Certificate of the Comptroller and Auditor General of India

This compilation containing the Finance Accounts of the Government of Orissa for the year 1971-72 presents the accounts of the receipts and outgoings of the Government for the year, together with the financial results disclosed by the revenue and capital accounts, the accounts of the public debt and the liabilities and assets as worked out from the balances recorded in the accounts. The Appropriation Accounts of the Government for the year for Grants and charged Appropriations, presented separately, supplement this compilation.

These Accounts have been prepared and examined under my direction in accordance with the requirements of Articles 149 and 151 of the Constitution of India and the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. Subject to the observations in this compilation and to those in my Report on the accounts of the Government of Orissa for the year 1971-72, the accounts now presented are correct statement of the receipts and outgoings of the Government of Orissa for the year 1971-72.

29 SEP 1973

NEW DELHI,
The

(A. BAKSI)

Comptroller and Auditor General of India

INTRODUCTORY

The accounts of the Government of Orissa are kept in three parts—

Part I—Consolidated Fund

Part II—Contingency Fund

Part III—Public Account

In Part I, there are three main divisions, namely :—

- (1) Revenue ;
- (2) Capital, and
- (3) Debt (comprising Public Debt, Loans and Advances and Inter-State Settlements).

The first division deals with the proceeds of taxation and other receipts classed as revenue and the expenditure therefrom, the net result of which represents the revenue surplus or deficit for the year. The second division deals with expenditure, met usually from borrowed funds with the object either of increasing concrete assets of a material character or of reducing recurring liabilities such as those for future pensions, by payment of capitalised value. It also includes receipts of a capital nature intended to be applied as set off against capital expenditure.

The third division comprises loans raised by Government, loans of a purely temporary nature classed as "Floating Debt" (such as Treasury Bills and Ways and Means Advances), as well as other loans classed as "Permanent Debt" and "Loans and Advances made by Government" together with repayments of the former and recoveries of the latter. It also includes Inter-State Settlement.

In Part II of the accounts are recorded the transactions connected with Contingency Fund set up by the Government of Orissa, under Article 267(2) of the Constitution of India.

In Part III of the accounts, there are two main divisions, namely :—

- (1) Debt (other than those included in Part I) and deposits; and
- (2) Remittances.

The first division comprises receipts and payments, other than those falling under Debt heads pertaining to Part I, in respect of which Government incurs a liability to repay the moneys received or has a claim to recover the amounts paid together with repayments of the former and recoveries of the latter.

The second division embraces all merely adjusting heads under which appear remittances of cash between treasuries and transfers between different accounting circles. The initial debits or credits to the heads in this division are adjusted eventually by corresponding receipts or payments either within the same circle of account or another account circle.

2. *Sections and Heads of Accounts*--Within each of the divisions mentioned above, the transactions are grouped into sections which are further subdivided into major heads of account. The sections are distinguished by letters of alphabet, a single letter denoting the revenue portion and a double letter denoting the capital portion of a particular category of transactions, e. g., section A denotes the revenue (and expenditure) grouped as "Collection of Taxes, Duties and other principal Heads of Revenue" and Section AA denotes the capital expenditure on works connected therewith.

The major heads in the Revenue and Capital divisions are numbered serially, Roman numerals being employed on the receipts side and International ones on the disbursements side. No numbering is adopted for the Contingency Fund and for Debt, Deposit and Remittance heads, though these are also arranged in sections.

These major heads are sub-divided into minor heads and the minor heads into sub-heads and detailed heads. Under each of these heads, the expenditure is shown distributed between charged and voted. The major, minor and sub-heads prescribed for the classification of expenditure in the general accounts are not necessarily identical with the grants, sub-heads and other units of allotments which are adopted by the Finance Department for Demands for Grants but in general a certain degree of correlation is maintained between the Demands for Grants and the Finance Accounts.

3. *System of Accounts*--The transactions included in these accounts represent mainly the actual cash receipts and disbursements during the financial year ending with 31st March 1972 as distinguished from the amounts due to or from Government during the same period. The cash basis system is, however, not entirely suitable for recording the transactions and for presenting the true state of affairs of Government commercial undertakings run on commercial principles. The detailed accounts of this class of undertakings are, therefore, maintained outside the regular accounts in commercial form and are subject to test check by the Indian Audit and Accounts Department.

The figures of actuals shown in these accounts are net, after taking into account the recoveries, although the Demands presented to the State Legislature and the Appropriation Accounts are for gross expenditure and exclude all credits and recoveries which are otherwise taken as reduction of expenditure.

(a) Minus expenditure was under Talcher Thermal Scheme and was due to credits to the scheme being more than the expenditure during the year.

(b) Rupees 30,80.48 lakhs excluded *pro forma* consequent on transfer of capital expenditure incurred by Government on Talcher Thermal Scheme up to 1971-72 to the Orissa State Electricity Board and treated as loan (see also note (e) at page 28).

(c) The minus figure was due to receipts from sale of foodgrains, etc. being more than the amount paid for purchase, etc. of foodgrains.

(d) The difference of Rs. 0.01 lakh with corresponding figure in 1970-71 is due to rounding.

Explanatory Notes

1. *Capital Outlay on Industrial and Economic Development*—The details of Government investments in (i) statutory corporations, (ii) Government companies, (iii) joint stock companies and (iv) co-operative institutions are given in statement no. 14.

Ten companies in which Government had invested Rs. 10.70 lakhs are under liquidation. Eight other companies in which Government had invested Rs. 15.66 lakhs have been liquidated. Some co-operative societies are also under liquidation; complete information about realisation or write off of Government investment in those companies/societies is awaited (October 1972).

In 1971-72 Government invested Rs. 3.71 crores in shares of statutory corporations (Rs. 0.01 crore), Government companies (Rs. 1.27 crores), joint stock companies (Rs. 0.05 crore) and co-operative institutions (Rs. 2.36 crores). In addition Rs. 0.59 crore were invested in debentures of the Orissa Co-operative Land Development Bank.

The total investment of Government in the share capital and debentures of different concerns at the end of 1969-70, 1970-71 and 1971-72 were Rs. 35.77 crores, Rs. 41.11 crores and Rs. 45.40 crores respectively. Dividend and interest received therefrom was Rs. 14.31 lakhs (0.40 per cent), Rs. 10.24 lakhs (0.25 per cent) and Rs. 11.41 lakhs (0.25 per cent) respectively. Further details are given in Appendix I.

2. *Capital Outlay on Multipurpose River Schemes*—Of the multipurpose river schemes Hirakud Dam Project (Stages I and II) has been completed. The capital invested thereon up to 1971-72 (excluding indirect charges) was Rs. 69.38 crores. The loss on its working during the year was Rs. 3.18 crores after providing interest charges (Rs. 2.37 crores) on capital outlay. Detailed account showing the financial results of these projects and other irrigation works is given in statement no. 3(i).

3. *Capital Outlay on Electricity Schemes*—With the formation of the State Electricity Board from 1st March 1961, all completed transmission and distribution systems and generating assets of Hirakud system and Talcher thermal scheme have been transferred to the State Electricity Board. Allocation of the Capital Outlay between the Orissa Electricity Board and Government has not been finalised. Capital expenditure of Rs. 65.50 crores was transferred to the Board in 1964-65 (Rs. 16.72 crores), 1966-67 (Rs. 0.73 crore), 1969-70 (Rs. 17.24 crores) and 1970-71 (Rs. 30.81 crores) and has been treated as loan to it.

4. *Pro forma* accounts for 1971-72/1971 of departmentally managed undertakings, the expenditure on which is shown in the table below have not yet been prepared (October 1972). Preparation of *pro forma* accounts of some of the departmental undertakings has been delayed by one year to seven years.

A summary of the financial results of the working of the departmentally managed Government undertakings as disclosed in the latest available *pro forma* accounts is given below :—

Explanatory Notes

1. 94—*Capital Outlay on Improvement of Public Health—Grants for municipal water-supply and drainage schemes*—According to the orders of Government, two-thirds of the expenditure on local bodies' urban water-supply and drainage schemes are grants to be temporarily capitalised and written back to revenue (under major head "30—Public Health") in twelve years beginning from 1960-61. The remaining one-third is to be treated as loan to the local bodies. Out of Rs. 6,30.37 lakhs temporarily capitalised up to 1971-72, Rs. 1,77.64 lakhs have been written back to Revenue and Rs. 35.52 lakhs treated as loan to local bodies.

2. (i) *Hirakud Dam Project—Stage-I*—From 1948-49 up to the completion of the project in 1959-60 interest charges on the loans obtained from Government of India for construction of the project were paid by debit to capital. The revenue account of the project was opened from the 1st April 1960. It was decided by Government (August 1965) that as no revenue surplus has been derived from the project and as there is also no hope of getting any revenue surplus from the project, the capitalised interest may not be written back to revenue.

(ii) *Hirakud Subsidiary Power house project, Stage II*—Interest charged to capital for this project represents interest allocated to works pertaining to Stage II of the project before it was taken up as an independent project. The revenue account of this project was opened from April 1964. It was decided by Government (August 1965) that as there is no hope of getting any surplus revenue from the project, the capitalised interest may not be written back to revenue.

3. *Delta Irrigation Scheme*—Interest charged to capital represents interest allocated to works undertaken which now form part of Delta Irrigation Scheme when it was taken up as part of Hirakud Dam Project. The revenue account of this scheme was opened from April 1966.

4. 103—*Capital Outlay on Public Works—Grants to municipalities and notified area committees for improvement of roads*—According to the orders of Government (January 1970), the expenditure on local bodies' road development programme is treated as grant to be temporarily capitalised and written back to revenue (under major head "50—Public Works") in twelve years beginning from 1960-61. Rupees 36.20 lakhs have been written back to revenue as against Rs. 66.01 lakhs capitalised up to 1971-72.

5. 109—*Capital Outlay on other works*—According to the orders of Government (December 1965) the total capitalised expenditure of Rs. 42.06 lakhs on grants-in-aid is to be written back to revenue over a period of twelve years from 1966-67. Of that Rs. 30.00 lakhs have been written back to revenue up to 1971-72.

Explanatory Notes

1. Financial results of minor irrigation schemes have not been shown in this statement.
2. The net loss expressed as a percentage of capital outlay to end of 1971-72 is 5.29. The irrigation projects which have been declared as commercial undertakings are mentioned above and nine other major and medium irrigation projects are under execution.

3. *Collection of water rates*—According to the rules framed by Government in November 1961 for assessment and realisation of water rates, they are now being assessed and collected by the revenue authorities, gross collections being accounted for under the major head "IX—Land Revenue". The question of prescribing a procedure for transferring the net collections to the irrigation major heads and allocation of the revenue collected to the individual schemes opened to service was taken up with Government in 1968. Final decision of Government is awaited.

4. *Non-assessment of betterment levy and water charges*—Betterment charges have not been levied on the lands irrigated by the canals of the irrigation schemes as no legislation for its levy has yet been enacted.

5. *Productive and un-productive works* —Works in Irrigation department are classified as "Productive" or "Unproductive" according as the net revenue (gross revenue less working expenses) derived from each work on the expiry of ten years from the closure of construction estimate covers or does not cover the prescribed annual interest charges on the capital invested.

The productivity test involves certain *pro forma* adjustments which do not appear in the regular Government accounts. If a work classed as "Productive" fails to yield the prescribed return for three successive years, it is classified as "Unproductive" class. Similarly, if a work classed as "Unproductive" yields for three successive years the prescribed return, it is transferred to "Productive" class. The prescribed return is 4 per cent on power and 3 per cent on irrigation for Hirakud Dam Project Stage-I, 4 per cent for Orissa canal Project and Rushikulya System, 4.5 per cent for Dhanai Irrigation Project, Salki Irrigation Project, Darjang Irrigation Project, Budha Budhiani Irrigation Project and 3.75 per cent for Delta Irrigation Scheme.

No separate rates have been fixed for Hirakud Dam Project, Stage-II, Bahuda Irrigation project and Hiradharbati Irrigation Project.

Stages I and II of Hirakud Dam Project have been classified as "Productive" from 1964-65. The delta irrigation scheme has been classified as "Productive" from 1966-67. The other major and medium irrigation schemes have been classed as "unproductive",

3(ii) FINANCIAL RESULTS OF ELECTRICITY SCHEMES

Government had undertaken the Machkund Hydro-Electric (Joint) Scheme in 1944 jointly with Government of Andhra Pradesh with equal rights. Subsequently it was decided that Government of Orissa should transfer 20 per cent of its rights to Government of Andhra Pradesh for 99 years in lieu of which the latter should pay compensation to the former according to the terms and conditions agreed upon between the two Governments. During the construction period, Orissa and Andhra Pradesh are to bear 30 per cent and 70 per cent respectively of the capital expenditure. The capital invested by Government of Orissa to end of 1958-59 was Rs. 4,62.64 lakhs. Debits raised by Government of Andhra Pradesh for Rs. 73.47 lakhs representing Orissa's share (30 per cent) of the capital expenditure during 1959-60 to 1971-72 have not been accepted by Government of Orissa.

With the formation of the Orissa State Electricity Board from March 1961, all completed transmission and distribution systems and generating assets of Hirakud system and Talcher Thermal Scheme have been transferred to the Board. Government has retained under it the Machkund Hydro-Electric (Joint) Scheme.

The actual receipts from sale of power and miscellaneous revenue of the Machkund Hydro-Electric (Joint) Scheme were Rs. 50.74 lakhs in 1971-72 against working expenses of Rs. 44.54 lakhs (exclusive of interest charges on capital provided by Government). Gross receipts from the scheme and the working expenses exclusive of interest on capital to end of 1971-72 were Rs. 5,76.03 lakhs and Rs. 3,11.58 lakhs respectively.

No law under Article 293 of the Constitution has been passed by the Legislature of the State laying down the limit within which Government may borrow on the security of the Consolidated Fund of the State.

Further details of debt and other interest bearing obligations are given in Statement no. 17.

(a) Excludes Rs. 0.12 crore received on account of Orissa Government Loans raised during 1971-72 and earlier years lying under "T—Deposits and Advances—Civil Deposits" pending transfer to this head on issue of scrips.

Explanatory Notes

(1) *Total Debt*—The total indebtedness of the State Government increased by Rs. 48.94 crores during 1971-72 to Rs. 533.88 crores.

The total repayment of debt during the year was Rs. 42.77 crores. Of that Rs. 0.65 crore repaid to the Reserve Bank of India, National Co-operative Development Corporation and Life Insurance Corporation of India were charged to revenue.

(2) *Permanent Debt*—These are long-term loans raised from the open market. During the year Government raised a loan of Rs. 7.76 crores. This bears 5 3/4 per cent interest and is repayable at par in 1983. Out of Rs. 7.76 crores realised, Rs. 6.01 crores were realised in cash and the remaining amount by conversion of 4 per cent Orissa Government Loan 1971. Rupees 0.12 crore of that received as subscription to the loans raised during 1971-72 and the earlier years were lying under "T—Deposits and Advances—Civil Deposits" at the end of 1971-72. These would be transferred to the loan heads on issue of scrips.

Repayment of Rs. 2.79 crores represents discharge of expired loans to the extent tendered for discharge during the year.

Full particulars of outstanding loans of Rs. 70.21 crores under this head will be found in statement no. 17.

Arrangements for amortisation—In accordance with the notifications for the open market loans raised by the Government, the following provisions for amortisation of each loan are to be made annually beginning with the financial year immediately following that in which the loan was raised—

(a) *Depreciation Fund*—A sum equal to 1½ per cent of total nominal amount of loans raised up to 1970-71 is to be set apart annually to form a depreciation fund for purchasing the securities of the loans for cancellation. A sum at the same rate is to be set apart to the depreciation fund, if necessary, for purchasing securities of the loan raised during 1971-72 in the event of any depreciation in the prices of the loan.

(b) *Sinking Fund*—In addition to the annual contributions to the respective depreciation funds, an annual contribution is made to the sinking fund for amortisation of the loans at such rates as Government may decide from time to time.

The balances in the two funds at the commencement and at the end of 1971-72 are given below:—

	Balance on 1st April 1971	Addi- tions during the year	With- drawals during the year	Balance on 31st March 1972
1	2	3	4	5
(In lakhs of rupees)				
Depreciation Fund ..	3,78.58	81.46	51.65	4,08.39
Sinking Fund ..	29,91.66	4,62.62	3,60.90	30,93.38
Total ..	33,70.24	5,44.08	4,12.55	35,01.77

Rupees 13,68.82 lakhs out of the total balance in the funds have been invested in securities. Of that Rs. 4,17.48 lakhs have been invested in securities of Government of India, Rs. 5,63.26 lakhs in securities of other States and Rs. 3,88.08 lakhs in debentures and bonds of Orissa Co-operative Land Development Bank, Electricity Boards of Orissa and other States and Ahmedabad Municipal Corporation.

The withdrawal of Rs. 4,12.55 lakhs from the funds during the year represents amount transferred from the sinking fund of Orissa Government Loan 1971 to Miscellaneous Government Account on maturity of the loan.

The annexure to statement no. 19 shows further particulars of depreciation funds, contributions from the State revenues to sinking fund and investments out of accumulations in the sinking fund of the respective loans.

(3) *Floating Debt*—The balance of Rs. 1.88 crores on the 1st April 1971 represented ways and means advances from Reserve Bank which were repaid between 5th and 7th April 1971.

Ways and means advances of Rs. 6.12 crores were availed of by Government from the Reserve Bank of India during 1971-72 of which advance of Rs. 0.82 crore which was availed on 1st April 1971 was repaid on 5th April 1971. Advances of Rs. 5.30 crores availed on 30th March 1972 remained outstanding at the end of 1971-72.

Overdrafts of Rs. 8.34 crores were availed of by Government during 1971-72 of which Rs. 6.54 crores availed in April 1971 were repaid during the same month and Rs. 1.80 crores availed in March 1972 remained outstanding at the end of 1971-72.

(4) *Loans from Government of India*—A statement of loans taken by the State Government is given in statement no. 17.

Government has made the following amortisation arrangements for repayment of loans taken from Government of India as its share out of market borrowings in 1963 (in lieu of open market loans 1975) and for industrial housing scheme.

Share out of open market borrowings in 1983:—A contribution is made to the sinking fund for amortisation of the loan (repayable in 1975) at such rate as Government may decide from time to time. No contributions were made to the sinking fund up to 1968-69. Rupees 1,16.14 lakhs were contributed from revenues to the sinking fund during 1971-72. The balance in the fund at the end of 1971-72 was Rs. 3,48.43 lakhs.

Industrial Housing Scheme—An amount equivalent to the actual recoveries made from the industrialists is transferred to a sinking fund. The balance in the fund at the end of 1971-72 was Rs. 16.21 lakhs. Of that Rs. 9.69 lakhs were invested in the securities of Government of India.

The annexure to statement no. 19 shows further particulars of contributions from State revenues to the sinking fund and investment out of accumulations in the sinking fund.

Rehabilitation loans—The revised terms decided by Government of India in August 1959 for repayment of relief and rehabilitation loans have been accepted by the State Government. Rupees 87.15 lakhs and Rs. 29.53 lakhs on account of principal and interest respectively were due for payment on 31st March 1972 according to these terms and conditions. The State Government is, however, paying to Government of India only the sums actually realised from the displaced persons. No amount was repaid to Government of India during 1971-72 as no recoveries were made from the displaced persons.

In June 1964 Government of India decided that the State Government should be absolved of the responsibility for sharing any portion of losses on loans granted to displaced persons from East Pakistan prior to 31st March 1964 (other than those granted to displaced persons migrating after 31st December 1963). Rupees 2.62 lakhs so far worked out by the State Government as loss on a portion of the loan have been remitted during 1971-72; such remissions to the end of 1971-72 were Rs. 16.86 lakhs.

For loans for rehabilitation of repatriates from Burma, according to the terms decided by Government of India, Rs. 5.54 lakhs towards principal and Rs. 4.44 lakhs towards interest were due for payment on 31st March 1972. State Government, however, decided to pay only the sums realised from the Burma repatriates; no amount was repaid to Government of India during 1971-72. Rupees 4.60 crores were received by Government during 1971-72 as ways and means advances for Centrally sponsored schemes; of these Rs. 4.01 crores were adjusted as grants and Rs. 0.59 crore were converted as loans during the year.

Rupees 20.21 crores were received from Government of India in October 1971 (Rs. 8.00 crores), February 1972 (Rs. 5.00 crores) and March 1972 (Rs. 7.21 crores) as loans to meet the gap in resources during 1971-72.

Rupees 22.22 crores were received from Government of India as loans during 1971-72 for State Plan schemes.

(5) *Other Loans*—Particulars of outstanding loans will be found in statement no. 17.

Government has also made amortisation arrangements for repayment of loans taken from Life Insurance Corporation of India for housing schemes. Rupees 7.24 lakhs were contributed from revenue to the sinking fund during 1971-72. The balance in the fund at the end of 1971-72 was Rs. 41.04 lakhs.

(6) *Unfunded Debt*—This comprises the provident fund balances of Government servants.

(ii) Other obligations

In addition to the borrowings mentioned above the balances at the credit of earmarked and other funds as also certain deposits, to the extent to which they have not been invested but are merged with general balance of Government also constitute liability of State Government. The amount of such liability at the end of 1971-72 was Rs. 57.93 crores as below; further details are given in statements no. 16 and 19.

No law under Article 293 of the Constitution has been passed by the State Legislature laying down the limits within which Government may give guarantees on the security of the Consolidated Fund of the State.

Government guaranteed repayment of loans, etc., raised by various institutions and in consideration thereof they were to pay to Government guarantee commission at rates varying from $\frac{1}{4}$ per cent to $1\frac{1}{2}$ per cent of the outstanding guarantee. Some institutions defaulted in payment of guarantee commission. The extent of such default, according to information furnished by departmental officers, has been mentioned in col. 4 of the detailed statement below. It will be seen that Rs. 25.57 lakhs were outstanding from these bodies towards guarantee commission.

In order to fulfil the guarantee for payment of minimum dividend on the capital of the Orissa State Financial Corporation, Government paid Rs. 1.35 lakhs during 1971-72; Rs. 14.87 lakhs have been paid up to March 1972 (since the Corporation was set up in 1957-58).

Government also paid Rs. 7.05 lakhs during 1971-72 in discharge of guarantee obligation for Konarak Ceramics (Private) Ltd., two industrial co-operatives, two Government companies and a private party.

Explanatory Notes

Under an agreement with the Reserve Bank of India, State Government has to maintain with the Bank a minimum balance of Rs. 30 lakhs on all working days from 1st March 1967. The Bank informs Government of its daily balance with the Bank at the close of each working day. If the balance falls below the agreed minimum on any day the deficiency is made good either by taking a ways and means advance from the Reserve Bank or by selling treasury bills.

Ways and means advances are granted by the Bank only up to a limit mutually agreed upon between the Bank and Government. During 1971-72 the limits were Rs. 0.90 crore for normal and Rs. 4.40 crores for special ways and means advances.

Ways and means advances of Rs. 6.12 crores were obtained from the Reserve Bank during 1971-72. Rupees 1.88 crores were outstanding at the end of the previous year. Rupees 2.70 crores were repaid during 1971-72 leaving a balance of Rs. 5.30 crores at the end of 1971-72. Interest paid on the advances during the year was Rs. 0.20 lakh.

If even after the maximum advance is given the cash balance is below the minimum, the deficiency is left uncovered but the Bank charges interest on such overdrafts. Government availed in all overdrafts, of Rs. 8.34 crores during 1971-72; of this, Rs. 6.54 crores were repaid during the year leaving a balance of Rs. 1.80 crores at the end of the year. Government paid Rs. 0.32 lakh as interest on the overdrafts during the year.

Treasury bills of Rs. 102.15 crores were also rediscounted on various dates during 1971-72 to make up deficiency in the cash balance.

2. The cash balance with the Reserve Bank (*minus* Rs. 6,36.42 lakhs) as shown in Government account represents the balance after taking into account inter-governmental monetary settlements pertaining to 1971-72 advised to the Reserve Bank up to 25th April 1972,

3. The following is an analysis of the investment held in the Cash Balance Investment Account on 31st March 1972 :—

Explanatory Notes

The significance of the term 'Government Account' is explained in note 3 below. The other headings in the summary take into account the balances in Government books where Government has a liability to repay the moneys received or has a claim to recover the amount paid and also heads of account opened in the books for adjustment of remittance transactions. It must be understood that these balances cannot be regarded as complete record of the financial position of the Government of Orissa as these do not take into account the physical assets of the State such as lands, buildings, communications, etc., nor any accrued dues or outstanding liabilities which are not brought to account under the cash basis of accounting followed by Government.

(2) A summary of receipts, disbursements and balances under debt, deposits remittances and the Contingency Fund is given in statement no. 16.

In a number of cases there are unreconciled differences in the closing balance as reported in statement no. 16 and that shown in the separate registers or other records maintained in the Accounts Office/departmental offices for the purpose. Steps are being taken to settle the discrepancies as soon as possible. In many cases the full details and documents required for the purpose are awaited from the departmental/Treasury Officers, some cases are detailed in Appendix II.

The balances are communicated to departmental officers every year for acceptance thereof. In a large number of cases such acceptances have not been received.

The following are instances where verification and acceptance of balances of large amounts have been delayed. In many cases the delay extends over several years :
