buyer. DRT also made ARCIL the receiver with instructions to carry out inventory verification in the presence of their representative. Against the above ruling of DRT, the borrower has appealed (February 2013) before the DRAT, Mumbai which had ordered status quo to continue pending disposal of the application with permission to DRT receiver to continue with inventory taking.

ARCIL had informed (June 2013) the Trust that the buyer refused to give inventory as ordered by DRT Mumbai in November 2012.

Records made available to audit indicated that the Trust had acted through ARCIL in all proceedings before DRT. The debenture allotment letters were not issued by the buyer. However, both ARCIL and SASF made wrong submission to the DRT receiver that Pan India Motors Private Limited nominee of M/s. Crosslinks Finlease Private Limited has complied with condition of issuance of allotment letters in respect of debentures in their favour and to their satisfaction. Had they made correct submissions then DRT would not have parted with the assets of the borrower to the defaulted buyer.

During October 2007 to March 2009, there was no action to appeal before DRT against the default committed by the buyers.

Even after filing (March 2009) recovery petition before DRT, Mumbai, ARCIL accepted (November 2009) consent terms from the defaulted buyers for issue of the debentures. As per this the buyers were to issue letters of allotment of debentures along with details of pledge of equity of the buyers and appointment of debenture trustees. But the above details were not mentioned in the debenture allotment letters. The allotment letters were not exchanged with the debenture certificate. Further, there was no compliance in respect of execution and registration of debenture trust deed, execution of unattested memorandum of hypothecation and submission of business plans. But the buyers defaulted again by not mentioning the details of debenture trustees, details of the pledge of equity shares of the buyers, etc.

Though the sale of fixed assets had been cancelled (November 2012) in response to the petition filed before DRT, Mumbai and the applicant (ARCIL) was authorized to take inventory, the same could not be carried out (June 2013) due to non-cooperation of the buyer.

The Trust stated (August 2013) that it is trying to sell the property in co-ordination with ARCIL and ILFS (equity investor in Pan India Motors Private Limited) and also fighting the case along with ARCIL for handing over the assets to the lenders in DRAT.

The reply is not acceptable as the property was handed over to Pan India Motors Private Limited nominee of M/s. Crosslinks Finlease Private Limited without getting the purchase consideration. This is an instance where the Trust failed to safeguard its financial interests.

#### **8.6 Inordinate delay in auctioning property of a defaulted borrower - M/s. Oriental Industries Ltd.**

Against a borrowing outstanding of ₹ 19.47 crore relating to M/s. Oriental Industries Ltd., the DRT, Chandigarh passed (March 2003) order for payment of the defaulted amount. Since no concerted efforts were made by the Trust for disposal of the assets even after ten years, DRT in one of their hearings observed (2013) that:

- Recovery proposal was not submitted by the Trust even after obtaining 22 adjournments.
- The GM of the Trust did not appear in person for filing the proposal as per the condition set by the DRT.
- The Trust failed to submit details of the mortgaged properties supported with the affidavit of the authorized official of the Trust as well as valuation report even after three years.

- The Trust was not pursuing the recovery proceedings with the required seriousness and was entailing a notional loss of ₹ 30 lakh every month on account of interest.

In view of the above lapses, the DRT imposed a penalty of ₹ 20,000 on the Trust to be deposited with the DRT Bar Association, Chandigarh.

- It further transpired from an additional affidavit filed (April 2013) by the Trust with the DRT that the front side of the borrower's premises has been given either on lease or sold by the borrower to M/s. Kohinoor Broadcasting Corporation.

Audit observed that there was delay on the part of the Trust in taking timely action for valuing the property and its disposal resulting in non-recovery of ₹ 19.47 crore besides un-authorized sale/lease of part of the property by the borrower. The Trust took 22 adjournments between December 2003 and May 2013 on various grounds but still the case could not be resolved.

- The Trust stated (August 2013) that the case has been assigned to recovery agents for recovery of its dues and making all efforts to expedite and maximize the recovery through the recovery agent.
- The reply has to be seen in the context that the Trust had taken more than two years to file application before DRT for impleadment and after getting impleaded in January 2009, the Trust took further two and a half years for filing the valuation report and the delay invited the criticism of the DRT.

### **8.7 Acceptance of shares / as part of settlement**

As per Clause 5(b) of the Trust Deed (24 September 2004), the Trustees shall recover the stressed assets by restructuring, arriving at settlement with the borrowers, taking legal measures or adopting such measures as they may deem fit including but not limited to their recovery as arrears of land revenue. Accordingly, SASF had accepted equity / preference shares as part of the settlement and the face value of such shares was ₹ 204.81 crore as on 31 March 2013.

Following observations are made in audit:

- In a period of nine years, SASF could recover only ₹ 22.66 crore by disposal / buy back of shares.
- An analysis of the quoted/unquoted share of ₹ 204.81 crore indicated that SASF was holding unquoted shares of ₹ 129.52 crore. Accepting unquoted shares was meaningless as there was no way the Trust could dispose of those shares. Further, the market value of quoted investment of ₹ 75.29 crore was ₹ 18.39 crore as on 31 March 2013. Details of quoted and unquoted shares and market value as on 31 March 2013 are given below:

₹ in crore

Serial Number	Category	No. of cases	Cost of acquisition	Market Value
1	Quoted but market value not available as on 31 March 2013	6	6.29	Not available
2	Quoted and market value less than cost of acquisition	27	64.34	11.31
3	Quoted and market value more than cost of acquisition	9	4.66	7.08
4	<b>Total of quoted investments (1+2+3)</b>	<b>42</b>	<b>75.29</b>	<b>18.39</b>
5	Total of unquoted investments	43	129.52	Not available
6	<b>Total (4+5)</b>	<b>85</b>	<b>204.81</b>	

- Out of the 88 cases selected by audit for detailed examination, in 19 cases the Trust accepted shares as part of settlement. An analysis of the 19 cases indicated that in ten cases (₹ 51.18 crore) there was no provision for buy back and in nine cases (₹ 64.88 crore) there was a provision for buy back. Examination of the nine cases revealed that except in one case the buyback provisions were not fully complied with (five cases), in one case due to non-compliance by the party, shares of ₹ 3.54 crore were sold for ₹ 64 lakh in the market, in one case the buyback period approved was beyond the life period of the Trust and in the remaining one case the buyback date is October 2015. Details are given below:

Sr. No.	Name of the Company	Amount (₹ in crore)	Date of buy back	Remarks
1.	SJK Steels Plant Limited	2.77	January to March 2013	₹ 5.38 crore recovered.
2.	E.R. Textiles Ltd.	7.71	31.03.2011	The company has defaulted in the condition for buy back of shares due to which settlement was revoked in May 2011.
3.	Ganesh Benzoplast Ltd.	2.08	NA	The Company was advised (June 2012) to buy back the shares for an aggregate consideration of ₹ 2.75 crore.
4.	Triveni Glass Ltd.	3.54	April 2007	SASF had advised the promoters to buy back the shares, which was not done by them. Due to default made by the

				company, the shares were sold in the market for ₹ 64 lakh resulting in a sacrifice of ₹ 2.90 crore.
5.	LML Ltd.	22.95	Redemption of preference shares of ₹ 21.19 crore during FY 2024 and 2025 as per modification to NS approved in September 2012.	Redemption approved is beyond the life span of SASF.
6.	Sri Vasavi Industries Limited	5.61	By October 2015	Not yet due.
7.	Datre Corporation Ltd.	17.22	In 4 instalments from April 2012 to April 2015	Revised in June 2013 to two equal instalments on 1.4.2014 and 1.4.2015.
8.	Assambrook Ltd.	1.50	April 2012	The company offered to pay an amount much below acquisition cost hence the offer was not accepted. Further increase in price realization is being explored.
9.	AG Foods Limited	1.50	December 2013	Only ₹ 80 lakh received.

The Trust stated (August 2013) that it would be avoiding acquiring equity in all future settlements in view of lack of potential recovery from equity. It further stated that it is making efforts to encash the already acquired equity at least by stipulating buy back conditions when the company is coming for reschedulement / restoration of their OTS.

*The Ministry, in its reply stated that SASF had submitted that remedial action was being taken wherever possible.*

## Chapter IX Conclusion

9.1 The real liability assumed by the GOI figures in the public account of India. The notional loan (an asset) is figuring in the Consolidated Fund of India. The necessity to protect IDBI from loss due to accumulated NPA of ₹ 9000 crore leading to the creation of a SPV in the form of a Trust to assume the liability, budgeting for the same and the accounting procedures adopted thereof were not explained in budget of 2004-05 affecting transparency of the transaction.

9.2 Over a period of about nine years, the Trust was able to recover ₹ 4,071 crore out of ₹ 9,000 crore. It has settled 319 cases out of 631 cases for ₹ 2,561.49 crore against NLO of ₹ 2,933.12 crore. Out of the 319 cases settled, in 150 cases there was a short recovery of ₹ 915.17 crore and in the remaining 169 cases there was an excess recovery of ₹ 543.54 crore over and above NLO. In 101 resolved cases, it has so far recovered ₹ 1,220.49 crore (including shares of ₹ 63.47 crore) against NLO of ₹ 2,878.29 crore. In the unresolved category, in 79 cases with NLO of ₹ 625.32 crore, the Trust could not recover any amount and from the balance 132 cases it could recover only ₹ 396.75 crore against NLO of ₹ 2,380.37 crore. Thus, the Trust could only partially achieve its objective to recover the amounts locked up in the stressed assets. An amount of ₹ 4,941 crore was yet to be redeemed by GOI.

9.3 The cases remaining now are difficult and the uncertainty of recovery of the remaining amount has increased considerably. This is evident from the declining trend of recoveries during recent years. More than 50 per cent of the total recovered amount were recovered in three years from 2005-06 to 2007-08.

9.4 The system of personal guarantees provided by the borrowers proved to be completely ineffective as in overwhelmingly large number of cases, property details were not available, thus making the invoking of such guarantees fruitless.

9.5 The Trust was largely manned by the IDBI staff and officers. Apart from the inadmissible exchange of three cases, in which IDBI gained and the Trust lost, such "revolving door" policy in terms of management of Trust raised issues of sound management of recovery efforts.

9.6 Considering the difficult nature of the cases (some have been referred to BIFR), the final recovery may not be sufficient to repay the GOI loan. However, the GOI will have to redeem the special securities completely by paying to IDBI by 2024. The possibility of GOI having to redeem considerable portion of these special securities entailing financial outgo is therefore real.

*Audit Report on Stressed Assets Stabilisation Fund*

---

This will, in the ultimate analysis, benefit the private corporates and their promoters who took huge loans, at the cost of the taxpayers.
