These accounts are presented in two Volumes, Volume - I contains the Consolidated position of the State finances and Volume - II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices and departments responsible for the keeping of such accounts functioning under the control of the Government of Tripura and the statements received from the Reserve Bank of India. Statements (8, 9, 14 & 19) and appendices (IV, V, IX and X) in this compilation have been prepared directly from the information received from the Government of Tripura who is responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Tripura are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Tripura for the year 2011-2012.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Tripura being presented separately for the year ended 31st March 2012.

Guide to the Finance Accounts

A. Broad overview of the Structure of Government Accounts

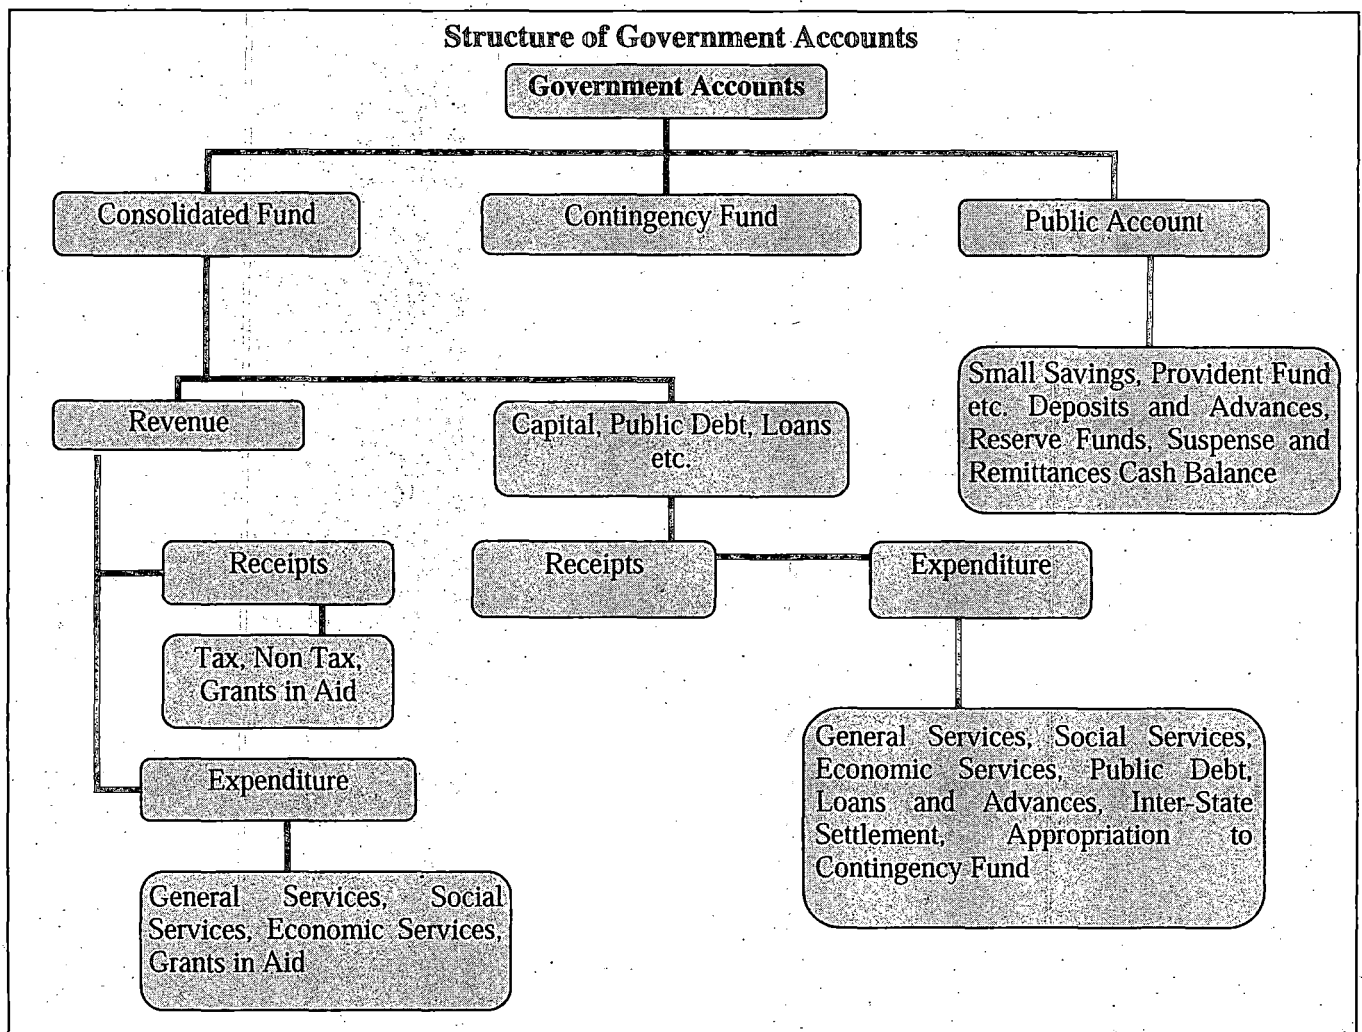

1. The Accounts of the Government are kept in three parts:

Part I: The Consolidated Fund: All Receipts and Expenditure on Revenue and Capital Account, Public Debt and Loans & Advances forms the Consolidated Fund of the State.

Part II: The Contingency Fund: Legislature may by law establish a Contingency Fund which is in the nature of an imprest. The Fund is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head in the Consolidated Fund of the State.

Part III: The Public Account: All other public moneys received by or on behalf of the Government are credited to the Public Account. The expenditure out of this account is not subject to the vote of the Legislature. In respect of the receipts into this account, the Government acts as a banker or trustee. Transactions relating to Debt (other than public debt in Part I), Deposits, Advances, Reserve Funds, Remittances and Suspense form the Public Account.

A.1.1 Pictorial representation of Structure of Government accounts

2. DIVISIONS, SECTIONS, SECTORS etc.

The two main divisions of the Accounts in the Consolidated fund are, as depicted in A.1.1 on previous page, 'Revenue and 'Capital, Public Debt, Loans etc.' which are divided into sections 'Receipts' and 'Expenditure'. Within each of the Divisions and Sections of the Consolidated Fund the transactions on the expenditure side are grouped into Sectors such as, "General Services", "Social Services", "Economic Services", under which specific functions or services shall be grouped. The Sectors are sub-divided into sub sectors/Major heads of account. Major heads correspond to functions and are further divided into sub major heads (sub functions) and minor heads (programmes) which are depicted in volume 2 of the Finance Accounts. The classification below minor heads of account i.e. subheads (schemes) and detailed and object heads (objects of expenditure) are not depicted in the Finance Accounts (minor exceptions exist), though some details are included in the appendices.

B. WHAT DO THE STATEMENTS CONTAIN

The Finance Accounts have been divided into two volumes. Volume 1 presents the financial statements of the Government in the form of commonly understood summarised form while the details are presented in volume 2.

These accounts present the transactions of the Government of Tripura for the period 1st April 2011 to 31st March 2012.

(ii) Basis of Accounting:

Presently, DC bills for 13,548 Nos. of AC Bills amounting to ₹ 148.69 crore have not been received in the office of the Accountant General as detailed below :-

Unadjusted AC Bills as on 31st March 2012

Year	No. of AC Bills Outstanding	Amount Outstanding
Upto		
2009-10	1,264	13.87
2010-11	2,120	23.27
2011-12	10,164	1,11.55
Total	13,548	1,48.69

The State Government has made remarkable achievement in reducing outstanding balances of AC bills during the year 2011-12. As a result, total number of AC bills outstanding upto 31st March 2011 amounting to ₹ 147.74 crore has been reduced from 22,787 nos. (498 nos. for 2008-09, 6696 nos. for 2009-10 & 15,593 nos. for 2010-11) to 3384 nos. (1264 nos. for 2009-10 & 2120 nos. for 2010-11) amounting to ₹ 37.14 crore (₹ 13.87 Cr. for 2009-10 & ₹ 23.27 Cr. for 2010-11). The State Government has withdrawn ₹ 111.55 crore during 2011-12 through Abstract Contingent bills out of which ₹ 44.37 crore was withdrawn in March 2012 (39.78 per cent of total withdrawal during 2011-12).

5. Transfer of Funds to PD Accounts:

Transfer of funds to PD accounts is booked as expenditure in the Consolidated Fund of the State. While the Government is authorized to open Personal Deposit Account in order to deposit money for specific purposes, the Administrators are required to close such accounts at the last working day of the year and transfer the unspent balances back to the Government Accounts. No P. D. accounts are being operated by the State Government since 2009-10. The balance lying under P.D. Accounts upto 2008-09 was transferred to the correct head of account i.e. under '8443-111- Other Departmental Deposits' during the year 2009-10 which was misclassified by the State Government.

6. Reconciliation of Receipts and Expenditure:

All the Controlling Officers are required to reconcile the Receipts and Expenditure of the Government with the figures accounted for by the Accountant General. Reconciliation has been completed by all 58 Controlling Officers for both total Receipts amounting to ₹ 64,76.90 crore and total Expenditure amounting to ₹ 64,37.90 crore.

7. **The Cash Balance reported by Reserve Bank of India:**

Cash Balance worked out by the Accountant General is ₹ 5.57 crore . The cash balance reported by RBI as on 31st March 2012 is ₹ 15.32 crore. Thus, the figure of Cash Balance reported by R.B.I. indicates excess of ₹ 9.76 crore. The difference is mainly because of misclassification/misrepresenting by Agency banks to the RBI, CAS , Nagpur. Out of this difference upto 06/2012 accounts, items amounting to ₹10.09 crore (Cr.) due to misclassification by Agency Banks has been identified and taken into account during the next accounting period. The net difference up to 06/2012 accounts reduced to ₹ 0.11 crore (Dr).

8. **Guarantees reported by the Government:**

Guarantees reported in Statement 9 are on the basis of the information received from the State Government which is the authority for issuing such guarantees. No amount has been transferred to Guarantee Redemption Fund during account period.

9. **Loans and Investments:**

10. **The balances under Suspense and Remittances Heads:**

The balances under suspense and remittances heads as reflected in these accounts are the 'net' balances worked out by aggregating the outstanding debit and credit balances separately under various heads detailed in the Annex B.

11. **Book Adjustments:**

Certain transactions are in the nature of book adjustments and do not represent actual cash transaction as below:

Periodical adjustments:

SL No.	Book Adjustment	Head of Account		Amount (₹ in crore)	Remarks
		From	To		
1	Annual adjustment of interest on G.P.F.	2049	8009	161.15	Interest on G. P. F. (including Group 'D').

12. Utilization Certificates in respect of grants-in-aid given by the Government:

Rule 151 (1) of General Financial Rules provides that Utilization Certificates (UCs) should be obtained by the departmental officers from the grantees and after verification, these should be forwarded to the Accountant General within 18 months from the date of their sanction unless specified otherwise in respect of grants provided for specific purposes. The position of awaited UCs is given below :-

Year	Number of UCs awaited	Amount involved (₹ in crore)

2011-12	9,653	8,89.86

13. Incomplete Projects:

Amount involved in incomplete projects, costing rupees five crore and above, as furnished by the State Government during 2011-12 was ₹224.56 crore.

14. Accounts rendering units:

Five Treasuries, 49 PW Divisions and 21 Forest Divisions are rendering accounts to the Accountant General. The range of delays in rendition of accounts was 01 to 32 days by the Treasuries, 01 to 50 days by P. W. Divisions and 01 to 34 days by Forest Divisions.

15. Unspent balances in the accounts of the implementing agencies:

The State Government provides funds to State/district level autonomous bodies and authorities, societies, non-governmental organizations, etc. for implementation of centrally sponsored schemes (State Share) and State schemes. Since the funds are generally not being spent fully by the implementing agencies in the same financial year, there remain unspent balances in the bank accounts of these implementing agencies. The aggregate amount of the unspent balances in the accounts of the implementing agencies kept outside Government accounts (in bank accounts) is not readily ascertainable. The Government expenditure as reflected in the Accounts to that extent is therefore, not final.

However, the net difference has been reduced to ₹ 11.11 (Dr.) lakh (August, 2012)

Appendix I – Contd.**Explanatory Notes**

(a) **Cash and Cash Equivalents:** Cash and cash equivalents consist of cash in treasuries and deposit with Reserve Bank of India and other Banks and Remittances in Transit. The balance under the head 'Deposits with Reserve Bank' depicts the combined balance of the Consolidated Fund, Contingency Fund and the Public Account at the end of the year. To arrive at the overall cash position, the cash balances with treasuries, departments and investments out of the cash balances/reserve funds etc. are added to the balance in 'Deposits with RBI'.

(b) **Daily Cash Balance:** Under an agreement with the Reserve Bank of India, the State Government has to maintain a minimum cash balance of ₹ 29.00 lakh with the Bank. If the balance falls below the agreed minimum on any day, the deficiency is made good by taking ordinary and special ways and means advances/overdrafts from time to time.

For arriving at the daily cash balance¹ for the purpose of grant of Ways and Means advances/Overdraft, the RBI evaluates the holdings of the 14 days/91 days treasury bills along with the transactions reported (at RBI counters, Inter-Government transactions and Treasury transactions reported by the agency banks) for the day. To the cash balance so arrived, the maturity of 14 days/91 days Treasury Bills if any, is added and excess balance, if any, after maintaining the minimum cash balance is reinvested in Treasury Bills. **If the net cash balance arrived at results in less than the minimum cash balance** or a credit balance and if there are no 14 days/91 days treasury bills maturing on that day, RBI rediscounts the holdings of the 14 days/91 days Treasury Bills and makes good the shortfall. If there is no holding of 14 days/91 days Treasury Bills on that day the State Government applies for Ways and Means Advances/Special Ways and Means Advances/ Over Draft.

¹ The cash balance ('Deposits with RBI') above is the closing cash balance of the year as on 31st March but worked out by 16 April and not simply the daily balance on 31st March.

Appendix I – Concl'd.

Explanatory Notes – Concl'd.

(c) The limit for ordinary ways and means advances to the State Government was ₹ 80,00.00 lakh with effect from 1st April 2005. The Bank has also agreed to give special ways and means advances against the pledge of Government Securities. The limit of special ways and means advances revised by the Bank from time to time. The extent to which the Government maintained the minimum cash balance with the Reserve Bank during 2011-12 is given below:-

(i) Number of days on which the minimum balance was maintained without taking any advance -	365
(ii) Number of days on which the minimum balance was maintained by taking ordinary ways and means advance -	Nil
(iii) Number of days on which the minimum balance was maintained by taking special ways and means advances -	Nil
(iv) Number of days on which there was shortfall in minimum balance even after taking the above advances, but no overdraft was taken -	Nil
(v) Number of days on which overdrafts were taken -	Nil

The rate of interest applicable to Ways and Means Advances for shortfall and overdraft of Government of Tripura, if any will be applied as follows: -

	From 23 rd October 2001	From 1 st April 2008
1. Ways and Means Advances	6.50%	...
2. Shortfall	6.50%	...
3. Overdraft	8.50%	...
4. (a) Discount rate for 14 days Treasury bills	...	5.00%
(b) Rediscounting rate for 14 days Treasury bills	...	5.50%

During the year 2011-12, no Ways and Means Advance was availed by the Government.

To make up the deficiency in the cash balance, the holding of the Government of India 14 days Treasury Bills were rediscounted on 186 days during the year and interest realized thereon ₹ 48,90.79 lakh.
