**CERTIFICATE OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA**

---

This compilation containing the Finance Accounts of the Government of Sikkim for the year ending 31 March 2016 presents the financial position alongwith accounts of the receipts and disbursements of the Government for the year. These accounts are presented in two volumes, Volume - I contains the consolidated position of the state of finances and Volume - II depicts the accounts in detail. The Appropriation Accounts of the Government for the year for Grants and Charged Appropriations are presented in a separate compilation.

The Finance Accounts have been prepared under my supervision in accordance with the requirements of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 and have been compiled from the vouchers, challans and initial and subsidiary accounts rendered by the treasuries, offices, and departments responsible for the keeping of such accounts functioning under the control of the Government of Sikkim and the statements received from the State Bank of Sikkim. Statements (No.7, 9, 19 and 20) and appendices (IV, VIII, IX, and XI) in this compilation have been prepared directly from the information received from the Government of Sikkim who are responsible to ensure the correctness of such information.

The treasuries, offices, and/or departments functioning under the control of the Government of Sikkim are primarily responsible for preparation and correctness of the initial and subsidiary accounts as well as ensuring the regularity of transactions in accordance with the applicable laws, standards, rules and regulations relating to such accounts and transactions. I am responsible for preparation and submission of Annual Accounts to the State Legislature. My responsibility for the preparation of accounts is discharged through the office of the Senior Deputy Accountant General (A&E). The audit of these accounts is independently conducted through the office of the Accountant General (Audit) in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971, for expressing an opinion on these Accounts based on the results of such audit. These offices are independent organizations with distinct cadres, separate reporting lines and management structure.

(v)

The audit was conducted in accordance with the Auditing Standards generally accepted in India. These Standards require that we plan and perform the audit to obtain reasonable assurance that the accounts are free from material misstatement. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

On the basis of the information and explanations that my officers required and have obtained, and according to the best of my information as a result of test audit of the accounts and on consideration of explanations given, I certify that, to the best of my knowledge and belief, the Finance Accounts read with the explanatory 'Notes to Accounts' give a true and fair view of the financial position, and the receipts and disbursements of the Government of Sikkim for the year 2015-16.

Points of interest arising from study of these accounts as well as test audit conducted during the year or earlier years are contained in my Reports on the Government of Sikkim being presented separately for the year ended 31 March 2016.

**Guide to the Finance Accounts**

---

**A. Broad overview of the structure of Government Accounts**

1. The Finance Accounts of the State of Sikkim present the accounts of receipts and outgoings of the Government for the year, together with the financial results disclosed by the Revenue and Capital accounts, the accounts of the Public Debt and the liabilities and assets of the State Government as worked out from the balances recorded in the accounts.

2. The Accounts of the Government are kept in three parts:

**Part -I: The Consolidated Fund:** This fund comprises all revenues received by the State Government, all loans raised by the State Government (market loans, bonds, loans from the Central Government, loans from Financial Institutions, Special Securities issued to National Small Savings Fund, etc.), Ways and Means advances extended by the Reserve Bank of India and all moneys received by the State Government in repayment of loans. No moneys can be appropriated from this Fund except in accordance with law and for the purposes and in the manner provided by the Constitution of India. Certain categories of expenditure (e.g., salaries of Constitutional authorities, loan repayments etc.), constitute a charge on the Consolidated Fund of the State (Charged expenditure) and are not subject to vote by the Legislature. All other expenditure (Voted expenditure) is voted by the Legislature.

The Consolidated Fund comprises two sections: Revenue and Capital (including Public Debt, Loans and Advances). These are further categorized under 'Receipts' and 'Expenditure'. The Revenue Receipts section is divided into three sectors, viz., 'Tax Revenue', 'Non Tax Revenue' and 'Grants in Aid and Contributions'. These three sectors are further divided into sub-sectors like 'Taxes on Income and Expenditure', 'Fiscal Services', etc. The Capital Receipts section does not contain any sectors or sub-sectors. The Revenue Expenditure section is divided into four sectors, viz., 'General Services', 'Social Services', 'Economic Services' and 'Grants in Aid and Contributions'. These sectors in the Revenue Expenditure section are further divided into sub-sectors like, 'Organs of State', 'Education, Sports, Art and Culture' etc. The Capital Expenditure section is sub-divided into seven sectors, viz., 'General Services', 'Social Services', 'Economic Services', 'Public Debt', 'Loans and Advances', 'Inter-State Settlement' and 'Transfer to Contingency Fund'.

**Part -II: The Contingency Fund:** This fund is in the nature of an imprest which is established by the State Legislature by law, and is placed at the disposal of the Governor to enable advances to be made for meeting unforeseen expenditure pending authorisation of such expenditure by the State Legislature. The fund is recouped by debiting the expenditure to the concerned functional major head relating to the Consolidated Fund of the State. The Contingency Fund of the Government of Sikkim for 2015-16 is ₹ one crore.

**Part -III: The Public Account:** All other public moneys received by or on behalf of the Government, where the Government acts as a banker or trustee, are credited to the Public Account. The Public Account includes repayable like Small Savings and Provident Funds, Deposits (bearing interest and not bearing interest), Advances, Reserve Funds (bearing interest and not bearing interest), Remittances and Suspense heads (both of which are transitory heads, pending final booking). The net cash balance available with the Government is also included under the Public Account. The Public Account comprises six sectors, viz., 'Small Savings, Provident Funds etc.' 'Reserve Funds', 'Deposit and Advances', 'Suspense and Miscellaneous', 'Remittances', and 'Cash Balance'. These sectors are further sub-divided into sub-sectors. The Public Account is not subject to the vote of the Legislature.

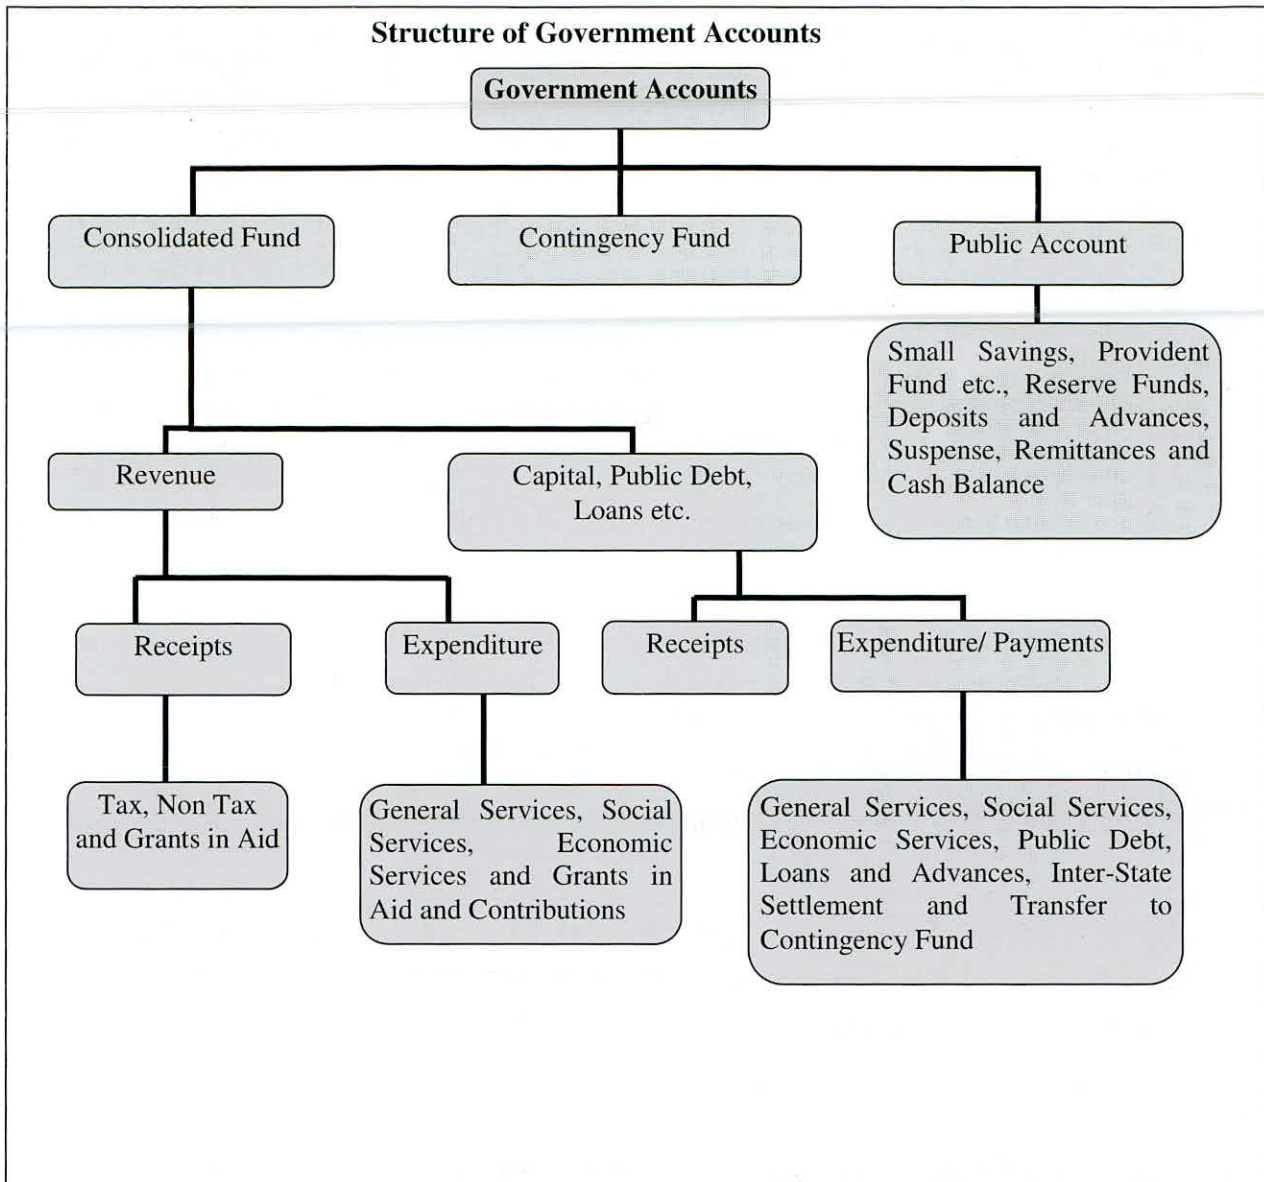

3. Government accounts are presented under a six tier classification, viz., Major Heads (four digits), Sub-Major Heads (two digits), Minor Heads (three digits), Sub-Heads (two digits), Detailed Heads (two to three digits), and Object Heads (two or three digits). Major Heads represent functions of Government, Sub-Major Heads represent sub-functions, Minor Heads represent programmes/activities, Sub-Heads represent schemes, Detailed Heads represent sub-schemes, and Object Heads represent purpose/object of expenditure.

4. The main unit of classification in accounts is the Major Head which contains the following coding pattern (according to the List of Major and Minor Heads corrected upto 31 March 2015).

0020 to 1606	Revenue Receipts
2011 to 3606	Revenue Expenditure
4000	Capital Receipts
4046 to 7810	Capital Expenditure (including Public Debt, Loans and Advances)
7999	Appropriation to the Contingency Fund
8000	Contingency Fund
8001 to 8999	Public Account

5. The Finance Accounts, generally (with some exceptions), depict transactions upto the Minor Head. The figures in the Finance Accounts are depicted at net level, i.e., after accounting for recoveries as reduction of expenditure. This treatment is different from the depiction in the Demands for Grants presented to the Legislature and in the Appropriation Accounts, where, expenditure is depicted at the gross level.

6. A pictorial representation of structure of Government Accounts is given below:

**D. Periodical adjustments and Book adjustments:**

Certain transactions that appear in the accounts do not involve actual movement of cash at the time of booking. Some of these transactions take place at the level of the account rendering units (e.g. treasuries, divisions etc.) themselves. For instance, transactions involving adjustment of all deductions (GPF, recoveries of advances given etc.) from salaries are recorded by debiting functional major heads (pertaining to the concerned department) by book adjustment to revenue receipt/loans/public account. Similarly 'nil' bills where moneys transferred between the Consolidated Fund and Public

Account represent non-cash transactions occurring at the level of the accounts rendering units.

In addition of the above the Sr. Dy. Accountant General (A&E) carries out periodical adjustments and book adjustments of the following nature in the accounts of the State Government, details of which appear in Annexure - A to Notes to Accounts (Volume -I) and footnotes to the relevant statements.

Examples of periodical adjustments and book adjustments are given below:

- (1) Creation of funds/adjustment of contribution to Funds in Public Account by debit to Consolidated Fund e.g., State Disaster Response Fund, Central Road Fund, Reserve Funds, Sinking Fund, etc.
- (2) Crediting of deposit heads of accounts in Public Account by debit to Consolidated Fund.
- (3) Annual adjustment of interest on General Provident Fund (GPF) and State Government Group Insurance Scheme where interest is adjusted by debiting Major Head 2049-Interest and crediting Major Head 8009-State Provident Funds and Major Head 8011-Insurance and Pension Funds.
- (4) Adjustment of Debt waiver under the scheme of Government of India based on the recommendations of the Central Finance Commission. These adjustments (where Central loans are written off by crediting Major Head 0075-Misc. General Services by contra entry in the Major Head 6004-Loans and Advances from the Central Government) impact both Revenue Receipt and Public Debt heads.

**E. Rounding:**

Difference of ₹ 0.01 lakh/crore, wherever occurring is due to rounding.

**13 SUMMARY OF BALANCES UNDER CONSOLIDATED FUND, CONTINGENCY FUND AND PUBLIC ACCOUNT**

---

**Explanatory Notes :-**

- (1) The significance of the head "Government Account" is explained in note B below.
- (2) A summary of receipts, disbursements and balances under heads of account relating to Debt, Contingency Fund and Public Account is given in Statement No. 21.

**B. Government Account**

Under the system of book-keeping followed in Government Accounts, the amounts booked under revenue , capital and other transactions of Government the balances of which are not carried forward from year to year , are closed to a single head called "Government Accounts". The balances under this head represents the cumulative result of all such transactions.

To this the balances under Public Debt , Loans and Advances , Small-Savings , Provident Fund , Reserve Funds , Deposits and Advances , Suspence and Miscellaneous (Other than Miscellaneous Government Accounts) , Remittances and Contingency Fund etc. , are added and the closing cash balance at the end of the year is to be worked out and proved.

The other heading in the summary take into account of the balances under all accounts heads in the Government Books in regard to which the Government has a liability to repay the money received or have a claim to recover the amounts paid and also heads of accounts opened in the books for adjustment of remittance transactions.

It must be understood that theses balances cannot be regarded as a complete record of the financial position on the Government as it does not take into account all the physical assets of the State , such as lands, buildings, communication etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by the Government.

Steps are being taken to settle the discrepancies.
- (ii) The balances are communicated to the officers concerned every year for verification and acceptance thereof. In a larger number of cases such acceptances have not been received.
- (iii) The cases where acceptances of balances have been delayed and the amounts involved are considerable have been mentioned in Appendix - VII of Volume II
- (iv) Cases where details/documents are awaited in connection with reconciliation of balances are detailed in Appendix - VII of Volume II

**NOTES TO ACCOUNTS****1. Summary of significant accounting policies:****(i) Entity and Accounting Period:**

These accounts present the transactions of the Government of Sikkim for the period 1 April 2015 to 31 March 2016. The accounts of receipts and expenditure of the Government of Sikkim have been compiled based on the initial accounts rendered by 6 Treasuries (including the accounts in respect of 40 Public Works/Irrigation Divisions and 5 Forest Divisions), the Directorate of Sikkim State Lotteries, the Sikkim Nationalized Transport, the Land Revenue and Disaster Management Department and advices of the State Bank of Sikkim. Though, on average, during the year, there were delays ranging from 1 to 19 days in the receipt of accounts from accounts rendering units, no accounts were excluded at the end of the year.

**(ii) Basis of Accounting:**

With the exception of some book adjustments (Annexure –A of Notes to Accounts), the accounts represent the actual cash receipts and disbursements during the account period. Physical Assets and Financial Assets such as investments etc., are shown at historical cost i.e., the value at the year of acquisition/ purchase. Physical assets are not depreciated or amortized. Losses in physical assets at the end of their life have not been expensed or recognized.

The pension liability of the Government, i.e., the liability towards payment of retirement benefits for the past and the present service of its employees is not included in the accounts. The retirement benefits disbursed during the current year are reflected in the accounts in Statement 15.

**(iii) Currency in which Accounts are kept:**

The accounts of the Government of Sikkim are maintained in Indian Rupees.

**(iv) Form of Accounts:**

Under Article 150 of the Constitution, the accounts of the Union and of the States are kept in such form as the President may on the advice of the Comptroller and Auditor General, prescribe. The word "Form" used in Article 150 has a comprehensive meaning so as to include the prescription not only of the broad form in which the accounts are to be kept but also the basis for selecting appropriate heads under which the transactions are to be classified.

**(v) Classification between Revenue and Capital:**

Revenue Expenditure is recurring in nature and is intended to be met from revenue receipts. Capital Expenditure is defined as expenditure incurred with the object of increasing concrete assets of a material and permanent character or of reducing permanent liabilities. Expenditure on Grants-in-Aid is recorded as Revenue Expenditure in the books of the grantor, and as Revenue Receipt in the books of the recipient.

**2. Quality of Accounts****(i) Booking under Minor Head “800 - Other Receipts and Other Expenditure”:**

Minor Heads 800-Other Expenditure/ Other Receipts are intended to be operated only when the appropriate minor head has not been provided in the accounts. Routine operation of Minor Heads 800 is to be discouraged, since it renders the accounts opaque. During the year the State Government classified under 800-Other Receipts/Expenditure, an amount of ₹ 7,48.98 crore under 30 Revenue Receipts Heads and ₹ 3,01.14 crore under 32 Expenditure Heads, constituting 19.79 *per cent* of total revenue receipts and 7.04 *per cent* of the total expenditure (Revenue and Capital) incurred under respective Major Heads. Instances where a substantial proportion (10 *per cent* or more) of the receipts and expenditure was classified under the Minor Head 800 – Other Receipts / Other Expenditure are given in Annexure – B and C respectively.

**(ii) Outstanding Abstract Contingency (AC) Bills:**

Drawing and Disbursing Officers are authorized to draw sums of money by preparing Abstract Contingency (AC) Bills by debiting service heads. They are required to present Detailed Contingency (DC) Bills containing vouchers in support of final expenditure within three months of the withdrawal of AC Bills. Non-submission of DC Bills renders the expenditure under AC Bills opaque. Significant expenditure against AC Bills in March indicates that the drawal was primarily to exhaust the budget provisions and reveals inadequate budgetary planning. Details of AC Bills outstanding as on 31 March 2016 are given below:

<b>Year</b>	<b>Number of pending DC bills</b>	<b>Amount (in crore)</b>
Upto 2013-14	1886	43.76
2014-15	196	12.86
2015-16	575	12.04
<b>Total</b>	<b>2657</b>	<b>68.66</b>

Out of ₹ 15.52 crore drawn against 940 AC Bills in 2015-16, ₹ 8.89 crore was drawn through AC Bills in March 2016 and of this, ₹ 6.16 crore was drawn on the last day of the financial year.

**(iii) Outstanding Utilization Certificates (UCs):**
