Notes and Comments—

(i) The expenditure exceeded the voted grant by Rs. 6,96,931 which requires to be regularised.

Additional funds provided by supplementary grant and reappropriation between December 1967 and March 1968 proved inadequate; more funds were not provided by Government due to financial stringency.

(a) non-sanction of fresh grants to panchayat samitis owing to non-receipt of utilisation certificates in respect of grants disbursed in previous year (Rs. 7.78 lakhs);

The total saving of Rs. 13.21 lakhs (41 per cent of the provision) was explained as mainly due to less release of land by Dandakaranya Authority (Rs. 6.99 lakhs) for settlement of adibasis; vacancies (Rs. 3.94 lakhs); closure of operations for settlement of adibasis on land (Rs. 1.10 lakhs); ban imposed by Government on expenditure on contingencies in February 1968 owing to difficult ways and means position (Rs. 0.69 lakhs); and curtailment of expenditure as a measure of economy (Rs. 0.56 lakh).

Saving ranging from 23 to 50 per cent (Rs. 8.27 lakhs to Rs. 19.47 lakhs) in the provision occurred in the preceding four years also.

The cost of rehabilitation of tribals on lands reclaimed by Dandakaranya Development Authority initially met out of the Consolidated Fund of the State is reimbursed by that Authority. Out of Rs. 38.28 lakhs recoverable from that Authority for settling 1,836 families during 1960-61 to 1965-66, Rs. 34.18 lakhs were recovered during February 1964 and March 1968. The balance still remains to be recovered. Information about expenditure incurred and the area of land reclaimed by Dandakaranya Development Authority and utilised during 1966-67 and 1967-68 is awaited from Government. According to provision made in the budget estimates, Rs. 14.00 lakhs each for 1966-67 and 1967-68 are recoverable from the Dandakaranya Development Authority; no part of this amount has been recovered so far.

(3) In the following ^{three} two group-heads, Rs. 24.31 lakhs remained unutilised. Non-utilisation was explained as mainly due to post-budget reduction of plan expenditure and ban on expenditure imposed by Government in February 1968 owing to difficult ways and means position.

Out of the total saving of Rs. 71.01 lakhs, saving of Rs. 34.88 lakhs was explained as due to ban on purchase of stores imposed by Government in February 1968 owing to difficult ways and means position. Reasons for the balance saving of Rs. 36.13 lakhs have not been intimated by the controlling officer.

(iv) In the following group-head, the provision was reduced by Rs. 2.19 lakhs by surrender of funds on 25th March 1968 anticipating reduced expenditure mainly on account of late and non-appointment of staff. The expenditure, however, exceeded the reduced provision by Rs. 4.62 lakhs. The reasons for the excess expenditure have not been intimated by the controlling officer.

* Represents token supplementary grant of Rs. 100.

(v) *Pro rata distribution of establishment and tools and plant charges of irrigation branch of Public Works Department and Hirakud Dam Project for 1967-68*—From 1967-68 a system of fixed percentage charges on account of establishment and tools and plant among different wings of Public Works Department was introduced in lieu of the previous practice of *pro rata* distribution of establishment and tools and plant charges. The cost of establishment mainly engaged for major irrigation projects is directly charged to the projects. For medium irrigation projects, etc., establishment charges at the rate of 6 per cent and tools and plant charges at the rate of 3 per cent are adjusted every month by the divisions and included in the monthly accounts by debit to the heads concerned and credit to "Demand No. 24—44—Irrigation, etc".

For Hirakud dam project establishment charges at the rate of 17.25 per cent and tools and plant charges at the rate of 3.5 per cent are adjusted every month by the divisions under Hirakud Organisation and included in the monthly accounts by debiting "98—Capital Outlay, etc.—Hirakud Dam Project—Stage I and II, and credit to "Demand No. 24—42—Multipurpose River Schemes, etc".

(vi) *Suspense transactions of the Public Works Department*—The expenditure under the grant includes Rs. 70.88 lakhs booked under the minor head "Suspense".

The minor head "Suspense" is not a final head of account. It is meant to accommodate certain interim transactions in respect of which further payments or adjustments of value are necessary before the transactions can be considered complete and finally accounted for; such transactions embrace both debits and credits. The demand for grants excludes the credit (gross) and is for the gross debits.

During the year under report the operations under this minor head occurred under four of the five prescribed sub-heads, viz., (a) Purchases, (b) Stock, (c) Miscellaneous Public Works Advances and (d) Workshop suspense. The main transactions under each of these four sub-heads are explained below :—

(a) *Purchases*—When materials are received from a supplier, another division or department for specific work or stock, the value of materials is credited to "Purchases" and the cost debited to work or stock as the case may be. When payment is made the head "Purchases" is debited. The head "Purchases" thus shows a credit (negative) balance representing the value of stores received but not paid for.

(b) *Stock*—This head is debited with the value of materials received for stock purpose. It is credited with the value of materials issued to works or transferred to another division or sold. A debit balance represents the value of materials in stock.

(c) *Miscellaneous public works advances*—The debits represent (1) the value of stores sold on credit (2) the expenditure incurred on deposit works in excess of deposits received (3) the loss of cash or stores and (4) sums recoverable from Government servants, etc. The debit balance under the head represents thus recoverable amount.

(d) *Workshop suspense*—The charges in respect of jobs executed or other operations in the Public Works Department Workshops are initially debited to this head pending their recovery or adjustment. The transactions under this head are given in item (a) (1) and (4) and (b) below.

Suspense transactions of the public works department—A summary of the transactions accounted for under the minor head "Suspense" together with the opening and closing balances for 1967-68 is given below—

The fund is created by contribution from the revenue of the scheme to provide a reserve for meeting the cost of renewal and replacement of wasting assets.

The balances at the end of 1967-68 at the credit of the Depreciation Reserve fund of stage I and stage II of the project were Rs. 2·38·57 lakhs and Rs. 50·74 lakhs respectively.

Notes and Comments—

(i) Expenditure in the voted grant exceeded the total provision by Rs. 24,71,605 which requires to be regularised.

(ii) The department obtained supplementary grants in December 1967 (Rs. 1,06.71 lakhs) and March 1968 (Rs. 2.13 lakhs); the expenditure, however, exceeded the original plus supplementary provision by Rs. 24.72 lakhs. While the supplementary grant obtained proved insufficient, Rs. 55.09 lakhs were surrendered between 25th—31st March 1968.

(iii) The excess in the grant was the net result of excesses under a number of group-heads partly offset by saving under others. Group-heads in which variations were substantial are indicated in notes (iv) and (v) below.

(iv) In the following group-heads, expenditure in excess of the provision remained uncovered.

From this fund subventions are made to States for expenditure on schemes of road development approved by the Central Government; the amount received as subvention is credited as grants received from the Central Government and an equivalent amount is transferred to a deposit account (subventions from Central Road Fund) by debit to "50—Public Works—Transfer of grants for road development" under this grant.

The actual expenditure on the schemes approved by the Central Government is also initially booked under this grant and subsequently transferred to the deposit account before the close of the accounts of the year. Subvention of Rs. 9.70 lakhs was received during 1967-68; an expenditure of Rs. 9.62 lakhs was incurred during the year.

The balance at the credit of the fund as on 31st March 1968 was Rs. 19.69 lakhs; an account of the fund for 1967-68 is given in statement no. 16 of Finance Accounts, 1967-68.

- (i) seizure of some equipment by Pakistan during the hostilities in 1965;
- (ii) delay in completion of boilers, power piping system and coal conveyor system by the contractors;
- (iii) non-completion of water treatment plant mainly due to delay in release of foreign exchange and establishing letter of credit for the imported components; and

C. 2—Road Transport—Working expenses—Operation—Deprecia- tion Reserve Fund—			
O. .. 52.00	29.24	29.24	..

The saving was explained as due to less amount of depreciation transferred to the Depreciation Reserve Fund due to less number of additional buses put on the roads due to their non-receipt.

Saving of Rs. 13.27 lakhs occurred under this group-head for similar reasons during 1966-67 also.

(iii) Depreciation and other Reserve Funds of Government commercial Undertakings—State Transport Service—

- (a) Depreciation Reserve Fund

The expenditure in the grant includes Rs. 24.45 lakhs transferred to and Rs. 7.13 lakhs met from these three Reserve Funds.

These funds created out of revenues of the State Transport Service are intended to provide reserves sufficient (1) to meet the cost of renewals and replacements, (2) to cover third party risks arising on account of accident, fire or other calamities consequent upon or incidental to the operation of passenger buses and (3) to provide amenities to the public and the employees of the State Transport Service and to give incentives to the staff for increasing the efficiency of the State Transport Service.

The expenditure is in the first instance booked under "Grant No. 30-Transport Schemes" and subsequently transferred to the funds before close of the accounts of the year. The expenditure incurred and the balances at the credit of the funds at the end of 1967-68 are shown below.

The fund is credited with (i) contributions from the Consolidated Fund of the State against the provision made in this grant (Grant No. 33), (ii) Grants from the Central Government and (iii) receipts from other sources.

Expenditure from the fund is initially accounted for under "34—Co-operation" and then transferred to the fund before the close of the accounts for the year. During 1967-68, no expenditure was incurred out of the fund. The balance at the credit of the fund on 31st March 1968 was Rs. 11.24 lakhs.

The expenditure on the scheme is recorded initially against provision made under this grant (Grant No. 33), and before the close of the accounts of the year an amount equivalent to the share of expenditure to be met from the grants is transferred to the deposit head.

The expenditure in the grant includes Rs. 2.18 lakhs which was met from the deposit account during 1967-68. The balance at the credit of the deposit account as at 31st March 1968 was Rs. 11.90 lakhs.

- non-sanction of certain schemes (Rs. 12.26 lakhs);

- (e) less demand by cultivators under demonstration of varieties of seeds and consequent less subsidy (Rs. 8.76 lakhs);
- (f) less requirement on account of reduction in rate of subsidy for pesticides in the scheme "high yielding variety of food grains" (Rs. 5.81 lakhs);
- (g) stoppage of production in horticultural section (plan) on account of accumulation of finished product due to its non-release to market owing to non-fixation of selling rate by Government (Rs. 2.63 lakhs);
- (h) non-implementation of the scheme "horticultural section (non-plan)" as the area of operation has not been settled (Rs. 2.12 lakhs).

The reasons for the final saving of Rs. 34.44 lakhs have not been intimated by the controlling officer.

Amount surrendered during the year (March 1968)			9,19,000

Notes and Comments—

(i) The Department obtained a supplementary grant of Rs. 6.04 lakhs in March 1968. The expenditure, however, did not come upto the original provision; the supplementary grant could have been reduced to token amounts, where necessary.

(ii) In the group-heads indicated below, provision remained unutilised wholly or to a substantial extent—

Group-head	Total grant	Actual expenditure	Saving—
	(In lakhs of rupees)		
(1) D—Scheme for the improvement of Agricultural Marketing in India—(Plan—Central Sector)			
O. .. 11.28	} 3.76	2.71	-1.05
R. .. -7.52			

The total saving of Rs. 8.57 lakhs (76 per cent of the provision) was explained as mainly due to non-sanction of some posts.

A saving of Rs. 2.97 lakhs occurred under this group-head during 1966-67 also.

(2) F. 1—Petty Establishment—Enforcement of food-grains licensing orders—(Plan-Central Sector)			
O. .. 8.21	} 8.90	..	-8.90
S. .. 1.34			
R. .. -0.65			

The non-utilisation of the entire provision was explained as due to non-receipt of central assistance.

(iii) Under the following group-head the department obtained a supplementary provision in March 1968. The expenditure, however, far exceeded the original plus supplementary provision and the excess remained uncovered.

Group-head	Total grant	Actual expenditure	Excess +

O. .. 39.30	43.76	51.94	+ 8.18
S. .. 4.70			
R. .. -0.24			

The excess was explained as due to accommodating the expenditure on enforcement of food-grains licensing orders under this group-head (c. f. sl. no. (2) above) consequent on non-receipt of central assistance and treating it as non-plan expenditure.

<i>Amount surrendered during the year (March 1968)</i>			13,87,800

Notes and Comments—

(i) Only Rs. 13.88 lakhs out of the total saving of Rs. 64.27 lakhs were surrendered and that too on 31st March 1968.

(ii) The supplementary appropriation of Rs. 23.36 lakhs obtained in March 1968 proved wholly unnecessary.

(iii) The saving occurred mainly under the following group-heads:—

(1) In the group-heads mentioned below, Rs. 12.12 lakhs out of a total provision of Rs. 49.74 lakhs for payment of interest on open market loans remained unutilised (the reasons for non-utilisation of funds have not been intimated by the controlling officer):—

Interest on market loans floated during 1967-68 was originally provided under this group-head. Group-head 'A-11' was later opened to record interest payable on 5¾ per cent "Orissa Government Loan 1979" to which funds (Rs. 12.62 lakhs) were reappropriated from group-head "A.10" and the balance was mainly surrendered.

O. .. 14.00	11.97	11.97	..
R. .. -2.03			

The reduction of provision was explained as due to less payment of interest to State Bank on account of less cash credit availed of and repayment of the entire cash credit during the course of the year.

(3) In the following group-heads, saving of Rs. 7.51 lakhs in the original provision was explained as due to less payment of interest as provision was made on *ad hoc* basis in the original budget for readjustment of actual requirement on calculation at the end of the year.

(a) M—Interest paid to the Central Government—

M.3—Interest on Hirakud Loans (Stage-II)—

(4) The entire provision of Rs. 48.20 lakhs under the following group-head remained unutilised and was explained as due to non-receipt of terms and conditions from the Government of India:—

M.8—Interest paid to the Central Government—

Interest on Ways and means advance—

O. .. 42.98	48.20	..	-48.20

(5) In the following group-head, the net saving of Rs. 7.00 lakhs (78 per cent of the provision) was mainly attributed to less payment of interest consequent on less payment of compensation due to imposition of ban by Government during February 1968 owing to paucity of funds.

Savings of 37 per cent (Rs. 2.61 lakhs) and 53 per cent (Rs. 4.78 lakhs) of the provision occurred under this group-head during 1965-66 and 1966-67 also.

Notes and Comments—

(i) The expenditure under the appropriation represents annual contribution to the Sinking Funds/Depreciation Funds for market loans raised by the State Government as also repayment of certain loans taken from the Reserve Bank of India, Life Insurance Corporation of India and National Co-operative Development Corporation; the details are given below:—

(1) *Sinking Funds*—During 1967-68 Rs. 4,84.16 lakhs were transferred from revenue to sinking funds for amortisation of loans and Rs. 77.34 lakhs to depreciation funds.

An account of the transactions of the Sinking Funds for 1967-68 is given in the annexure to statement no. 19 of Finance Accounts, 1967-68.

(2) *Other Appropriations*—Rs. 33.67 lakhs, equal to repayment of loans taken from autonomous bodies such as Reserve Bank of India, Life Insurance Corporation of India and National Co-operative Development Corporation of India were charged to the revenue account.

(ii) In the following group-head, the original provision was augmented by a supplementary appropriation obtained in March 1968 but the entire provision remained unutilised as no contribution was made to the Sinking Fund for repayment of loans from the Life Insurance Corporation received during 1966-67. The reasons therefor have not been intimated by the controlling officer.

Notes and Comments—

(i) An expenditure of Rs. 1,23,063 was incurred under the grant without any budget provision; the excess requires to be regularised.

The excess in the grant occurred consecutively for the 6th year in succession (2nd consecutive year without any budget provision).

(ii) The excess occurred mainly under the group-head Community Development Projects—Central Stores—Suspense—Debit (Rs. 1.19 lakhs).

This group-head accommodates the debits in the personal ledger accounts opened for Community Development Projects. Orders were issued as early as August 1961 to close the personal ledger accounts and to refund the advance sanctioned at the time of opening these accounts; still seventy Block Development Officers have not closed the accounts. Budget provision is required to be made for accommodating debits on account of withdrawal of amount from the accounts for refunding the advance.

Five Block Development Officers drew Rs. 1.19 lakhs mainly in October 1967 and March 1968. The reasons for not making necessary provision of funds have not been intimated by the department.

(iii) *Central Stores—Suspense*—A summary of the personal ledger accounts of the Block Development Officers for 1967-68 is given below :—

Supplementary	1,68,03,000		
Amount surrendered during the year (31st March 1968)			1,48,17,000

Notes and Comments—

(i) The expenditure under this grant includes Rs. 2,00.00 lakhs transferred on 12th May 1967 from the Consolidated Fund of the State to the Contingency Fund.

The corpus of the Orissa Contingency Fund (constituted by an ordinance promulgated by the Governor on 28th February 1967 repealing the Orissa Contingency Fund Act, 1950) at the commencement of 1967-68 was Rs. 6 crores. The ordinance remained in force till 3rd May 1967 when it lapsed. There was thus no Contingency Fund for the State from 4th to 12th May 1967 when another ordinance was promulgated followed by the Orissa Contingency Fund Act, 1967 (enacted by the Legislature and assented to by the Governor on 27th July 1967) establishing the Contingency Fund of Orissa with a corpus of Rs. 2 crores; this sum was transferred from the Consolidated Fund to the Contingency Fund on 12th May 1967.

(ii) The department obtained supplementary grants of Rs. 1,68.03 lakhs on 26th December 1967 (Rs. 1,17.35 lakhs) and 9th March 1968 (Rs. 50.68 lakhs). The expenditure, however, did not come up even to the original provision.

(iii) Out of the saving of Rs. 1,70.70 lakhs (23 per cent of the total provision), Rs. 1,48.17 lakhs were surrendered but on the last day of the financial year.

Savings ranging from 16 to 50 per cent (Rs. 65.79 lakhs to Rs. 4,11.01 lakhs) of the provision occurred under the grant in the preceding seven years also.

(v) Instances of substantial savings under individual group-heads are given below:—

(1) In the following group-heads, out of the total saving of Rs. 17.60 lakhs, a saving of Rs. 14.44 lakhs was explained as mainly due to imposition of ban on expenditure by Government during February 1968 owing to difficult ways and means position. The reasons for the balance saving of Rs. 3.16 lakhs have not been intimated by the controlling officer.

O.	6.00	0.51	0.59
R.	—5.49		

The net saving of Rs. 5.41 lakhs (90 per cent) was mainly due to non-sanction of loans to grama panchayats for pisciculture owing to reorganisation of grama panchayats.

Savings of 38 per cent (Rs. 4.64 lakhs) and 39 per cent (Rs. 3.12 lakhs) of the provision occurred under this group-head during 1965-66 and 1966-67 also.

(3) N. 1—Loans and Advances under Community Development Programme—Loans under pilot project for utilisation of rural man power—(Plan—State Sector)—

O.	9.50
R.	—9.50			

The entire provision was surrendered on 31st March 1968 owing to delay in sanction of loans to grama panchayats after observing all formalities.

(4) O—Advances to Cultivators—(Plan—State Sector)—

O.	63.52	38.50	37.63	—0.87
R.	—25.02			

The reduction of provision by Rs. 25.02 lakhs was mainly due to post-budget reduced sanction of loans for vegetable and potato seed production (Rs. 12.13 lakhs) and purchase of agricultural implements and machinery (Rs. 1.93 lakhs) non-requirement of loans by cultivators for intensive production of ground nuts and construction of open wells for irrigation purposes (Rs. 9.06 lakhs) and non-finalisation of terms and conditions of loans to cultivators for development of horticulture and hybrid maize seed production (Rs. 1.90 lakhs).

Savings of Rs. 3.63 lakhs (15 per cent) and Rs. 33.66 lakhs (54 per cent) occurred under this group-head during 1965-66 and 1966-67 also.

O. 45.58	65.38	62.95	—2.43
S. 41.85			
R. —22.05			

The reduction of provision by Rs. 22.05 lakhs was explained as mainly due to (i) post-budget decision of Government to provide share capital to Land Mortgage Banks instead of loans for which provision was made under grant No. 44 (Rs. 13.50 lakhs) by supplementary grant in March 1968, lack of interest of poultry keepers to avail themselves of the small amount of loans provided under the scheme for development of poultry farming mainly due to increase in the cost of poultry feeds (Rs. 1.58 lakhs) and imposition of restrictions on expenditure by Government owing to difficult ways and means position (Rs. 6.34 lakhs).

The reasons for the final saving of Rs. 2.43 lakhs have not been intimated by the controlling officers.

(6) S—Loans and Advances to Displaced persons—(Plan—Central Sector)—

O. 55.40	20.51	20.51	..
R. —34.89			

The saving of Rs. 34.89 lakhs in the provision (63 per cent) was explained as mainly due to non-receipt of sanction of the Government of India for implementation of industrial schemes for displaced persons.

The entire provision of Rs. 1,55.10 lakhs and Rs. 76.50 lakhs made under this group-head during 1965-66 and 1966-67 also remained unutilised due to late receipt of sanction and non-receipt of approval from the Government of India respectively.

(7) U—Miscellaneous Loans and Advances—(Plan—Central Sector)—

O. 57.07	32.97	29.34	—3.63
R. —24.10			

The total saving of Rs. 27.73 lakhs (49 per cent of the provision) was mainly attributed to (i) less requirement owing to non-organisation of required number of co-operative farming societies and consumers co-operative stores consequent on reduction in central assistance (Rs. 6.46 lakhs), (ii) dropping of the scheme "Gramdan Multipurpose Co-operative Societies" (Rs. 9.63 lakhs), and (iii) post-budget revision of allocation of funds by the Government of India towards loans for "Rural Industries Project", "Backward Tribes" and "National Loan Scholarship" Schemes (Rs. 11.40 lakhs).

(vi) In the following group-head, additional provision of Rs. 4.10 lakhs made by reappropriation on 21st February 1968 for meeting urgent and extra demand for house building did not prove justified.

The reasons for the saving have not been intimated by the controlling officer.

The saving of Rs. 27.22 lakhs was stated to be mainly due to non-finalisation of some compensation cases owing to closure of compensation courts during September 1967 in four districts on account of paucity of funds and non-finalisation of certain other cases before March 1968.

(ii) *Personal Ledger Account*—Expenditure under this grant includes Rs. 1.05, 668 booked under the head “Suspense” (Personal Deposits). The transactions relating to purchase and utilisation of stores for development works executed by the District Collectors are accounted for under this personal ledger Account. (viii) *Pro rata distribution of Establishment and Tools and Plant charges of Balimela Dam Project*—Upto end of 1966-67 the gross expenditure of establishment charges of the Chief Construction Engineer of Balimela Dam Project was initially accounted for under "Demand No. 43 major head 98—Capital outlay on Multipurpose River Schemes—Balimela Dam (Joint) Project—I—Dam and Appurtenant Works" and distributed at the end of the year to "Balimela Dam (Joint) Project" and "Balimela Power Scheme" in proportion to works expenditure. Since *pro rata* distribution caused difficulties in passing on the proportionate debits to Government of Andhra Pradesh, it was decided by Government in 1966-67 to adjust the establishment charges on a fixed percentage basis from 1967-68. Accordingly 20 per cent of the establishment charges of the Additional Chief Engineer, Balimela and his personal staff are adjusted by debit to "Balimela Power Scheme" per contra credit to "Balimela Dam (Joint) Project".

The provision, however, remained unutilised; reasons for the non-utilisation have not been intimated by the controlling officer.

(iii) The saving of Rs. 8·85 lakhs in the voted grant was the net result of savings in certain group-heads and excesses under certain other group-heads. Major cases of variations are explained in notes (iv) and (v) below.

<i>Amount surrendered during the year (March 1968)</i>			1,00,00,000

Notes and Comments—

(i) The expenditure exceeded the appropriation by Rs. 13,88.72,000 which requires to be regularised.

(ii) The excess in the appropriation was the net result of the excess of Rs. 19,88.72 lakhs under the group-head "A. 3—Overdraft with the Reserve Bank of India" partly offset by savings totalling to Rs. 6,00.00 lakhs under two group-heads mentioned under note (iii) below. The excess of Rs. 19,88.72 lakhs represents repayment of the overdrafts obtained by Government from the Reserve Bank of India during the course of the year; this remained uncovered as the State Government has not yet agreed that the shortfall in cash balance of Government with the Reserve Bank of India should be treated as loan obtained (the matter was reported to be under correspondence with the Government of India).

(iii) (1) A total provision of Rs. 29.07.00 lakhs (including supplementary appropriation of Rs. 27,57.00 lakhs) was made under the group-head "A. 1—Ways and means advances" for repayment of ways and means advances obtained from the Reserve Bank of India; Rs. 5,00.00 lakhs thereof, however, remained unutilised, as no repayment was made during February—March 1968 (the maximum permissible advance taken by February 1968 remained outstanding till end of March 1968).

(2) A provision of Rs. 5,00.00 lakhs was made under the group-head "A—2" for repayment of cash credit advance from the State Bank of India. Fresh cash credit accommodation of Rs. 2,00.00 lakhs was obtained during 1967-68 which was repaid along with the balance of Rs. 2,00.00 lakhs outstanding from the previous year. Rs. 1,00.00 lakhs of the provision thus remained unutilised which was explained as due to non-requirement of fresh cash credit advance as the Food Corporation of India took up procurement of foodgrains from the Khariff year 1967-68.

(vii) *Suspense*—The expenditure under the grant includes Rs. 99.33 lakhs accounted for under the head "Suspense". The nature and scope of the transactions recorded under the head "Suspense" has been described in item (vi) of the notes below "Grant No. 24—Irrigation".
